And there's so much she's forgotten about her childhood in Italy - like how the water freezer in the pipes, how cold it is using the outdoor toilet and how the Church bells ring every hour of the day and night. But, it's all part of the fun when you're living in a five hundred year old house in a mountain village. Between day trips to ancient festivals, exploring neighbouring cities and being smuggled into her friend's school, Noor will need a holiday to recover from her holiday.
