

team of rivals by doris kearns goodwin

Team of Rivals by Doris Kearns Goodwin: A Masterpiece of Historical Biography

team of rivals by doris kearns goodwin is not just another political biography; it is a profound exploration of leadership, character, and the complexities of American history. This acclaimed work dives deep into the life of Abraham Lincoln and the extraordinary cabinet he assembled—men who were once his political adversaries but became his closest advisors. Through meticulous research and engaging storytelling, Doris Kearns Goodwin has crafted a narrative that captivates both history enthusiasts and casual readers alike.

What Makes Team of Rivals by Doris Kearns Goodwin Stand Out?

When discussing presidential biographies, many tend to focus solely on the figurehead. However, in team of rivals by doris kearns goodwin, the spotlight is shared among several key players who shaped Lincoln's presidency. Goodwin's unique approach highlights how Lincoln's leadership was not about overpowering his opponents but embracing their strengths and differences. This approach offers timeless lessons on collaboration and leadership.

Deep Dive into Historical Context

One of the reasons team of rivals by doris kearns goodwin resonates so deeply with readers is its rich historical context. Goodwin painstakingly reconstructs the political landscape of the mid-19th century, offering insights into the turbulent times leading up to and during the Civil War. By understanding the political ideologies and personal motivations of Lincoln's rivals—such as William H. Seward, Salmon P. Chase, and Edward Bates—readers gain a more nuanced view of how the Union was preserved.

A Biography That Reads Like a Novel

Goodwin's writing style is accessible and compelling, which contributes to the book's popularity. Unlike dry historical tomes, *Team of Rivals* by Doris Kearns Goodwin reads like a well-crafted narrative, complete with interpersonal drama, strategic political maneuvers, and moments of personal vulnerability. This storytelling technique makes history feel alive and relevant, encouraging readers to reflect on leadership qualities that transcend time.

The Leadership Lessons from *Team of Rivals* by Doris Kearns Goodwin

Beyond its historical significance, *Team of Rivals* by Doris Kearns Goodwin offers important lessons for anyone interested in leadership, teamwork, or conflict resolution. Lincoln's ability to bring together a cabinet of former opponents demonstrates an extraordinary level of emotional intelligence and strategic thinking.

Embracing Diverse Perspectives

One of the standout themes in *Team of Rivals* by Doris Kearns Goodwin is the power of diversity in thought and opinion. Lincoln understood that by surrounding himself with individuals who had differing viewpoints, he could challenge his own ideas and make better decisions. This principle is highly applicable in today's business and political environments, where diversity and inclusivity drive innovation and problem-solving.

Managing Conflict with Grace

The book also explores how Lincoln managed conflicts within his cabinet without letting personal rivalries derail the collective mission. His patient diplomacy and ability to listen allowed him to navigate tensions and maintain unity. For modern leaders, this serves as a reminder of the importance of empathy and communication in managing teams.

The Impact of Team of Rivals by Doris Kearns Goodwin on Popular Culture

Team of rivals by doris kearns goodwin has influenced not only historians and political scholars but also popular culture. The book inspired Steven Spielberg's acclaimed film "Lincoln," which brought the story of this extraordinary cabinet and the final months of the 16th president's life to an even wider audience.

Bringing History to Life Through Film

The adaptation of team of rivals by doris kearns goodwin into a major motion picture illustrates how powerful historical storytelling can be when combined with visual media. The film's success helped spark renewed interest in Lincoln's presidency and the fascinating dynamics of his team, making the book a must-read for those wanting to delve deeper.

Educational Value and Influence

In classrooms across the country, team of rivals by doris kearns goodwin has become a staple text for teaching American history, leadership, and government. Its balanced portrayal of political strategy and

personal character provides educators with a rich resource to engage students in discussions about democracy and leadership ethics.

Exploring the Characters in Team of Rivals by Doris Kearns

Goodwin

The true strength of team of rivals by doris kearns goodwin lies in its character studies. Each member of Lincoln's cabinet is given depth and complexity, making them more than mere historical footnotes.

William H. Seward: The Ambitious Statesman

Seward, Lincoln's Secretary of State, was once a strong contender for the presidency himself. Goodwin portrays his initial skepticism and eventual loyalty to Lincoln, revealing the nuanced interplay between ambition and service. Understanding Seward's evolution helps readers appreciate the sacrifices and compromises made in the political arena.

Salmon P. Chase: The Radical Reformer

Chase's passionate stance on abolition and reform made him a challenging figure within the cabinet. Goodwin's portrayal of Chase highlights the tension between idealism and pragmatism, a dynamic that resonates in many leadership scenarios today.

Edward Bates and Montgomery Blair: The Steadfast Advisors

Though less flamboyant than Seward or Chase, Bates and Blair provided stability and counsel. Their

roles demonstrate how different leadership styles contribute to the overall success of a team, reinforcing the book's central message about the value of diverse talents.

Why Should You Read Team of Rivals by Doris Kearns

Goodwin?

If you have an interest in American history, political strategy, or leadership development, *Team of Rivals* by Doris Kearns Goodwin is a treasure trove of insights. It combines rigorous scholarship with engaging storytelling, making complex historical events accessible and compelling.

- **Insightful Leadership Lessons:** Learn how Lincoln's inclusive leadership style can inspire your own approach.
- **Rich Historical Detail:** Gain a deeper understanding of the Civil War era and the political challenges of the time.
- **Engaging Narratives:** Enjoy a story filled with drama, rivalry, and triumph that reads like a novel.
- **Influence on Culture:** Appreciate how the book has shaped perceptions of Lincoln and American leadership.

For those looking to improve their understanding of teamwork, especially in high-stakes environments, this book offers timeless wisdom wrapped in a captivating historical account.

How Team of Rivals by Doris Kearns Goodwin Reflects Modern Leadership Challenges

In today's fast-paced and often polarized world, the leadership lessons from team of rivals by doris kearns goodwin are more relevant than ever. The ability to collaborate across differences, manage conflict constructively, and harness diverse perspectives is crucial not only in politics but also in business, education, and community leadership.

Building Teams That Thrive on Debate

Lincoln's cabinet was not a group of yes-men; it was a team that thrived on vigorous debate and honest disagreement. This dynamic encouraged creativity and robust decision-making. Modern leaders can take a page from this playbook by fostering environments where dissent is respected and used productively.

Leading with Humility and Vision

Perhaps the most enduring quality showcased in team of rivals by doris kearns goodwin is Lincoln's humility. Despite his genius, he was willing to admit mistakes and listen to his rivals. This balance of confidence and openness is a hallmark of effective leadership, reminding us that no one has all the answers.

The enduring appeal of team of rivals by doris kearns goodwin lies in its ability to humanize history and provide practical lessons for today. Whether you are a history buff, a student of leadership, or simply curious about one of America's greatest presidents, this book offers a rich, rewarding experience that continues to inspire.

Frequently Asked Questions

What is the main theme of 'Team of Rivals' by Doris Kearns Goodwin?

'Team of Rivals' explores the theme of leadership and political collaboration, focusing on how Abraham Lincoln united his former political rivals into a cohesive and effective cabinet during the Civil War.

Who are the 'rivals' referred to in the title 'Team of Rivals'?

The 'rivals' refer to the men Abraham Lincoln defeated in the 1860 Republican presidential nomination: William H. Seward, Salmon P. Chase, Edward Bates, and Gideon Welles, whom he later appointed to his cabinet.

How does Doris Kearns Goodwin portray Abraham Lincoln in 'Team of Rivals'?

Goodwin portrays Lincoln as a humble, empathetic, and politically astute leader who skillfully managed diverse personalities and viewpoints to preserve the Union.

What historical period does 'Team of Rivals' primarily cover?

The book primarily covers the period leading up to and during the American Civil War, focusing on Lincoln's presidency from 1860 to 1865.

Why is 'Team of Rivals' considered a significant work in American history literature?

'Team of Rivals' is significant because it provides an in-depth analysis of political leadership, the complexities of Lincoln's cabinet, and the challenges faced during the Civil War, offering fresh insights into a critical era of American history.

Did 'Team of Rivals' influence any popular media or films?

Yes, 'Team of Rivals' was a major inspiration for Steven Spielberg's 2012 film 'Lincoln,' starring Daniel Day-Lewis.

What leadership qualities does 'Team of Rivals' highlight through Lincoln's example?

The book highlights Lincoln's qualities such as emotional intelligence, inclusiveness, humility, patience, and his ability to negotiate and build consensus among strong-willed individuals.

How does 'Team of Rivals' address the political and personal conflicts within Lincoln's cabinet?

'Team of Rivals' delves into the tensions and rivalries among cabinet members, showing how Lincoln managed these conflicts through diplomacy and respect, ultimately uniting them toward a common goal.

Additional Resources

Team of Rivals by Doris Kearns Goodwin: A Masterful Exploration of Leadership and Politics

team of rivals by doris kearns goodwin stands as a seminal work in the realm of American historical biography. This meticulously researched book delves into the complex political landscape of the United States during one of its most turbulent eras—the Civil War—through the lens of Abraham Lincoln's presidency. By focusing on Lincoln's cabinet, which was composed of his former political rivals, Goodwin presents a nuanced portrait of leadership, compromise, and the interplay of personalities that defined a critical period in American history.

In-Depth Analysis of Team of Rivals by Doris Kearns Goodwin

Doris Kearns Goodwin's *Team of Rivals* is widely regarded as a definitive biography that transcends the typical historical narrative. The author's approach combines exhaustive archival research with insightful psychological analysis, creating a vivid tapestry of the personal and political dynamics within Lincoln's inner circle. The book not only chronicles historical events but also probes the motivations, ambitions, and ideological conflicts among the key figures.

One of the most striking features of *Team of Rivals* is its focus on four principal men: Abraham Lincoln, William H. Seward, Salmon P. Chase, and Edward Bates. Each was a powerful political figure and potential presidential candidate in the 1860 election, yet Lincoln's decision to appoint these rivals to his cabinet demonstrates a strategic use of rivalry as a tool for effective governance. Goodwin's narrative reveals how this unconventional team-building effort helped Lincoln navigate the complexities of Civil War politics.

Leadership Through Empathy and Political Acumen

The portrayal of Lincoln in *Team of Rivals* by Doris Kearns Goodwin is particularly noteworthy for its emphasis on his empathetic leadership style. Unlike many traditional biographies that focus on Lincoln's political achievements or speeches, Goodwin highlights his ability to understand and manage competing egos. Lincoln's skill in transforming adversaries into collaborators is a central theme, illustrating how emotional intelligence can be a decisive factor in political leadership.

Goodwin's analysis suggests that Lincoln's success was not merely a product of his intellect or moral vision but also his capacity to listen, accommodate dissent, and foster loyalty. This approach contrasts sharply with contemporary leadership styles that often rely on unilateral decision-making or exclusion of dissenting voices. By emphasizing these qualities, *Team of Rivals* offers valuable lessons for modern political leaders and managers.

Historical Context and Rich Character Development

Team of Rivals by Doris Kearns Goodwin excels in situating the cabinet members within the broader historical context of the 1850s and 1860s, a period marked by escalating sectional tensions and the approach of civil war. Goodwin's detailed backgrounds of Seward, Chase, and Bates provide insight into their political philosophies and personal ambitions, which shaped their interactions with Lincoln and each other.

The book's character-driven narrative breathes life into historical figures, moving beyond the archetypes of "hero" or "villain." For instance, William Seward, often depicted as Lincoln's main political rival, is presented with a balanced perspective that acknowledges both his political brilliance and personal flaws. Similarly, Salmon P. Chase's ambition and reformist zeal illustrate the complexities of maintaining unity within a cabinet of strong personalities.

Features and Scholarly Contributions

Team of Rivals stands out for several scholarly merits that make it an essential resource for historians, political scientists, and general readers alike. Goodwin's extensive use of primary sources—including letters, diaries, and contemporary accounts—adds authenticity and depth to the narrative. Her ability to synthesize these sources into a coherent and engaging story demonstrates exceptional historiographical skill.

Moreover, the book's interdisciplinary appeal is significant. While rooted in history, it intersects with political science, leadership studies, and psychology. This cross-disciplinary relevance has contributed to its enduring popularity and use in academic settings. The narrative technique employed by Goodwin, blending biography with political analysis, helps readers understand not only what happened but why and how decisions were made.

Comparisons to Other Civil War Biographies

When compared to other notable works on Abraham Lincoln and the Civil War era, *Team of Rivals* by Doris Kearns Goodwin offers a distinctive approach. Unlike some biographies that concentrate solely on Lincoln himself, Goodwin's work expands the focus to the entire cabinet, providing a more holistic view of governance during the war.

For example, Michael Burlingame's two-volume Lincoln biography is exhaustive in its detail about Lincoln's personal life and presidency but less focused on cabinet dynamics. Similarly, James McPherson's writings emphasize military and political strategies but do not delve as deeply into interpersonal relationships within Lincoln's administration. Goodwin's book fills this gap by exploring the human factors behind political decisions, making it a complementary read to other Civil War scholarship.

Pros and Cons of *Team of Rivals* by Doris Kearns Goodwin

- **Pros:**

- Comprehensive research backed by primary sources.
- Engaging narrative style that humanizes historical figures.
- Insightful exploration of leadership and political strategy.
- Cross-disciplinary relevance enhances its appeal.
- Balanced portrayal of rival personalities and political tensions.

- **Cons:**

- Length and detail may be overwhelming for casual readers.
- Focus on political elites might overshadow broader social issues of the era.
- Some critics argue the narrative occasionally leans toward hagiography in its portrayal of Lincoln.

Legacy and Popular Reception

Team of Rivals by Doris Kearns Goodwin has garnered widespread acclaim since its publication, earning the Lincoln Prize and influencing popular media, including Steven Spielberg's film adaptation, "Lincoln." The book's impact extends beyond academia, shaping public understanding of Civil War leadership and American political history.

Goodwin's work has also contributed to redefining how leadership is studied, emphasizing collaboration and conflict management rather than mere authority. This has resonated with contemporary audiences seeking models of effective governance in polarized times.

The popularity of Team of Rivals in both educational and popular contexts underscores its success in making complex historical events accessible and relevant. Its continued presence on best-seller lists and use in university curricula attests to its lasting significance.

In exploring the intricate dynamics of a cabinet formed from competing ambitions, Doris Kearns

Goodwin's Team of Rivals offers readers not only a detailed historical account but also timeless insights into the art of leadership and the nature of political reconciliation.

Here's your chapter-by-chapter guide to Doris Kearns Goodwin's *Team of Rivals: The Political Genius of Abraham Lincoln* that you can start and finish right now!

team of rivals by doris kearns goodwin: Wait Till Next Year Doris Kearns Goodwin, 2014-07-03 When historian Goodwin was six years old, her father taught her how to keep score for 'their' team, the Brooklyn Dodgers, which forged a lifelong bond between father and daughter. Set in the suburbs of New York in the 1950s, *Wait Till Next Year* is a coming-of-age memoir in the era of Jackie Robinson, Pee Wee Reese and Duke Snider, when baseball truly was a national pastime that brought whole communities together. With her radio by her side and scorecard to hand, she recreates the postwar era, when the corner store was a place to share stories and neighborhoods were equally divided between Dodger, Giant, and Yankee fans. Weaved between the games and the seasons, Goodwin tells the story of a changing America – from the lunacy of the Cold War alarm drills to McCarthy and the Rosenberg trials – as well as her own loss of innocence encapsulated by her mother's death, her father's lapse into despair and the Dodger's departure from Brooklyn in 1957 following the destruction of the iconic Ebbets Field stadium. Poignant, unsentimental and deeply eloquent, *Wait Till Next Year* is a profound memoir about childhood and loss, baseball, and the power of sport to bind families and heal loss and reveal as metaphor the evolving heart of a nation.

team of rivals by doris kearns goodwin: Leadership Doris Kearns Goodwin, 2018-09-18 From Pulitzer Prize-winning author and esteemed presidential historian Doris Kearns Goodwin, an invaluable guide to the development and exercise of leadership from Abraham Lincoln, Theodore Roosevelt, Lyndon B. Johnson, and Franklin D. Roosevelt. The inspiration for the multipart HISTORY Channel series *Abraham Lincoln and Theodore Roosevelt*. "After five decades of magisterial output, Doris Kearns Goodwin leads the league of presidential historians" (USA TODAY). In her "inspiring" (The Christian Science Monitor) *Leadership*, Doris Kearns Goodwin draws upon the four presidents she has studied most closely—Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt, and Lyndon B. Johnson (in civil rights)—to show how they recognized leadership qualities within themselves and were recognized as leaders by others. By looking back to their first entries into public life, we encounter them at a time when their paths were filled with confusion, fear, and hope. *Leadership* tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to shatter forever their ambitions. Nonetheless, they all emerged fitted to confront the contours and dilemmas of their times. At their best, all four were guided by a sense of moral purpose. At moments of great challenge, they were able to summon their talents to enlarge the opportunities and lives of others. Does the leader make the times or do the times make the leader?

"If ever our nation needed a short course on presidential leadership, it is now" (The Seattle Times). This seminal work provides an accessible and essential road map for aspiring and established leaders in every field. In today's polarized world, these stories of authentic leadership in times of apprehension and fracture take on a singular urgency. "Goodwin's volume deserves much praise—it is insightful, readable, compelling: Her book arrives just in time" (The Boston Globe).

team of rivals by doris kearns goodwin: *Rooting for Rivals* Peter Greer, Chris Horst, Jill Heisey, 2018-07-03 Discover how to expand your ministry by teaming up with so-called rival organizations rather than vying for donations. With a countercultural message, a Christlike model, and real-world examples, Greer and Horst reveal the key to revitalizing your ministry, sharing how you can multiply its impact by collaborating rather than competing with others.

team of rivals by doris kearns goodwin: The Three Tasks of Leadership Eric O. Jacobsen, 2009-02-05 This book unpacks business leader Max De Pree's famous definition of leadership originally given for the business world and applies it to the church. Eighteen theologians and pastors here offer essays echoing that definition. The Three Tasks of Leadership is refreshingly free of jargon, full of practical and inspirational advice, and perfect for both pastors in the field and pastors in formation. / Contributors: David Augsburger, Robert Banks, James E. Bradley, Mark Lau Branson, Sherwood Lingenfelter, Richard J. Mouw, Nancy Ortburg, Richard Peace, Charles J. Scalise, Wilbert R. Shenk, Marguerite Shuster, Siang-Yang Tan, Dennis N. Voskuil, Linda Wagener, Howard Wilson, and Walt Wright

team of rivals by doris kearns goodwin: Wait Till Next Year Doris Kearns Goodwin, 1998-06-01

team of rivals by doris kearns goodwin: Public Management Carolyn J. Hill, Laurence E. Lynn Jr, 2015-09-23 Managing in the public sector requires an understanding of the interaction between three distinct dimensions—administrative structures, organizational cultures, and the skills of individual managers. Public managers must produce results that citizens and their representatives expect from their government while fulfilling their constitutional responsibilities. In *Public Management: Thinking and Acting in Three Dimensions*, authors Carolyn J. Hill and Laurence E. Lynn, Jr. argue that one-size-fits-all approaches are inadequate for dealing with the distinctive challenges that public managers face. Drawing on both theory and detailed case studies of actual practice, the authors show how public management that is based on applying a three-dimensional analytic framework—structure, culture, and craft—to specific management problems is the most effective way to improve the performance of America's unique scheme of governance in accordance with the rule of law. The book educates readers to be informed citizens and prepares students to participate as professionals in the world of public management.

team of rivals by doris kearns goodwin: Leadership Doris Kearns Goodwin, 2018-09-20 In this culmination of five decades of acclaimed studies in presidential history, Doris Kearns Goodwin offers an illuminating exploration of the origin, uncertain growth, and finally, the exercise of fully developed leadership. Are leaders born or made? Where does ambition come from? How does adversity affect the growth of leadership? Does the man make the times or does the times make the man? In *Leadership* Goodwin draws upon four of the presidents she has studied - Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt and Lyndon B. Johnson - to show how they first recognized leadership qualities within themselves, and were recognized as leaders by others. By looking back to their first entry into public life, when their paths were filled with confusion, hope, and fear, we can share their struggles and follow their development into leaders. Leadership tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to forever shatter their ambitions. Nonetheless, they all emerged fitted to confront the contours and dilemmas of their times. No common pattern describes the trajectory of leadership. Although set apart in background, abilities and temperament, they shared a fierce ambition, a hunger to succeed beyond expectations. All four, at their best, were guided by a sense of moral purpose that led them at moments of great challenge to summon their talents to enlarge the opportunities and lives of

others. This seminal work provides a roadmap for aspiring and established leaders. In today's polarized world, these stories of authentic leadership in time of surpassing fracture and fear take on a singular urgency.

team of rivals by doris kearns goodwin: A Secession Crisis Enigma Daniel W. Crofts, 2010-04-15 The Diary of a Public Man, published anonymously in several installments in the North American Review in 1879, claimed to offer verbatim accounts of secret conversations with Abraham Lincoln, William H. Seward, and Stephen A. Douglas -- among others -- in the desperate weeks just before the start of the Civil War. Despite repeated attempts to decipher the Diary, historians never have been able to pinpoint its author or determine its authenticity. In A Secession Crisis Enigma, Daniel W. Crofts solves these longstanding mysteries. He identifies the author, unravels the intriguing story behind the Diary, and deftly establishes its contents as largely genuine. According to Crofts, the Diary was not a diary at all but a memoir, probably written shortly before it appeared in print. The mastermind who created it, New York journalist William Henry Hurlbert (1827--1895), successfully perpetrated one of the most difficult feats of historical license -- he pretended to have been a diarist who never existed. Crofts contends, however, that Hurlbert's work was far from fictional. Time after time, the Diary introduces material virtually impossible to fabricate along with previously concealed information that was corroborated only after its publication. The Diary bristles with precise details regarding the struggle to shape Lincoln's cabinet and the composition of his inaugural address. Crofts's careful analysis, accompanied by the full text of the Diary in an appendix, offers a bold new perspective on the frantic scramble to reverse southern secession while avoiding the abyss of war. Hurlbert, a long-forgotten eccentric genius, emerges vividly here. Part detective story, part biography, and part a detailed narrative of events in early 1861, A Secession Crisis Enigma presents a compelling answer to an enduring mystery and brings The Diary of a Public Man back into the historical lexicon.

team of rivals by doris kearns goodwin: 200 Years with Abraham Lincoln Helen Koutras Bozonelis, 2008-01-01 Read about Abraham Lincoln's life and his lasting impact on America and the world--Provided by publisher.

team of rivals by doris kearns goodwin: Rendezvous with Oblivion Thomas Frank, 2024-03-26 New York Times--Bestselling Author: Insightful analysis, moral passion, and keen satirical wit . . . both entertaining and an important commentary on the times. — Publishers Weekly (starred review) What does a middle-class democracy look like when it comes apart? When, after forty years of economic triumph, America's winners persuade themselves that they owe nothing to the rest of the country? With his sharp eye for detail, Thomas Frank, author of What's the Matter with Kansas?, takes us on a wide-ranging tour through present-day America, showing us a society in the late stages of disintegration and describing the worlds of both the winners and the losers—the sprawling mansion districts as well as the lives of fast-food workers. Rendezvous with Oblivion is a collection of interlocking essays examining how inequality has manifested itself in our cities, in our jobs, in the way we travel—and of course in our politics, where in 2016, millions of anxious ordinary people rallied to the presidential campaign of a billionaire who meant them no good. These accounts of folly and exploitation are brought together in a volume marked by Frank's distinctive voice, sardonic wit, and anti-orthodox perspective. They capture a society where every status signifier is hollow, where the allure of mobility is just another con game, and where rebellion too often yields nothing. For those who despair of our country's future and of reason itself, Rendezvous with Oblivion is a booster shot of energy, reality, and moral outrage. [A] scathing take on contemporary American politics and culture. — Kirkus Reviews An invaluable voice . . . as good as any writer working today. — San Francisco Chronicle

team of rivals by doris kearns goodwin: Speech and Silence in American Law Austin Sarat, 2010-03-31 Rather than abstract philosophical discussion or yet another analysis of legal doctrine, Speech and Silence in American Law seeks to situate speech and silence, locating them in particular circumstances and contexts and asking how context matters in facilitating speech or demanding silence. To understand speech and silence we have to inquire into their social life and

examine the occasions and practices that call them forth and that give them meaning. Among the questions addressed in this book are: who is authorized to speak? And what are the conditions that should be attached to the speaking subject? Are there occasions that call for speech and others that demand silence? What is the relationship between the speech act and the speaker? Taking these questions into account helps readers understand what compels speakers and what problems accompany speech without a known speaker, allowing us to assess how silence speaks and how speech renders the silent more knowable.

team of rivals by doris kearns goodwin: Leading Without Command Joe Mutizwa, 2015-03-10 *Leading Without Command* offers practicing and aspiring leaders in business and other disciplines a new way to lead in a world defined by volatility, uncertainty, complexity and ambiguity. The compelling argument in this book is that leading through command, control, and deployment of raw positional power can no longer guarantee superior organizational performance on a sustainable basis. A new leadership model based on a humane perspective anchored on people-centred principles and supported by a set of appropriate skills and behaviours is put forward. This book is essential reading for anyone in a position of authority or influence over people and for anyone who needs to come to terms with the demands of a globally integrated and hypercompetitive world driven by digital technology, knowledge, and the redistribution of power from leaders to followers in organizations, nations, and societies.

team of rivals by doris kearns goodwin: Mrs. Lincoln's Rival Jennifer Chiaverini, 2014-01-14 The New York Times bestselling author of *Mrs. Lincoln's Dressmaker* and *Canary Girls* reveals Mary Todd Lincoln's very public social and political contest with Kate Chase Sprague in this astute and lively novel of the politics of state--set against the backdrop of Civil War Era Washington. Beautiful, intelligent, regal, and entrancing, young Kate Chase Sprague stepped into the role of establishing her thrice-widowed father, Salmon P. Chase, in Washington society as a Lincoln cabinet member and as a future presidential candidate. For her efforts, *The Washington Star* declared her "the most brilliant woman of her day. None outshone her." None, that is, but Mary Todd Lincoln. Though Mrs. Lincoln and her young rival held much in common--political acumen, love of country, and a resolute determination to help the men they loved achieve greatness--they could never be friends, for the success of one could come only at the expense of the other...
