

devil in the junior league

Devil in the Junior League: Unraveling the Mystique and Impact

Devil in the junior league is a phrase that might initially sound like a reference to some mischievous player or a notorious figure lurking in youth sports. However, the concept holds much more depth and intrigue for fans, players, and analysts alike. Whether it's a metaphor for an exceptionally cunning player or a nod to the competitive spirit that often turns the tides in youth leagues, the devil in the junior league embodies the essence of challenge, talent, and sometimes controversy. Let's dive into what this phrase means, its significance in junior-level sports, and why it continues to capture the imagination of many.

Understanding the Devil in the Junior League

The term "devil" in sports contexts often symbolizes a player with exceptional skill, a fiery attitude, or a knack for turning games around when least expected. In the junior league, which typically refers to youth or amateur sports leagues for players under a certain age, this "devil" can be the standout player who disrupts the status quo. It's not just about raw talent, but also about strategic thinking, resilience, and sometimes bending the rules — metaphorically speaking — to gain an edge.

The Role of the “Devil” Player

In many junior leagues, the “devil” might be the kid who seems to have an uncanny ability to read the game, anticipate opponents' moves, and execute plays under pressure. This player often brings an intensity that makes them both admired and feared. Coaches might rely on them to lead the team in tight moments, while opponents may find it challenging to contain their unpredictable style.

But being the “devil” doesn't necessarily mean being a troublemaker. Instead, it often highlights a competitive spirit and a refusal to give up, qualities essential for growth at any level of sport.

Why the Phrase Resonates in Junior Leagues

Junior leagues are spaces where young athletes learn not just the technical aspects of their sport but also important life lessons about teamwork, discipline, and sportsmanship. The "devil in the junior league" symbolizes the fiery passion and competitive edge that, if channeled positively, can inspire teammates and elevate the entire level of play.

At the same time, it serves as a reminder of the delicate balance between healthy competition and the risks of over-aggressiveness or unsportsmanlike conduct. Understanding this balance is crucial for players, parents, and coaches involved in junior sports.

The Impact of a “Devil” Player on Team Dynamics

When a player with devil-like tenacity enters the junior league scene, it can shake up the team dynamics in multiple ways. This influence can be both beneficial and challenging, depending on how it's managed by the player and coaching staff.

Positive Effects

- **Boosting Team Morale:** A passionate and skillful player can inspire teammates to push harder and improve their own game.
- **Raising Competitive Standards:** Their presence often forces everyone on the team to elevate their performance, leading to overall growth.
- **Leadership Development:** These players often take on leadership roles, teaching younger or less experienced teammates through example.

Potential Challenges

- **Over-aggression:** Sometimes, a highly competitive player might cross the line, risking penalties or conflicts on the field.
- **Team Friction:** If not managed well, the player's dominant nature could overshadow teammates, causing resentment.
- **Pressure and Burnout:** The expectations placed on a standout player can lead to stress and fatigue, especially in formative years.

Strategies for Coaches and Parents: Harnessing the Devil's Energy

Handling a player with intense competitive fire requires skill and understanding. The goal should be to nurture their talent while ensuring they grow into well-rounded athletes and individuals.

Encouraging Positive Competition

Coaches and parents can channel the energy of the “devil” player by emphasizing sportsmanship and respect. Encouraging fair play and teaching the importance of teamwork helps balance their competitive edge with empathy and cooperation.

Providing Constructive Feedback

Regular communication about both strengths and areas for improvement can help these players manage their intensity. Feedback should focus on how their actions affect the team and the game, helping them develop self-awareness and maturity.

Promoting Mental and Physical Well-being

Young athletes often face pressure to perform, which can impact their mental health. Ensuring they have access to resources such as sports psychologists, rest periods, and supportive environments is vital to prevent burnout and maintain passion for the sport.

The Broader Cultural Significance of “Devil in the Junior League”

Beyond individual players, the phrase “devil in the junior league” taps into a larger narrative about youth sports culture. It reflects the tension between raw, untamed talent and the structured, often rigid frameworks of organized competition.

Symbolism in Youth Sports

The “devil” can be seen as a symbol of rebellion against norms, showcasing creativity and unpredictability that rules and systems sometimes struggle to contain. This spirit is essential in keeping sports exciting and evolving, even at the junior level.

Impact on Junior League Popularity

Stories of standout “devil” players often attract attention to junior leagues, increasing community engagement and support. These narratives help build local sports culture by creating legends and role models for upcoming generations.

How to Spot the Devil in the Junior League

Identifying a player with that special spark isn’t always about statistics or obvious skill. Sometimes,

it's about observing attitudes and behaviors that set a player apart.

Key Traits to Look For

- **Fearlessness:** Willingness to take risks and face challenges head-on.
- **Game Intelligence:** Ability to read plays, anticipate opponents, and make smart decisions quickly.
- **Resilience:** Bouncing back after mistakes or losses with renewed determination.
- **Passion:** Visible enthusiasm and commitment during practice and games.
- **Influence:** Impact on teammates' performance and morale beyond individual stats.

Final Thoughts on the Devil in the Junior League

The devil in the junior league represents more than a player or a phrase; it embodies the fiery spirit of youth sports—passionate, unpredictable, and full of potential. Recognizing and nurturing this energy can transform a junior league into a vibrant, competitive, and supportive environment where young athletes not only excel but also learn invaluable life skills. Whether you're a coach, parent, or player, appreciating the nuances behind this concept enriches the experience of the game and helps shape the future stars of tomorrow.

Frequently Asked Questions

What is 'Devil in the Junior League' about?

'Devil in the Junior League' is a mystery thriller that follows a young woman infiltrating an elite junior league to uncover dark secrets and solve a series of crimes.

Who are the main characters in 'Devil in the Junior League'?

The main characters typically include the protagonist, a determined young woman, members of the junior league, and various suspects involved in the mystery.

Is 'Devil in the Junior League' based on a true story?

No, 'Devil in the Junior League' is a fictional story created for entertainment, although it may draw inspiration from real social dynamics.

Where can I watch or read 'Devil in the Junior League'?

Depending on the format, 'Devil in the Junior League' may be available as a book, movie, or TV series on platforms like Amazon, Netflix, or bookstores.

Who wrote or directed 'Devil in the Junior League'?

The author or director varies by adaptation, but the work is often credited to contemporary thriller writers or filmmakers specializing in mystery genres.

What themes does 'Devil in the Junior League' explore?

The story explores themes such as social status, deception, ambition, and the dark underbelly of elite social circles.

Are there any sequels or spin-offs of 'Devil in the Junior League'?

Currently, there are no widely known sequels or spin-offs, but the popularity of the story could lead to future expansions.

How has 'Devil in the Junior League' been received by critics?

Critics have praised 'Devil in the Junior League' for its suspenseful plot and character development, though some note it follows familiar mystery tropes.

What makes 'Devil in the Junior League' stand out among other mystery thrillers?

Its unique setting within an exclusive junior league and the blend of social commentary with suspenseful storytelling make it a compelling read or watch.

****Devil in the Junior League: An In-Depth Exploration****

devil in the junior league is a phrase that immediately evokes curiosity and intrigue, conjuring images of unexpected challenges, formidable opponents, and the complexities of navigating competitive youth sports. Whether interpreted literally as a figure within a youth sports context or metaphorically as a disruptive force, this concept merits a thorough examination. In the realm of junior leagues—be it baseball, hockey, soccer, or basketball—the notion of a "devil" can symbolize various dynamics: from a standout player who dominates play to systemic issues that complicate development and sportsmanship.

This article delves into the multifaceted implications of the devil in the junior league, analyzing its presence, impact, and the broader lessons it imparts on young athletes, coaches, and communities. By unpacking this theme through specific examples, investigative insights, and contextual

understanding, we aim to shed light on an often overlooked aspect of youth sports culture and development.

Understanding the Devil in the Junior League Concept

At its core, the devil in the junior league can be interpreted as a metaphor for the challenges and disruptive elements present in youth sports. These can include overly competitive attitudes, unethical coaching practices, or players who exhibit a ruthless playing style that pushes the boundaries of fair play. In any junior league setting, where the focus ideally is on skill development, teamwork, and enjoyment, the presence of such a "devil" figure can create tension and affect the overall atmosphere.

The phrase also sometimes refers to a particular player known for their exceptional skill, often intimidating to opponents, and sometimes perceived as a "villain" on the field. This dual connotation—both the literal and figurative devil—makes the term rich for analysis within the context of junior sports leagues.

The Competitive Edge and Its Consequences

One of the key manifestations of the devil in the junior league is the increasingly intense competitiveness found in youth sports today. According to a 2022 report by the Aspen Institute's Project Play, nearly 70% of children drop out of organized sports by age 13, often citing excessive pressure and a win-at-all-costs mentality as major factors. This environment fosters what some describe as the "devil effect"—where the joy and developmental benefits of sports are overshadowed by stress, burnout, and unsportsmanlike conduct.

In youth hockey and baseball leagues, for instance, coaches and parents sometimes encourage aggressive tactics that prioritize winning over skill mastery. This can lead to confrontations, bullying, or even injury, detracting from the child's experience and potentially stunting emotional growth. The "devil" here is not a person but a culture that undermines the foundational goals of junior leagues.

Profiles of the 'Devil' Player

Alternatively, the devil in the junior league might be embodied by a singular player who stands out for their physical prowess, strategic cunning, or even psychological intimidation. These athletes often become the focal point of rivalries and media attention, sometimes unfairly labeled as troublemakers or antagonists.

Consider the example of a junior soccer player known for aggressive tackles and relentless pursuit of the ball, often walking the fine line between competitive and foul play. While their skill set elevates the team's performance, it also provokes debates about sportsmanship and fair play. The attention and pressure on such players can be immense, shaping their development and future in unpredictable ways.

Systemic Issues: Coaching and Governance Challenges

Beyond individual players, the devil in the junior league also reflects systemic challenges within youth sports governance. Issues such as inconsistent enforcement of rules, favoritism, and lack of transparency in league management can create environments where “devilish” problems thrive.

Coaching Ethics and Their Impact

Effective coaching is fundamental to fostering positive experiences in junior leagues. However, unethical coaching practices—ranging from verbal abuse to encouraging dangerous play—represent a significant devil in the junior league challenge. A 2021 survey by the National Alliance for Youth Sports found that nearly 30% of young athletes reported experiencing or witnessing inappropriate behavior from coaches, highlighting the prevalence of this issue.

Such toxic coaching can erode young players’ enthusiasm and confidence, leading to early dropout and negative psychological effects. Addressing this requires robust training programs, clear codes of conduct, and active monitoring by league authorities.

Governance and Regulatory Oversight

Junior leagues often operate on tight budgets and rely heavily on volunteer administrators, which can result in inconsistent rule enforcement and governance standards. This lack of structure can inadvertently allow negative behaviors—such as favoritism toward certain teams or players and inadequate disciplinary measures—to persist.

Modern junior league organizations are increasingly adopting standardized policies and digital management tools to ensure fairness and transparency. These advancements help mitigate the devilish challenges posed by governance shortcomings.

Balancing Competitive Spirit and Developmental Goals

Achieving a healthy balance between competition and youth development is crucial for mitigating the negative aspects associated with the devil in the junior league. Progressive leagues emphasize holistic approaches that nurture not only athletic skill but also character, teamwork, and resilience.

Best Practices in Junior League Management

Successful junior leagues incorporate several best practices that counteract the devilish tendencies of excessive competitiveness and poor sportsmanship:

- **Emphasizing Skill Development:** Prioritizing training and personal improvement over

winning builds long-term passion and proficiency.

- **Implementing Clear Codes of Conduct:** Establishing and enforcing behavior standards for players, coaches, and parents fosters respect and safety.
- **Encouraging Positive Coaching:** Training coaches in motivational and ethical methods enhances player experience.
- **Promoting Inclusion and Fair Play:** Ensuring equal playing opportunities and discouraging aggressive or unsportsmanlike tactics maintains a healthy environment.

Leagues that adopt these values often report higher retention rates and more satisfied participants, demonstrating the tangible benefits of addressing the devil in the junior league proactively.

Technological Innovations and Their Role

Technology has also become a tool to combat some of the devilish challenges in junior leagues. Video analysis apps, performance tracking software, and virtual coaching platforms provide transparent feedback and improve player development. Digital platforms for league management improve scheduling, communication, and disciplinary tracking, reducing administrative errors and conflicts.

By leveraging technology, junior leagues can enhance fairness, accountability, and learning opportunities, further diminishing the negative forces that the devil in the junior league represents.

Comparative Perspectives: International Junior League Frameworks

Examining junior leagues across different countries reveals diverse approaches to managing the so-called devil elements in youth sports. For example, Scandinavian countries emphasize inclusivity and long-term athlete development over early specialization, resulting in fewer reports of burnout and dropout. In contrast, some North American leagues have faced criticism for overly competitive youth sports cultures leading to increased stress among young athletes.

These international comparisons provide valuable lessons on how cultural attitudes and policy frameworks shape the junior league experience and influence the prevalence of disruptive behaviors.

The multifaceted concept of the devil in the junior league reflects the complexities of nurturing young talent within competitive environments. By understanding its various manifestations—from aggressive players to systemic governance issues—stakeholders can better manage and mitigate these challenges. The ultimate goal remains clear: to foster positive, enriching experiences in youth sports that build skills, character, and lifelong passion.

devil in the junior league: *Emily & Einstein* Linda Francis Lee, 2011-03-01 He was a man who didn't deserve a second chance. But he needed one... Emily and her husband Sandy Portman seemed to live a gracious if busy life in an old-world, Upper West Side apartment in the famous Dakota building. But one night on the way to meet Emily, Sandy dies in a tragic accident. The funeral isn't even over before Emily learns she is on the verge of being evicted from their apartment. But worse than the possibility of losing her home, Emily is stunned when she discovers that her marriage was made up of lies. Suddenly Emily is forced on a journey to find out who her husband really was . . . all the while feeling that somehow he isn't really gone. Angry, hurt, and sometimes betrayed by loving memories of the man she lost, Emily finds comfort in a scruffy dog named Einstein. But is Einstein's seemingly odd determination that she save herself enough to make Emily confront her own past? Can he help her find a future—even after she meets a new man?

devil in the junior league: The Ex-Debutante Linda Francis Lee, 2008-04 When Carlisle Wainwright Cushing left her native Texas to start a new life in Boston, she had no regrets. The former Texas debutante, who never felt at home in her Southern skin, had found liberation--or so she thought. Until the day she gets an urgent call from her mother, reporting that: one, the Symphony Association Debutante Ball, which Carlisle's family has sponsored for years, is about to be called off; Two, her mother's divorce has the whole town talking; And three, the family's good name is at stake and Carlisle is the only one who can fix it all. So Carlisle takes a leave of absence from her law firm and goes to Texas to help. Her fiance, who has no idea she's an heiress, can't know that she's organizing the ball, handling the dramas of the girls involved, settling her mother's suit--and coming face to face with the true love of her life, whom she ran out on when she left Texas. Her trip home challenges Carlisle's sense of herself and brings the pieces of her past together, so that when she finally re-meets the man of her dreams, she's in a perfect place to tempt fate.

devil in the junior league: *The Devil's Interval* Linda Lee Peterson, 2013-08-16 Maggie Fiori, magazine editor and amateur sleuth, gets entangled in a high-profile murder among San Francisco's elite.

devil in the junior league: *The Glass Kitchen* Linda Francis Lee, 2014-06-17 A heartfelt novel of food, family, and new love: "Sweet and intense, with delightful magical accents, a delectable romance—and yummy recipes." —Kirkus Reviews Portia Cuthcart never intended to leave Texas. Her dream was to run the Glass Kitchen restaurant her grandmother built decades ago. But after the loss of her legacy, Portia is determined to start a new life with her sisters in Manhattan . . . and never cook again. Moving into a dilapidated brownstone on the Upper West Side, Portia meets Gabriel, a widowed father who could use help with his two young girls. Yet a promise made to her sisters forces Portia back into a world of magical food and swirling emotions, where she must confront everything she has been running from. Soon, long-held secrets are revealed, rivalries are

exposed, and the promise of new love stirs to life like chocolate mixing with cream.

devil in the junior league: Devil's Mark Megan Crane, 2017-01-03 The bestselling author of Devil's Honor returns with a deliciously sinful novel about a good girl who goes bad—and the notorious Louisiana biker who can't resist the lure of forbidden fruit. Holly Chambless is tired of being the squeaky clean daughter of Lagrange's holier-than-thou mayor. When her father is charged with corruption, she realizes that her whole life's been a lie. Now's her chance to do all the things she never dared, like scoring a job at a bar where reputations go to die, or reconnecting with the biker who sparked a secret hunger in her all those years ago. Holly isn't a wide-eyed girl anymore—and this time she wants a taste of what has always been denied. Killian "Uptown" Chenier has no time for stuck-up princesses. He likes fast bikes and wild sex. Sure, he remembers Holly. He sent her running with a wicked smile and a lesson about prying eyes. And sure, she's grown up smoking-hot, with a body he'd like to personally desecrate. But Devil's Keepers business is real and intense. Her daddy stole from the club, leaving his pretty blonde daughter a walking target. And when Uptown takes aim at what he wants, he never misses. Praise for Devil's Mark "Devil's Mark is a well-written and exciting book, and its unpredictable story will take you places you might never go—unless you join an outlaw motorcycle club."—All About Romance "Devil's Mark is dark and dirty, everything that a MC story should be. . . . Hot, hot, hot!"—Harlequin Junkie "Surprisingly sweet . . . with the sultry and mysterious bayou as a backdrop, spicy-hot passion will breach every barrier. . . . Ms. Crane knows how to bring the heat."—The Sassy Bookster Praise for Megan Crane's Make You Burn "If you are looking for a hot and dirty read in the motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love."—Heroes and Heartbreakers "Crane piles on the passion and danger. . . . This tough and dirty world is fascinating and satisfying in its own way."—Publishers Weekly "Her style was so sultry and thick that I could almost feel the sweat of the bayou and the pulse of Bourbon Street as I read. I sunk deep into the story and enjoyed every minute of it."—Guilty Pleasures Book Reviews Includes an excerpt from another Loveswept title.

devil in the junior league: Devil's Own Megan Crane, 2017-05-16 From the bestselling author of Devil's Honor and Devil's Mark, this seductive novel of the Louisiana bayou kicks into high gear as a dangerously sexy biker takes a no-nonsense teacher on the ultimate thrill ride. Lara Ashburn hates bikers. She watched a motorcycle club destroy her hometown, bringing her brother down with it. That's a life she put far in her rearview. So the last person she wants to see walking into her classroom is the top enforcer of the Devil's Keepers. Big, mean, and gorgeous, all tattoos and leather, Chaser is everything Lara should avoid. Yet the insane chemistry sparking between them tempts her to break all the rules. Ryan "Chaser" Frey has his hands full with a teen daughter in need of tough love, and he doesn't have time for prissy teachers who want to tell him how to raise his kid. But Chaser never could resist a chick who gives as good as she gets. Lara is sexy as hell, and she's not afraid of him. Plus, her links to a California club could provide the Devils with leverage against their enemies. But that would mean mixing business with pleasure—and risking the one woman Chaser can't afford to lose. Praise for Devil's Own "Scorching."—The Jeep Diva "This might be the best in the series so far."—Smitten by Books "Steamy and tender . . . Devil's Own is the book for you."—Fresh Fiction Praise for Megan Crane's Make You Burn "If you are looking for a hot and dirty read in the motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love."—Heroes and Heartbreakers "Crane piles on the passion and danger. . . . This tough and dirty world is fascinating and satisfying in its own way."—Publishers Weekly "Her style was so sultry and thick that I could almost feel the sweat of the bayou and the pulse of Bourbon Street as I read. I sunk deep into the story and enjoyed every minute of it."—Guilty Pleasures Book Reviews Includes an excerpt from another Loveswept title.

devil in the junior league: The Devil's Opus Margaux Mannion Brown, 2014-01-31 There are wicked people in this world. Their deeds defy psychiatric explanations, and the extent of their evil has no cure. They create the game to win it, and when they lose, there are grievous consequences.

Leo Buckman is a sociopath, a black hole sucking the light out of anyone that comes close to him. Left vulnerable by the sudden death of her husband, Katie Mezzo falls prey to Buckmans grift, eventually becoming his codependent and willing victim. After Katies brutal murder, the prestigious and socially prominent Mezzo family is left spinning with questions, spiritual devastation, and a lust for revenge.

devil in the junior league: *Devil's Defense* Lori B. Duff, 2025-07-30 A gripping courtroom drama that explores the struggle between morality vs. professional obligation, *Devil's Defense* will appeal to fans of female-lead courtroom dramas like *The Good Wife*. Jessica Fischer wants nothing more than to build her law practice in small-town Ashton, Georgia. She's well on her way when the local town hero, football coach Frank Tripp Wishingham III, hires her to represent him in a paternity suit. Coach is everything Jessica despises—arrogant, sexist, entitled—but it's her job to make him look good in public. This is made doubly difficult when her burgeoning relationship with a local reporter gets in the way of telling the truth. Are things as black and white as Jessica thinks? And can she find a way to succeed without compromising her own personal values—or her personal life?

devil in the junior league: *The Devil's Dream* Lee Smith, 2011-03-01 Now back in print from the New York Times bestselling author of *The Last Girls*. It was in 1833 or '34 that Moses Bailey brought young Kate Malone down to Cold Spring Holler to be his wife. But Moses, wanting to become a preacher like his daddy was, left Kate time and again to look after the kids while he went out in search of a sign from God. Though he warned them about the evils of playing the fiddle, a kind of music he likened to the devil's own laughter, it passed the time for his bride and children, and soon became not just a way of life for the Baileys, but a curse that would last for generations.

devil in the junior league: *Doing the Devil's Work* Bill Loehfelm, 2015-01-06 A gripping third chapter for one of the most unforgettable and compelling heroines in crime fiction You have a temper, Officer Coughlin, and a propensity for violence . . . You're a bit of a hazard. To others. To yourself. Maureen Coughlin is a bona fide New Orleans cop now, and, with her training days behind her, she likes to think she's getting the lay of the land. Then a mysterious corpse leads to more questions than answers, and a late-night traffic stop goes very wrong. The fallout leaves Maureen contending with troubled friends, fraying loyalties, cop-hating enemies old and new, and an elusive, spectral, and murderous new nemesis—and all the while navigating the twists and turns of a city and a police department infected with dysfunction and corruption. Bill Loehfelm is a rising star in crime fiction. And his Maureen Coughlin is the perfect protagonist: complicated, strong-willed, sympathetic (except when she's not), and as fully realized in Loehfelm's extraordinary portrayal as the New Orleans she patrols. The first two installments in this series won Loehfelm accolades as well as fans, and *Doing the Devil's Work* only ups the ante. It's even faster, sharper, and more thrilling than its predecessors. Taut and fiery, vibrant and gritty, and peopled with unforgettable characters, this is the sinuous, provocative story of a good cop struggling painfully into her own. An ABA IndieNext Selection

devil in the junior league: *The Devil's Own Game* Annie Hogsett, 2019-10-15 The murder is the message What you don't see is what you get. When a sniper targets a blind man walking along the lagoon of the Cleveland Museum of Art, the bullet is a wake-up call aimed straight for Allie Harper and Tom Bennington, shattering their illusion that the Mondo Mega Jackpot Nightmare is over. On the day Allie—sassy, lonely, broke—met Tom—smart, hot, blind—he won \$500 million trying to show a kid that gambling doesn't pay. Romance—and multiple murders—ensued, along with a new, opulent lifestyle that the couple had never dreamed possible. Then a ruthless man of formidable skills and resources hacked into the security system in their rented 9,000 square-foot lakeside mansion, and they learned just how far someone who begrudges their good fortune would go to destroy them. Now they know the past six months of peace and quiet were the calm before a rising storm of mayhem and revenge. The new game begins tonight. An old devil. A new devil. And a new case for The T&A Detective Agency. (Yes. They should have put Allie's initial first.) Tom and Allie aren't on the case long before they discover a strong lead that takes them into the heights of Cleveland's upper-crust, where husbands and wives weave webs of betrayal with unfathomable sums

of money at the center. As the threats—and murders—multiply, Allie, Tom, and the T&A must fight to beat the devil's own game. Will they get out alive? Somebody's Bound to Wind Up Dead series: Too Lucky to Live (Book 1) Murder to the Metal (Book 2) The Devil's Own Game (Book 3) Praise for Annie Hogsett: The original voice, humor, and unusual premise will appeal to Janet Evanovich readers. —Library Journal STARRED review for Too Lucky to Live Fast pacing, multiple plot twists, and humor, including a Stephanie Plum-like main character, enliven the story and keep the pages turning. —Booklist for Too Lucky to Live The bittersweet mystery, with the open-ended threat of a villainous mastermind, is reminiscent of P.J. Tracy's early 'Monkeewrench' novels. —Library Journal for Murder to the Metal

devil in the junior league: *The Devil's Menagerie* Louis Charbonneau, 2014-04-03 Fear is his favorite medium FBI agent Karen Younger's worst nightmare just came true. A vicious serial killer from a cold case has struck again—his crimes spanning two different continents, eight years apart. But he's only getting started, and with each young woman brutally beaten to death across San Carlos, California, he's sending someone a message. Glenda Lindstrom is facing a nightmare of her own. Her abusive ex-husband, Ralph Beringer, is back in town—repeatedly calling, stalking her kids, breaking into their home. He doesn't want a reunion, he wants revenge. Beringer has never forgiven Glenda for taking their son away and remarrying. But she can't convince anyone that the man terrorizing her is capable of far worse than misdemeanors. Beringer is rapidly losing control over his murderous impulses, and he has Glenda and her family exactly where he needs them to complete his grisly scheme. With only a handful of clues and gritty instinct, Agent Younger is running out of time to solve the case before a madman's rage erupts again.

This collection is an essential resource for all those interested in the achievements of Canadian women.

devil in the junior league: *The Devil's Own* Sandra Brown, 2017-11-02 Of the lot, this man was still her best bet. He not only looked the most inebriated, but the most disreputable – lean and hungry and totally without principle. Once he was sober, he would no doubt be easy to buy. “Sister” Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man, more particularly a mercenary. Linc O’Neal wasn’t the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry’s promised fifty thousand dollars—in addition to her body—which she provocatively advertised in order to trick him, then withheld. With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.
