the life you were born to live numerology is a fascinating concept that resonates deeply with anyone searching for purpose and clarity in their life journey. At its core, numerology offers a unique lens through which we can understand ourselves, our potential, and the destiny that awaits us. The life path number, often called the "life you were born to live number," acts as a guide, revealing the traits, challenges, and opportunities that shape our existence. If you've ever wondered how numbers can influence your personality or how to align with your true calling, this exploration into numerology might just unlock those answers.

What Is the Life You Were Born to Live Numerology?

Numerology, an ancient metaphysical science, assigns significance to numbers and their vibrations. Among the many numbers derived from your birth date and name, the life path number stands out as the cornerstone. It's calculated from your full birth date and is believed to reveal the overarching theme of your life—the life you were born to live.

This number goes beyond simple personality typing; it's often viewed as a cosmic roadmap. By understanding your life path number, you gain insight into your natural talents, the lessons you're meant to learn, and the legacy you're destined to leave behind.

How to Calculate Your Life Path Number

Calculating your life path number is straightforward but requires a bit of patience. Here's how you do it:

1. Write down your full birth date (month, day, year).
2. Reduce each segment (month, day, year) to a single digit or master number (11, 22, or 33).
3. Add those numbers together.
4. Continue reducing the sum until you get a single digit or a master number.

For example, if your birth date is July 20, 1985:

- Month: 7 (July is the 7th month)
- Day: $20 \rightarrow 2 + 0 = 2$

- Year: 1985 → 1 + 9 + 8 + 5 = 23 → 2 + 3 = 5

Add them: 7 + 2 + 5 = 14 → 1 + 4 = 5

Your life path number would be 5.

the life you were born to live numerology: Egyptian Numerology Sara Bachmeier, 2018-02-22 Egyptian Numerology works with a persons highest qualities and potential. Most people are satisfied with the traditional numerology which uses the frequencies of numbers to dissect the good and bad aspects of their character. I refer to this as the mind reading technique because for some reason people like to be told what they already know about themselves and what can be revealed by just looking into the mirror and being completely honest with oneself. The paradigm for numbers has shifted over the past few decades and it is vital that we acknowledge this change and accept the knowledge available to us during these radical times of change. Egyptian Numerology takes your reflection and enhances the view by using your number frequencies and taking it into the fifth dimension to show you what is possible to achieve in this lifetime. The fifth dimension has been described as the plane of love and of living totally from the heart. It will give you the opportunity to discover areas of your life that have the greatest potential and what they are meant to look like in an elevated frequency rating. It is compatible to giving you a new prescription for lenses in order to see yourself clearly. If you are already using your highest frequencies, than this type of charting can be used as a geographical confirmation that you are on the right track or it can be used as a reference point to what is possible to achieve in a perspective not always revealing. It will give you a description of what your life looks like when you are living through your heart chakra.

Whether seeking spiritual wisdom, breaking through creative blocks, resolving relationship questions, or braving life's many issues, *The Wisdom of Sound and Number* makes the challenge easier. Leeya Thompson is a scholar and a visionary, bringing impeccable research and fierce intellectual discipline to her work. She follows the trail of the ancient art of gematria back to its earliest roots in Middle Eastern culture and creates a remarkable tool for understanding and change. William Moore, Educator and Reader of the Tree of Life and Tarot I recently had the privilege of experiencing a sound and numerology reading from Leeya Thompson. I was grateful, not only for her insight, but for her ability to express what was revealed in my numbers and name sounds in ways that were both accessible and deeply meaningful. Leeya uses a delightful economy of words, communicating the essences that combine to create my unique portrait. I found the progression of themes for each life phase especially helpful. It is rare to have a reading that takes in the sweep of a life while giving precise indications as well. I came away with a sense of focused hope fueling personal momentum- a rare commodity in today's circumstances. And a testament to Leeya's skill and wisdom. Anne Oliver, Counselor of Mediation
