

john mcphee coming into the country

John McPhee Coming Into the Country: Exploring the Journey and Its Impact

john mcphee coming into the country is not just a phrase about a man's arrival; it represents a fascinating narrative of exploration, cultural immersion, and literary contribution. John McPhee, renowned for his distinctive non-fiction writing style and deep dives into American landscapes and stories, has long been celebrated for his ability to bring remote and lesser-known regions to life through his prose. His coming into the country, both literally and metaphorically, opens a window into understanding the complexities of nature, geography, and human interaction with the wilderness.

In this article, we'll explore the significance of John McPhee's ventures into "the country," what it means in the context of his work, and how his approach to storytelling offers readers profound insights into places and people often overlooked. Whether you're a fan of McPhee's writing or simply curious about how an author immerses himself in unfamiliar environments, this exploration sheds light on the intersections of travel, writing, and discovery.

Who Is John McPhee and Why Does His Coming Into the Country Matter?

John McPhee is a celebrated American writer known for pioneering creative nonfiction. His career spans decades, during which he has penned numerous books and articles that delve into topics ranging from geology and ecology to culture and industry. McPhee's unique talent lies in his meticulous research and immersive storytelling, which transform complex subjects into compelling narratives.

When discussing John McPhee coming into the country, it often refers to his journeys into rural, wild, or less-developed regions—places that many urban readers might never experience firsthand. His work frequently highlights the intimate relationship between people and the environment, providing a textured understanding of America's diverse landscapes.

The Literal and Figurative Meaning of "Coming Into the Country"

The phrase "coming into the country" can be interpreted in multiple ways. Literally, it refers to traveling from urban or suburban areas into rural or wilderness settings. Figuratively, it can mean entering a domain that is unfamiliar or challenging, whether physically, culturally, or intellectually.

For McPhee, coming into the country often involved traveling to remote locations—mountains, forests, and small towns—where he would spend time observing, interviewing locals, and absorbing the atmosphere. This immersion is crucial to his method, allowing him to write with authenticity and empathy.

John McPhee's Approach to Exploring the Country

John McPhee's approach to exploration and writing is deeply methodical yet adventurous. His process provides valuable lessons for anyone interested in travel writing, journalism, or simply gaining a richer appreciation for the world beyond their doorstep.

Research and Preparation

Before venturing into the country, McPhee conducts extensive research. This can include studying maps, historical records, scientific data, and prior literature about the region he plans to visit. Preparation is key to understanding the context and significance of the place.

Immersive Observation and Interaction

Once in the field, McPhee spends time observing the landscape and engaging with local residents. His interviews often reveal the nuanced relationship people have with their environment, uncovering stories that blend human experience with natural history.

Detailed and Descriptive Writing

McPhee's writing style is characterized by detailed description and clear, precise language. He captures the essence of the country's physical features and the rhythms of life within it, making his narratives vivid and accessible.

The Impact of John McPhee Coming Into the Country on Literature and Readers

McPhee's excursions into the country have had a profound impact on nonfiction literature. By bridging the gap between scientific or technical subjects and storytelling, he transformed how readers perceive and relate to the natural world.

Bringing Remote Places to a Wider Audience

Through his books and articles, McPhee introduces readers to landscapes and communities they might never encounter otherwise. He shines a light on the beauty and complexity of rural America, fostering a greater appreciation for these regions.

Encouraging Environmental Awareness

John McPhee's detailed accounts of geology, ecology, and environmental challenges encourage readers to think critically about conservation and sustainability. His narratives often underscore the delicate balance between human activity and nature.

Inspiring Future Writers and Explorers

Many writers and journalists cite McPhee as a key influence. His combination of rigorous research and narrative flair serves as a model for those seeking to tell meaningful stories about place and people.

Examples of John McPhee's Work Focused on Coming Into the Country

Several of McPhee's notable works exemplify his theme of coming into the country, revealing his deep engagement with the environment and culture of different regions.

"Coming Into the Country" (1977)

Perhaps the most direct reference, this book explores Alaska's vast wilderness and the people who inhabit it. McPhee captures the allure and challenges of living in such a remote and rugged terrain, blending personal anecdotes with broader reflections on nature and civilization.

"The Pine Barrens"

In this work, McPhee investigates the unique ecosystem of the Pine Barrens in New Jersey, a region often overlooked. His attention to the natural and human history of the area offers insight into how landscapes shape identity and livelihood.

"Annals of the Former World"

This Pulitzer Prize-winning collection delves into the geological history of the United States, demonstrating McPhee's ability to make scientific concepts accessible and engaging, effectively bringing readers into the "country" beneath their feet.

Tips for Embracing Your Own Journey Into the Country

Inspired by John McPhee

If John McPhee coming into the country inspires you to explore and write about unfamiliar places, here are some practical tips to help you get started:

- **Do Your Homework:** Learn about the region beforehand to understand its significance and prepare thoughtful questions.
- **Engage With Locals:** Conversations with residents can reveal stories and perspectives that enrich your experience and writing.
- **Observe Closely:** Pay attention to details—the sounds, smells, and sights—that bring a place to life.
- **Be Patient:** Immersion takes time; allow yourself to absorb the environment without rushing.
- **Write Regularly:** Document your observations and reflections promptly to capture fresh insights.

The Broader Context of Coming Into the Country in Modern Times

In today's fast-paced, urbanized world, the idea of coming into the country carries additional layers of significance. It touches on themes of escapism, environmental consciousness, and the search for authenticity.

Many people yearn for connection with nature and simpler ways of life, making McPhee's work more relevant than ever. His narratives remind us that the country is not just a physical space but a place of stories, heritage, and ongoing interaction between humans and the environment.

John McPhee coming into the country serves as a metaphor for stepping outside comfort zones and embracing complexity. Whether through travel, writing, or reflection, it encourages a deeper appreciation for the world's diverse landscapes and cultures.

As readers follow McPhee's journeys, they are invited to see the country through new eyes—eyes that notice the subtle interplay between land, history, and people. This perspective enriches our understanding of place and inspires us to explore with curiosity and respect.

Frequently Asked Questions

Who is John McPhee and why is his coming into the country significant?

John McPhee is a renowned American writer known for his literary nonfiction. His coming into the country is significant as it may relate to his work or a notable event involving his presence in a new location.

What is the context of John McPhee coming into the country?

The phrase 'John McPhee coming into the country' often refers to his exploration or involvement in rural or wilderness areas, possibly for research or writing purposes.

Has John McPhee documented his experiences of coming into the country in any of his works?

Yes, John McPhee has written extensively about natural landscapes and rural America, often documenting his journeys and observations in his books and essays.

When did John McPhee recently come into the country?

There is no widely reported recent event of John McPhee coming into a country; more context is needed to specify the timing.

John McPhee Coming Into the Country: An In-Depth Exploration of His Impact and Presence

john mcphee coming into the country marks a significant moment worth analyzing, especially in the context of his literary influence and the broader cultural landscape. John McPhee, an iconic American writer known for his narrative nonfiction and detailed explorations of geography, science, and culture, has long shaped readers' understanding of the world through his keen observations and meticulous storytelling. His arrival or presence in a new region—whether physically or through his works—invites scrutiny into how his unique perspective interacts with local narratives and intellectual currents.

This article delves deeply into the implications of John McPhee coming into the country, examining the nuances of his influence, the reception his work has garnered in diverse communities, and the broader cultural and educational impacts of his presence. By analyzing key moments and patterns, this review aims to provide a comprehensive understanding of McPhee's role as a literary figure crossing geographical and intellectual borders.

The Significance of John McPhee's Presence in New Contexts

John McPhee's reputation as a pioneer of creative nonfiction is well established, with decades of contributions to publications like *The New Yorker*. When considering John McPhee coming into the country, it's essential to understand not only the physical aspect of his arrival but also the metaphorical entry of his ideas into new cultural spaces. His work often involves deep dives into regional subjects, ranging from the geology of the Appalachian Mountains to the nuances of Florida's ecosystems. This geographical focus makes his presence in any given country or region especially potent, as he tends to illuminate overlooked details and stories.

Literary Influence and Cultural Exchange

When McPhee comes into a new country, literary circles and academic institutions often experience a surge in interest. His narrative style, which balances rigorous research with engaging prose, serves as a model for writers and journalists globally. The exchange is not unidirectional; local writers and readers also influence how McPhee's work is interpreted and appreciated. This dynamic interaction fosters a richer literary ecosystem.

Educational Impacts and Curriculum Integration

Another critical aspect of John McPhee coming into the country is the integration of his works into educational curricula. Universities and high schools that emphasize writing, journalism, and environmental studies often adopt his books as core texts. This inclusion not only elevates the standards of nonfiction writing education but also introduces students to complex subjects through accessible storytelling. For instance, his book **Annals of the Former World** is frequently used in

geology courses, illustrating the blend of science and literature.

Analyzing the Reception of John McPhee's Work

Reception to John McPhee coming into the country varies depending on regional interests, cultural values, and educational priorities. Understanding this reception requires examining both qualitative and quantitative data, including book sales, academic citations, and reader reviews.

Critical Acclaim and Scholarly Attention

John McPhee's work consistently receives strong critical acclaim. Scholars appreciate his ability to synthesize complex information without sacrificing narrative flow. The presence of his work in academic journals and conferences underscores his influence. For example, studies in environmental humanities and literary nonfiction frequently reference McPhee's approach as a benchmark.

Public Engagement and Popularity

Beyond academia, John McPhee coming into the country generally results in increased public engagement with nonfiction literature. Book fairs, speaking events, and literary festivals often feature his works prominently. Libraries report heightened demand for his books, signaling widespread interest. This popularity is bolstered by McPhee's reputation for making specialized knowledge accessible and compelling.

Features of John McPhee's Writing That Resonate Across Borders

John McPhee's appeal when coming into new countries can be attributed to several distinctive features of his writing style and thematic focus.

- **Meticulous Research:** McPhee's commitment to thorough investigation ensures accuracy and depth, which appeals to readers seeking trustworthy information.
- **Narrative Storytelling:** His ability to weave facts into engaging stories helps demystify complex topics.
- **Focus on Place:** His deep dives into specific locations create a strong sense of place, fostering local pride and interest.
- **Interdisciplinary Approach:** Combining science, history, and culture, McPhee's work transcends traditional genre boundaries.

These features contribute to the enduring relevance of his work in countries with diverse cultural and intellectual traditions.

Comparative Impact: John McPhee and Other Nonfiction Writers

To contextualize John McPhee coming into the country, it is useful to compare his impact with contemporaries such as Annie Dillard, Malcolm Gladwell, or Rebecca Solnit. While each writer offers a unique voice, McPhee's hallmark is his exhaustive attention to detail and the breadth of his subjects. This comprehensive approach often results in a more layered understanding of place and processes, distinguishing him from writers who prioritize narrative flair or thematic focus.

Challenges and Criticisms Associated with McPhee's Work in International Contexts

Despite widespread praise, John McPhee coming into the country is not without challenges. Some critics argue that his dense prose and extensive detail may overwhelm casual readers, potentially limiting his accessibility. Additionally, certain cultural nuances embedded in his work might not translate seamlessly across different societies.

Language and Accessibility

In countries where English is not the primary language, translating McPhee's intricate sentences and specialized vocabulary can pose significant challenges. This can affect how fully his work is appreciated and understood.

Cultural Sensitivities

While McPhee's focus on place is a strength, it also means that his narratives are deeply rooted in American contexts. When coming into countries with distinct cultural histories, readers might find some references obscure or less relevant, necessitating careful contextualization by translators or educators.

Looking Ahead: The Future of John McPhee's Influence

John McPhee coming into the country continues to shape literary trends and educational approaches. As nonfiction writing evolves with digital media and global interconnectedness, McPhee's legacy offers valuable lessons. His emphasis on thorough research and engaging storytelling remains a gold standard for journalists and authors seeking to navigate complex topics.

Furthermore, the global reach of McPhee's work suggests that future translations, adaptations, and academic studies will expand his influence even further. Institutions aiming to cultivate critical thinking and environmental awareness may find his books indispensable for fostering informed citizenship.

In sum, John McPhee coming into the country signifies more than a physical presence; it reflects an ongoing dialogue between a singular literary mind and diverse cultural landscapes. This interaction enriches both McPhee's legacy and the communities he touches, underscoring the power of well-crafted nonfiction to transcend borders and inspire curiosity.

John McPhee Coming Into The Country

john mcphee coming into the country: Summary of John McPhee's Coming into the Country Everest Media,, 2022-03-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The river was the clearest, purest water I had ever seen flowing over rocks. It had been forty-six degrees, and the Arctic sun did not seem to shine so much as to strike. The water was refrigerant, and I felt relief against the temples. #2 I camped next to the Salmon River in Alaska. The sun had been up for fourteen hours, and the river had hours to go before it set. It was a good campsite, and the river was a fishing site. #3 The salmon in the Salmon River have been fished out, but the grayling remain undisturbed. We fish for them, and in nine minutes, we have five. They are seventeen, eighteen inches long. We clean them in the Kitlik, with care that all the waste is taken by the stream. #4 The myth of Alaska is that there is a fish on every cast, a moose behind every tree. But the fish and the moose aren't there. People go out with high expectations, and are disappointed.

john mcphee coming into the country: Coming Into the Country John McPhee, 1977
Literary account of Alaska and Alaskans.

john mcphee coming into the country: Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic (such as sermons, aphorisms), individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings list, additional readings, and anthologies

john mcphee coming into the country: Arctic Voices Subhankar Banerjee, 2012-07-03 One of the great strengths of Arctic Voices is that it shows how Alaska and the Arctic are tied to the places where most of us live. In this impassioned book, Banerjee shows a situation so serious that it has created a movement, where 'voices of resistance are gathering, are getting louder and louder.' May his heartfelt efforts magnify them. The climate changes that are coming have hit soon and hard in the Arctic, and their consequences may be starkest there.-Ian Frazier, The New York Review of Books A pristine environment of ecological richness and biodiversity. Home to generations of indigenous people for thousands of years. The location of vast quantities of oil, natural gas and coal. Largely uninhabited and long at the margins of global affairs, in the last decade Arctic Alaska has quickly become the most contested land in recent US history. World-renowned photographer, writer, and activist Subhankar Banerjee brings together first-person narratives from more than thirty prominent activists, writers, and researchers who address issues of climate change, resource war, and human rights with stunning urgency and groundbreaking research. From Gwich'in activist Sarah James's impassioned appeal, We Are the Ones Who Have Everything to Lose, during the UN

Climate Conference in Copenhagen in 2009 to an original piece by acclaimed historian Dan O'Neill about his recent trips to the Yukon Flats fish camps, *Arctic Voices* is a window into a remarkable region. Other contributors include Seth Kantner, Velma Wallis, Nick Jans, Debbie Miller, Andri Snaer Magnason, George Schaller, George Archibald, Cindy Shogan, and Peter Matthiessen.

john mcphee coming into the country: Environmental Law and Contrasting Ideas of Nature Keith H. Hirokawa, 2014-07-17 Law's ideas of nature appear in different doctrinal and institutional settings, historical periods, and political dialogues. Nature underlies every behavior, contract, or form of wealth, and in this broad sense influences every instance of market transaction or governmental intervention. Recognizing that law has embedded discrete constructions of nature helps in understanding how humans value their relationship with nature. This book offers a scholarly examination of the manner in which nature is constructed through law, both in the 'hard' sense of directly regulating human activities that impact nature, and in the 'soft' manner in which law's ideas of nature influence and are influenced by behaviors, values, and priorities. Traditional accounts of the intersection between law and nature generally focus on environmental laws that protect wilderness. This book will build on the constructivist observation that when considered as a culturally contingent concept, 'nature' is a self-perpetuating and self-reinforcing social creation.

john mcphee coming into the country: Ethics of Alaska Travel Writing since 1959 Benjamin Ferguson, 2025-08-28 This book digs into environmental themes in Alaska travel writing since U.S. statehood in 1959, drawing on the works of six authors including Barry Lopez, Jonathan Raban, Tom Lowenstein and others. Each work, though disparate in style, advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them. In analyzing how these authors have succeeded in depicting the realities of alterities, and where they have perhaps fallen short by more recent standards, we may begin to carve out a system of ethics. This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever-evolving, 21st century Arctic and its place on the front lines of a changing climate.

john mcphee coming into the country: Alaska's Bears Bill Sherwonit, 2016-06-14 Alaska is truly bear country. It is the only one of America's fifty states to be inhabited by all three of North America's ursine species: black, polar bear, and brown bear (also known as grizzly). *Alaska's Bears* is a handy guidebook to the bears of Alaska, a book that slips easily into a jacket pocket or a day pack, and that provides entertaining armchair reading when you're not in bear country. Here in one compact edition is a book that can help you understand Alaska's bears and their natural histories. Learn about their appearances, behaviors, yearly cycles, ecological niches, and relationships with humans. Find full details on how to visit Alaska's prime bear-viewing and get tips for traveling safely through bear country. Complementing Bill Sherwonit's text are photographs from longtime Alaskan Tom Walker, a premier wildlife photographer who has spent hundreds of hours in the company of bears.

john mcphee coming into the country: Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato, Carol Berkin, Brett Barney, Lisa Paddock, Matthew J. Bruccoli, George Parker Anderson, Judith S.

john mcphee coming into the country: Community and the Politics of Place Daniel Kemmis, 1990 Thomas Jefferson envisioned a nation of citizens deeply involved in public life. Today Americans are lamenting the erosion of his ideal. What happened in the intervening centuries? Daniel Kemmis argues that our loss of capacity for public life (which impedes our ability to resolve crucial issues) parallels our loss of a sense of place. A renewed sense of inhabitation, he maintains—of community rooted in place and of people dwelling in that place in a practiced way—can shape politics into a more cooperative and more humanly satisfying enterprise, producing better people, better communities, and better places. The author emphasizes the importance of place by analyzing problems and possibilities of public life in a particular place—those northern states whose settlement marked the end of the old frontier. National efforts to “keep citizens apart” by encouraging them to develop open country and rely upon impersonal, procedural methods for public

problems have bred stalemate, frustration, and alienation. As alternatives he suggests how western patterns of inhabitation might engender a more cooperative, face-to-face practice of public life. *Community and the Politics of Place* also examines our ambivalence about the relationship between cities and rural areas and about the role of corporations in public life. The book offers new insight into the relationship between politics and economics and addresses the question of whether the nation-state is an appropriate entity for the practice of either discipline. The author draws upon the growing literature of civic republicanism for both a language and a vantage point from which to address problems in American public life, but he criticizes that literature for its failure to consider place. Though its focus on a single region lends concreteness to its discussions, *Community and the Politics of Place* promotes a better understanding of the quality of public life today in all regions of the United States.

john mcphee coming into the country: *Looking for a Story* Noel Rubinton, 2025-05-13 An annotated bibliography that documents the work of the longtime New Yorker writer, journalist, Pulitzer Prize winner, and Princeton professor John McPhee--

john mcphee coming into the country: 100 More Great Books Bonnie A. Helms, 1991 A companion title to *150 Great Books*, this acclaimed sequel reviews classic and contemporary works. Each title contains a plot summary, three evaluation tools (a 20-question quiz, 5 short-answer questions, and a challenge essay question), answers and suggested responses, glossary of literary terms, and bibliographical entries. The 100 titles are grouped in seven categories: Adventure and Survival (such as *Run Silent, Run Deep*, *Lord of the Flies*, and *A Walk Across America*) The Maturing Self (such as *The Stranger*, *Carrie*, and *Homecoming*) History in Fiction (such as *The Sun Also Rises*, *Gone with the Wind*, and *A Connecticut Yankee in King Arthur's Court*) Science Fiction, Fantasy, and the Supernatural (such as *The Last Unicorn*, *The Other*, and *The Martian Chronicles*) Social Issues and Moral Challenge (such as *Go Tell It on the Mountain*, *All the President's Men*, and *Skindeep*) Success and Achievement (such as *The Bell Jar*, *A Man Called Peter*, and *Up the Down Staircase*) Reflections of the Family (such as *Roots*, *Cold Sassy Tree*, and *Giants in the Earth*) Note: The original literary works are not included.

john mcphee coming into the country: *Deep Map Country* Susan Naramore Maher, 2014-05-01 Taking its name from the subtitle of William Least Heat-Moon's *PrairieErth* (a deep map), the deep-map form of nonfiction and environmental writing defines an innovative and stratigraphic literary genre. Proposing that its roots can be found in Great Plains nonfiction writing, Susan Naramore Maher explores the many facets of this vital form of critique, exploration, and celebration that weaves together such elements of narrative as natural history, cultural history, geography, memoir, and intertextuality. Maher's *Deep Map Country* gives readers the first book-length study of the deep-map nonfiction of the Great Plains region, featuring writers as diverse as Julene Bair, Sharon Butala, Loren Eiseley, Don Gayton, Linda Hasselstrom, William Least Heat-Moon, John Janovy Jr., John McPhee, Kathleen Norris, and Wallace Stegner. *Deep Map Country* examines the many layers of storytelling woven into their essays: the deep time of geology and evolutionary biology; the cultural history of indigenous and settlement communities; the personal stories of encounters with this expansive terrain; the political and industrial stories that have affected the original biome and Plains economies; and the spiritual dimensions of the physical environment that press on everyday realities.

john mcphee coming into the country: The Pendleton Field Guide to Campfire Stories Pendleton Woolen Mills, 2021-06-01 From beloved American heritage brand Pendleton comes this collection of family-friendly tales of adventure and discovery in the wilderness. This captivating collection of campfire stories is the perfect companion for anyone who enjoys the outdoors. These pages present a range of tales, including daring feats of endurance and strength, epic journeys through new frontiers, and exhilarating encounters with wild animals, plus spooky myths to bring campers closer together around the fire. Known for their woolen blankets and clothing, their products are celebrated by people who love the great outdoors. This thoughtfully curated collection speaks to Pendleton's fans with stories that will elevate any adventure. • **FAMILY FUN:** These family-friendly stories are the perfect way to bring everyone together after a day of fun outdoors. Reading the stories together is an easy activity for everyone to participate in, and offers tons of opportunities to bond with family or friends. Perfect for: • Fans of Pendleton • Campers, nature lovers, and cabin owners

john mcphee coming into the country: Encyclopedia of the Arctic Mark Nuttall, 2005-09-23 With detailed essays on the Arctic's environment, wildlife, climate, history, exploration, resources, economics, politics, indigenous cultures and languages, conservation initiatives and more, this Encyclopedia is the only major work and comprehensive reference on this vast, complex, changing, and increasingly important part of the globe. Including 305 maps. This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues, but a fascinating and comprehensive resource for residents of the Arctic, and all those concerned with global environmental issues, sustainability, science, and human interactions with the environment.

john mcphee coming into the country: Satellites in the High Country Jason Mark, 2015-09-29 In *Satellites in the High Country*, journalist and adventurer Jason Mark travels beyond the bright lights and certainties of our cities to seek wildness wherever it survives. In California's Point Reyes National Seashore, a battle over oyster farming and designated wilderness pits former allies against one another, as locals wonder whether wilderness should be untouched, farmed, or something in between. In Washington's Cascade Mountains, a modern-day wild woman and her students learn to tan hides and start fires without matches, attempting to connect with a primal past out of reach for the rest of society. And in Colorado's High Country, dark skies and clear air reveal a breathtaking expanse of stars, flawed only by the arc of a satellite passing--beauty interrupted by the traffic of a million conversations. These expeditions to the edges of civilization's grid show us that, although our notions of pristine nature may be shattering, the mystery of the wild still exists--and in fact, it is more crucial than ever.

john mcphee coming into the country: A Land Gone Lonesome Dan O'Neill, 2008-07-31 In his square-sterned canoe, Alaskan author Dan O'Neill set off down the majestic Yukon River, beginning at Dawson, Yukon Territory, site of the Klondike gold rush. The journey he makes to Circle City, Alaska, is more than a voyage into northern wilderness, it is an expedition into the history of the river and a record of the inimitable inhabitants of the region, historic and contemporary. A literary kin of John Muir's *Travels in Alaska* and John McPhee's *Coming into the Country*, *A Land Gone Lonesome* is the book on Alaska for the new century. Though he treks through a beautiful and hostile wilderness, the heart of O'Neill's story is his exploration of the lives of a few tough souls clinging to the old ways--even as government policies are extinguishing their way of life. More than just colorful anachronisms, these wilderness dwellers--both men and women--are a living archive of North American pioneer values. As O'Neill encounters these natives, he finds himself drawn into the bare-knuckle melodrama of frontier life--and further back still into the very origins of the Yukon river world. With the rare perspective of an insider, O'Neill here gives us an intelligent, lyrical--and ultimately, probably the last--portrait of the river people along the upper Yukon.

john mcphee coming into the country: *Alaska's Brooks Range* John Kauffmann, 1992-11-30 * Explores both geologic and human history of the region * Includes a sampling of literature inspired by the Brooks Range * Examines past, present, and future conservation efforts in this extraordinary place Not just the ultimate mountains for their northernmost location on the North American continent, the Brooks Range also is one of the world's last, great, unspoiled wildernesses. A land of environmental and cultural extremes, its impressions on those who visit or reside there is as far-ranging as humankind's effect on the Range itself. Austere, mystical, and stunningly beautiful,

the psychic and corporeal influence of the region is inescapable. Alaska's Brooks Range: The Ultimate Mountains looks at the many facets that make this region so provocative and so worthy of our strongest preservation efforts. It explores the geologic origins of some of the most desolate beauty on earth; the native inhabitants-both man and animal-whose age-old methods of survival have been altered by the winds from the lower 48; and the human history, from the early British military explorers to gold panners to the geographers who first mapped the Arctic wilderness. The story of Bob Marshall traces his influence as the father of the Arctic conservation movement, and Range Writings offers a sampling of literature inspired by the Brooks Range experience. Finally, this book takes a hard look at past, present, and proposed conservation efforts in the Brooks Range, because there is much more at stake than land and wildlife in this last frontier. The future of humankind is here, where the rarity of existence in pristine country is an everyday reality, where we can learn how best to fit in without destroying the scheme of life so exquisitely evolved on this planet. Alaska's Brooks Range is an affectionate portrait of an untamed territory-a land that challenges the limits of its natural inhabitants and those of human spirit and providence.

john mcphree coming into the country: *Alaska's Brooks Range* John M. Kauffmann, 1992 A richly drawn, in-depth profile of one of the world's last unspoiled wildernesses.

john mcphree coming into the country: *Canoe Country* Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking, personal, photo-filled history of the relationship between a country and its canoes. From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum; from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country (kids and dogs included): Canoe Country is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around. Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it. Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand, this is a story of high adventure on white water and the sweetest peace in nature's quietest corners, from the author best able (and most eager) to tell it.

john mcphree coming into the country: *Selves at Risk* Ihab Hassan, 1990 In this era of supersonic jets, ubiquitous McDonalds, and pervasive Panasonics, in our coddled jacuzzi culture, our cybernetic society of acronyms and first names, does the spirit of quest endure? Indeed, from rain forests, across oceans, steppes, savannahs, and saharas to the peaks of the Andes or Himalayas, American writers still test the limits of human existence. They test spirit, flesh, marrow, and imagination in a timeless quest for meaning beyond civilization, at the razor edge of mortality. And they return with sun-cracked skin and gazes honed on horizons to tell us the tale. Ihab Hassan's new book on quests turns out to be a quest of his own. He takes us through an invigorating range of today's American writers as they test themselves against the far corners of our tattered planet. Hassan shows us how their quests (and, incidentally, his own) entwine risks, commitments, and desperate exercises in belief, how their aspirations are human but uniquely American. This is a book everyone interested in American culture can learn from--and enjoy. Hassan's voice is one of graceful wisdom and passionate elegance, a refreshing landfall in today's turgid sea of criticism. --Norman N. Holland, University of Florida
