Sample Book Insights: #1 The two backwards approaches to Bible study that I took were turning around my passion for rhumba tights and my passion for equipping women. They led me to a lifelong love of learning, applying, and teaching. #2 The Bible is a book about God. It is a book that boldly and clearly reveals who God is on every page. I approached my study time asking the wrong questions: I read the Bible asking, Who am I. and What should I do. #3 We must read and study the Bible with our ears trained on hearing God's declaration of himself. The knowledge of God and the knowledge of self always go hand in hand. There can be no true knowledge of self apart from the knowledge of God. #4 The Bible is a book about God. We must turn around our habit of asking Who am I. We must first ask, What does this passage teach me about God. before we ask it to teach us anything about ourselves.

jen wilkin bible studies free: You Are Free Bible Study Guide Rebekah Lyons, 2017-02-21 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that "calling" feels like something held for the exclusive few. Rebekah's heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. "I have prayed with hands laid for healing and

deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, "I'm done with the life I've created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free." But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God's presence will bring us answers and inform and sustain our calling. Rebekah's voice is a vulnerable, prophetic call for women to become who they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).

Do fear, rejection, low self-esteem, anger, or anxiety from your past seem bigger to you than your future? Jennifer Kostyal gives you a biblical and spiritual path of freedom from your painful past to your peaceful future. Created as a stand-alone companion piece from the best-selling book, *Finally Free: Living in Peace by Releasing Your Past*, this study guide will walk you through the important steps to your freedom. It provides the scriptures and tools that will allow you to strip off the layers of hurt, sorrow, betrayal, failure, and rejection that hold onto you from the past and enable you to live free. Created for individuals or group use, each week of the study focuses on different biblical people who faced their own battles to be free from a painful past. In each case, against incredible odds, they were healed and set free. The first step in their journey was to lay aside the grips of their painful past. Will your story be next? Allow God to redeem your past, heal your hurts, and receive and walk in the destiny, freedom, and purpose your future holds.
