chip ingram house or home: Unclean Lips Josh Lambert, 2013-11-25 Winner of the 2014

Jordan Schnitzer Book Award presented by the Association for Jewish Studies Jews have played an integral role in the history of obscenity in America. For most of the 20th century, Jewish entrepreneurs and editors led the charge against obscenity laws. Jewish lawyers battled literary censorship even when their non-Jewish counterparts refused to do so, and they won court decisions in favor of texts including *Ulysses*, *A Howl*, *Lady Chatterley's Lover*, and *Tropic of Cancer*. Jewish literary critics have provided some of the most influential courtroom testimony on behalf of freedom of expression. The anti-Semitic stereotype of the lascivious Jew has made many historians hesitant to draw a direct link between Jewishness and obscenity. In *Unclean Lips*, Josh Lambert addresses the Jewishness of participants in obscenity controversies in the U.S. directly, exploring the transformative roles played by a host of neglected figures in the development of modern and postmodern American culture. The diversity of American Jewry means that there is no single explanation for Jews' interventions in this field. Rejecting generalizations, this book offers case studies that pair cultural histories with close readings of both contested texts and trial transcripts to reveal the ways in which specific engagements with obscenity mattered to particular American Jews at discrete historical moments. Reading American culture from Theodore Dreiser and Henry Miller to *Curb Your Enthusiasm* and *FCC v. Fox*, *Unclean Lips* analyzes the variable historical and cultural factors that account for the central role Jews have played in the struggles over obscenity and censorship in the modern United States.

chip ingram house or home: Culture Shock Chip Ingram, 2014-08-05 We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground--or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth--and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart. In *Culture Shock*, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, *Culture Shock* is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love.

Slocum, 2021-12-03 *Women, Leisure and Tourism* provides a comprehensive discussion of women, leisure, and tourism through the lens of leisure production and consumption, both by women and for women. Specifically, this text includes a multi-cultural perspective to highlight the unique attributes leisure brings to women, the role of women in leisure entrepreneurship, and the creation of supportive, inclusive environments to enhance female well-being through the examination of these activities in often overlooked populations. The diversity of women's leisure and tourism practices is best perceived through the links between various leisure practices (e.g., sport, outdoor recreation, travel and tourism, learning, crafts, events, family leisure), as well as an understanding of leisure production across cultures and life stages. These chapters bring to the forefront many of the challenges inherent in providing leisure and tourism that support the diverse needs of women, as well as a look at female innovation that is also often overlooked in leisure research. The book includes examples of both applied and conceptual chapters from global perspectives in academic studies.

Its reassuring to know in our being that Gods principles work in all situations in our lives. The stories you are about to read paint a picture of hope and a future because the characters rely on God for their strength and support. So many present-day stories end unhappily, but it is my desire that this book will uplift the reader with a sense of hope and joy for the future. Those that were in bondage and chains were set free because of Gods redeeming love. Many emotions are displayed throughout the stories such as love, peace, joy, happiness, bitterness, and depression. As families face love ones dying, they learn to endure the pain and loss through the grace of a loving God. The characters learn to live with little or with much and to be thankful for whatever the Lord provides. If there is plenty, the abundance is shared with those who have less. There are miracles and angels working together to bless the families in the stories. Families grow in wisdom and love by working through hardships and difficulties together. Families pray together, trusting God for the impossible to be made possible. God truly gives real freedom to those who have willing hearts to forgive others and who give their hearts to him. It is my sincere hope that these stories will inspire and give you hope for all your tomorrows.
