Incorporate the Puppets into Storytelling

Begin by singing the “5 Little Ducks” song and using each finger puppet to represent the individual ducks. As you sing about the ducks leaving and returning, move the puppets accordingly. This visual representation supports comprehension and keeps children engaged.

Expand the Play Beyond the Song

You can create new stories featuring the ducks or involve other finger puppets like a mother duck or other animals. This extension fosters creativity and narrative skills, allowing children to experiment with language and social scenarios.
