About the Novel: The Trumpet of the Swan tells the story of a young swan without the ability to talk. Louis is a trumpeter swan. Unfortunately, he is unable to talk to other swans. Louis decides he needs to learn how to read and write so that he can properly communicate. He goes to his human friend, Sam, for help. Sam takes Louis to school with him, where he learns how to read and write, and is gifted with a slate and piece of chalk. When he returns to his family, Louis quickly learns that this method won't work, as other swans can't read what he writes on his board. In an effort to help his son, Louis' father steals a trumpet from a local music store. Finally, Louis is able to trumpet like the rest of the swans. However, now he faces a new problem—his father is a thief. Louis decides to leave the nest in an effort to earn enough money to pay for the stolen trumpet and restore his father's honor. What follows is a series of events that entwine Louis in the lives of several humans.
