forrest gump movie worksheet answers: The American Dream in "Forrest Gump" Julia Schart, 2019-10-15 Pre-University Paper from the year 2006 in the subject American Studies - Miscellaneous, grade: 2,0, Fachoberschule und Berufsbildungsschule Schwandorf, language: English, abstract: The original reason for choosing this topic in particular was in fact, the main idea of the American Dream, the movie primarily deals with. So, once more I was able to get in touch with the deep rooted imagination and values which basically make up American society. One year ago, when I finished the Foreign Language School in Regensburg, I was really fascinated by having heard so much about, for example, lifestyle, religion and above all cultural details on the second largest continent of the world. Before I start describing Forrest Gump and the way he sees everyone all around him, I have to say that I tried to highlight this work with a short interview with the actor Tom Hanks. Unfortunately, I noticed writing a letter to him which he would have had to answer, would have been too uncertain and furthermore it most probably would have taken too much time. Nevertheless, I did my very best to create a short interesting, expressive dissertation.
