

the end times in chronological order

The End Times in Chronological Order: Understanding the Sequence of Events

the end times in chronological order is a topic that has fascinated theologians, scholars, and curious minds for centuries. Whether approached from a religious perspective, a cultural viewpoint, or even a speculative lens, the idea of how the final days or events might unfold captures the imagination. Today, we'll explore the end times in a structured and chronological way, breaking down the sequence of events as commonly interpreted in Christian eschatology, while touching on related themes and insights that help bring clarity to this complex subject.

What Are the End Times?

Before diving into the timeline, it's important to understand what the "end times" refer to. In essence, the end times denote a future period characterized by significant upheaval, divine intervention, and the ultimate fulfillment of prophetic visions found primarily in the Bible's Book of Revelation, Daniel, and other prophetic texts. These events are often linked to the second coming of Christ, judgment day, and the establishment of a new heaven and earth.

The End Times in Chronological Order: Key Events

The Rise of the Antichrist

One of the first major signs in the end times timeline is the emergence of the Antichrist—a powerful figure who opposes God and deceives many. This individual is often portrayed as a charismatic leader who initially brings peace but ultimately reveals a darker agenda. The Antichrist's rise marks the beginning of a period of growing turmoil and spiritual deception.

The Great Tribulation

Following the Antichrist's ascent, the world enters what is known as the Great Tribulation. This is a time of intense suffering, natural disasters, wars, and persecution. The tribulation period is characterized by widespread chaos that tests the faith of believers and non-believers alike. Many biblical scholars believe this phase lasts for seven years, divided into two

halves—the first marked by relative peace and the second by severe judgment and wrath.

The Seals, Trumpets, and Bowls Judgments

During the tribulation, a series of divine judgments unfold, often symbolized as seals, trumpets, and bowls in the Book of Revelation. These represent escalating catastrophes and divine punishments on the earth.

- **Seals:** The opening of seven seals unleashes events such as war, famine, and death.
- **Trumpets:** Seven angels sound trumpets that bring ecological disasters, plagues, and darkness.
- **Bowls:** Seven bowls of God's wrath pour out, culminating in the final destruction of evil forces.

Understanding this sequence helps grasp the intensity and progression of divine judgment during the end times.

The Battle of Armageddon

As the tribulation reaches its peak, the infamous Battle of Armageddon takes place. This is the climactic confrontation between the forces of good and evil. According to scripture, this battle occurs in the valley of Megiddo and involves the armies aligned with the Antichrist facing the returning Christ and His heavenly forces. The outcome decisively ends the reign of the Antichrist and ushers in the next phase of the end times.

The Second Coming of Christ

A pivotal event in the end times chronology is the second coming of Jesus Christ. Unlike his first coming, which was humble and largely unrecognized, the second coming is described as a powerful, visible return to Earth. Christ comes to defeat evil, resurrect the dead, and establish His kingdom. This moment brings hope and redemption after the tribulation's darkness.

The Millennium: Christ's 1000-Year Reign

Post-battle, the Bible speaks of a thousand-year reign of peace known as the

Millennium. During this era, Christ rules on Earth, Satan is bound, and there is unprecedented harmony and justice. The Millennium symbolizes the fulfillment of God's promises and the restoration of creation.

The Final Judgment

After the Millennium, the end times narrative includes the final judgment, often called the Great White Throne Judgment. Here, all souls are judged according to their deeds. Those whose names are not found in the Book of Life face eternal separation from God, while the righteous enter eternal life. This event marks the definitive separation between good and evil.

The New Heaven and New Earth

Following judgment comes the renewal of creation itself. The current heaven and earth are replaced by a new heaven and a new earth—a place free from pain, sorrow, and death. This eternal state is described as a paradise where God dwells with His people forever, fulfilling the ultimate hope of believers.

Insights into Interpreting the End Times

Understanding the end times in chronological order can be challenging due to the symbolic language and diverse interpretations across denominations. Here are a few tips and insights to navigate these prophecies more effectively:

- **Consider Multiple Perspectives:** Different Christian traditions (preterist, futurist, idealist) interpret end times prophecies differently. Exploring these can provide a broader understanding.
- **Focus on the Message, Not Just the Timeline:** The core of end times teachings centers on faith, hope, and perseverance amid trials rather than just predicting dates.
- **Stay Informed with Biblical Context:** Many end times events are interconnected with Old Testament prophecies, so studying these can enrich comprehension.
- **Watch for Spiritual and Moral Lessons:** Beyond literal events, the end times narrative encourages vigilance, righteousness, and trust in divine sovereignty.

Common Misconceptions About the End Times

The subject of the end times often attracts sensationalism, leading to misconceptions such as specific dates for the apocalypse or exaggerated claims about current events signaling its imminence. It's essential to approach these topics with discernment and avoid fear-driven speculation.

One helpful approach is to recognize that many biblical prophecies use metaphor and allegory, so a literal reading isn't always appropriate. Instead, focusing on the underlying themes of redemption, justice, and hope provides a more balanced view.

Why the Chronological Order Matters

Putting the end times in chronological order helps believers and seekers alike to understand the unfolding divine plan and to prepare spiritually. It also aids in making sense of the prophetic writings, which can otherwise seem disjointed or confusing.

By seeing the sequence—from the rise of the Antichrist to the new heaven and earth—one gains clarity on the progression of events, the role of divine judgment, and the ultimate restoration promised in scripture. This ordered perspective fosters a hopeful anticipation rather than anxiety or despair.

Exploring the end times chronologically invites a deeper reflection on how current world events might relate to these ancient prophecies, encouraging a thoughtful and balanced outlook.

The journey through the end times is complex yet profoundly meaningful. Understanding the timeline offers both a roadmap and a source of comfort, reminding us that amid chaos, there is a divine plan moving towards restoration and peace.

Frequently Asked Questions

What are the key events that signify the beginning of the end times?

The beginning of the end times is commonly marked by events such as widespread moral decline, natural disasters, wars, and the rise of a charismatic global leader often referred to as the Antichrist.

What is the significance of the Rapture in the end times timeline?

The Rapture refers to the event where believers in Christ are taken up to heaven, preceding a period of tribulation on Earth. This event signifies the removal of the faithful before God's judgment intensifies.

What happens during the Tribulation period?

The Tribulation is a seven-year period of intense suffering, marked by natural disasters, persecution, and the rule of the Antichrist, culminating in widespread chaos and divine judgments.

Who is the Antichrist, and what role does he play in the end times?

The Antichrist is a prophesied figure who will rise to power during the end times, deceiving many and opposing God. He will establish a global reign and persecute believers before ultimately being defeated.

What is the Battle of Armageddon and its importance in the end times?

The Battle of Armageddon is the final confrontation between the forces of good and evil, where Jesus Christ returns to defeat the Antichrist and his armies, leading to the establishment of God's kingdom on Earth.

What follows after the end times events are concluded?

After the end times events, there will be the Millennial Kingdom, a thousand-year reign of peace under Christ, followed by the final judgment and the creation of a new heaven and new earth for eternal life.

The End Times in Chronological Order: An Analytical Review

the end times in chronological order represent a complex and multifaceted topic that has fascinated theologians, scholars, and laypeople for centuries. Rooted primarily in religious texts such as the Bible, particularly the books of Daniel and Revelation, the concept of the end times outlines a sequence of prophetic events leading to the culmination of history as we understand it. Beyond religious doctrine, these narratives have also influenced cultural, social, and political thought, making an examination of the end times in chronological order invaluable for understanding both ancient prophecy and its modern interpretations.

Understanding the Framework of the End Times

At its core, the study of the end times is an exploration of eschatology—the branch of theology concerned with the final events of history or the ultimate destiny of humanity. Different religious traditions have varying interpretations, but the Christian eschatological timeline is among the most extensively detailed and widely discussed. This timeline is often depicted as a sequence of distinct phases or events that unfold in a defined chronological pattern, providing believers and scholars with a roadmap of what lies ahead.

Key Terminology and Concepts

To navigate the end times in chronological order, it is crucial to understand several core concepts:

- **Tribulation:** A period of intense suffering and turmoil, often characterized by natural disasters, war, and moral decay.
- **Antichrist:** A figure who opposes Christ and deceives many, often associated with political and spiritual rebellion.
- **Rapture:** An event where believers are taken up to heaven, sparing them from the coming wrath.
- **Second Coming:** The return of Jesus Christ to Earth to defeat evil and establish His kingdom.
- **Millennium:** A thousand-year reign of peace and righteousness following Christ's return.

These concepts serve as foundational markers when piecing together the chronological order of end-time events.

Chronological Sequence of the End Times Events

While interpretations vary, a commonly accepted chronological outline based on biblical prophecy and scholarly consensus includes the following stages:

1. Signs and Birth Pains

The beginning of the end times is often associated with a series of global

signs and calamities. These "birth pains" include natural disasters such as earthquakes, famines, and plagues, as well as societal upheavals like wars and moral decline. These phenomena serve as indicators that the end is approaching but are not the end themselves.

2. The Rapture

The rapture is a pivotal event in many Christian eschatologies, particularly within dispensational premillennialism. It describes the sudden gathering of all believers—living and resurrected—into heaven. The timing of the rapture relative to the tribulation period is widely debated: pre-tribulation, mid-tribulation, and post-tribulation are the primary positions. Regardless, it signifies a moment of divine deliverance for the faithful.

3. The Tribulation Period

Following the rapture, the world enters the tribulation—a seven-year span marked by unprecedented distress and divine judgments. This period is often divided into two halves: the first three and a half years of relative peace and the latter half characterized by intensified suffering and the rise of the Antichrist's influence. Biblical texts describe this time as a test of faith and endurance for those who remain.

4. The Rise of the Antichrist

During the tribulation, the Antichrist emerges as a charismatic and deceptive leader who establishes control over global affairs. His reign includes the persecution of believers and the desecration of holy sites. The Antichrist's actions culminate in a climactic confrontation with Christ at the battle of Armageddon.

5. The Second Coming of Christ

The end times reach their zenith with the Second Coming. Christ returns in glory to defeat the Antichrist and his forces, bringing an end to the tribulation's chaos. This event is characterized by divine judgment, resurrection of the dead, and the establishment of Christ's millennial kingdom on Earth.

6. The Millennium

The millennium refers to a thousand-year reign of peace and righteousness

under Christ's rule. This era is depicted as a time when Satan is bound, and harmony is restored to the world. The millennium serves as a fulfillment of prophetic promises and a prelude to the final judgment.

7. The Final Judgment and New Creation

After the millennium, the final judgment occurs, where all individuals are judged according to their deeds. This event leads to the eternal separation of the righteous and the wicked. Subsequently, the current heavens and earth are transformed into a new creation—a renewed, perfect existence for the faithful.

Comparative Perspectives on the End Times

The chronological order of the end times varies considerably across different theological traditions, which impacts how these events are interpreted and anticipated.

Premillennialism vs. Amillennialism vs. Postmillennialism

- **Premillennialism:** Advocates a literal thousand-year reign of Christ following His physical return, with a clear sequence of tribulation, rapture, and millennium.
- **Amillennialism:** Interprets the millennium symbolically, viewing it as the current church age rather than a future literal kingdom.
- **Postmillennialism:** Posits that Christ will return after a golden age of Christian dominance and peace on earth.

Each viewpoint offers distinct implications for how the end times unfold chronologically and what believers should expect.

Impact on Contemporary Culture and Politics

The anticipation of the end times has historically influenced global politics and cultural movements. For instance, geopolitical tensions in the Middle East are often analyzed through an eschatological lens. Similarly, natural disasters and pandemics sometimes prompt renewed interest in prophetic

timelines. Understanding the end times in chronological order thus extends beyond theology, intersecting with current events and societal psychology.

Challenges in Interpreting the End Times Chronology

Interpreting the end times presents several challenges:

- **Symbolic Language:** Much of the prophetic literature is highly symbolic, requiring careful hermeneutics to avoid misinterpretation.
- **Varied Interpretations:** Different denominations and scholars disagree on the sequence and meaning of events.
- **Historical Context:** Some prophecies may have been fulfilled historically, complicating predictions about future occurrences.

These complexities necessitate a nuanced and critical approach when discussing the end times in chronological order.

The exploration of the end times in chronological order reveals a rich tapestry of prophetic vision, theological debate, and cultural significance. Whether approached from a religious, historical, or sociopolitical perspective, the sequence of end-time events continues to captivate and challenge those who seek to understand humanity's ultimate destiny. As global circumstances evolve, so too does the interpretation and relevance of these ancient prophecies, ensuring that the discourse surrounding the end times remains both dynamic and deeply consequential.

[The End Times In Chronological Order](#)

the end times in chronological order: The End Times in Chronological Order Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

the end times in chronological order: The End Times in Chronological Order Workbook Ron Rhodes, 2022-06-07 You Can Understand Bible Prophecy for Yourself In today's tumultuous world, we see current events aligning with what will happen during the tribulation period prophesied in the Bible. The uncertainty of what is to come has led many to ask questions about what will happen, and

when. With this companion to *The End Times in Chronological Order*, author Ron Rhodes provides a strategically designed guide to help you unpack Bible prophecy. Whether you journey through this workbook on its own or in tandem with the book, this resource illuminates every key concept believers need to know—and where they fit on God's timeline—from the rapture, to the tribulation, to the return of Christ, and beyond. Let your heart be enriched, nurtured, and emboldened as you experience the blessing the book of Revelation promises to those who study Bible prophecy! *The End Times in Chronological Order Workbook* will equip you to better understand and prepare for what God has made known about the future.

the end times in chronological order: *The Chronological Order of the Endtimes* Don Kremer, 2010-11-23 We are the Exit Generation that the prophets spoke about! You are living in one of the most critical times of humanity. All that Jesus spoke about on April 7, 32 A.D. concerning the endtimes is ready to explode on this generation. In this book that is packed with pictures, graphs, and undeniable proofs with over 1,100 supportive verses of Scripture, you will learn: Precisely what signs to look for that starts the 7-Year Period of Revelation. (Note: it is not wars, rumors of wars, floods, famine, and disease.) How to identify Antichrist according to what Scripture says of him before he begins his global reign on earth. How to identify the False Prophet who orders the Mark of the Beast. How to identify the emerging apostate churches and their rapid gain in popularity. The exact order of events as they occur according to the prophets of the Bible. Critical information for you and your family to help prepare you for the days ahead. Precisely where the rapture occurs in the order of endtime events. What you must do now to position yourself and your family for the coming events.

the end times in chronological order: *The Branch and End Time* Doug Israel, 2014-02-12 Understand obscure scriptures regarding: creation, salvation, the rapture, end times, the catalyst necessary for the latter year pouring out of God's Spirit, and worldwide revival.

the end times in chronological order: *Jesus Revealed in the End Times* Dr. Robert Jeffress, 2025-03-04 Most books about the end times focus on the events described in biblical prophecy--wars, natural disasters, economic turmoil, and more--rather than the One who is revealed in those events. The result? God's people end up fearful about what is to come rather than hopeful about Who is to come. But the Bible's prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior, Jesus Christ. In *Jesus Revealed in the End Times*, bestselling author Dr. Robert Jeffress takes a radically different approach to prophecy, helping you see the end times through the lens of Jesus Christ. You'll stop fretting about future events as you start to know Jesus more deeply, see him more clearly, and praise him more joyfully. By the time you finish this book, you'll not only have a greater understanding of God's plan for the future but also have a greater sense of calm and courage in the face of what is to come because you've come to know the One who controls the future.

the end times in chronological order: *The Non-Prophet's Guide to the End Times* Todd

Hampson, 2018-10-02 I Believe Jesus Will Return... What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

the end times in chronological order: Revelation, Completing the End Times Puzzle

Mike Forsyth, 2004-08 Revelation: Completing the End Times Puzzle may change your thoughts about the book of Revelation if you, like most people, think it is too difficult to understand. This book explains Revelation chapter by chapter, putting end times chronology in its proper order with easy-to-comprehend explanations. You'll see the mysteries of Revelation come together like a picture puzzle being completed. You'll come away with answers to the following:* What is the ?sign? of the Son of Man?* When will the Antichrist appear on the scene?* What is the significance of the 144,000 Israelites?* When will the two witnesses begin their ministry?* What will the mark of the beast be?* What will the millennium be like?* Who is Babylon the Great?You will gain a better understanding of:* Daniel's seventieth seven.* The rapture.* The Great Tribulation.* The wrath of God.And a whole lot more!

the end times in chronological order: End Times in Chronological Order Michael E Daniels, 2025-01-06 Discover the divine timeline of Biblical prophecy in this illuminating guide that brings clarity to end-time events. 'End Times in Chronological Order' unravels complex predictions into a clear, sequential journey, revealing how ancient prophecies connect to humanity's future. Michael E. Daniel's masterful analysis connects Old and New Testament prophecies to unveil God's master plan. Through careful examination of Biblical texts, readers will understand the precise order of prophetic events and their significance for today's world. Whether you're new to Biblical prophecy or a seasoned student of scripture, this essential resource provides the tools to recognize prophetic patterns, understand God's timeline, and share these vital truths with others. Each chapter builds a comprehensive framework that transforms complex theological concepts into accessible wisdom for spiritual growth and understanding.

the end times in chronological order: The Time of the End: The 10 Year Tribulation Period and The Conditional Rapture of Tribulation Saints Matthew S Crane, 2017-11-01 One of the most popular and hotly debated topics in recent years has been the subject of what is commonly called "The Tribulation Period". Theories, speculations, and predictions abound as to when this apocalyptic time begins and who will be a part of it. Some Bible teachers insist that Christians who have been born again during the "Church Age" will have no part whatsoever in this time while others teach that it is the Church's prophesied destiny to endure to the end and wait for the cataclysmic 2nd coming of the Lord Jesus Christ. Which one is right? Which one is wrong? The one thing that all current theories seem to have in common is an abundance of inconsistencies and missing pieces. This book seeks to explain many of the obscure passages in Scripture that seem to have been misunderstood and misapplied for the last two thousand years and bring to light a couple of important truths that have been right in front of us all along, which when properly understood, bring consistency to the puzzle of prophecy and causes many of the hitherto difficult pieces to fit.

the end times in chronological order: The Chronological Guide to Bible Prophecy Todd Hampson, 2022-10-04 A Big-Picture Overview of Bible Prophecy God's fulfilled promises are a powerful reminder of the trustworthiness of his Word. Prophecy makes up nearly 30 percent of the Bible—and of that, 75 percent has already been accomplished! With The Chronological Guide to Bible Prophecy, author and illustrator Todd Hampson will deepen your sense of wonder for the Bible's complete accuracy while guiding you through a timeline of God's pledges to his people. You will... examine completed Bible prophecies—and witness how these unbroken promises create a

clear and compelling apologetic for your faith—understand the prophesied events that are still to come and the order in which they will occur—grow in reverence for our incredible God, who uses prophecy to make his amazing faithfulness known to us. This fun and informative book provides a comprehensive survey of the many prophecies found in Scripture, underlining their themes and illuminating why they bring us hope today. Complete with Todd's signature illustrations, *The Chronological Guide to Bible Prophecy* is an invaluable resource for prophecy newcomers and enthusiasts alike.

the end times in chronological order: The Complete Reference Guide to Bible Prophecy
Ron Rhodes, 2024-09-03 *The Ultimate Bible Prophecy Resource* In a world gripped by growing conflict and chaos, it's hard to know where to turn for reliable guidance. But God didn't leave us empty-handed—His gift of Bible prophecy offers hope for the future and purpose in the present! *The Complete Reference Guide to Bible Prophecy* is your all-in-one resource for understanding Bible prophecy and the end times. With his signature clarity and conversational tone, Dr. Ron Rhodes makes complex topics simple, providing you with a composite survey of the end times, from the rapture to eternity concise overviews of all the major prophetic viewpoints, topics, trends, and commonly debated issues visual charts, fast facts, historical insights, helpful quotes, linguistic observations, answers to FAQs, and many other engaging features throughout every chapter. This authoritative work is sure to become your go-to prophecy guide for years to come. Equipped with this invaluable resource, you will become more inspired than ever in the hope, wisdom, and encouragement God provides through Bible prophecy.

the end times in chronological order: Mechatronics and Automation Technology J. Xu, 2023-01-04 With the development of science and technology, mechatronics and automation have changed the face of the traditional machinery manufacturing industry and become an important aspect of information technology and modern industrial production, with a huge impact in many diverse fields such as manufacturing, robotics, automation, the automobile industry and biomedicine. This book contains the proceedings of ICMAT 2022, the 2022 International Conference on Mechatronics and Automation Technology, held as a virtual event due to restrictions related to the COVID-19 pandemic, and hosted in Wuhan, China on 29 and 30 October 2022. The ICMAT conference is an ideal platform for bringing together researchers, practitioners, scholars, academics and engineers from all around the world to exchange the latest research results and stimulate scientific innovations. The conference received a total of 117 submissions, of which 82 papers were accepted for presentation and publication after a rigorous process of peer-review. The topics covered include mechanical manufacturing and equipment, robotics, information technology, automation technology, automotive systems, biomedicine and other related fields. The book provides an overview of technologies and applications in mechatronics and automation technology, as well as current research and development, and will be of interest to researchers, engineers, and educators working in the field.

the end times in chronological order: Time Conrad Riker, 101-01-01 Do you struggle with understanding the concept of time? Are you curious about how different cultures perceive time? Do you want to learn how to manage your time more effectively? If so, this book is for you. *Time: A Cultural History and Practical Guide* explores the development and usage of calendars throughout history, from the earliest lunar calendars to the modern Gregorian calendar. You'll learn about timekeeping devices, how ancient civilizations viewed and measured time, and the role of time in religious practices. This book delves into how time was viewed and measured during the Middle Ages, the changes brought about by the Industrial Revolution, and the impact of digital technology on our perception and measurement of time. It also explores the theoretical possibility of time travel and the psychological impact of time on our health. In *Time: A Cultural History and Practical Guide*, you will gain insights on: - The evolution of calendars and timekeeping devices - How ancient civilizations perceived and measured time - The role of time in religious practices - The impact of the Industrial Revolution on time - How digital technology has changed our perception of time - The concept of time as the fourth dimension of space - The possibility of time travel - The effects of time

on our health - Techniques and tools for effective time management If you want to finally understand time and learn how to manage it effectively, buy *Time: A Cultural History and Practical Guide* today. This book offers a practical guide to understanding time, backed by thorough research and cultural insights. Say goodbye to confusion and hello to a smarter, more efficient you.

the end times in chronological order: The Beginning of Sorrows Jynean Chandler, 2024-08-24 *The Beginning of Sorrows* is a sequel to the book *Too Late* by Jynean E. Chandler. It picks up where the first book left off, where a young lady named Debbie Wiley has just witnessed the martyrdom of a teenage girl named Stacie Wilson and her family. They were all led to the gallows and hung because they refused to denounce their faith in Jesus Christ and take the mark of the antichrist. As they were being led up the steps to the gallows, Debbie noticed that Stacie and her family all had a glow on their faces and were actually smiling; it was as if the presence of the Holy Spirit was walking right beside them. They all were strangely gazing up toward the sky as the guards placed the nooses around their necks. None of them spoke a word but kept their eyes looking upward to the sky. Debbie watched tearfully from a distance with the other guards from the deprogramming camp and wondered what they were looking at. What vision was God showing them? she thought. After each one of them had nooses placed around their neck, one of the guards pulled the lever, and the platform shifted backward, and the stools they were standing on moved backward, leaving Stacie and her family dangling in the air, being held up only by the ropes around their necks. Debbie was so distraught that tears began to flow from her eyes as she watched these brave people die in horror. Suddenly, at that very moment, God revealed to Debbie that those brave people had been given a glimpse of heaven right before they died. That is why they kept gazing up into the sky. Previously, the teenage girl Stacie had been secretly keeping a journal, documenting all of the things that were taking place during the Tribulation right after she missed the Rapture and while a prisoner at the deprogramming camp. Just before she was led to the gallows, she discretely slipped her journal to Debbie, hinting that she wanted her to continue documenting these events in her journal. Debbie took the journal and quickly slipped it into her pants pocket, hoping that the other guards didn't see the transaction and turn her in as a traitor. Witnessing this event renewed her faith, and she realized that this was going to be her new assignment to God. She was determined to encourage those Christians who will be brought to the deprogramming camp to keep the faith and stand strong, even if they had to face death. What will be Debbie's fate? Will she be able to carry out this mission? What adventures will she face?

the end times in chronological order: A House Divided-7 Events Before Rapture & the Coming Christian Holocaust Michael Johnson, 2004-11 Just as Jesus Christ promised, a book that simplifies and clarifies the End Times prophecies, is finally here. *A House Divided* chronicles, in easy-to-understand terms, the ENTIRE End Times scenario, including SEVEN easy-to-remember End Events. After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible, the author has been able to piece together the prophecies to form a single, coherent picture of the End Times. During the process of gathering together the prophecies, the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events. In The Revelation, Chapter 10, John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders. Although John heard the thunders and was about to write them down, he was told to conceal them. The author of *A House Divided* feels that he has uncovered what those seven thunders are. By themselves, the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book. There are at least twenty COMPLETELY NEW interpretations of prophecy, never before presented, that are detailed in the book. Many of the author's interpretations are as bold in its assertions as The Revelation is mysterious. Jews also, will find this work especially intriguing. In rather blunt terms, the author exalts Jews while diminishing the importance of many religious, social and political organizations of our day, including organized Christian hierarchy and the Catholic Church. The book uses a minimum of scriptural quotes and explains, in everyday language and terms, what Christians must know to prepare themselves for a terrible Christian

holocaust in the future. And the book has been formatted to appeal to the less-educated Christian. Formerly, most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text, translations and scholarly jargon. A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works. It omits diplomacy and gets straight to the point. Without a doubt, A House Divided is as profound in fresh and new End Times understanding, in this day, as The Revelation was in the day of John. Do not miss this opportunity to know, understand and REMEMBER what has eluded all of us to this day: the final revealing of the mystery of God and the WHOLE End Times Truth.

the end times in chronological order: A Chronological Revelation David Kidd, 2019-07-24 The book of Revelation can present us with many questions: How will we know when the end is coming upon us? Is the United States mentioned in prophecy? What is the order of events that will unfold? Will Christians be on earth during the rise of the Antichrist? And what will happen if I'm alive during his reign? But if God wanted us to study the book of Revelation to find answers, why is it so hard to understand? Maybe it is easier than it first appears. In A Chronological Revelation, you will begin a journey that takes you beyond a mere understanding of Revelation to encountering the very fabric with which God wove creation. In Revelation, all of the biblical prophecies, penned by numerous authors over hundreds of years, converge to reveal not only a clear picture of the end times, but the true author and his character. Through the beauty of this convergence, the author of the universe reveals his omnipotence, love, justice, and design for the ages. A Chronological Revelation makes no assumptions. It simply allows biblical prophecy to reveal the final events of our time, including the true nature and role of the countries that exist at the return of Christ. If you are counted among those privileged to experience this incredible period of history, it won't be easy. But in this study, you will see God's plan in and through that time, empowering you to live for him no matter what challenges lie ahead.

the end times in chronological order: A New Heaven and New Earth William Dewberry, 2017-01-31 Popular arguments for evidence of the existence of God and His creation are the cosmological, the ontological, and the argument for the intelligent design of created things. The ability to identify the source of the creation requires intelligence. The Bible says God created everything and gave intelligence to the people He created.
