movies must watch before you die: *Stranded at the Drive-In* Garry Mulholland, 2011-11-24 Acclaimed writer of *This is Uncool* and *Popcorn* turns his attention to the (first ever) look at the teen movie. Everyone undergoes some kind of teenage trauma, and a fundamental way of coping, or rite of passage, is the teen movie. Yet until now there has been no book that explores this successful movie sub-genre with any depth. Step forward Garry Mulholland, who, taking his cue from his previous, hugely acclaimed pop culture list books (*This is Uncool* and *Fear of Music*), seeks to create a pantheon of the very finest teen movies, or in Garry Mulholland's words: 'I'll be doing what film critics have been loathe to do since the 1950s, and taking the entire subculture of teen movies seriously, making a constant and compelling argument that *Grease* and *A Nightmare on Elm Street* tell us a great deal more about modern life and human nature than *Citizen Kane* and *The Godfather*.' From *Kes* to *Fame*, *Badlands* to *The Breakfast Club*, and *National Lampoon's Animal House* to *Twilight*, Garry Mulholland re-evaluates a much maligned genre, and brings it all back again: the good, the bad and the traumatic.

movies must watch before you die: *The Sound of Silence* Nancy Epton, 2024-01-11 The *Sound of Silence* explores how non-verbal communication in film, shown primarily through the acting of Ryan Gosling, provides an expressive space in which passive audience viewing is made more active by removing the expository signifier of dialogue. The German Expressionist era may have been brief, but the shadows cast since its end nonetheless loom large. The silhouetted, cigar-wielding men of film noir and their respectively dark, doom-laden haunts mirror the angst-inducing atmospheres of their forebearers, while also introducing the now-familiar figure of the silent hero. Considering the numerous silent hero actors in film history, there's one that stands out in the 21st century like no other: Ryan Gosling. His later career has seen some of the most iconic silent heroes of the past decade, with films such as *Drive*, *Only God Forgives*, *Blade Runner 2049* and *First Man* cementing him as the go-to guy for a monosyllabic, taciturn and moody hero whose

actions speak louder than words. This book argues that it is Gosling's expressive capabilities that keep audiences compelled by his performances. With the use of non-verbal silence – combined with its counterbalance, sound – a more active, emotive audience response can be achieved. Looking further into this idea through theorists such as Michel Chion and Susan Sontag, the book demonstrates that the sound of silence is one of the most meaningful cinematic sounds of all.

This collection of new essays explores fifty years of genre horror in which manifestations of the sacred or profane play a material role. The contributors explore portrayals of the war between good and evil and their archetypes in such classics as The Omen (1976), The Exorcist (1973) and Dracula Has Risen from

the Grave (1968), as well as in popular franchises like Hellraiser and Hellboy and cult films such as God Told Me To (1976), Thirst (2009) and Frailty (2001).

movies must watch before you die: **Jesus and Brian** Joan E. Taylor, 2015-09-10 Monty Python's Life of Brian film is known for its brilliant satirical humour. Less well known is that the film contains references to what was, at the time of its release, cutting edge biblical scholarship and Life of Jesus research. This research, founded on the acceptance of the Historical Jesus as a Jew who needs to be understood within the context of his time, is implicitly referenced through the setting of the Brian character within a tumultuous social and political background. This collection is a compilation of essays from foremost scholars of the historical Jesus and the first century Judaea, and includes contributions from George Brooke, Richard Burridge, Paula Fredriksen, Steve Mason, Adele Reinhartz, Bart Ehrman, Amy-Jill Levine, James Crossley, Philip Davies, Joan Taylor, Bill Telford, Helen Bond, Guy Stiebel, David Tollerton, David Shepherd and Katie Turner. The collection opens up the Life of Brian to renewed investigation and, in so doing, uses the film to reflect on the historical Jesus and his times, revitalising the discussion of history and Life of Jesus research. The volume also features a Preface from Terry Jones, who not only directed the film, but also played Brian's mum.
