Dharma also refers to our natural duty. We humans have ordinary dharma and an ultimate dharma that relates to who we are at soul level. That dharma requires that we ask existential questions and then seek ultimate answers - questions such as Who am I? Why am I here? and What is my ultimate purpose? Dharma, the Way of Transcendence is a compilation of lectures on human dharma given by His Divine Grace A. C. Bhaktivedanta Swami Prabhupada in 1972 as he toured India. Here he teaches that the dharma of all

humans and every other living embodied soul – is service. No one can exist for a moment without serving someone or something else, even if it's only the mind and senses. So the question is, whom or what can we serve if we want to be truest to ourselves?
