

christian worldview post assessment

Christian Worldview Post Assessment: Understanding Growth and Perspective

christian worldview post assessment is an essential step for anyone engaged in exploring or teaching Christian perspectives. Whether you've just completed a course, a workshop, or a personal study on Christian worldview, assessing where you stand afterward can provide valuable insights into your understanding and how your thinking has evolved. This reflection process not only measures knowledge gained but also encourages deeper engagement with the foundational beliefs that shape how Christians interpret the world.

In this article, we'll delve into what a Christian worldview post assessment involves, why it matters, and how it can be approached effectively to foster meaningful learning and spiritual growth. Along the way, we'll explore related concepts such as biblical worldview evaluation, faith integration, and critical thinking from a Christian perspective.

What Is a Christian Worldview Post Assessment?

A Christian worldview post assessment is a reflective evaluation conducted after studying or engaging with Christian worldview content. Its purpose is to gauge the learner's grasp of key concepts, biblical principles, and the application of faith to everyday life. Unlike a simple quiz or test, a post assessment often includes a mix of self-reflection, essay-style questions, and scenario analysis that challenge participants to articulate their beliefs clearly and consider how those beliefs influence their actions and decisions.

This type of assessment helps learners identify areas of strength as well as topics that may need further exploration or clarification. It serves as a checkpoint in the educational journey, ensuring that the study of Christian worldview is not just theoretical but also personally transformative.

Core Components of a Christian Worldview Post Assessment

Typically, a comprehensive post assessment will cover several key areas:

- **Understanding of Biblical Truths:** Evaluating knowledge of Scripture and how it informs worldview.
- **Worldview Comparison:** Comparing Christian perspectives with secular or alternative worldviews to highlight differences.
- **Application to Life:** Assessing how learners apply Christian principles in ethical dilemmas, cultural issues, and daily decisions.
- **Reflection on Personal Faith:** Encouraging introspection about one's spiritual journey and commitment.

These components ensure that the learner is not only informed but also able to integrate and live out their worldview in practical, meaningful ways.

Why Is Christian Worldview Post Assessment Important?

Understanding why you should engage in a Christian worldview post assessment can motivate more intentional learning and growth. Here are some compelling reasons:

1. Measuring Growth and Understanding

After investing time in learning about the Christian worldview, it's natural to want to know how much you've absorbed. A post assessment provides tangible feedback on your progress, helping you recognize areas where your understanding has deepened and where you might still have questions.

2. Encouraging Critical Thinking

A well-designed assessment challenges learners to think critically about their beliefs. It pushes beyond memorization of facts to analyze, synthesize, and evaluate ideas. This critical engagement is vital in developing a mature and robust Christian worldview that can withstand cultural pressures and intellectual challenges.

3. Strengthening Faith Integration

Faith is not meant to be compartmentalized but integrated into every aspect of life. The post assessment encourages learners to reflect on how their worldview influences decisions, relationships, and moral choices, reinforcing the connection between belief and behavior.

4. Preparing for Real-World Engagement

In a pluralistic society, Christians often face questions and challenges about their beliefs. A post assessment equips learners with the confidence and clarity needed to articulate their worldview thoughtfully and respectfully in conversations with others.

How to Approach a Christian Worldview Post

Assessment

Preparing for and completing a Christian worldview post assessment can be a rewarding experience when approached with intentionality. Here are some strategies to make the most of it:

Be Honest and Reflective

One of the most valuable aspects of a post assessment is self-awareness. Approach questions with sincerity, acknowledging areas where your understanding is strong and where you still wrestle with doubts or complexities.

Review Key Materials

Before taking the assessment, revisit notes, scriptures, and study materials. This review helps reinforce foundational concepts and ensures your responses are grounded in solid knowledge.

Take Your Time

Don't rush through the evaluation. Thoughtful answers often reveal more about your growth than quick responses. Consider how your beliefs have evolved and what new insights you've gained.

Discuss with Others

Engaging in conversations with fellow learners or mentors can deepen your understanding. Sharing perspectives often illuminates new angles and helps clarify your own worldview.

Examples of Christian Worldview Post Assessment Questions

To give you an idea of what to expect, here are some sample questions that might appear in a post assessment:

1. How does the Christian worldview explain the nature and purpose of humanity?
2. Compare and contrast the Christian worldview with a secular humanist worldview on the topic of morality.
3. Describe a situation in your life where applying Christian worldview principles influenced your

decision-making.

4. What role does Scripture play in shaping a Christian's understanding of truth?
5. Reflect on how your understanding of God has changed or deepened after this study.

These prompts encourage both knowledge recall and deeper personal reflection, blending cognitive and spiritual growth.

Integrating Post Assessment Insights into Daily Life

Completing a Christian worldview post assessment is not the end but rather a stepping stone. The insights gained can be applied to various areas of life:

Personal Spiritual Growth

Use the assessment feedback to identify spiritual disciplines that might deepen your faith, such as prayer, Bible study, or fellowship.

Ethical Decision-Making

Apply your clarified worldview to everyday ethical dilemmas, ensuring your choices align with Christian values.

Engagement with Culture

Equip yourself to engage thoughtfully with contemporary issues—whether in politics, education, or social justice—from a biblically informed perspective.

Teaching and Mentoring

If you're involved in ministry or education, leverage your assessment experience to guide others in developing their own Christian worldview.

Tools and Resources for Christian Worldview Post

Assessment

Several resources can aid in conducting or preparing for a Christian worldview post assessment:

- **Worldview Surveys:** Online tools that help evaluate your beliefs and how they align with Christian teachings.
- **Biblical Worldview Curriculum:** Structured courses that include pre- and post-assessment components.
- **Study Guides and Workbooks:** Materials designed to encourage reflection and application of worldview concepts.
- **Mentorship Programs:** Opportunities to discuss and process your worldview with experienced Christians.

Incorporating these resources can enhance the depth and quality of your post-assessment experience.

Exploring your Christian worldview through a post assessment opens doors to growth, clarity, and confident faith. It's a meaningful practice that helps bridge knowledge and life, encouraging believers to live out their convictions with purpose and understanding.

Frequently Asked Questions

What is the purpose of a Christian worldview post assessment?

The purpose of a Christian worldview post assessment is to evaluate an individual's understanding and application of Christian beliefs and principles after completing a course or study on the Christian worldview.

How does a Christian worldview post assessment differ from a pre-assessment?

A post assessment measures what students have learned and how their perspectives may have changed after instruction, while a pre-assessment evaluates their initial understanding before the course begins.

What topics are commonly covered in a Christian worldview post assessment?

Common topics include the nature of God, the authority of the Bible, morality, the meaning of life, human nature, salvation, and how to apply Christian principles in everyday life.

Why is it important to assess a Christian worldview after instruction?

Assessing a Christian worldview after instruction helps educators understand the effectiveness of their teaching, identify areas where students need further growth, and reinforce key concepts.

Can a Christian worldview post assessment include personal reflection questions?

Yes, many post assessments include personal reflection questions to encourage students to articulate how their beliefs have developed and how they plan to live out their faith.

What formats can a Christian worldview post assessment take?

Assessments can be multiple-choice, short answer, essay questions, or a combination, often including scenarios where students apply Christian principles.

How can results from a Christian worldview post assessment be used?

Results can guide future curriculum development, provide feedback for students, and help educators tailor instruction to better meet students' spiritual and intellectual needs.

Is a Christian worldview post assessment suitable for all age groups?

Assessments can be adapted for different age groups, ensuring that the questions are age-appropriate and relevant to the learners' level of understanding.

Additional Resources

Christian Worldview Post Assessment: An Analytical Review

christian worldview post assessment serves as a pivotal tool for educators, students, and religious institutions aiming to evaluate the understanding and internalization of Christian principles after a course or instructional period. This evaluative process is crucial for measuring how effectively individuals grasp the foundational beliefs, ethical frameworks, and interpretive lenses that define the Christian worldview. As the intersection between faith and education continues to be an area of robust interest, the Christian worldview post assessment emerges as a significant instrument for both qualitative and quantitative analysis.

Understanding the Christian Worldview Post

Assessment

The Christian worldview post assessment is designed to capture the cognitive and spiritual shifts that occur following engagement with Christian teachings. Unlike generic post-tests, this assessment focuses specifically on the core elements that characterize Christian thought—such as the nature of God, the interpretation of scripture, the meaning of salvation, and Christian ethics. The assessment often includes a combination of multiple-choice questions, reflective essays, and scenario-based queries that challenge respondents to apply biblical principles in real-world contexts.

Purpose and Scope

The primary purpose of a Christian worldview post assessment is to determine how well learners have integrated a biblical perspective into their understanding of life and decision-making. It is frequently employed in educational settings like Christian schools, seminary courses, and youth ministry programs. The scope of the assessment can vary widely—ranging from basic comprehension checks for younger students to complex theological evaluations for advanced learners.

Key Components

Effective Christian worldview post assessments typically examine the following domains:

- **Theological Foundations:** Understanding of God's nature, Christology, and the role of the Holy Spirit.
- **Scriptural Interpretation:** Ability to analyze and apply biblical texts.
- **Ethical Reasoning:** Moral decision-making grounded in Christian teachings.
- **Worldview Integration:** How individuals perceive and interact with broader cultural, social, and philosophical issues through a Christian lens.

Evaluating Effectiveness: Metrics and Methods

Assessment effectiveness is often evaluated using both qualitative and quantitative methods. Quantitative data—such as test scores and percentage improvements—offer a clear metric for gauging knowledge retention. Meanwhile, qualitative insights gleaned from reflective responses and group discussions provide a deeper understanding of how learners internalize Christian worldview concepts.

Comparative Analysis

When comparing Christian worldview post assessments with other types of religious or worldview evaluations, certain distinctions emerge:

- **Specificity:** Christian assessments focus narrowly on biblical doctrines and Christian ethics, unlike broader worldview tests that might include secular or pluralistic perspectives.
- **Application-Oriented:** These assessments often emphasize real-life application of faith principles, encouraging practical integration rather than abstract knowledge alone.
- **Developmental Sensitivity:** Tailored versions exist to address different age groups and educational levels, enhancing relevance and accuracy.

Challenges and Limitations

While the Christian worldview post assessment is a valuable tool, it is not without challenges. One significant limitation is the subjective nature of assessing worldview transformation, which may not be fully captured through standardized testing. Additionally, cultural and denominational differences can influence how questions are interpreted, potentially affecting the assessment's validity across diverse Christian populations.

Implementing a Christian Worldview Post Assessment in Educational Settings

Institutions seeking to implement this type of assessment should consider several practical factors to optimize its impact.

Designing the Assessment

A well-constructed assessment balances knowledge-based questions with reflective prompts that encourage critical thinking. For example:

- Multiple-choice questions to test doctrinal knowledge.
- Short essay questions to explore ethical dilemmas from a biblical perspective.
- Case studies requiring application of Christian principles to contemporary social issues.

Analyzing Results

Effective analysis moves beyond raw scores to interpret patterns in responses. Educators can identify common areas of misunderstanding or strong conceptual grasp, enabling tailored follow-up instruction. Additionally, longitudinal use of the assessment—administered before and after a course—can illuminate growth trajectories in students' worldview development.

Enhancing Engagement

Integrating technology, such as online platforms and interactive modules, can increase engagement with the Christian worldview post assessment. Digital tools facilitate immediate feedback, adaptive questioning, and collaborative discussions, all of which contribute to a richer learning experience.

Broader Implications of Christian Worldview Post Assessment

The relevance of assessing a Christian worldview extends beyond classroom walls. In a pluralistic society where individuals encounter diverse ideologies, understanding one's own worldview is essential for meaningful dialogue and cultural engagement.

Impact on Personal Faith Development

For many participants, the post assessment serves as a moment of introspection. It not only measures knowledge but also prompts reflection on how faith influences personal values and life choices. This introspective aspect can catalyze deeper spiritual growth and commitment.

Contribution to Curriculum Development

Aggregated data from post assessments can inform curriculum designers about which topics resonate most and which require further emphasis. This feedback loop helps in refining educational programs to better meet the evolving needs of learners.

Promoting Interdisciplinary Understanding

By framing worldviews within a Christian context, the assessment encourages learners to engage interdisciplinary fields—such as philosophy, sociology, and ethics—with a faith-informed perspective. This broadens the capacity for critical thinking and nuanced understanding.

In summation, the Christian worldview post assessment is more than a mere academic exercise; it is a strategic instrument that bridges knowledge acquisition and spiritual formation. Its ability to

quantify and qualify the assimilation of Christian principles makes it indispensable in faith-based education, while its reflective nature fosters ongoing dialogue between belief and practice. As educational methodologies evolve, the integration of such assessments will likely become even more sophisticated, offering richer insights into how faith shapes understanding in an increasingly complex world.

Christian Worldview Post Assessment

christian worldview post assessment: Remnant Christianity in a Post-Christian World W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline, both in membership and finances. All attempts at reversal are failing, primarily because of the consuming socioeconomic-secular dynamic in which society is immersed in its self-destructive course. Consequently, Christian imagery is losing its conceivability and credibility, and past motivations that once encouraged belief have lost their appeal. Without these as points of contact, the demise of the institutional church will be relentless, despite all efforts to halt it. Yet, as at other crisis points in history, the divine promise has been to raise a "faithful remnant" with sufficient promise to outlast whatever the societal demise. After carefully analyzing the ingredients of our societal crisis, the author develops the contours of a "Remnant Church" to be set in place now within the present institutional churches. This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition, sufficient to claim both personal and communal commitment. Thereby prepared for the long haul, the Remnant Church can emerge as a prophetic alternative.

christian worldview post assessment: C. S. LEWIS PRE-EVANGELISM FOR A POST-CHRISTIAN WORLD Brian M. Williams, 2021-01-23 We find ourselves living today in very much a post-Christian world. Not only does the culture largely reject Christianity's claims, we find that long-held basic truths that people have embraced throughout history have been jettisoned—the belief in objective morality (right and wrong transcend each person's opinions and feelings), spiritual reality (the world contains more than what we see via our 5 senses – that God is real), that truth is objective and knowable (if something is true, my disagreeing with it or finding it unpleasant emotionally doesn't make it false). This presents a great difficulty for Christians trying to communicate the Christian message to people today. We can take nothing for granted if the message is to make any sense to the hearer. We must start with the most basic concepts. The question then arises—How do we make a start when the bedrock ideas are not only disbelieved but viewed with contempt by so many today? C. S. Lewis thought that he had found a door we could enter to steal past the watchful dragons of the modern person's reason by way of imaginative fiction. He sought to re-introduce Christian ideas clothed in mythological garb so that in time, after their affections had been stirred, the explicit message about Christ might be given a fair hearing. He engaged both the heart and the head. In this way, he pre-evangelized his audience. This book examines the grounds—both philosophically and theologically—upon which he did that. It explores Lewis's view of reality and the human imagination, surveying his *Chronicles of Narnia* and *The Space Trilogy* in particular, to demonstrate precisely how he carried out this strategy. We can learn from Lewis here, as we show both the beauty and the truthfulness of Christianity to people in a way that meets them where they are.

christian worldview post assessment: Religion Matters: Volume 2 P. T. Babie, Rick Sarre, 2024-07-19 This book constitutes the second volume of 'Religion Matters: The Contemporary Relevance of Religion' (Springer, 2020). Offering a fresh and much-needed perspective, it explores the role of religion in the modern, neo-liberal world. The book acclaims that 'religion' is a contextual and contested term, which is extensively discussed in the Introduction. Designed to be read selectively, this book allows readers to delve into topics and traditions of specific interest without

the necessity of reading the entire volume. In contrast to volume 1, where contributors critically engaged with religion and various disciplines, this book poses a fundamental question: Can religion contribute to the discipline under consideration? Authors were selected based on their ability to address this question. Some chapters concluded that religion may offer very little to the discipline under consideration, highlighting the value of volume 1's critical stance on the place of religion in contemporary society. However, the project's overall aim remained somewhat unfulfilled, leading to the creation of this second volume. The primary omission from the first book was a comprehensive exploration of the sciences and health sciences, which this second volume aims to rectify. Furthermore, additional authors were chosen to investigate the nature of connectedness facilitated by religion, horizontally through membership within wider communities, societies, cultures, or religious traditions, and vertically by examining historical relationships within a particular faith tradition, culture, community, or society. This volume also broadens its focus to include non-Christian perspectives, Indigenous perspectives, and an increased representation of female contributors.

christian worldview post assessment: *Russian Intellectual Antisemitism in the Post-Communist Era* Vadim Joseph Rossman, 2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post-Communist era. In their concept of the identity of the Jewish people, many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role. An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves—whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church—as a chosen people whose destiny is to lead the way to world salvation. In this book, Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia. He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post-Communist era: neo-Eurasianism, Eurasian historiography, National Bolshevism, neo-Slavophilism, National Orthodoxy, and various forms of racism. Such extreme right-wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon. Rossman confronts and challenges a range of disturbing, sometimes contradictory, but often quite sophisticated antisemitic ideas posed by Russian sociologists, historians, philosophers, theologians, political analysts, anthropologists, and literary critics.

christian worldview post assessment: *Assessing Spirituality in a Diverse World* Amy L. Ai, Paul Wink, Raymond F. Paloutzian, Kevin A. Harris, 2020-12-07 This volume addresses an important problem in social scientific research on global religions and spirituality: How to evaluate the role of diverse religious and spiritual (R/S) beliefs and practices within the rapid evolution of spiritual globalization and diversification trends. The book examines this question by bringing together a panel of international scholars including psychologists, sociologists, and researchers in religious studies, public health, medicine, and social work. The content includes chapters describing innovative concepts of post-Christian spirituality, Eastern forms of meditation, afterlife beliefs associated with the three dominant cultural legacies, various non-religious worldviews, spiritual Jihad, and secular and religious reverence. The book also covers such important themes as spiritual well-being, faith, struggle, meaning making, modeling, and support, as well as mysticism and using prayer to cope with existential crises. This book advances the understanding of the role of R/S across different faiths and cultural systems, including both Western and non-Western ones, and enriches the mainstream of psychological sciences and practices. It appeals to students, educators, researchers, and clinicians in multiple related fields and disciplines.

christian worldview post assessment: *Post-Christian Nation* Mark A. Stelter, 2024-02-15 We have been indoctrinated with the lie that belief in God is irrational. As a result, the United States is rapidly becoming a post-Christian nation. At the current rate, by 2040 most Americans will no longer identify as Christian. Mark Stelter relies on his professional experiences as a lawyer, theologian, and former college professor to carefully examine secular materialism and clearly demonstrate that it is the theistic worldview—not the atheistic worldview—that is most supported by

the evidence. Stelter explores a variety of topics that include the triumph of secularism in American culture, the shift in worldviews, the separation of church and state, the academic assault on religion, moral truth versus moral relativism, the intolerance of tolerance, and much more. Post-Christian Nation is a well-documented examination of how Christianity—not atheism—prevails when tested by reason, logic, and science.

christian worldview post assessment: Developing a Christian Worldview of the Problem of Evil Charles W. Colson, Nancy Pearcey, 2001 Each of these three books (Developing a Christian Worldview of Science and Evolution, Developing a Christian Worldview of the Problem of Evil, and Developing a Christian Worldview of the Christian in Today's Culture) is drawn from Colson's highly successful How Now Shall We Live? Shorter in length and accessible to readers, the Developing a Christian Worldview series is ideal for small-group study and classroom use. Each chapter begins with pre-reading questions, and each study session is made up of newly written discussion questions, role-playing activities, and challenges to implement key insights. All are designed to help readers grasp Colson's arguments and learn how to use the points effectively with non-Christians.

christian worldview post assessment: What Can Be Known About God Is Plain Tyler Taber, 2024-12-16 Why is God's existence not more obvious? Why does he seem hidden? This is commonly known as the Problem of Divine Hiddenness. In What Can be Known about God is Plain, Tyler Taber seeks to elucidate these questions from a Christian perspective. Drawing from the work of noted Christian philosopher Alvin Plantinga, Taber addresses the Problem of Divine Hiddenness with theological acumen as well as with resources from the Reformed tradition. Taber argues that the problem has an answer when these questions are analyzed in conjunction with Plantinga's epistemology and alongside certain Reformed doctrines (for instance, the doctrines of general revelation, sin's noetic effects, the internal witness of the Holy Spirit, and so forth).

christian worldview post assessment: A Universe From Someone Peter S. Williams, 2022-10-27 After a substantial author's preface recounting Peter S. Williams's life journey with the question of God's existence, A Universe From Someone pulls together essays and opening speeches from debates (including the 2011 God is not a delusion debate at the Cambridge Union) that jointly cover a wide variety of theistic arguments. Together with a foreword by noted philosopher J. P. Moreland, an annotated bibliography highlighting Four Dozen Key Resources on Apologetics and Natural Theology in an Age of Science, and other recommended resources, A Universe From Someone offers an informed overview of the contemporary case for God.

christian worldview post assessment: American Grand Strategy After 9/11: An Assessment Stephen D. Biddle, 2005 Grand strategy integrates military, political, and economic means to pursue states ultimate objectives in the international system. American grand strategy had been in a state of flux prior to 2001, as containment of the Soviet Union gave way to a wider range of apparently lesser challenges. The 9/11 attacks on the Pentagon and the World Trade towers, however, transformed the grand strategy debate and led to a sweeping reevaluation of American security policy. It may still be too early to expect this reevaluation to have produced a complete or final response to 9/11 policies as complex as national grand strategy do not change overnight. But after 3 years of sustained debate and adaptation, it is reasonable to ask what this process has produced so far, and how well the results to date serve American interests.

christian worldview post assessment: The Congregationalist and Christian World, 1902

christian worldview post assessment: Taking Off Roofs and Building Bridges Alan J. Pihringer, 2022-09-27 Why don't they believe the same things I do? Why don't they see things my way? We get frustrated when people hold differing opinions from ours or view life's major issues from conflicting angles. Their system of belief (their worldview) seems foreign to us as they filter the events of this world in ways that we would never have imagined and then come to conclusions that we would never even consider. When other peoples' worldviews contradict ours, both of us cannot be right. Is there a way to account for the differences and determine if one is right and the other wrong? For the Christian especially, can we defend the Christian worldview in a way that upholds our entire system of belief and then opens the door to share the gospel with those who believe

differently from us? The method of worldview apologetics enables the Christian to expose the faults in other worldviews, demonstrate the truth of the Christian worldview, and build a bridge for others to hear the gospel of Jesus Christ. Both scholarly and practical, worldview apologetics equips the Christian to assess and critique differing belief systems and fulfill the call to Great Commission outreach.

christian worldview post assessment: *Emerging Voices* Barry L. Saylor, 2020-11-30 Recent research has demonstrated a loss of verbalization, or grasp of the Christian language, in the emerging generations of Western Christianity. As contemporary culture rejects Christian identity more and more, subsequent generations are losing the ability to proclaim their faith well. This is particularly troubling for those on the theological campus seeking to train and disciple today's emerging adults as the next generation of ministers. *Emerging Voices* attempts to identify factors behind this phenomenon and to map out a better way forward, particularly for the theological campus. As contemporary issues such as the elimination of faith from public discourse and the ubiquitous influence of technology shape students in the years before college, what can be done to reclaim the Christian language for students tasked with preaching the gospel? This project combines a deep dive into some of the leading research regarding religion and spirituality in youth and emerging adulthood, alongside of a focused study group. In uniting these approaches, *Emerging Voices* attempts to give expression to those who most need to be heard in the coming decades of the Christian church in Western culture.

christian worldview post assessment: *Evangelicalism in Europe* Pieter J. Lalleman, Frank Hinkelmann, 2025-08-31 What does the evangelical movement stand for? In the twenty-first century the term has become highly contested. In August 2024, the Fellowship of European Evangelical Theologians met for its biennial conference in cooperation with the European Evangelical Alliance to explore evangelical identity in Europe with particular emphasis on unity in diversity. This collection of essays, and invited additional chapters, was presented by national leaders and experts from across Europe. Addressing pertinent issues for the movement in their diverse contexts, the authors develop an evangelical theology, outline the movement's history and current circumstances, and provide sociological analyses of evangelicals. This timely and important book shapes the future of evangelicalism, reminding its readers that what lies at the heart of it, no matter the location, is faithfulness to the gospel of Jesus Christ and rejoicing in the good news that it brings to humanity.

christian worldview post assessment: *Paulus, Then and Now* John Jesse Carey, 2002 -- Is The Courage to Be still a viable analysis of the human situation? -- Does Tillich's positive sense of Eros illumine our intense discussions of human sexuality? -- Does Postmodernism really dissolve Tillich's major assumptions? -- Can Tillich contribute to the contemporary discussion of science and religion? -- How does his work stand when compared to other writers on creation, such as Langdon Gilkey and Sallie McFague? -- Given the paradoxes of Tillich's life, is his ethical theory still viable? In *Paulus, Then and Now: A Study of Paul Tillich's Theological World and the Continuing Relevance of his Work*, John J. Carey clarifies previously neglected foundational aspects of Tillich's thought. Carey places Tillich's theological work in political, social, economic, and scholarly context. He also explains Tillich's thinking on Luther, Marx, history, and politics, and his unique perspective on the Bible and on biblical authority. Having accomplished these things, Carey then moves to show how Tillich's thinking can be applied to contemporary problems.

christian worldview post assessment: *ThirdWay*, 1982-10 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

christian worldview post assessment: *How Now Shall We Live?* Charles Colson, Nancy Pearcey, 2011-07-14 2000 Gold Medallion Award winner! Christianity is more than a personal relationship with Jesus Christ. It is also a worldview that not only answers life's basic questions—Where did we come from, and who are we? What has gone wrong with the world? What can we do to fix it?—but also shows us how we should live as a result of those answers. *How Now Shall We Live?* gives Christians the understanding, the confidence, and the tools to confront the world's bankrupt worldviews and to restore and redeem every aspect of contemporary culture:

family, education, ethics, work, law, politics, science, art, music. This book will change every Christian who reads it. It will change the church in the new millennium.

christian worldview post assessment: The Charles Colson Collection: The Good Life / How Now Shall We Live? Charles Colson, 2017-01-10 This collection bundles two of popular author Chuck Colson's classics into one volume for a great value! The Good Life What constitutes "the good life?" Chuck Colson explores the ways in which people define and live "the pursuit of happiness." Colson uses fascinating real-life stories to illustrate the philosophies and worldviews by which individuals seek the good life. Colson speaks directly and revealingly about his Watergate years, and he examines the beliefs and assumptions that make up the fabric of our lives. The Good Life searches for answers to the questions we all ask: Who am I? Why am I here? How can I make my life count? How Now Shall We Live? True Christianity goes far beyond John 3:16—beyond private faith and personal salvation. It is nothing less than a framework for understanding all of reality. It is a worldview. In How Now Shall We Live?, the 2000 Gold Medallion winner for best book about Christianity and society, Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews. Through inspiring true stories and compelling teaching, they demonstrate how to Expose the false views and values of modern culture Live a more fulfilling life the way God created us to live Contend for the faith by understanding how nonbelievers think Build a society that reflects biblical principles In short, How Now Shall We Live? will give you the confidence you need to make a difference in the world today and most of all in the lives of people around you.

christian worldview post assessment: After-Mission, Beyond Evangelicalism Najib George Awad, 2020-11-04 After-Mission touches on on three questions. The first question is about self-perception and identity-formation strategies, and the various views that we have on the Protestants' relation to their Arab Muslim Middle Eastern context. This will furnish the basis for the ensuing parts, as it will provide the study with coherent and analytical readings of the cultural situation and intellectual views of the Arab Eastern Protestants in their Sitz im Leben from the perspective of the hermeneutic tripod of 'identity-othering-relationality'. The second question, about the theological dimension, asks what kind of a theological discourse do the Protestants need to develop, and how do they need to re-form their own theological heritage, in such a manner that will allow them to heal the historical enmity and suspicion towards them from the Eastern Orthodox Christian community in the region? How should they re-think their traditional view on theological subjects common to them and the Eastern Christian tradition? Traditional Protestant attitudes towards Eastern Christianity, which have been viewed through the lens of evangelicalism and mission, have failed to grant the Protestants an influential and truly indigenous presence in the region and have led to them being constantly accused of being a foreign transplant and alien entity. In the light of this, it is clear that going beyond missiology and traditional evangelicalism demands re-thinking certain mutually shared but contentious theological subjects from a new perspective with the focus on more constructive attempts to build fellowship through dialogue. Finally, the third question touches on the Protestants' future in the Arab Muslim Middle East by viewing this inquiry from a broader perspective that is related to all the Middle Eastern Christian communities' presence and role in the Muslim-majority context. It will discuss questions about the kind of presence and role that Christians, Protestants included, should hope to play in order to guarantee survival and a continuing presence in the region. The question of identity formation, and the managing of difference without trapping it in the mud of 'otherizing and self-otherizing', will also be tackled, so that the theological dimension is integrated with the broader, multifaceted contextual one.

christian worldview post assessment: Tocqueville and the Frontiers of Democracy Ewa Atanassow, Richard Boyd, 2013-03-29 Alexis de Tocqueville is widely cited as an authority on civil society, religion and American political culture, yet his thoughts on democratization outside the West and the challenges of a globalizing age are less known and often misunderstood. This collection of essays by a distinguished group of international scholars explores Tocqueville's vision of democracy in Asia and the Middle East; the relationship between globalization and democracy;

colonialism, Islam and Hinduism; and the ethics of international relations. Rather than simply documenting Tocqueville's own thoughts, the volume applies the Frenchman's insights to enduring dilemmas of democratization and cross-cultural exchanges in the twenty-first century. This is one of the few books to shift the focus of Tocqueville studies away from America and Western Europe, expanding the frontiers of democracy and highlighting the international dimensions of Tocqueville's political thought.
