The Story of David and Goliath: A Kid-Friendly Version

Let's dive into the story in a way that's easy to understand and fun to share with kids. The story takes place a long time ago, in a land where two armies were facing each other—one was the Israelites, and the other was the Philistines. The Philistines had a giant warrior named Goliath. He was huge, strong, and very scary. Every day, Goliath challenged the Israelite army to send someone to fight him, but no one was brave enough.

Who Was David?

David was just a young boy, a shepherd who took care of his father's sheep. Unlike the soldiers, David was small and not trained for battle. But he was brave and had a strong faith in God. One day, David visited the battlefield to bring food to his brothers, who were soldiers in the army. When he heard Goliath's challenges and saw how everyone was afraid, David decided he wanted to help.

David's Courage and Faith

David told King Saul that he would fight Goliath. At first, the king was surprised and worried because David was so young and small. But David explained that he had fought lions and bears to protect his sheep, and he believed God would help him defeat Goliath too. With the king's permission, David went to face the giant.

How David Defeated Goliath

Instead of wearing heavy armor or carrying a big sword, David chose to use his sling and five smooth stones from a stream. Everyone thought it was strange that such a small boy would fight a giant with just a sling, but David trusted in his skills and courage.

When Goliath saw David, he laughed and mocked him. But David wasn't afraid. He took one stone, placed it in his sling, and swung it with all his might. The stone flew through the air and hit Goliath right on the forehead. The giant fell to the ground, defeated. David's bravery won the day!

If you do an objective study of the contents of the Bible, you'll discover that God can be quite a difficult God. While much of Christ's popularity came from the miracles he performed, those in power took notice because of his understanding of Hebrew law (Old Testament) and his outspoken intolerance for arrogance and self-righteousness among the religious crowd. Reading this book will force you to re-evaluate your understanding of the bible.
