comfort food nook kitty thomas: Tender Mercies Kitty Thomas, 2011-05-06 "Grace. That word that finally meant something again. Mercy. Favor. Good will." Fed up with play kink, Grace Warner moves to an island that embraces erotic slavery to be with a man she met online. Within

hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the realities of actual enslavement. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins. What Readers are Saying about Tender Mercies: I discovered Kitty Thomas last year with her novel 'Comfort Food'. I likened that erotica novel (about extreme Stockholm syndrome) to literary wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into 'Tender Mercies' excitedly knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and pulls you (kicking and screaming) into an abrasive and compelling world of fetishism and erotica . . . -Dee18 I've first read Comfort food by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best. Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader safe. The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations. -Lenanena I recommend it to adults, particularly those interested in aspects of BDSM. -Carocar Tender Mercies is the type of psychological dark erotica, BDSM book that will leave readers who enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas' writing and concepts. I said it after her last book and I'll say it again -- I don't know how she'll top this! :) -Among the Muses I can't believe I have put off reading a Kitty Thomas book for so long! I thought oh I've read dark erotica this won't be too shocking for me but I was definitely surprised just how dark this book was. Some scenes definitely caused my stomach to churn and the writing reaches a deeper psychological level than other dark books I've read. -R Nicole Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica. -Mel So my favorite BDSM theme is where the submissive is abused / mistreated by a former Dom / Master and is healing and learning to trust a new Dom. This one fits the theme perfectly. From the first few pages I was hooked and flew right through the rest of it! I love everything I've read by Thomas and this is no exception. -Mrs thj The story is beautiful, and I love the characters. While the book is essentially dark erotica and non-consensual bdsm, Kitty Thomas still manages to create a beautiful romance between master and slave. -lunaselene Wow! This book was well written, intelligent dialogue, graphic without being raunchy. I enjoyed the story and it was my second BDSM book. Kitty Thomas has mad skills as a writer and I look forward to reading her other books. - Maxine Holmes As I mentioned earlier, I am in awe of Kitty Thomas' storytelling abilities. I was deeply caught up in the psychological conditioning in her novel Comfort Food and was titillated by the kinky sexual training in Guilty Pleasures. But the plot twists and multi-layered characters in Tender Mercies have made this book another one of my favorites. -AsianCocoa I first became aware of Kitty Thomas's work with Comfort Food, a book I can honestly say I will never forget. While Kitty writes about subject matter that not everyone is comfortable with, she does so in a way that I find to be deft and almost lyrical. Though her current published stories are contemporary, she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships. - Cari Quinn I didn't think anything could top Kitty Thomas's Comfort Food, but boy was I wrong. The minute I had Tender Mercies downloaded to my Kindle, I itched to read it. Had it not been for the fact I was deep in addiction with my last read, I could have easily ditched it like I have so many others in favour of what is fast becoming an obsession with Thomas's writing style and her darkly psychological / emotional take on the world of BDSM. -J. Valentino I'm always skeptical about erotic novels. I don't want to read it and be disappointed at how quickly the author can push through the build-up of characters, backstory, plot, and emotions just to get to the (seemingly) good stuff. With that said, I want to read more of Ms. Thomas's work because it did everything but that. I was hooked within the first few sentences, and continued to read it straight through in one sitting (after a break or two for snacks, that is). - Renee this book was great in that it didn't hide the fact that BDSM relationships sometimes are dangerous and abusive. I liked the

realism -doo3477 Kitty Thomas is the queen of darker reads and I love her for it. Tender Mercies didn't disappoint at all. If you like the darker reads you will enjoy Kitty Thomas and her books. -Lisa C One very good reason not to trust strange men you meet on the Internet. A dark story about the darker side of BDSM. - Joy Pelloquin Kitty Thomas writes darkly erotic novels that are not easily forgotten; Tender Mercies is no exception. Her psychologically disturbing yet erotic stories take the reader on a journey of submission and trust as a way to fulfillment. Comfort Food, Guilty Pleasures, and Tender Mercies all explore the slave/master dynamic, but she manages to make the story different and intriguing each time. Her stories are well-crafted and even though the scenarios are fantastical in a kinky, masochistic sense, I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences. I am slightly disturbed by how much I enjoy her books; as if something this dark should not be enjoyed, but I do. Very much. -Loves FAB Romance ...about building trust and showcase that dominance and submission is a game between lovers and not about abuse. - Booklover101 What Authors are Saying about Tender Mercies: "Kitty Thomas's hottest book yet . . . emotionally gripping and painfully real . . . impossible to read and remain untouched." - Annabel Joseph, author of Owing Wednesday "Tender Mercies is a heart-rending tale that proves Prince Charming doesn't always come charging in with a white steed . . . Sometimes it's just a piece of paper and a platinum collar." - Claudia D. Christian, author of Devil's Descent II: Impure "I have never been more invested in a piece of fiction in my life. Kitty Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." - Emma Petersen, author of Reign of Pleasure "An eerie and disturbing story tempered with compassion and love. I couldn't put it down." - Fallon Blake, author of Wrapped Around Your Finger "Intense and dark. Tender and sweet." -Nattie Jones, author of The Street Urchin More dark literary erotica by Kitty Thomas: Dark Erotic Novels: Comfort Food Guilty Pleasures The Last Girl Submissive Fairy Tales (latest release---anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Erotic Novellas: The Auction Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica.
