

how to get the middle finger emoji

How to Get the Middle Finger Emoji: A Complete Guide

how to get the middle finger emoji is a question that many people have asked, especially when they want to express frustration or a cheeky attitude in texts or social media posts. The middle finger emoji, also known as the “flip the bird” or “flipping off” emoji, has become a popular way to convey a bold message without using explicit language. But how exactly do you get this emoji on your device? Whether you’re using an iPhone, Android, Windows, or even a Mac, this article will walk you through the various methods and tips to access and use the middle finger emoji seamlessly.

Understanding the Middle Finger Emoji

Before diving into how to get the middle finger emoji, it’s helpful to understand what it is and why it might not be readily available on all platforms. The middle finger emoji is officially called “Reversed Hand With Middle Finger Extended” and is represented by the Unicode character U+1F595. It visually depicts a hand with the middle finger raised, a universally recognized obscene gesture.

Why Isn’t the Middle Finger Emoji Always Easy to Find?

Not all emoji keyboards include the middle finger emoji by default. Some platforms, especially those with stricter content policies, might exclude it due to its offensive nature. For instance, Apple added this emoji officially in iOS 10.2, but older versions didn’t have it. Similarly, certain social media platforms might censor or replace it with other images to maintain a family-friendly environment.

How to Get the Middle Finger Emoji on Different Devices

Now that you know what the middle finger emoji looks like and why it might not be everywhere, let’s explore how to get it on your specific device or platform.

Getting the Middle Finger Emoji on iPhone and iPad

If you're an iPhone or iPad user, accessing the middle finger emoji is straightforward, provided you have an up-to-date iOS version.

1. ****Update Your iOS****: Make sure your device is running iOS 10.2 or later, as the middle finger emoji was included starting from this version.
2. ****Open the Emoji Keyboard****: Tap on any text field to bring up the keyboard, then tap the emoji icon.
3. ****Search or Browse****: You can either scroll through the "hand gestures" section or type "middle finger" or "finger" in the emoji search bar (available in iOS 14 and later).
4. ****Select the Emoji****: Tap the 🖕 emoji to insert it into your message.

If you don't see it, check your software update or consider using a third-party keyboard app that supports the full emoji set.

How to Get the Middle Finger Emoji on Android

Android users might find the middle finger emoji in their emoji keyboard depending on the device manufacturer and Android version.

- ****Use the Default Emoji Keyboard****: On stock Android versions (Android 7.0 Nougat and later), the middle finger emoji is available in the hand gestures section.
- ****Search Feature****: Open the keyboard, tap the emoji icon, and use the search function by typing "middle finger" or "finger."
- ****Third-Party Keyboards****: If your device's default keyboard doesn't have it, try installing keyboards like Gboard or SwiftKey. Both support the full range of emojis, including the middle finger.

Accessing the Middle Finger Emoji on Windows and Mac

Desktop users can also use the middle finger emoji, though it requires different methods.

- ****Windows****: Press `Win + .` (Windows key + period) to open the emoji picker on Windows 10 and 11. Then, type "middle finger" or navigate to the hand gestures category.
- ****Mac****: Press `Control + Command + Space` to open the emoji panel, then search for "middle finger" or browse the hand gestures section.

If the emoji isn't present, your operating system might be outdated, so consider updating to the latest version.

Alternative Methods to Use the Middle Finger Emoji

Sometimes, you might want to use the middle finger emoji but can't find it easily on your device. Here are some alternative ways to get or share this emoji.

Copy and Paste from Emoji Websites

One of the easiest ways to get the middle finger emoji without worrying about your device's compatibility is to copy and paste it from online emoji databases. Websites like Emojipedia, GetEmoji, or EmojiCopy offer the emoji in text form.

- Visit one of these sites.
- Search for "middle finger" or "reversed hand with middle finger extended."
- Highlight and copy the emoji 🖐.
- Paste it into your message, social media post, or anywhere else.

This method works across nearly all platforms and apps.

Using Unicode Input

If you are comfortable with Unicode, you can insert the middle finger emoji using its Unicode code point:

- The Unicode for the middle finger emoji is ****U+1F595****.
- On Windows, you can type ``1F595`` and then press ``Alt + X`` in applications like Microsoft Word to convert the code into the emoji.
- On Mac, this method is less straightforward, so the emoji panel or copy-pasting is preferred.

Using Text-Based Alternatives

If you want to express the same idea but your platform restricts the emoji, consider using text-based alternatives like:

- (J°□°J□ **🔼** (table flip)
- `\\_ (□) \\_ /` (shrug)
- Or simply type **"*middle finger*"** or **"flip the bird"** in your message.

While not graphical emojis, these convey a playful or sarcastic tone.

Tips for Using the Middle Finger Emoji Appropriately

The middle finger emoji is undeniably bold and can easily offend. Here are some helpful tips to keep in mind when using it:

- **Know Your Audience**: Avoid using it in professional or formal communication. Reserve it for friends or informal contexts where everyone understands the humor.
- **Use Sparingly**: Overusing this emoji can make your messages come off as aggressive or rude.
- **Consider Platform Policies**: Some social media sites or messaging apps might flag or restrict messages containing this emoji.
- **Alternative Emojis**: Sometimes, a simple angry face or other hand gestures might be a softer way to express frustration.

Why Some Users Can't Find the Middle Finger Emoji

Many people wonder why they can't find this emoji even after checking the emoji keyboard. The reasons include:

- **Outdated Software**: Older operating systems don't support newer emojis.
- **Platform Restrictions**: Some apps or keyboards censor or exclude explicit emojis.
- **Regional Differences**: In some countries, certain emojis are restricted due to cultural sensitivities.

Updating your device and using popular third-party keyboards can help overcome these limitations.

The Evolution of the Middle Finger Emoji

It's interesting to note how the middle finger emoji has grown in popularity and acceptance. Initially, Unicode included basic hand gestures like thumbs up or peace sign. Over time, as emoji usage exploded, more expressive symbols like the middle finger were added to allow users a broader range of emotions and expressions.

Social media trends and meme culture have also embraced this emoji, making it a staple in casual online conversations.

Now that you know how to get the middle finger emoji on almost any device and how to use it thoughtfully, you can add a little extra sass or humor to your digital conversations. Whether you choose to copy-paste it, use your native emoji keyboard, or explore alternative expressions, this cheeky symbol is only a few taps away.

Frequently Asked Questions

How can I get the middle finger emoji on my iPhone?

The middle finger emoji is not officially available on iPhone's default emoji keyboard. However, you can copy it from websites or use third-party keyboards that support it. Alternatively, you can copy this emoji 🖕 from online sources and paste it where needed.

Is the middle finger emoji available on Android devices?

Most Android devices do not have the middle finger emoji in the default emoji set due to its offensive nature. You can copy it from online sources or use third-party apps that provide this emoji.

Why can't I find the middle finger emoji on my emoji keyboard?

The middle finger emoji is considered offensive by many platforms, so it is often excluded from the default emoji keyboards to comply with content guidelines and maintain a respectful environment.

Can I use the middle finger emoji on social media platforms?

Yes, you can use the middle finger emoji on many social media platforms by copying and pasting it. However, some platforms may restrict or remove offensive content, so use it cautiously.

What is the Unicode for the middle finger emoji?

The Unicode for the middle finger emoji is U+1F595. You can use this code in applications that support Unicode input to insert the emoji.

How do I copy and paste the middle finger emoji?

You can find the middle finger emoji on websites like Emojipedia, then select and copy 🖕. After copying, paste it into your message, post, or document.

Are there any apps that provide the middle finger emoji?

Yes, some third-party keyboard apps and emoji apps include the middle finger emoji. Examples include Gboard with custom emojis or specialized emoji apps available on app stores.

Is the middle finger emoji considered offensive or inappropriate?

Yes, the middle finger emoji is generally considered offensive or rude because it represents an obscene gesture. Use it carefully and be mindful of the context and audience.

How to Get the Middle Finger Emoji: A Comprehensive Guide

how to get the middle finger emoji is a question that has gained traction as digital communication continues to evolve, blending expressive text with symbolic imagery. The middle finger emoji, which visually represents a hand gesture often interpreted as offensive or rebellious, is part of the Unicode standard but is not universally accessible on all platforms or devices. This article explores the nuances of obtaining and using the middle finger emoji across various operating systems, messaging apps, and social media, while considering the cultural and contextual implications of its use.

Understanding the Middle Finger Emoji

The middle finger emoji, officially known in Unicode as the "Reversed Hand With Middle Finger Extended," was introduced in Unicode 7.0 in 2014. It is represented by the code point U+1F595 and is colloquially referred to as the "flipping the bird" emoji. This emoji is unique in its ability to convey a strong emotional message, often used for humor, sarcasm, or offense, depending on context.

However, the emoji's availability varies widely. Some operating systems and platforms fully support it, while others either do not display it or replace it with alternative representations. This inconsistency influences how users search for and access the middle finger emoji.

Platform Compatibility and Availability

One of the primary considerations when exploring how to get the middle finger

emoji is understanding its compatibility across different environments.

- **iOS (iPhone & iPad):** Apple devices running iOS 9.1 and later versions support the middle finger emoji. Users can access it from the emoji keyboard under the "Smileys & People" section, typically within the hand gestures group.
- **Android:** Android support depends on the device manufacturer and the version of the operating system. Google's stock Android versions from Android 6.0 Marshmallow onwards include this emoji. However, some manufacturers might customize or exclude it from their emoji sets.
- **Windows:** Windows 10 and later versions support the middle finger emoji, but it is not readily accessible through the standard emoji panel. Users often need to copy and paste it from external sources or use character map utilities.
- **macOS:** Similar to iOS, macOS provides native support for the middle finger emoji from OS X 10.11 El Capitan onwards, accessible via the emoji picker.
- **Web Platforms:** Social media sites and messaging platforms like Twitter, Facebook, and WhatsApp generally support the emoji, but rendering depends on the user's device and browser.

How to Get the Middle Finger Emoji on Different Devices

Navigating how to get the middle finger emoji involves different methods depending on your device or platform. Below is an analysis of practical ways to access and use the emoji.

Using the Emoji Keyboard on Mobile Devices

For iOS and Android users, the emoji keyboard is the most straightforward way to insert the middle finger emoji.

- **On iOS:** Open any app with text input, tap the emoji icon on the keyboard, then navigate to the hand gestures section. Scroll to find the middle finger emoji (🖕) and tap to insert.
- **On Android:** Access the emoji keyboard via the smiley face icon. If the device's default keyboard supports it, look under the hand gestures or

smileys category. If unavailable, users may need to install third-party keyboards like Gboard or SwiftKey that support a broader emoji range.

Copy and Paste Method

When the emoji keyboard does not provide the middle finger emoji, copying and pasting is a reliable alternative. Various websites and emoji databases list the emoji for easy copying.

- Visit a reputable emoji website such as Emojipedia or GetEmoji.
- Search for “middle finger emoji” or “reversed hand with middle finger extended.”
- Highlight the emoji (🖐️) and copy it to your clipboard.
- Paste it into your desired application or text field.

This method works across all devices and platforms, including Windows PCs where native keyboard support might be limited.

Using Unicode Input

For advanced users, especially on desktop environments, typing the Unicode code point directly can yield the emoji, though this method varies by operating system.

- **Windows:** Hold down the Alt key and type the Unicode value on the numeric keypad. However, since the middle finger emoji is outside the Basic Multilingual Plane, this method might be complex and unreliable.
- **macOS:** Use the Character Viewer by pressing Control + Command + Space, then search for “middle finger” to insert the emoji.
- **Linux:** Depending on the desktop environment, entering Unicode via Ctrl + Shift + U followed by the code point (1F595) may work.

Contextual Considerations and Usage

The middle finger emoji is inherently provocative and can be interpreted as offensive. It is crucial to understand the social and professional implications before using it in communication.

Appropriate Use Cases

- **Humor and Sarcasm:** Among friends or in informal settings, the emoji can be a playful, humorous way to express frustration or jest.
- **Artistic or Cultural Expression:** Some users employ the emoji in creative works or social commentary, leveraging its recognizability to make a statement.
- **Digital Communication Nuances:** In contexts where text alone might seem blunt, the emoji offers a visual cue to tone and intent.

Potential Risks and Limitations

- **Professional Settings:** Using the middle finger emoji in workplace communication is generally discouraged due to its offensive nature.
- **Platform Restrictions:** Some social networks and messaging platforms may censor or block the emoji to maintain community standards.
- **Misinterpretation:** Cultural differences can lead to varied interpretations, which might cause misunderstandings.

Alternative Emojis and Symbols

For users who want to convey a similar sentiment without the explicit middle finger emoji, there are alternatives.

- **Raised Hand Emojis:** The “raised hand” (🙅) or “waving hand” (🙋) can imply attention or dismissal in a milder form.
- **Face Emojis:** Angry or frustrated faces like (😡) or (😠) express

irritation without being as confrontational.

- **Textual Expressions:** Creative use of text-based emoticons or acronyms can substitute for the emoji's emotional impact.

These alternatives maintain communication effectiveness while reducing potential offense.

Summary of How to Get the Middle Finger Emoji

In essence, understanding how to get the middle finger emoji requires familiarity with your device's capabilities and the context in which you intend to use it. Mobile users benefit from built-in emoji keyboards, whereas desktop users may rely on copy-paste or character viewers. Awareness of platform limitations and social appropriateness is equally important to avoid unintended consequences.

As digital communication continues to expand, the role of expressive symbols like the middle finger emoji remains a reflection of human interaction's complexity. Knowing how to access and use this emoji responsibly enriches the digital conversation toolkit, enabling users to convey their messages with nuance and clarity.

how to get the middle finger emoji: Emoji Speak Jieun Kiaer, 2023-05-18 Providing an in-depth discussion of emoji use in a global context, this volume presents the use of emoji as a hugely important facet of computer-mediated communication, leading author Jieun Kiaer to coin the term 'emoji speak'. Exploring why and how emojis are born, and the different ways in which people use them, this book highlights the diversity of emoji speak. Presenting the results of empirical investigations with participants of British, Belgian, Chinese, French, Japanese, Jordanian, Korean, Singaporean, and Spanish backgrounds, it raises important questions around the complexity of emoji use. Though emojis have become ubiquitous, their interpretation can be more challenging. What is humorous in one region, for example, might be considered inappropriate or insulting in another. Whilst emoji use can speed up our communication, we might also question whether they convey our emotions sufficiently. Moreover, far from belonging to the youth, people of all ages now use emoji speak, prompting Kiaer to consider the future of our communication in an increasingly digital world.

how to get the middle finger emoji: You're so Vain Angela Casella, 2024-01-29 Sometimes love comes after marriage. Shane When I quit my job, my boss threatened that I'd never work as a lawyer again... I figured he was a fossil with an elevated sense of self-importance, but two months later, I have to admit he has reach. Only one firm is interested in giving me a job, and there's been a slight misunderstanding. One of the partners saw me with my best friend's sister, Ruthie, and her daughter, and now they think I'm a family man. To my mind, wedding bells only lead to misery, but it seems to be the only reason they want to hire me. So I play along. Of course, they want to meet my

family, so I have to ask Ruthie, who's hated me for years, if she'd like a part-time job as my wife. Ruthie My brother's best friend is a vain, stuffed suit of a man, and one of my favorite past-times is teasing him. So I'm stunned when he asks me to pose as his wife. Still...I can't deny it's a compelling offer. I'm trying to get my small business off the ground, but it's proven near impossible with my full-time waitressing job, lack of childcare, and terrible health insurance. Shane is offering me a chance to turn my life around. All I have to do is pretend to like him... **An interconnected standalone in the Finding You series**

how to get the middle finger emoji: Emoticons, Kaomoji, and Emoji Elena Giannoulis, Lukas R.A. Wilde, 2019-07-23 This collection offers a comprehensive treatment of emoticons, kaomoji, and emoji, examining these digital pictograms and ideograms from a range of perspectives to comprehend their increasing role in the transformation of communication in the digital age. Featuring a detailed introduction and eleven contributions from an interdisciplinary group of scholars, the volume begins by outlining the history and development of the field, situating emoticons, kaomoji, and emoji – expressing a variety of moods and emotional states, facial expressions, as well as all kinds of everyday objects– as both a topic of global relevance but also within multimodal, semiotic, picture theoretical, cultural and linguistic research. The book shows how the interplay of these systems with text can alter and shape the meaning and content of messaging and examines how this manifests itself through different lenses, including the communicative, socio-political, aesthetic, and cross-cultural. Making the case for further study on emoticons, kaomoji, and emoji and their impact on digital communication, this book is key reading for students and scholars in sociolinguistics, media studies, Japanese studies, and language and communication.

how to get the middle finger emoji: Alpha Douchebag: The Princess S.N. GARZA, 2022-06-18 Just when Ragan thinks everything is starting to come together with Lochlan, there's more secrets she has yet to uncover. Her secrets... her past, finally show themselves and it's up to her to take the plunge. Whether to trust the man she's fallen head over heels for, or go it alone like she's always done in the past... believing she can never count on anyone. Lochlan's done giving Ragan the time she needs to come to grips with the fact that she's belonged to him since the moment they met. It's time to claim the woman he's been in love with since he was sixteen. The sex is for certain. They're a

fuse and bomb ready to be set off. Ragan's not giving in to his charms just yet. He still has secrets he won't reveal. Her future in her grandmother's company has yet to reveal itself and she doesn't know what she wants to do. One thing about Lochan and Ragan, they're a match made in heaven- or maybe hell, but it's going to be one hell of a ride getting there. Just wait and see.

how to get the middle finger emoji: A Thorn in the Saddle Rebekah Weatherspoon, 2021-10-26 An Entertainment Weekly Best Romance of Fall Award-winning author Rebekah Weatherspoon delivers a charming contemporary tale about a brawny rancher, a brainy beauty—and a beast of a predicament . . . Ranch owner Jesse Pleasant always felt too big for his desert town—literally—and too brutish to fit in with his charming, cowboy brothers. After his temper gets the best of him one time too many, he's ready to accept the truth: he's cursed to be alone. But when the Senate selection committee comes looking for a man of his public standing, he knows this might be his chance to prove to his family and friends that he can keep his cool, all while giving back to his community. There's only one problem. While Jesse definitely has a mind for business, his people skills are more than lacking. Former tech consultant Lily-Grace Leroux has had it up to her hat with hot-tempered men who think they know what's best, especially a big headed rancher set on keeping her widowed father from dating his grandmother. But after Lily-Grace learns of Jesse's softer side during a painfully awkward showing at a community date auction, one thing becomes clear; while Jesse Pleasant is not ready to run for public office, he might be ready for love. Against her better judgement and despite their rocky start, Lily-Grace warms to the sparks flying between them. She never dreamed they would build their own connection, one destined for its own happily ever after Praise for *Cowboys of California* "A gorgeous country setting, engaging multicultural characters, and sweet but passionate love scenes makes this a charming start." —Booklist **STARRED REVIEW** for *A Cowboy to Remember* "This steamy fairy tale shines by serving realistic conflict alongside swoon-worthy romance." —Publishers Weekly **STARRED REVIEW** for *If the Boot Fits*

how to get the middle finger emoji: Last Christmas TJ Lee, It all started with a party. My 19th to be exact. My twin brother, or rather his girlfriend, planned and decorated. I overheard them make a bet, concerning me and the game Seven Minutes in Heaven. My brother bet I would just sit there and talk to the guy. His girl bet I would kiss him. They both thought they were slick putting our older brother's best friend in there with me. He's in med-school. He's responsible. He's practically family. To get back at my twin, Noah agreed to kiss me. Only, it wasn't what either of us expected. That one kiss led to a lot more. While he and I were discovering something that had been right in front of us all along, darkness was hanging over our family. Too many secrets have been kept. Some, more important than others. Last Christmas broke my heart. But I had Noah there to stitch it back together.

how to get the middle finger emoji: The Three Night Stand Roxie Noir, 2024-09-17 She's the one night stand I never forgot. And now her dad is about to marry my mom. It has to be some kind of cosmic joke, right? For once, I feel like I've got my life together—good job, great friends, a fresh start in a new place. I've been on my best behavior for ages. At last, everything's coming up Javier. Until the moment I walk into my stepdad's house and meet his daughter. I should say: I meet her again. Madeline and I have already met. It was one night, two years ago. A quick, casual hookup that had no right to be as mind-blowing as it was. I haven't stopped thinking about it-or her-ever since. But our parents are getting married, so under no circumstances should we sleep together again. Or... again. Or one more time after that, just to get it out of our systems. Madeline's funny, fiery, and

so gorgeous with her pink hair and nerdy tattoos that I can barely look at her without breaking into a sweat. But she has too much going on to be interested in commitment, and God knows I'm a bad boyfriend candidate. Once the wedding's over, we'll be normal stepsiblings who don't have sex with each other, and Thanksgiving won't be awkward at all. Right? The Three Night Stand is the third book in the Wildwood Society series, and can be read as a total standalone. It's for fans of high heat romantic comedies, and features a one night stand that becomes more, lots of wedding shenanigans, an enormous cat, found family, a charming small town, and LOTS of heat. Of course, it all ends happily ever after. This series is for fans of Kate Canterbary, Meghan Quinn, and Cate C. Wells.

how to get the middle finger emoji: Lockdown on London Lane Beth Reekles, 2022-02-01 BuzzFeed's Recommended Reads in February USA Today's February Rom-Coms to Read PopSugar's Novels for a Romantic Escape The Mary Sue's Books to Help Process the COVID Pandemic BookPage's 2022 preview: Most anticipated romance Book Riot's 11 Most Anticipated New Adult Romances for Spring 22 Reekles's capable plotting toggles between apartments and keeps readers wondering what's next. Liv realizes rolling with the punches is sometimes much harder than it looks after her bridesmaids' party goes off the rails, leaving the group at each other's throats. Isla and Danny's new romance is put to the test as they jump ten steps ahead on the relationship timeline. And Imogen and Nate's one-night stand is about to get six do-overs they never really asked for—not awkward at all. Through make ups, breakups, love-ins, and blowouts, friendships are tested as everyone scrambles to make it through the week unscathed. Amidst all the drama, one thing remains constant: life is full of surprises.

how to get the middle finger emoji: Boss Meets Her Match Janet Lee Nye, 2017-04-01 She can't fall for a guy like him... With kick-ass-and-take-names flair, hardworking Lena Reyes has everything a successful woman could want. Well...almost. She's still single, which means her family is practically auditioning guys for Hispanic Bachelor. But none of these guys compare to her newest client: a sexy trust-fund artist who's making Lena crazy in every way possible. Born into wealth and privilege, Charles Matt Beaumont Matthews V is everything Lena isn't. So why does she find him so deliciously irresistible? Now their attraction is breaking all kinds of rules. Worse still, Lena's falling for Matt—hard. He's either the perfect mistake...or her perfect match.

how to get the middle finger emoji: Harlequin Superromance April 2017 Box Set Janice Kay Johnson, Janet Lee Nye, Lisa Dyson, Gina Wilkins, 2017-04-01 Harlequin® Superromance brings you a collection of four new novels, available now! Experience powerful relationships that deliver a strong emotional punch and a guaranteed happily ever after. This Superromance box set includes: PLAIN REFUGE by Janice Kay Johnson Rebecca Holt knows she should've gone straight to the police with the evidence she found incriminating her ex in murder, but two attempts on her life send her and her young son deep into hiding with extended family among the Amish in rural Missouri. If she's found, she has nothing left to hide behind. Unless county sheriff Daniel Byler can protect her...despite her lies. BOSS MEETS HER MATCH The Cleaning Crew by Janet Lee Nye Financial manager Lena Reyes worked hard to get where she is, and she pulled her matchmaking family out of poverty right along with her. So she doesn't know what to think of her newest client, trust-fund baby Charles Beaumont Matthews the Fifth. Matt. A dangerously sexy artist who could sweep a boss right off her feet if she wasn't careful... THE BABY ARRANGEMENT by Lisa Dyson Bree Tucker's company is her everything. So when she becomes pregnant after a fling, she knows she can't be a mother. She has no room for a baby in her life and zero maternal instinct. But the father, Nick Harmon, vows to raise the child on his own. Fine by Bree. Thing is, he wants to be right by her

side...for the next nine months! THE SOLDIER'S FOREVER FAMILY Soldiers and Single Moms by Gina Wilkins A holiday fling is supposed to stay in the past. It's not supposed to be facing Adam Scott across a sandy beach. But there she is—Joanna Zielinski, the woman Adam hasn't forgotten, even after six years. And next to her is a little boy who looks an awful lot like him... Look for 4 compelling new stories every month from Harlequin® Superromance!

how to get the middle finger emoji: Targeted Kathleen Brooks, 2024-04-26 Hunter Townsend loves his new home in the small town of Shadows Landing. It's his sanctuary when he comes home from a mission as part of his Special Forces team. Maggie, the infuriating, monogram loving, bright color wearing, cuter than she should be woman, who loves to tease him was the only issue in Shadows Landing. Until a mission goes wrong . . . Maggie Bell is an Olympic sharpshooter and is getting ready to go for the gold once again. She loved nothing more than letting the handsome, yet cocky Hunter put his foot in his mouth over and over again by not telling him she was a better shot than he was. He just kept digging that hole and she just kept smiling. While everyone groaned when Maggie and Hunter started verbally sparring, Maggie loved it. She'd earn Hunter's respect when he saw her win gold. That is, if anyone finally tells him she's in the Olympics. But that all seems inconsequential when Shadows Landing becomes a target. Now will Hunter and Maggie put their verbal sparring aside and find the threat before they end up in the crosshairs?

how to get the middle finger emoji: Unholy Union: The Complete Duet Natasha Knight, This set contains both Unholy Union and Unholy Intent, the complete Unholy Union Duet! Cristina Monsters don't hide in the dark. When I met Damian Di Santo in a dark corridor of my family home I knew he was a monster. I was a scared girl. He was already a man. That was when his twisted countdown began. Marked by dead roses and sharp thorns, eight years passed each bringing me closer to becoming his. Until the eve of my eighteenth birthday. That was the night he returned to claim me. Damian Circumstance put Cristina on my path. Fate bound her to me. Cristina and I share a common past. A single night that changed the course of our lives. She asked me if I was a monster the night I met her. I am. She's about to learn I'm her monster. Because the countdown that began eight years ago has ended. Her time is up. On the stroke of midnight, she's mine.

how to get the middle finger emoji: Unholy Intent: An Arranged Marriage Dark Romance Natasha Knight, Bound by marriage to Damian, I sometimes wonder what he sees when he looks at me. Deer in headlights, I guess. What I see is clear. Darkness. Desire. Carnal want. A man with too much experience. The day he took me he told me I belong to him. On our wedding night he proved I did. And I believe him when he says he'll keep me safe because he won't let anyone touch what's his. But I can't forget what he is. Can't forget the things he's done. And no matter what, I can't let myself fall in love with him.

how to get the middle finger emoji: Consolation Prize Linda Kage, 2019-12-17 Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe
