Analyze Mistakes Thoroughly

When you find an incorrect response, don't just correct it—take time to understand why the answer was wrong. Look up definitions, use the word in your own sentences, or discuss it with a teacher or peer to deepen your understanding.

Create Flashcards Based on Difficult Words

If certain vocabulary words keep tripping you up, use the Wordly Wise 3000 10 answers to identify them and make flashcards. Include the word, definition, synonyms, antonyms, and an example sentence. Regularly review these to reinforce learning.
