The Day of the Doctor DVD: A Must-Have for Every Doctor Who Fan

the day of the doctor dvd edition is an essential collectible for any devoted Doctor Who enthusiast. Celebrated as one of the most iconic episodes in the series' long history, this special episode marked the 50th anniversary of the beloved British sci-fi show. Owning the DVD means you get to experience the magic of this landmark episode anytime you want, along with a treasure trove of bonus features that deepen your appreciation of the Doctor's legacy.

If you've ever wondered why the day of the doctor dvd is so popular or what makes it a standout in the world of Doctor Who merchandise, this article will walk you through everything you need to know. From the episode's significance to the special content included on the DVD, we'll explore why this release continues to captivate fans worldwide.

The Significance of The Day of the Doctor Episode

Before diving into the DVD itself, it's important to understand what makes the episode so special. "The Day of the Doctor" originally aired in 2013 and was created to celebrate 50 years of Doctor Who. Unlike a typical episode, it brought together multiple incarnations of the Doctor, including the Tenth Doctor (David Tennant), the Eleventh Doctor (Matt Smith), and a previously unseen incarnation known as the War Doctor (John Hurt).

This convergence of Doctors was a brilliant narrative device that not only thrilled longtime fans but also provided new viewers with a captivating story. The episode explores themes of redemption, identity, and sacrifice, while also offering fans nostalgic moments and surprising twists.

Why Collectors Value the DVD Release

While streaming services have made it easy to watch episodes on demand, the day of the doctor dvd remains a collector's item for several reasons:

- **High-Quality Viewing Experience:** The DVD offers crisp visuals and enhanced audio, often surpassing what you get on standard streaming platforms.
- **Exclusive Bonus Features:** Behind-the-scenes documentaries, cast interviews, and commentary tracks give fans a deeper insight into the making of the episode.

- **Physical Collectible:** The DVD packaging often includes unique artwork, booklets, and sometimes even collectible items like postcards or posters.

These extras make the DVD more than just a way to watch the episode—they transform it into a keepsake that celebrates Doctor Who's rich history.

What's Included on The Day of the Doctor DVD?

If you're considering adding the day of the doctor dvd to your collection, it helps to know exactly what you're getting. The release typically includes the following content:

Main Episode and Related Stories

At the heart of the DVD is, of course, the 60-minute special episode. Some editions also bundle related mini-episodes like "The Night of the Doctor," which provides valuable backstory about the War Doctor. Including these additional stories enhances your understanding of the main episode's plot and characters.

Behind-the-Scenes Featurettes

One of the highlights for fans is the range of behind-the-scenes featurettes. These short documentaries showcase:

- The making of the special effects and CGI
- Interviews with the cast and crew sharing memorable moments
- Insights into the writing process and how the anniversary was planned

This kind of content offers a rare glimpse into the collaborative effort behind such a complex episode.

Commentary Tracks and Deleted Scenes

Many versions of the day of the doctor dvd include audio commentary from key cast members and the director. Listening to their perspectives while watching

the episode can enrich the viewing experience by revealing hidden details and creative choices.

Deleted or extended scenes sometimes find their way onto the DVD as well, allowing fans to see parts of the story that didn't make the final cut.

How to Choose the Best Edition of The Day of the Doctor DVD

Since the day of the doctor dvd has been released in various editions, selecting the right one for your needs can be a bit confusing. Here are some tips to help you pick the best version:

Consider Special or Collector's Editions

If you're a hardcore fan or collector, special editions often come with exclusive extras like limited-edition packaging, collectible booklets, or additional mini-episodes. These versions tend to be more expensive but offer greater value in terms of content and presentation.

Region Coding and Compatibility

DVDs come with region codes that restrict playback to certain geographic areas. Make sure the edition you buy is compatible with your DVD player or computer. For example, Region 2 DVDs are for Europe, while Region 1 covers the US and Canada.

Check for Blu-ray Versions

If you prefer higher-definition video, look for the Blu-ray release of "The Day of the Doctor." Blu-ray editions usually include all the DVD extras but offer improved picture and sound quality.

Why Owning the Day of the Doctor DVD Still Matters in the Streaming Era

In today's digital age, many fans rely on streaming platforms to watch their favorite shows. However, owning the day of the doctor dvd has unique advantages that streaming cannot fully replace.

Permanent Access Without Internet

Streaming requires an active internet connection and sometimes a subscription. With the DVD, you have permanent access to the episode and extras, no matter where you are or whether you have internet.

Sharing and Gifting

Physical DVDs make excellent gifts for fellow Doctor Who fans and allow you to share the experience in a more personal, tangible way. There's something special about passing along a beautifully packaged DVD that digital files just can't replicate.

Collecting as a Hobby

For many, collecting Doctor Who memorabilia is a beloved hobby. The day of the doctor dvd is often a centerpiece in collections because it commemorates such a pivotal moment in the show's history.

Tips for Caring for Your Day of the Doctor DVD

To ensure your DVD stays in pristine condition for years to come, consider these simple care tips:

- Store the DVD in a cool, dry place away from direct sunlight to prevent warping or fading.
- Keep the disc clean by gently wiping it with a soft, lint-free cloth from the center outward.
- Avoid stacking DVDs without cases to reduce the risk of scratches.
- Handle the disc by the edges to prevent fingerprints on the surface.

Proper care maintains the quality of your DVD, preserving both the episode and any bonus content for future enjoyment.

Exploring the Legacy Through Related

Merchandise

The day of the doctor dvd is often part of a broader collection of Doctor Who memorabilia released around the 50th anniversary. Fans might also be interested in:

- Soundtrack CDs featuring the iconic score by Murray Gold
- Collector's books and graphic novels that expand on the episode's storylines
- Figurines and models of the Doctors and their TARDIS
- Special edition posters and artwork commemorating the anniversary

These items complement the DVD and allow fans to immerse themselves even further in the Doctor Who universe.

Whether you're revisiting the thrilling time-travel escapades or discovering the episode for the first time, the day of the doctor dvd offers an enriching experience that goes beyond the screen. It's a celebration of the show's enduring appeal and a gateway to the stories that have captivated audiences for generations.

The Day of the Doctor DVD: An In-Depth Review and Analysis

the day of the doctor dvd stands as a significant release for fans and collectors of the long-running British science fiction series, Doctor Who. Celebrating the 50th anniversary of the iconic show, this special episode was met with widespread acclaim upon its broadcast. The DVD release offers an opportunity to revisit the landmark episode with enhanced features and additional content, providing viewers with a richer understanding of its production, narrative significance, and place within the Doctor Who canon.

Understanding the Significance of The Day of the Doctor DVD

The Day of the Doctor originally aired on November 23, 2013, as a commemorative episode marking half a century of Doctor Who. It brought together multiple incarnations of the Doctor, including the Tenth, Eleventh, and the previously unseen War Doctor, portrayed by David Tennant, Matt Smith, and John Hurt, respectively. The DVD release is not merely a standard episode distribution but a carefully curated package that caters to enthusiasts and newcomers alike.

Beyond the standard viewing experience, the DVD edition often includes special features such as behind-the-scenes documentaries, cast interviews, and audio commentaries. These extras illuminate the creative process behind this ambitious crossover and celebrate the show's enduring legacy. For collectors and dedicated fans, owning The Day of the Doctor DVD provides an essential piece of Doctor Who history.

Content and Features of The Day of the Doctor DVD

The DVD release typically features the full 77-minute episode in high definition, ensuring viewers can appreciate the detailed production design and special effects. Given the episode's cinematic scope, the visual quality on DVD is a critical factor in delivering the intended impact.

In addition to the main feature, the DVD often includes:

- **Behind-the-Scenes Documentaries:** These explore the making of the episode, including insights into the writing process by Steven Moffat and the challenges of coordinating multiple Doctors.

- **Cast and Crew Interviews:** Interviews reveal the actors' perspectives on reprising their roles and the significance of this anniversary special.
- **Audio Commentary:** Featuring key contributors, this commentary offers a deeper dive into the episode's themes, production choices, and Easter eggs.
- **Deleted Scenes and Bloopers:** Occasionally included, these provide additional context and a lighter look at the filming process.

Such features elevate the DVD from a simple recording to an immersive fan experience, enriching the appreciation of the episode's narrative and technical achievements.

Comparing The Day of the Doctor DVD to Other Doctor Who Releases

When juxtaposed with other Doctor Who DVD releases, The Day of the Doctor stands out due to its commemorative nature and the scale of its production. Unlike standard season box sets or single-episode releases, this DVD often comes as a special edition with premium packaging and collectible artwork, appealing to collectors.

From a content perspective, it offers more extensive supplemental materials than many other single-episode DVDs. For example, while many classic Doctor Who episodes have minimal extras, The Day of the Doctor DVD typically boasts a comprehensive suite of behind-the-scenes content, reflecting the episode's status as a major event.

Moreover, its narrative complexity—interweaving three Doctors and addressing significant elements of the show's mythology—makes it a cornerstone episode. This uniqueness is mirrored in the DVD's production quality, with enhanced audio and video standards that sometimes surpass those of earlier releases, many of which have been remastered over time to meet contemporary expectations.

Pros and Cons of The Day of the Doctor DVD

To provide a balanced perspective, it is useful to consider the advantages and potential drawbacks of this DVD release.

- **Pros:**
 - High-definition video and audio quality enhance the viewing

experience.

- Extensive special features deepen understanding and engagement.
- Collector's packaging and artwork add value for fans.
- Includes a definitive version of a landmark episode in Doctor Who history.

• **Cons:**

- Limited availability in some regions may affect accessibility.
- Some viewers may prefer digital streaming options over physical media.
- Extras, while comprehensive, may still omit some desired content due to licensing or production constraints.

Overall, the positives typically outweigh the negatives, especially for dedicated fans and collectors who value physical ownership and supplementary materials.

Where to Purchase and Stream The Day of the Doctor DVD

For those interested in acquiring The Day of the Doctor DVD, multiple avenues exist. Major retailers such as Amazon, eBay, and specialist science fiction stores often stock this title. It is advisable to check for special editions or box sets that may include additional episodes or bonuses.

In parallel, digital platforms like iTunes, Google Play, and the BBC's own streaming services provide access to the episode through purchase or rental. However, these digital options rarely include the extensive extras found on the DVD, underscoring the latter's appeal to collectors.

Impact on Doctor Who Fandom and Collectability

The release of The Day of the Doctor DVD has had a notable effect on Doctor Who fandom. As a celebration of the show's history, it rekindled interest among long-time viewers and introduced new fans to the rich mythology of the

series. Its availability on DVD allows for repeated viewing and analysis, fostering community discussions and fan theories.

Additionally, as physical media continues to decline in mainstream consumption, the DVD's status as a collectible grows. Limited editions, signed copies, and special packaging can appreciate in value, making The Day of the Doctor DVD not only a source of entertainment but also a potential investment.

In the broader context of television memorabilia, this DVD exemplifies how high-profile episodes can transcend their broadcast origins to become cherished items within fan culture.

The Day of the Doctor DVD remains a definitive way to experience one of Doctor Who's most important episodes, combining accessibility, quality, and depth. It bridges generations of viewers and stands as a testament to the enduring appeal of the Time Lord's adventures.

the day of the doctor dvd: Doctor Who: The Day of the Doctor (Target Collection) Steven Moffat, 2018-04-05 Discover the new Doctor Who classics. When the entire universe is at stake, three different Doctors will unite to save it. The Tenth Doctor is hunting shape-shifting Zygons in Elizabethan England. The Eleventh is investigating a rift in space-time in the present day. And one other - the man they used to be but never speak of - is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor's different incarnations will come together to save the Earth... to save the universe... and to save his soul.

the day of the doctor dvd: The Rise of Transtexts Benjamin W.L. Derhy Kurtz, Mélanie Bourdaa, 2016-08-25 This volume builds on previous notions of transmedia practices to develop the concept of transtexts, in order to account for both the industrial and user-generated contributions to the cross-media expansion of a story universe. On the one hand exists industrial transmedia texts, produced by supposedly authoritative authors or entities and directed to active audiences in the aim of fostering engagement. On the other hand are fan-produced transmedia texts, primarily intended for fellow members of the fan communities, with the Internet allowing for connections and collaboration between fans. Through both case studies and more general analyses of audience participation and reception, employing the artistic, marketing, textual, industrial, cultural, social, geographical, technological, historical, financial and legal perspectives, this multidisciplinary collection aims to expand our understanding of both transmedia storytelling and fan-produced transmedia texts.

the day of the doctor dvd: Watching Doctor Who Paul Booth, Craig Owen Jones, 2020-02-20 Watching Doctor Who explores fandom's changing attitudes towards Doctor Who. Why do fans love an episode one year but deride it a decade later? How do fans' values of Doctor Who change over time? As a show with an over fifty-year history, Doctor Who helps us understand the changing nature of notions of 'value' and 'quality' in popular television. The authors interrogate the way Doctor Who fans and audiences re-interpret the value of particular episodes, Doctors, companions, and eras of Who. With a foreword by Paul Cornell.

the day of the doctor dvd: The Doctor Who Error Finder R.H. Langley, 2024-10-14 In its long television run, the low-budget but beloved science fiction serial Dr. Who featured numerous bloopers that producers could not afford to reshoot. Today, spotting and discussing those bloopers has become a favorite pastime for fans seeking answers to penetrating questions: When was the First Doctor on a slight exploitation? What does the Second Doctor call the sectional supply unit? When does the Third Doctor mistake a silicate rod for a silicon rod? What is hanging from the Fourth Doctor's nose when is in a cell on Traken? How does the Fifth Doctor accomplish his disappearing hat trick? Where does the Sixth Doctor believe Peri's heart and liver are located? What does the Seventh Doctor do when Ray asks what he is doing? Why does the Eighth Doctor not know the difference between Twelve and Thirteen? This work is the largest existing collection of errors appearing in Doctor Who, from every episode of the original television series, the movies, and the spin-offs. Presenting over 4000 errors and about 1500 other items of interest to fans, it includes transmitted bloopers such as microphones or equipment visible in a shot, obvious strings, anachronisms, unsteady sets, and actors having trouble walking. This book not only presents previously unrecorded bloopers, but also corrects errors in others lists and even refutes well-established blooper claims. The work guides the reader through the stories of each Doctor (first to eighth). Information on each story begins with the official BBC code and title, alternate titles, writers and directors, media examined in creating this list, running times, highlights, questions to keep in mind, and then information on the individual episodes. For each episode, the work provides information on the date of first transmission and a list of errors and trivia, each with its approximate time within the episode. The book also lists errors from the untransmitted parts of the pilot episode and Shada, and concludes with the Forgotten Doctor and related programs such as K-9 and Company, Dimensions in Time, and The Curse of the Fatal Death.

the day of the doctor dvd: James Bond and Popular Culture Michele Brittany, 2014-11-12 The most recognizable fictional spy and one of the longest running film franchises, James Bond has inspired a host of other pop culture contributions, including Doctor Who (the Jon Pertwee era), the animated television comedy series Archer, Matt Kindt's comic book series Mind MGMT, Japan's Nakano Spy School Films, the 1960s Italian Eurospy genre, and the recent 007 Legends video game. This collection of new essays analyzes Bond's phenomenal literary and filmic influence over the past 50-plus years. The 14 essays are categorized into five parts: film, television, literature, lifestyle (emphasis on fashion and home decor), and the Bond persona reinterpreted.

the day of the doctor dvd: 100 Objects of Doctor Who Philip Bates, 2025-01-17 100 Objects of Dr Who is a celebration of everyone's favourite sci-fi show. Perfect for fans, no matter your mileage. It is ingeniously structured as a choose your own adventure-style tour around a Doctor Who museum floating in outer space. Irreverent yet exhaustive, this is a reference book with a twist!

the day of the doctor dvd: Doug Pratt's DVD Douglas Pratt, 2005 Doug Pratt is the leading reviewer of DVDs, a contributor to Rolling Stone, and editor and publisher of The DVD-Laserdisc Newsletter. Choice says, Pratt's writing is amusing, comprehensive and informative. Rolling Stone calls this two-volume set, the gold standard on all things DVD. The set is unique in giving space to non-feature-film DVDs, the fastest growing area of the market. Not just a reference book, it's also good reading.

the day of the doctor dvd: A Joke a Day Keeps the Doctor Away Bob Phillips, 2008-03-01 Laughter is the best medicine! And Bob Phillips, the primary care doctor of practical jokes, joins comic forces with cartoonist Jonny Hawkins to present one unforgettable dose of healthy humor and medical merriment in the form of— absolutely hilarious anecdotes one-liners worth repeating jokes to cure what ails a person cartoons to brighten any day Anyone who has been a patient, is part of the medical profession, or just wants to be sure their funny bone is working will love this prescription of laughter.

the day of the doctor dvd: The Greatest Show in the Galaxy Marc Schuster, Tom Powers, 2014-11-29 The long-running BBC science fiction program Doctor Who has garnered an intense and extremely loyal fan base since its 1963 debut. This work examines the influences of psychology,

literature, pop culture, and the social sciences on Doctor Who storylines and characters. Topics explored include how such issues as class, gender, and sexual attraction factor into the relationships between the Doctor and his companions; whether the Doctor suffers from multiple personality disorder or other psychological afflictions; and the role of the Doctor's native culture in shaping his sense of identity.

the day of the doctor dvd: *Focus On: 100 Most Popular Former Roman Catholics* Wikipedia contributors,

the day of the doctor dvd: *The changing spaces of television acting* Richard Hewett, 2017-08-17 This book provides a historical overview and then-and-now comparison of performing for British television drama. By examining changing acting styles from distinct eras of television production – studio realism and location realism – it makes a unique contribution to both television and performance studies, unpacking the various determinants that have combined to influence how performers work in the medium. The book compares the original versions of *The Quatermass Experiment* (BBC, 1953), *Doctor Who* (BBC, 1963–89) and *Survivors* (BBC, 1975–77) with their respective modern-day re-makes, unpacking the effects of the shift from multi-camera studio to single-camera location production. Textual analysis is combined with extensive archival research into production process and reception, alongside interviews with numerous actors and production personnel from more than sixty years of television production.

the day of the doctor dvd: Contemporary Quality TV Saskia M. Fürst, Ralph J. Poole, 2020-01-10 Ever since HBO's slogan *It's Not TV, It's HBO* launched in 1996, so-called quality television has reached a new level of marketing, recognition, and indeed quality. With other networks imitating the formula, the HBO effect triggered a wave of creative output. This turn to quality set off two shifts: (a) Contemporary television staged an international resurgence of the auteur, and (b) America transformed into an on-demand nation. The chapters in this volume analyze new television lifestyles including marginalized perspectives, fan participation, and an emerging nostalgia correlated with trash aesthetics.

the day of the doctor dvd: The Doctors Are In Graeme Burk, Robert Smith, 2015-09-01 Get to know the eccentric alien known as the Doctor in this “out-of-this-world read for both Classic and New Who fans” (Library Journal). From his beginnings as a crotchety, anti-heroic scientist in 1963 to his current place in pop culture as the mad and dangerous monster-fighting savior of the universe, the character of Doctor Who has metamorphosed in his many years on television. And yet the questions about him remain the same: Who is he? Why does he act the way he does? What motivates him to fight evil across space and time? *The Doctors Are In* is a guide to television's most beloved time traveler from the authors of *Who Is the Doctor* and *Who's 50*. This is a guide to the Doctor himself—who he is in his myriad forms, how he came to be, how he has changed (within the program itself and behind the scenes) . . . and why he's a hero to millions.

the day of the doctor dvd: *Steven Moffat's Doctor Who 2012-2013* Steven Cooper, Kevin Mahoney, 2014-10-10 At over 90,000 words, this is the most comprehensive fan guide yet published to the 2012-2013 season of Doctor Who. After the first part of the season provided an emotional ending to the Doctor's travels with his friends Amy and Rory, Steven Moffat presented an innovative and intriguing new mystery, as the Doctor puzzled over the “woman twice dead” that is Clara Oswald, who had the most spectacular introduction(s) of any companion. This series was the most demanding yet for Moffat; no other Doctor Who showrunner had previously faced an assignment like writing a series finale, an anniversary story, and a combined Christmas Special/Doctor finale in quick succession. We are with Moffat every step of the way as he rises to this unique challenge. The format of this book is the same as our previous Doctor Who guides. Steven Cooper has written excellent detailed analyses of each episode, which *Slant Magazine* published online in their *House Next Door* blog soon after each episode was broadcast. In this way, Steven's reviews provide an invaluable record of how a long-standing fan reacted to each twist of the plot as it occurred. *House Next Door* published Steven's 2013 episode reviews in abridged form; he then expanded upon his analyses, so this book contains far more of his insights than those published online. Kevin Mahoney

then follows Steven's analyses with his reviews, which he wrote from the perspective of having watched the entire series. This enabled him to gauge exactly how Steven Moffat had put this season together, and to assess the success of his various hoodwinks and sleights of hand. In this series, Steven Moffat was just as ambitious as ever - perhaps too ambitious at times, when the scripting became uneven or the production team was not able to realize an episode as well as they might have done. Despite this, there were several episodes that rank among the best of the show's achievements, which we applaud in this celebration of Doctor Who's 50th Anniversary.

the day of the doctor dvd: Steven Moffat's Doctor Who 2014-2015: The Critical Fan's Guide to Peter Capaldi's Doctor (Unauthorized) Steven Cooper, 2016-10-24 After three successful seasons at the helm of Doctor Who, Steven Moffat was faced with the need to establish a whole new direction for the show with the introduction of his second Doctor. When it was announced in August 2013 that Peter Capaldi would be taking over the role for the following year's series, Doctor Who's public profile was bigger than ever before, and the reveal of the new Doctor became a TV event in its own right. Unlike the mixed reaction to the virtually unknown Matt Smith becoming the Doctor, Capaldi's casting was met with almost universal approval. Moffat spoke of how the new Doctor would be more in the patrician mould of the classic series than the youthful boyfriend exterior projected by both Smith and David Tennant. In this book, Steven Cooper covers all 26 episodes broadcast in 2014 and 2015, from the start of the Capaldi era to the 2015 Christmas special.

the day of the doctor dvd: The Doctor's New-Found Family Laura MacDonald, 2015-02-15 Both professionals. Both parents... neither looking for love. As cardiac surgeon at St. Benedict's, Nathan Carrington can deal brilliantly with the mechanics of the heart. With a failed marriage behind him, he's devoted to ensuring his young son's happiness. That's all he needs. Olivia Gilbert, St. Benedict's paediatrician, had everything—wonderful husband, gorgeous kids, a job she loved. Then her world turned upside-down. Now she has her children and her work. And that's all she needs. Then Nathan and Olivia meet. Suddenly they discover that single-parenthood just isn't enough...

the day of the doctor dvd: Billboard , 2001-09-22 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

the day of the doctor dvd: Doctor Who-Guide 3/3 Compiled from Wikipedia pages and published by Dr Googelberg,

the day of the doctor dvd: Plant Horror Dawn Keetley, Angela Tenga, 2016-12-21 This collection explores artistic representations of vegetal life that imperil human life, voicing anxieties about our relationship to other life forms with which we share the earth. From medieval manuscript illustrations to modern works of science fiction and horror, plants that manifest monstrous agency defy human control, challenge anthropocentric perception, and exact a violent vengeance for our blind and exploitative practices. Plant Horror explores how depictions of monster plants reveal concerns about the viability of our prevailing belief systems and dominant ideologies— as well as a deep-seated fear about human vulnerability in an era of deepening ecological crisis. Films discussed include The Day of the Triffids, Invasion of the Body Snatchers, The Wicker Man, Swamp Thing, and The Happening.

the day of the doctor dvd: Realms Of Forgotten Worlds Albert Taylor, 2017-06-26 Introducing a fabulous sci-fi adventure that will take your reading experience to a whole other level. Author Albert Taylor puts together a super complex adventure where you as the reader decide on how the story develops. Sounds too good to be true; well it's here and packed with 71 different ways to make or break your story. It's your story so you decide. The author Albert Taylor has been inspired by sci-fi, even before he could even walk, so this is the masterpiece he has been yearning to create; for a very, very long time. Ever since he was a child he has dreamed of creating his own style of science fiction, and finally it has become a possibility. Much more than just a simple book, the

author has packed it with another dream; the dream of converting a simple book into something the reader could take and modify to his or her own desire! If you never liked the end of your favorite story, well here you actually have the option of changing that. You can end the story as tragically or heroically as you want to. You can run or hide, or just confront the multitudes of challenges that will try and end your story. Basically, if you are accustomed to the author leading you by the hand throughout the story to the very end, you will find that it's not going to happen here. Consider that style to be kindergarten, for readers who depend on someone else telling them that there is no other way to go. Here you will have to come up with your own plan of survival, or face the consequences for reckless decisions. In this story the concept of parallel worlds is looked at in a more drastic, real life type of way. You're pretty much faced with the big question of, what would I do if I discovered a parallel world. A million things probably come to mind, along with the big question of how to get back home. That's the story in the nutshell, and you can go many ways, and even end up in some places where you would like to hang out a bit more. You can go that route, but you may find that it's not at all that easy since your very presence has moved entire worlds! Your presence may have altered a bit more than you may have imagined, but leave that to book II, which is in reality your goal. If you survive and reach book II, then you have successfully reconstructed something compatible to the original story. You may want to get there another way though, which is not at all bad, and you may even be shocked to find out that there was a much better way to get to the end.
