amazing grace mormon tabernacle choir: Splinters Leslie Jamison, 2024-02-20 From the New York Times bestselling author of *The Recovering* and *The Empathy Exams* comes "a blazing, unputdownable memoir" (Mary Karr, author of *Lit*), the "piercing, intimate" story (TIME Magazine) of rebuilding a life after the end of a marriage—an exploration of motherhood, art, and new love. Leslie Jamison has become one of our most beloved contemporary voices, a scribe of the real, the true, the complex. She has been compared to Joan Didion and Susan Sontag, acclaimed for her powerful thinking, deep feeling, and electric prose. But while Jamison has never shied away from challenging material—scouring her own psyche and digging into our most unanswerable questions across four books—*Splinters* enters a new realm. In her first memoir, Jamison turns her unrivaled powers of perception on some of the most intimate relationships of her life: her consuming love for her young daughter, a ruptured marriage once swollen with hope, and the shaping legacy of her own parents' complicated bond. In examining what it means for a woman to be many things at once—a mother, an artist, a teacher, a lover—Jamison places the magical and the mundane side by side in surprising ways. The result is a work of nonfiction like no other, an almost impossibly deep reckoning with the muchness of life and art, and a book that grieves the departure of one love even as it celebrates the arrival of another. How do we move forward into joy when we are haunted by loss? How do we claim hope alongside the harm we've caused? A memoir for which the very term *tour de force* seems to have been coined, *Splinters* plumbs these and other pressing questions with writing that is revelatory to the last page, full of linguistic daring and emotional acuity. Jamison, a master of nonfiction, evinces once again her ability to "stitch together the intellectual and the emotional with the finesse of a crackerjack surgeon" (NPR).

amazing grace mormon tabernacle choir: Songs I Love to Sing Edith L. Blumhofer, 2023-08-01 Learn the surprising history shared by some of today's most popular hymns. How did "How Great Thou Art," an obscure Swedish hymn, get covered by Elvis? How did "Just as I Am" save Johnny Cash? How did dc Talk sanctify '90s pop rock? In short: the Billy Graham crusades. Music animated these evangelistic extravaganzas, all of it carefully orchestrated by the "chord of three": celebrated preacher Billy Graham, Gospel Music Hall of Fame baritone George Beverly Shea, and choral conductor and emcee Clifford Barrows. And the crusades went on to change the larger face of American music, influencing iconic popular artists in the second half of the twentieth century. The crusade songbook also took root in churches, its use spreading beyond evangelical soil into mainline Protestant and Catholic congregations. In *Songs I Love to Sing*, Edith L. Blumhofer narrates the "biographies" of some of the most beloved songs in modern hymnody with verve and affection. Move beyond mere nostalgia.
