

pigs in the parlor a practical guide to deliverance

****Pigs in the Parlor: A Practical Guide to Deliverance****

pigs in the parlor a practical guide to deliverance is a phrase that many within the Christian community recognize as a foundational resource for understanding spiritual warfare and deliverance ministry. This guide has helped countless individuals comprehend the often misunderstood process of freeing oneself or others from demonic influence. Whether you are new to the concept or have some experience, this article will walk you through the essential ideas, practices, and insights drawn from the principles found in "Pigs in the Parlor," helping you approach deliverance in a practical and effective way.

Understanding the Concept of Deliverance

Deliverance, in a spiritual context, refers to the process of freeing a person from the bondage of demonic oppression or possession. Many people confuse deliverance with exorcism, but deliverance ministry often addresses a wide range of spiritual strongholds beyond full possession. The book "Pigs in the Parlor" by Frank and Ida Mae Hammond has become a cornerstone text because it breaks down these complex spiritual matters into accessible and actionable steps.

What Are Spiritual Strongholds?

Before diving into techniques and prayers, it's important to understand what spiritual strongholds are. These are deeply rooted patterns of sin, emotional wounds, or demonic influences that create barriers between a person and their freedom in Christ. Examples include addictions, fear, anger, or generational curses. The Hammonds describe these strongholds metaphorically as "pigs in the parlor," representing the unwanted spiritual guests that have taken residence in one's life.

The Difference Between Oppression, Obsession, and Possession

In deliverance ministry, recognizing the level of demonic influence is crucial:

- ****Oppression:**** External attacks on a person's mind or body, such as sudden

fear or physical ailments.

- ****Obsession:**** Persistent thoughts or temptations originating from a demonic source.

- ****Possession:**** A rare condition where a demon takes control of a person's body.

Having clarity on these distinctions is vital for determining the appropriate approach to deliverance.

The Foundation of Deliverance in "Pigs in the Parlor"

One of the biggest strengths of "Pigs in the Parlor a practical guide to deliverance" is its biblical foundation. The Hammonds emphasize that deliverance is not about using occult practices or magic but relies on the authority of Jesus Christ and the power of the Holy Spirit.

Authority of Jesus Christ

The core of deliverance ministry is the understanding that believers have been given authority over demonic forces through Jesus. This authority is not based on personal power but on Christ's victory on the cross. The practical takeaway is that deliverance prayers are effective only when rooted in faith and submission to God.

Role of the Holy Spirit

The Holy Spirit guides the minister during deliverance, revealing areas of bondage and providing the power to command spirits to leave. Humility and dependence on God are emphasized throughout the process.

Step-by-Step Approach to Deliverance

Drawing from "Pigs in the Parlor a practical guide to deliverance," here is a practical outline for ministry or personal deliverance.

1. Preparation and Prayer

Before beginning, it's essential to spend time in prayer, seeking God's guidance and protection. Prayer for discernment helps identify the specific

spirits influencing the individual.

2. Identifying the Spirits

The Hammonds suggest asking questions about the person's history, habits, and emotional wounds, which often reveal the nature of the demons involved. Spirits of fear, lust, anger, and rejection are common.

3. Renouncing and Breaking Curses

Often, deliverance requires renouncing sins and breaking generational curses or agreements that have opened doors to demonic influence. This step involves confessing and repenting aloud.

4. Commanding the Demons to Leave

Using the authority of Jesus, the minister commands the spirits to leave in Jesus' name. This must be done firmly but respectfully, without fear.

5. Filling the Void

After deliverance, it's important to fill the spiritual void with the Holy Spirit through prayer, worship, and Scripture reading. Otherwise, the person may be vulnerable to re-entry.

Common Challenges in Deliverance Ministry

Deliverance is rarely straightforward. Those practicing it often face challenges that require patience and discernment.

Resistance and Relapse

Demons may resist leaving, and sometimes individuals experience temporary relapse into old behaviors. Continual prayer and follow-up are critical.

Emotional and Physical Responses

Deliverance sessions can trigger strong emotional or physical reactions, including crying, shaking, or fatigue. These responses are normal but should be handled with care and support.

Need for Counseling and Support

Spiritual deliverance is often part of a broader healing process. Combining deliverance with counseling, discipleship, and community support enhances lasting freedom.

Practical Tips for Those Interested in Learning Deliverance

Whether you are a pastor, ministry leader, or layperson, here are some practical tips inspired by the teachings in "Pigs in the Parlor a practical guide to deliverance":

- **Study Scripture regularly:** Knowing the Word strengthens your faith and equips you to counter lies of the enemy.
- **Practice discernment:** Not every problem is demonic; some issues require medical or psychological help.
- **Maintain a lifestyle of holiness:** Personal purity and obedience to God safeguard your ministry.
- **Build a prayer support network:** Deliverance ministry thrives with accountability and collective prayer.
- **Be gentle and compassionate:** Deliverance is about healing, not condemnation.

How "Pigs in the Parlor" Has Impacted Modern Deliverance Ministry

Since its initial publication, "Pigs in the Parlor a practical guide to deliverance" has influenced countless ministries worldwide. Its clear, practical approach demystifies a topic often clouded by fear and misinformation. Many church leaders have integrated its principles into their counseling and healing services, witnessing transformative results.

The book encourages believers to reclaim their spiritual authority while emphasizing dependence on God, making it a balanced approach that avoids extremes. It also helped shift the conversation about deliverance from a sensationalized practice to a biblically grounded ministry accessible to everyday Christians.

The Role of Education and Training

One key legacy of the Hammonds' work is the push for proper education and training in deliverance ministry. They advocate for thorough preparation, including understanding spiritual warfare, biblical doctrine, and pastoral sensitivity. This ensures that deliverance ministers are equipped to handle situations responsibly and compassionately.

Integrating Deliverance with Everyday Christian Life

Deliverance is not just a one-time event but part of an ongoing journey toward spiritual freedom. The insights from "Pigs in the Parlor a practical guide to deliverance" remind believers to remain vigilant in prayer, confession, and worship, maintaining their freedom and growing in Christ.

Many find that personal deliverance experiences deepen their faith, increase their boldness in ministry, and foster a greater awareness of spiritual realities. It also encourages believers to minister deliverance gently within their communities, supporting those struggling with spiritual oppression.

Exploring the practical and biblical foundations laid out in "Pigs in the Parlor a practical guide to deliverance" offers a valuable path for anyone seeking freedom from spiritual bondage. With prayerful preparation, discernment, and reliance on Christ's authority, deliverance ministry can bring profound healing and restoration to many lives.

Frequently Asked Questions

What is the main theme of 'Pigs in the Parlor: A Practical Guide to Deliverance'?

The main theme of 'Pigs in the Parlor' is spiritual deliverance, focusing on identifying and casting out demonic influences from individuals' lives through biblical principles.

Who are the authors of 'Pigs in the Parlor' and what are their backgrounds?

The book is authored by Frank and Ida Mae Hammond, who are known for their ministry in deliverance and spiritual warfare, drawing from their personal experiences and Christian teachings.

How does 'Pigs in the Parlor' define deliverance ministry?

Deliverance ministry, as described in the book, involves helping individuals break free from demonic oppression by prayer, counseling, and applying scriptural authority to expel evil spirits.

What practical steps does 'Pigs in the Parlor' suggest for identifying demonic influence?

The book suggests observing behavioral patterns, emotional struggles, and spiritual symptoms such as fear, addiction, and oppression as indicators of demonic influence that require deliverance prayers.

Is 'Pigs in the Parlor' based on biblical scripture?

Yes, the book heavily references biblical scripture to support its teachings on deliverance, spiritual warfare, and the authority believers have over demonic forces.

Can 'Pigs in the Parlor' be used by laypeople or is it intended for clergy?

The guide is designed to be accessible to both laypeople and clergy, providing practical instructions for anyone interested in learning about and practicing deliverance ministry.

What are common misconceptions about deliverance that 'Pigs in the Parlor' addresses?

The book addresses misconceptions such as deliverance being only for extreme cases, confusing deliverance with counseling, and the belief that Christians cannot be oppressed by demons.

How has 'Pigs in the Parlor' influenced modern deliverance ministries?

It has been foundational in shaping contemporary deliverance practices by offering a structured, scriptural, and practical approach that many ministries have adopted worldwide.

Are there any criticisms or controversies surrounding 'Pigs in the Parlor'?

Some critics argue that the book may encourage an overemphasis on demonic activity and deliverance, potentially overlooking psychological or medical factors in personal struggles.

Pigs in the Parlor: A Practical Guide to Deliverance – An In-Depth Review

pigs in the parlor a practical guide to deliverance is a title that has garnered attention in the realm of spiritual deliverance and Christian counseling. Authored by Frank and Ida Mae Hammond, this book has become a seminal resource for those interested in understanding and practicing deliverance ministry—a process focused on freeing individuals from demonic oppression. This article provides an analytical overview of the book, evaluating its methodologies, theological underpinnings, and practical applications, while integrating relevant keywords to ensure comprehensive coverage of the subject.

Understanding the Premise of Pigs in the Parlor

At its core, **pigs in the parlor a practical guide to deliverance** deals with the concept of spiritual oppression and the techniques used to identify and expel evil spirits. The Hammonds base their approach on biblical interpretations, particularly referencing the Gospels where Jesus casts demons out of individuals and into swine. This metaphor serves as the foundation for their deliverance model, which seeks to equip believers with tools to confront spiritual bondage in a practical, accessible manner.

This guide is distinct in its step-by-step approach to deliverance ministry, making it not just theoretical but actionable for pastors, counselors, and laypeople. The book's evangelical tone and scriptural backing have made it a staple for many Christian communities, especially those emphasizing charismatic or Pentecostal practices.

Key Features and Methodologies

One of the standout features of **pigs in the parlor** is its detailed framework for identifying demonic influence. The Hammonds categorize various symptoms and signs that might indicate the presence of evil spirits, ranging from psychological disturbances to behavioral anomalies. This diagnostic approach is designed to help deliverance ministers discern when spiritual intervention is necessary as opposed to medical or psychological treatment.

Step-by-Step Deliverance Process

The guide breaks down the deliverance process into several practical steps, which include:

1. Prayer and spiritual preparation to ensure the minister's readiness.
2. Interviewing the individual to uncover potential areas of spiritual vulnerability.
3. Identification of specific spirits or demonic influences by name.
4. Commanding the spirits to leave under the authority of Jesus Christ.
5. Post-deliverance counseling and spiritual strengthening.

This structured methodology is praised for its clarity and ease of implementation, especially in church settings where formal training in deliverance ministry may be limited.

Theological Foundation

The theological framework of **pigs in the parlor** is deeply rooted in evangelical Christian doctrine, particularly the belief in spiritual warfare. The Hammonds emphasize the authority of Scripture and the power of Jesus' name in combating demonic forces. They draw extensively on biblical narratives and teachings from both the Old and New Testaments, framing deliverance as a vital component of Christian life and ministry.

While this approach resonates strongly within charismatic and Pentecostal circles, it may be viewed with skepticism by those from more cessationist or non-charismatic traditions. The book's reliance on spiritual rather than psychological explanations for certain behaviors raises important discussions about the intersection of faith and mental health.

Critical Perspectives and Practical Considerations

Evaluating **pigs in the parlor a practical guide to deliverance** also involves addressing some of the criticisms and limitations associated with its approach.

Potential for Misapplication

One concern frequently raised is the risk of misdiagnosing complex psychological or medical conditions as demonic oppression. Although the Hammonds advocate for discernment and recommend medical consultation when appropriate, the book's focus on spiritual causation can sometimes overshadow other important factors.

Impact on Deliverance Ministry Practices

Despite potential challenges, the book has undeniably shaped deliverance practices worldwide. Its practical guidance has empowered many ministers to approach deliverance with confidence and a clear framework. Additionally, the emphasis on prayer, repentance, and ongoing spiritual growth after deliverance highlights the book's holistic approach to healing.

Comparisons to Other Deliverance Literature

Compared to other deliverance manuals, **pigs in the parlor** stands out for its simplicity and accessibility. While some texts delve heavily into theological debate or complex ritual, the Hammonds maintain a straightforward, user-friendly tone. This has contributed to the book's popularity but also invites scrutiny regarding the depth of its theological engagement.

Audience and Relevance in Contemporary Ministry

The primary audience for **pigs in the parlor** includes pastors, deliverance ministers, and Christian counselors who seek a practical guide to spiritual deliverance. It is especially relevant in contexts where spiritual warfare is emphasized as part of everyday Christian experience.

In today's ministry landscape, where mental health awareness and pastoral care intersect, the book's teachings prompt important conversations about integrating spiritual deliverance with professional counseling. Ministries that adopt the Hammonds' approach often supplement it with psychological support, ensuring a balanced response to individuals' needs.

Practical Benefits for Ministers

- Provides a clear, scripturally grounded framework for deliverance.

- Offers practical steps that can be taught and replicated across ministries.
- Encourages spiritual preparation and accountability for deliverance ministers.
- Focuses on post-deliverance care to prevent relapse.

Challenges in Application

- Risk of oversimplifying complex issues by attributing them solely to demonic influence.
- Potential conflict with mental health professionals regarding diagnosis and treatment.
- Requires a mature and well-trained minister to avoid misuse or harm.

The Legacy and Continuing Influence of Pigs in the Parlor

Since its initial publication, **pigs in the parlor a practical guide to deliverance** has been translated into multiple languages and remains a cornerstone in deliverance literature. Its influence extends beyond individual ministries into training seminars, workshops, and academic studies on spiritual warfare.

The book's enduring relevance can be attributed to its practical orientation and scriptural fidelity, which continue to resonate with believers seeking empowerment against spiritual oppression. While not without controversy, it remains a valuable resource for understanding the dynamics of deliverance ministry in a contemporary Christian context.

In light of ongoing debates about spiritual deliverance and mental health, **pigs in the parlor** challenges readers and ministers alike to consider the multifaceted nature of human suffering and the role of faith in healing. This balance of spiritual insight and practical instruction secures its place as a significant work in the field of deliverance ministry.

Pigs In The Parlor A Practical Guide To Deliverance

pigs in the parlor a practical guide to deliverance: Pigs in the Parlor Frank Hammond, Ida Mae Hammond, 1973 Includes an excerpt from Overcoming rejection.

pigs in the parlor a practical guide to deliverance: Pigs in the Parlor (Hebrew Language Edition) Frank Hammond, 2005-01-01

pigs in the parlor a practical guide to deliverance: *Pigs in the Parlour* Frank Hammond, Ida Mae Hammond, 1992-09

pigs in the parlor a practical guide to deliverance: Pigs in the Parlor - Russian Edition - СВИНЬИ В ВАШЕМ ДОМЕ Frank Hammond, Ida Mae Hammond, 2006-08-01 The RUSSIAN language edition of Pigs in the Parlor. A handbook for deliverance from demons and spiritual oppression. Frank Hammond explains the practical application of the ministry of deliverance, patterned after the ministry of Jesus Christ. Frank Hammond presents information on such topics as: * How demons enter * When deliverance is needed * Seven steps in receiving & ministering deliverance * Seven steps in maintaining deliverance * Self deliverance * Demon manifestations * Binding and loosing * Practical advice for the deliverance minister * Answers to commonly asked questions, and more. The Hammonds also present a categorized list of 53 Demonic Groupings. Testimonies of deliverance are presented throughout the book including Pride, Witchcraft, Nervousness, Stubbornness, Defiance, Mental Illness and more.

pigs in the parlor a practical guide to deliverance: *How to Minister Freedom* Doris M. Wagner, 2011-08-29 This book, a compilation of four essential resources, contains the steps to finding freedom from demonic oppression, emotional wounds, sexual bondages, and ties to the occult. Each topic is enhanced with contributions from well-known experts in the field of deliverance. Pastors, counselors, and those who seek freedom for themselves will garner both a basic understanding of each issue and the means to ministering healing. No church should be without this crucial guide for bringing lifelong freedom to every Christian.

pigs in the parlor a practical guide to deliverance: *What Demons Can Do to Saints* Merrill F. Unger, 1991-01-09 Christians are fighting a spiritual war against an enemy whose power most don't understand. Can a demon dwell in a Christian? Possess him? With scholarly wisdom and pastoral urgency, Dr. Unger challenges apathy and misunderstanding with concrete biblical answers. Facts, not sensationalism.

pigs in the parlor a practical guide to deliverance: *Blessed* Kate Bowler, 2013 Gospels -- Faith -- Wealth -- Health -- Victory -- American blessing -- Megachurch table -- Naming names.

pigs in the parlor a practical guide to deliverance: Folklore and the Internet Trevor J. Blank, 2009-09-15 A pioneering examination of the folkloric qualities of the World Wide Web, e-mail, and related digital media. These studies show that folk culture, sustained by a new and evolving vernacular, has been a key, since the Internet's beginnings, to language, practice, and interaction online. Users of many sorts continue to develop the Internet as a significant medium for generating, transmitting, documenting, and preserving folklore. In a set of new, insightful essays, contributors Trevor J. Blank, Simon J. Bronner, Robert Dobler, Russell Frank, Gregory Hansen, Robert Glenn Howard, Lynne S. McNeill, Elizabeth Tucker, and William Westerman showcase ways the Internet both shapes and is shaped by folklore

pigs in the parlor a practical guide to deliverance: *Spirit Possession around the World* Joseph P. Laycock, 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas. Possession and exorcism are elements that occur in nearly every culture. Why is belief in spiritual possession so universal? This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism, presenting thoughts on this widely popular topic by experts from the fields of anthropology, sociology, religious studies, history, neuroscience, forensics, and theology. The entries cover the subject of possession and

exorcism across all inhabited continents, from the Bronze Age to the 21st century, providing information that is accessible and intriguing as well as scholarly and authoritative. Beyond addressing the Christian tradition of possession and exorcism, Pentecostalism, and New Age and less widely known Western concepts about possession and exorcism, this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia, Africa, and the Americas. It also covers historic cases of possession and presents biographies of famous theologians, exorcists, and possessed individuals. High school and undergraduate readers will learn about world history, religious and spiritual traditions, and world cultures through a topic that figures prominently in popular culture and modern entertainment. Bibliographies that accompany each entry as well as a selected, general bibliography serve to help students locate print and electronic sources of additional information.

pigs in the parlor a practical guide to deliverance: *Gift and Giver* Craig S. Keener, 2020-11-03 In *Gift and Giver*, leading New Testament scholar Craig Keener takes a probing look at the various evangelical understandings of the role of the Holy Spirit in the church. He explores topics such as spiritual gifts, the fruit of the Spirit, the Spirit's power for evangelism, and hearing God's voice. His desire is for Christians to work for consensus, or at least for unity in God's work despite our differences on secondary matters. Employing a helpful narrative approach and an ample number of stories, Keener enters into constructive dialogue with Pentecostals, moderates, and cessationists, all the while attempting to learn from each viewpoint. He seeks to bridge the gap between cessationists and Pentecostals/charismatics by urging all Christians to seek the Holy Spirit's empowerment. His irenic approach to this controversial issue has been endorsed by charismatics and non-charismatics alike. Sure to provoke helpful dialogue on a topic that has caused unfortunate divisions within the church, *Gift and Giver* will be a valuable addition to college and seminary courses on pneumatology. It will also be helpful to lay readers interested in a balanced discussion of spiritual gifts. This repackaged edition includes an updated preface and a substantive new afterword.

pigs in the parlor a practical guide to deliverance: *Demon Possession & the Christian C.* Fred Dickason, 1989 Shows from theology, the Bible and counseling experiences that Christians can be affected by demonic activity. Equips believers to fight spiritual battles--and win.

pigs in the parlor a practical guide to deliverance: *Ignorance and Bliss* Mark Lilla, 2024-12-03 A wise and wonderfully enjoyable book. Mark Lilla treats weighty matters with a light touch, in an elegant prose style that crackles with dry wit . . . Invigorating. —John Banville, *The Guardian* A dazzling exploration of our wish to remain innocent and ignorant—and its consequences. Aristotle claimed that “all human beings want to know.” Our own experience proves that all human beings also want not to know. Today, centuries after the Enlightenment, mesmerized crowds still follow preposterous prophets, irrational rumors trigger fanatical acts, and magical thinking crowds out common sense and expertise. Why is this? Where does this will to ignorance come from, and how does it continue to shape our lives? In *Ignorance and Bliss*, the acclaimed essayist and historian of ideas Mark Lilla offers an absorbing psychological diagnosis of the human will not to know. With erudition and brio, Lilla ranges from the Book of Genesis and Plato's dialogues to Sufi parables and Sigmund Freud, revealing the paradoxes of hiding truth from ourselves. He also exposes the fantasies this impulse lead us to entertain—the illusion that the ecstasies of prophets, mystics, and holy fools offer access to esoteric truths; the illusion of children's lamb-like innocence; and the nostalgic illusion of recapturing the glories of vanished and allegedly purer civilizations. The result is a highly original meditation that invites readers to consider their own deep-seated impulses and taboos. We want to know, we want not to know. We accept truth, we resist truth. Back and forth the mind shuttles, playing badminton with itself. But it doesn't feel like a game. It feels as if our lives are at stake. And they are.

pigs in the parlor a practical guide to deliverance: *Between Babel and Pentecost* Andre Corten, Ruth Marshall-Fratani, 2001-08-22 This text considers the important transnational character of Pentecostal movements in Africa and Latin America and their tendency to foster identities that

transcend national and cultural contexts.

pigs in the parlor a practical guide to deliverance: *Multiple Medical Realities* Helle Johannessen, Imre Lazar, 2006 Nowadays a plethora of treatment technologies is available to the consumer, each employing a variety of concepts of the body, self, sickness and healing. This volume explores the options, strategies and consequences that are both relevant and necessary for patients and practitioners who are manoeuvring this medical plurality. Although wideranging in scope and covering areas as diverse as India, Ecuador, Ghana and Norway, central to all contributions is the observation that technologies of healing are founded on socially learned and to some extent fluid experiences of body and self.

pigs in the parlor a practical guide to deliverance: *The Sacred Self* Thomas J. Csordas, 1997-05-07 How does religious healing work, if indeed it does? In this study of the contemporary North American movement known as the Catholic Charismatic Renewal, Thomas Csordas investigates the healing practices of a modern religious movement to provide a rich cultural analysis of the healing experience. This is not only a book about healing, however, but also one about the nature of self and self- transformation. Blending ethnographic data and detailed case studies, Csordas examines processes of sensory imagery, performative utterance, orientation, and embodiment. His book forms the basis for a rapprochement between phenomenology and semiotics in culture theory that will interest anthropologists, philosophers, psychologists, physicians, and students of comparative religion and healing.

pigs in the parlor a practical guide to deliverance: *The Conqueror's Tread* Shandon L. Guthrie, 2022-02-02 For many Christians, the concept of spiritual warfare involves scenarios that are often enchanting, extravagant, and even parapsychological. Hard-lined skeptics respond by treating it instead as an archaic and outmoded superstition—a farce. While we might think a simple reading of Scripture will settle the matter, this has not been the case since those writing on the subject are (tacitly) influenced by dubious philosophical commitments and presuppositions left unchecked. This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare. It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved. The Conqueror's Tread dares to take a reasoned approach to pressing questions such as:

- Do supernatural beings really exist? If so, what are they and what can they do?
- Are there territorial spirits?
- Is exorcism a part of spiritual warfare?
- Does spiritual warfare involve speaking aloud, prayerwalking, and breaking curses?
- What can evil spirits do to Christians? Can Christians be demon-possessed?
- Why would God allow his people to be in a state of conflict with evil spirits?
- What is Christian holiness and how do we pursue it?
- What role does apologetics have? and many more!

pigs in the parlor a practical guide to deliverance: *American Possessions* Sean McCloud, 2015-04-21 Stories of contemporary exorcisms are largely met with ridicule, or even hostility. Sean McCloud argues, however, that there are important themes to consider within these narratives of seemingly well-adjusted people who attend school, go shopping, watch movies, and also happen to fight demons. American Possessions examines Third Wave spiritual warfare, a late twentieth-, early twenty-first century movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation states. While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice, McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape. Drawing on interviews, television shows, documentaries, websites, and dozens of spiritual warfare handbooks, McCloud examines Third Wave practices such deliverance rituals (a uniquely Protestant form of exorcism), spiritual housekeeping (the removal of demons from everyday objects), and spiritual mapping (searching for the demonic in the physical landscape). Demons, he shows, are the central fact of life in the Third Wave imagination. McCloud provides the first book-length study of this influential movement, highlighting the important ways that it reflects and diverts from the larger, neo-liberal culture from which it

originates.

pigs in the parlor a practical guide to deliverance: *Inerrant the Wind* ,

pigs in the parlor a practical guide to deliverance: **Crushed Ice** Dr. Latangela L.

Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields, snakes, alligator-infested canals, and palm trees. Imagine growing up in a city where most people struggle financially, where the nearest grocery store is five miles away, where there is no hospital, where there is only one traffic light, and where most people know one another. Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime? Welcome to Latangela Coleman-Crossfield's family secrets, incest, murder, and lies. It was once easy for Latangela to conclude that she was the culprit of her demise. After all, her mother often told her that she would not amount to a hill of beans, that she was nothing, and that she would never be anything. She sometimes believes these perceptions yet struggles to conceive them as reality. Latangela toils with succumbing to the harshness of her circumstances. Perhaps it could be that she was once a great pretender, pretending as if being raped; molested; and physically and verbally abused by a neighbor, her uncle, her babysitter, and her mother had in no way influenced the choices that she made. Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling, kisses, rape, electric-cord beatings, abortion, the murder of her stepfather, homelessness, and so much more. Indeed, the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities. Unforgiveness is her psychological prison cell. It is in this cell that Latangela allows herself to succumb to the pain and agony of her past. Latangela's life changes when she has a supernatural encounter with Jesus Christ. She realizes that forgiveness is the key to victory. She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships. In doing so, the emotional prison cell that once held her captive ceases to exist. Through prayer and supplication, God gives her the wisdom, knowledge, and grace to separate agape love for her mother and her abusers from their indiscretions. Latangela's life experiences do not prevent her from becoming an educator, an author, a minister, a media personality, an actress, and a serial entrepreneur. She plans to one day travel the globe to share how she was crushed but not defeated. 0

pigs in the parlor a practical guide to deliverance: **Unshakeable** John Eckhardt,

2015-09-01 We all know people who sometimes act in polar opposites: the minister who is godly, prayerful, and holy at times, yet has periods of sin and perversion; the person who is outgoing and cheerful, yet falls into bouts of withdrawal and depression; or the person who is gentle and kind, yet has periods of outburst and rage. Unshakeable is a teaching unlike any other from best-selling author John Eckhardt on breaking the most binding, demonic force: double-mindedness. Through this powerful book you will develop a firm, Christlike identity that will not be easily shaken by this world. You will learn how to overcome the manifestations of double-mindedness that result in: Broken marriages and divorce Indecision and passivity Bitterness and anger Hurt and offense Fear and rejection Spiritually rooted sickness and disease And much more!
