lyrics to my god is an awesome god: *Joyful Noise* Ed Christian, 2003-04 By forbidding the music they don't like, they alienate the young. Ed Christian argues that music should be judged not by personal tastes, but by its spiritual fruits. God approves of music that leads people closer to Him, whether we like it or not. When it comes to music for the worship service, however, unity is important. Appropriate church music doesn't alienate or offend, but brings people together and lifts them up to God. The author examines the arguments of those who reject contemporary Christian music in favor of traditional classics, and show how God can use the new music to bless churches and change lives.

lyrics to my god is an awesome god: Power of the King's Blood Ruth Schofield, 2019-05-23 "And he has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings" (Acts 17:26). Science has proven that the human race is related by blood, and the Bible reveals how God's eternal covenant with mankind is based on blood. Learn why this is a vital key for daily living. Without the atoning blood of Jesus, sinful man is separated from God. Believers are redeemed by the power of the blood of Jesus, which Christ himself has placed on the mercy seat in heaven. Christians obtain righteousness and power over sin by the blood of Jesus, by the merit of that blood which he offered up as an atoning sacrifice. Christ's blood brings us into fellowship with God: "But now in Christ Jesus you who once were far away have been brought near through the blood of Christ" (Ephesians 2:13). The ability to enter God's presence is founded upon the blood of Jesus and his high priestly ministry. Jesus says in John 14:6, "I am the way, the truth, and the life. No one comes to the Father except through me." Jesus, the High Priest, is the living way through whom we can draw near to God to honor and devote ourselves to him with diligence with all our heart and without selfish motives. Believers must be aware they are dependent upon God's divine grace and should have no other

purpose but to please him. Learn how the sacrificial blood of God's very own Son, Jesus Christ, becomes the spiritual DNA of all who receive him as Lord and Savior. You, too, can experience a victorious life in this challenging world and know you have eternal life!

lyrics to my god is an awesome god: *The Other Side of Heaven on Earth* Dimitra Zuniga, 2014-10-23 I once heard that we don't have to allow our past to dictate our future and who we choose to become. That is easier said than done as many of us seem to repeat the vicious circle of life that we grew up in and experienced, and it may be the only life one knows to live. But there is the Other Side of Heaven on Earth, and once you find true love, the unconditional love of God the father nothing is impossible. This is a biography of the trial and tribulations that allowed me to turn from a victim into a victor. I am a first-generation Australian born to Greek parents who migrated here in the 1960s. My father passed away, and my mother, who was deserted by family, raised her three children on her own. I in turn migrated back to Greece when I was eighteen years old for five years, only to end up returning back home to Australia with two kids in my arms and a broken marriage. *The Other Side of Heaven on Earth* is about a life transformation of an abused young girl from a migrant family who enters into womanhood only to become a battered wife. Christians, especially conservatives, show greater hostility toward their own faith and contribute far more to the nations secularization than often wrongly accused atheists, liberals, humanists, Democratic activists, or card carrying members of the American Civil Liberties Union (ACLU). America must examine what it means to be a country of faith. In doing so, citizens should ask how they come together as one nation under the same God where all are welcomed as part of the same national family. Part politics, theology, and constitutional analysis, the book offers a possible answer that speaks to the American soul.

lyrics to my god is an awesome god: *A Gentler God* Doug Frank, 2020-07-09 What is God like? Is he the lofty Almighty of conservative religion, with power to stop heartbreaking human holocausts and deadly natural disasters, but who inexplicably declines to do so? Is he the callous Judge, offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell? Is he the vain King on his throne, requiring us to stroke his ego by praising

him—unceasingly—for his “awesome power”? If this is the God we have been taught, it is no wonder that many people have come to realize that they do not like, let alone trust him. The simple certainties of their childhood no longer make sense. But the equally assured assertions of today’s atheists also leave them cold. They want a personal connection with God —an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being. This book points the way. It dismantles the “angry, punitive God” of traditional Protestantism and beckons us toward a kinder, more welcoming God. This God does not ask us to grit our teeth and try our best to believe. Instead, this God meets us in our humanity, inviting our hearts to respond in genuine trust and love.
