

balswick the family

Balswick The Family: Exploring the Legacy and Impact of a Remarkable Name

balswick the family carries a unique resonance for those familiar with its story, history, and contributions. Whether you've come across the name in theological studies, family therapy literature, or community leadership circles, the Balswick family represents a compelling narrative of dedication, faith, and influence. In this article, we'll dive into the origins, notable members, and the broader significance of **balswick the family**, shedding light on their lasting impact across various fields.

The Origins of Balswick The Family

Tracing the roots of a family name often reveals fascinating insights into cultural, geographic, and historical contexts. **Balswick the family** has origins that can be linked to European heritage, with roots that intertwine with religious scholarship and community involvement. Understanding where the family comes from helps illuminate the values and passions that have been passed down through generations.

Historical Background and Migration

Historically, families like the Balswicks often emerged from regions where education and religious commitment were paramount. It's believed that the Balswicks migrated from Europe to North America in search of opportunities and to spread their values of faith and family unity. This migration played a critical role in shaping their identity, blending old-world traditions with new-world experiences.

Family Values and Faith

One of the defining characteristics of the Balswick family is their strong foundation in Christian faith. This spiritual commitment has influenced not only their personal lives but also their professional pursuits. The emphasis on family unity, service to others, and moral integrity are hallmarks that have defined their legacy.

Notable Members of the Balswick Family

When discussing the Balswick family, it's impossible to overlook the individuals who have contributed significantly to theology, counseling, and academia. Their work has inspired many and continues to resonate in fields related to family studies and spiritual leadership.

Dr. Jack Balswick: A Pillar in Family Ministry

Perhaps one of the most recognized names associated with the Balswick family is Dr. Jack Balswick. As a prominent theologian and family studies expert, Dr. Balswick has dedicated decades to exploring the dynamics of family life within a Christian framework. His research and writings have become foundational texts for those studying family ministry and counseling.

Dr. Balswick's approach emphasizes the integration of biblical principles with practical strategies to nurture healthy family relationships. His work often highlights the importance of communication, empathy, and spiritual growth as cornerstones for thriving families.

Contributions to Family Therapy

Beyond theology, members of the Balswick family have also made significant contributions to family

therapy. Their insights into the psychological and emotional aspects of family dynamics have helped shape modern therapeutic practices. By combining faith-based perspectives with clinical expertise, the Balswicks have pioneered approaches that respect both spiritual and emotional needs.

The Broader Impact of Balswick The Family on Communities

The influence of balswick the family extends beyond academia and counseling into community leadership and social engagement. Their commitment to fostering strong family units has often translated into active participation in church ministries, educational initiatives, and charitable efforts.

Educational Outreach and Mentorship

One remarkable aspect of the Balswick family legacy is their dedication to education and mentorship. Through seminars, workshops, and published works, they have empowered countless individuals and families to build stronger connections. This commitment to education highlights the role of knowledge sharing in strengthening both individual families and communities at large.

Faith-Based Community Initiatives

Balswick the family has also been involved in numerous faith-based initiatives aimed at supporting vulnerable populations. Whether through counseling centers, family support groups, or church-led programs, their efforts underscore a holistic approach to community care—addressing spiritual, emotional, and practical needs simultaneously.

Lessons from Balswick The Family: Tips for Strengthening Your Own Family Life

Reflecting on the principles and practices associated with balswick the family can offer valuable guidance for anyone looking to nurture healthier family relationships. Here are some key takeaways inspired by their legacy:

- **Prioritize Open Communication:** Encouraging honest and empathetic conversations helps resolve conflicts and deepen understanding.
- **Integrate Faith and Values:** Whether religious or secular, grounding family life in shared values creates a strong foundation.
- **Invest in Emotional Support:** Recognizing and addressing emotional needs fosters resilience and connection.
- **Commit to Lifelong Learning:** Families grow stronger when they continually seek knowledge and apply new insights.
- **Engage in Community:** Building relationships beyond the immediate family enriches support networks and broadens perspectives.

How Balswick The Family Inspires Modern Family Studies

The work and example of balswick the family continue to inspire modern approaches to family studies. Their blend of academic rigor and heartfelt ministry serves as a model for integrating theory with

practice. For students, counselors, and clergy alike, the Balswicks demonstrate how scholarship can be deeply connected to real-world impact.

Integration of Theology and Psychology

One of the most innovative aspects of the Balswick family's contribution is their ability to bridge theology and psychology. This interdisciplinary approach acknowledges the complex nature of human relationships, offering tools that respect both spiritual beliefs and psychological realities.

Influence on Contemporary Family Counseling

Current family counseling practices often draw on principles popularized by the Balswicks—such as systemic thinking, relational empathy, and faith-informed care. Their work has helped shape counseling curricula and inspired professionals to adopt holistic, compassionate approaches to family wellness.

Exploring balswick the family reveals a rich tapestry of faith, scholarship, and community impact. Their legacy invites us to consider how our own family relationships can flourish through intentionality, love, and shared values. Whether through academic study or practical application, the story of the Balswicks offers enduring inspiration to cultivate meaningful, resilient family bonds.

Frequently Asked Questions

Who is John P. Bartkowski in relation to 'The Family' by Balswick?

John P. Bartkowski is not directly related to 'The Family' by Balswick; the book is authored by Jack O. Balswick and Judith K. Balswick, who are known for their work on family ministry and theology.

What is the main theme of 'The Family' by Balswick?

'The Family' by Jack and Judith Balswick primarily focuses on the role of family as a vital social institution, emphasizing spiritual growth, relational dynamics, and the importance of healthy family functioning in a Christian context.

How does Balswick define the concept of family in the book?

Balswick defines family as a unique community created by God, characterized by love, nurture, and spiritual formation, where individuals grow in relationship with God and one another.

What practical advice does 'The Family' by Balswick offer to families today?

The book offers practical advice such as fostering open communication, nurturing spiritual practices together, resolving conflicts with grace, and supporting each member's growth to build strong, resilient families.

Is 'The Family' by Balswick suitable for non-Christian readers?

While 'The Family' is written from a Christian perspective, many of its principles about relationships and family dynamics can be valuable to non-Christian readers interested in healthy family development.

How does Balswick address challenges faced by modern families in the book?

Balswick discusses challenges like divorce, communication breakdowns, and societal pressures, providing guidance on maintaining faith, fostering understanding, and adapting to change within families.

What role does spirituality play in 'The Family' by Balswick?

Spirituality is central in Balswick's view of family, where faith acts as a foundation for love, forgiveness, and purpose, encouraging families to grow together in their relationship with God.

Are there any companion resources available for 'The Family' by Balswick?

Yes, there are study guides, workbooks, and family ministry resources inspired by Balswick's work designed to help families and church groups apply the book's teachings.

How has 'The Family' by Balswick influenced family ministry?

Balswick's work has significantly influenced family ministry by providing a theological framework and practical tools for churches to support families holistically in their spiritual and relational lives.

Where can I purchase or access 'The Family' by Balswick?

'The Family' by Jack and Judith Balswick can be purchased through major book retailers such as Amazon, Christian bookstores, or accessed via libraries and online platforms offering religious and family studies literature.

Additional Resources

Balswick The Family: An In-Depth Exploration of Influence and Legacy

balswick the family represents a significant name in the context of family studies, theology, and Christian scholarship. Known primarily through the work of Jay Balswick, a prominent figure in family ministry and Christian education, the Balswick legacy centers on the integration of faith and family dynamics. This article delves into the multifaceted dimensions of the Balswick family's contributions, exploring their scholarly impact, practical applications in family ministry, and the relevance of their work in contemporary discussions on family systems.

Understanding the Balswick Family's Scholarly Contributions

The Balswick family name is frequently associated with pioneering research and literature in the intersection of psychology, theology, and family studies. Jay Balswick, in particular, has authored and co-authored several influential texts that have shaped modern Christian approaches to family counseling and ministry. His work often emphasizes the importance of holistic development within the family unit, focusing on spiritual, emotional, and relational growth.

Balswick's scholarship is distinguished by its interdisciplinary approach. Drawing from psychology, sociology, and theology, the Balswick framework addresses the complexities of family life with both academic rigor and pastoral sensitivity. This approach makes their work particularly relevant for practitioners in counseling and church leadership who seek to integrate faith principles with therapeutic practices.

The Balswick Model of Family Ministry

One of the most notable contributions attributed to the Balswick family is the development of a comprehensive model for family ministry. This model advocates for a proactive, rather than reactive, approach to nurturing families within church communities. It encourages ministries to move beyond crisis intervention towards fostering environments where healthy family dynamics are cultivated and sustained.

Key elements of the Balswick model include:

- **Relational Emphasis:** Prioritizing strong interpersonal connections within the family and church community.
- **Spiritual Formation:** Integrating faith development as a core component of family life.

- **Educational Resources:** Providing tools and curricula tailored for various family stages and challenges.
- **Community Support:** Building networks that support families beyond weekly services.

This holistic strategy has influenced numerous church-based family programs, highlighting the Balswick family's practical and theological impact on Christian ministry.

Comparative Perspectives: Balswick Versus Contemporary Family Theories

When examining balswick the family scholarship in comparison to other family theories, it becomes clear that the Balswick framework occupies a unique niche. Unlike purely psychological models, which may focus exclusively on behavioral or systemic factors, the Balswick approach explicitly incorporates spiritual dimensions into family functioning. This integration distinguishes their contributions in both academic and ministry settings.

For example, while Bowenian family systems theory emphasizes patterns of interaction and emotional regulation within family units, the Balswick model adds an additional layer by considering divine purpose and spiritual identity as shaping forces. This dual focus offers a richer, more nuanced understanding of family dynamics, particularly for Christian audiences who seek to reconcile faith with psychological insights.

However, some critics argue that such integration might limit the model's applicability in secular contexts. The explicit theological orientation could potentially alienate non-Christian families or practitioners who prefer a more universal psychological framework. Despite this, the Balswick family's work remains highly regarded within Christian counseling circles and continues to inspire adaptations for broader audiences.

Impact on Family Counseling and Education

The Balswick family's influence extends well into the realms of family counseling and education. Their literature and training programs have become staples in seminaries and counseling centers that focus on faith-based interventions. By promoting a balanced approach that values emotional health, relational skills, and spiritual maturity, the Balswick framework equips counselors to address complex family issues such as conflict resolution, parenting challenges, and marital enrichment.

Moreover, educational institutions have incorporated Balswick's principles into curricula designed to prepare future ministers and counselors. These programs emphasize practical application, encouraging students to develop competency in fostering family wellness informed by theological insight.

The Legacy and Continuing Relevance of Balswick The Family

The ongoing relevance of balswick the family lies in its adaptability and foundational principles. As family structures evolve and face new societal pressures, the Balswick model provides a stable yet flexible framework for understanding and supporting families. Its commitment to integrating spiritual growth with family health resonates in an era where many seek holistic approaches to well-being.

Furthermore, the Balswick family's emphasis on community and relational support aligns with contemporary movements toward reconnecting fragmented social networks. Churches and faith-based organizations continue to draw on their teachings to create environments where families are not only supported but empowered to thrive.

In summary, the Balswick family's contributions offer a distinctive and enduring perspective on family ministry and counseling. Their work bridges academic disciplines and practical ministry, ensuring that faith and family remain intertwined in meaningful and transformative ways.

Balswick The Family

balswick the family: The Family Jack O. Balswick, Judith K. Balswick, 2007-06 This proven resource covers every issue that affects family life. The third edition includes updates to all chapters and the inclusion of current research.

balswick the family: The Family-Powered Church Pamela J. Erwin, 2008-12-01 Effective churches understand the need for effective families. We know you're concerned with the state of family today. What if you could turn your church into a powerful family of families? Now you can! This comprehensive guide recognizes that each church and its families are unique. So it provides you a variety of clear and practical tips on . . . -Building strong family foundations -Enriching family ministries -Connecting families to other families - both inside and outside the church -Building a happier, healthier, and more effective church

balswick the family: Marriage and the Family Stephen Grunlan, 2013-01-11 The widespread use of Marriage and the Family has proved its value as a textbook covering biblical, sociological, and psychological perspectives on the family. Now this revised and updated edition brings a benchmark text into the twenty-first century with new material on family finances, economics, violence and abuse, premarital intimacy, human sexuality, and dating. Statistics and references have been updated, and graphics are designed for easier reading. With more information than ever, Marriage and the Family examines the following topics from a distinctively evangelical perspective. -The sociology of the family -Cross-cultural and intercultural perspectives -Dating and courtship -Communication and conflict resolution -Childbearing and parenting -Divorce and remarriage -Aging and death Case studies, discussion questions, suggested reading, a glossary, and tables and illustrations offer important information in an accessible format for the classroom. The lifestyle approach of 'Marriage and the Family' offers a solid biblical foundation that gives students the tools they need to make wise choices and strengthen the family in these times.

balswick the family: Introducing Christian Education Michael J. Anthony, 2001-09-01 Building on the success of his 1992 collection Foundations of Ministry (over 17,000 sold), Michael Anthony offers Introducing Christian Education to fill the need in the C.E. curriculum for an introductory foundations textbook--one that provides an overview and understanding of the broad range of subjects included in C.E.--for college and seminary use. Thirty-one chapters are offered under the following sections: 1) Foundations of C.E.; 2) Developmental Perspectives of C.E.; 3) Educational Implications of C.E.; 4) Organization, Administration, and Leadership; 5) C.E. Applied to the Family; and 6) Specialized Ministries. Contributors include Robert Pazmiño, Jim Wilhoit, Julie Gorman, Klaus Issler, and Ted Ward. FROM THE FOREWORD BY LESTER C. BLANK JR. Introducing Christian Education will become a major resource text for church leaders and Christian education leaders who are professors of Christian education. It will be a valuable resource in my personal library. The desired outcome will be Psalm 78:72: He cared for them with a true heart and led them with skillful hands.

balswick the family: Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism, yet almost none address the centrality of the family as God's intended vehicle for experiencing life, community, and growth. In this timely and powerful book, Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world. Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church, this book also provides creative ideas for implementing a family-centered praxis that offers preparation and support to families living out their calling to make Christ known. To ignore the family, Reimer warns, is to ignore the church's greatest resource for transmitting truth, communicating love, and embodying the gospel. If we are to be effective in making disciples of all nations, we must start in our own homes.

balswick the family: The Pastor's Family Harold G Koenig, Daniel L Langford, 2012-10-12 Describing the difficulties of balancing a career and family life, The Pastor's Family: The Challenges

of Family Life and Pastoral Responsibilities is a personal narrative that discusses the all-too-familiar practice of neglecting your family for your job. Pastors will learn the importance of balancing time and attention between their families and religious careers by exploring the problems caused by one pastor's prolonged absence from home. Containing research and first-hand experiences, *The Pastor's Family* calls for a change in ministry policies that will enable pastors to devote as much time to their families as they do to their congregations. Containing stories and anecdotes from the author, his wife, and his two children, this book offers suggestions on how to improve the physical, emotional, and spiritual health of a pastor's family. The information and insight provided by *The Pastor's Family* will also help pastors' wives realize that they are not alone in their demanding roles and will help church policymakers discover the need to improve relations between the congregation and the pastor's family. With the hope that the universal problems of pastors' families will be revealed, the author shares with you methods that have helped bring him and his family closer together, including: understanding the expectations of the stereotypical "superpastor" and learning how to set boundaries between family life and career realizing that a pastor's family is subject to the same problems and challenges other families face and helping your family deal with this pressure learning the various definitions of codependency and how this can attribute to the neglect of your family discussing the history of abuse of pastors' families through the Bible and famous religious figures recognizing the discrimination of a pastor's wife and her sufferings, such as coping with her husband's various psychological challenges and being expected to always help her husband with his career discovering how conflicts can provoke communication, release emotions, identify and clarify problems, and permit individualization understanding why people feel a loss of power or personal rejection when their requests are not granted Emphasizing the practice of setting boundaries, *The Pastor's Family* examines ways to promote assertiveness through self-talk and self-differentiation that will help you defeat codependent behavior. This will teach you that it is all right to say "no"--that it is all right to do things for yourself. From *The Pastor's Family*, you will learn how to correct the ideology that makes many pastors feel they must honor every parishioner request, despite the effect it will have on his family. Through stories of hardship and personal revelations, this book will help you realize the need for church policy reforms that will allow pastors to be looked upon as humans who have families besides their parishioners.

balswick the family: *The Family Journey* Dr. Andy O. Homer, 2024-06-17 The book seeks to provide a theological thematic framework for understanding marriage and the family. It also offers suggestions and strategies for building healthy families as well as solutions for treating marriage and family problems.

balswick the family: *The Motives of Self-Sacrifice in Korean American Culture, Family, and Marriage* Chul Woo Son, 2014-01-24 The concept of self-sacrifice is highly important to Korean Americans. With hierarchy of age, social status, and gender-defined roles taking primacy over equality and justice, self-sacrifice becomes instrumental in maintaining family and social relationships. Unfortunately, in family relationships, sacrifice has more to do with submission and endurance than it does with sacrificial service that is redemptive and mutually beneficial. When self-sacrifice carries hidden motives--coercive responsibility, obligation, shame, guilt, or one's reputation--that self-sacrifice is not self-giving, neither serving nor being of mutual benefit. In this context, it is important to explore the attitudes and motives of self-sacrifice in Korean American families. In unlocking and exploring the dynamics of the theology and practice of self-sacrifice for Korean Americans, this book explores cultural virtues, marital relationships, gender inequality, domestic violence, and their theological implications. The author introduces a new approach and model with a proposal for a healthier and a more judicious understanding of self-sacrifice for Korean American family relationships. The element of equal regard as pertaining to self-sacrifice offers Korean Americans a refreshing hope in the perspective of familial relationships and a liberating casting-off of culturally and religiously imposed burdens. The Korean American family ought to be grounded on a love ethic of equal regard and place its value on mutuality, self-sacrifice, and individual fulfillment. When this is done, sacrificial love can be understood as justly appropriated for

both husbands and wives, males and females, and parents and children. Thus, Christian teaching and theology may deliver a more transparent message of true agape and its liberating effects for the marginalized, especially women and children.

balswick the family: *Evangelical Identity and Gendered Family Life* Sally K. Gallagher, 2003 *Evangelical Identity and Gendered Family Life* provides a sociological and historical analysis of gender, family, and work among evangelical Protestants. In this innovative study, Sally Gallagher traces two lines of gender ideals—one of husbands' authority and leadership, the other of mutuality and partnership in marriage—from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today. Rather than simply reacting against or accommodating themselves to secular society, Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender, human nature, and the person of God. The author bases her arguments on an analysis of evangelical family advice literature, data from a large national survey and personal interviews with over 300 evangelicals nationwide. No other work in this area draws on such a range of data and methodological resources. *Evangelical Identity and Gendered Family Life* establishes a standard for future research by locating the sources, strategies, and meaning of gender within evangelical Protestantism.

balswick the family: *A Christian Approach to Work and Family Burnout* Thomas V. Frederick, Scott E. Dunbar, 2019-08-27 In *A Christian Approach to Work and Family Burnout: Calling, Caring, and Connecting*, Thomas V. Frederick and Scott E. Dunbar provide a Christian spiritual model to prevent and cope with burnout caused by the workplace and conflict with family. Coupled with indifference and lack of urgency, burnout eliminates a sense of purposefulness and results in psychological depletion. To counter this, Frederick and Dunbar stress the importance of connecting with God in order to understand intrinsic motivations and redefine work as a calling and means to care for others.

balswick the family: *The Complete Book of Everyday Christianity* R. Paul Stevens, Robert Banks, 2018-12-01 "I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well-worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives, informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life." — Alistair Mackenzie, Senior Lecturer: School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work (NZ)

balswick the family: *Silent Exodus--Parents' Silent Suffering* Matthew Richard Sheldon Todd, 2025-05-08 The broad cultural phenomenon of youth dechurched is often accompanied by stories of broken-hearted parents. The objective of this book is to consider ways immigrant parents are impacted by generational assimilation and dechurched from ethno-religious communities. The original contribution of the book is in substantiating parents' experience from a spectrum of impacts. The author explores ways impact is intensified or minimized. Are you looking to improve your understanding of the risks and opportunities of handing on the faith? Have you been wrestling with the cultural assimilation of your children? Have you wondered how a biblical and interdisciplinary framework might help parents understand and even avert dechurched? Are you looking for supportive approaches for parents experiencing generational disconnect and difficult parenting transitions? The author discloses cultural myths that circulate on parenting and advocates improving support for parents struggling to spiritually launch their children. This book provides strategies for encountering transitional family complications if a youth leaves the faith and church.

balswick the family: *The Equipping Pastor* R. Paul Stevens, Phil Collins, 1993-03-01 The authors draw on their combined experience to create an exciting model of congregational leadership that understands congregations as relational systems. Learn how relational processes can liberate members for ministry and mission in the world and release pastors for appropriate leadership.

balswick the family: *As for Me and My House* Daryl J. Potts, 2020-07-10 The verse, Joshua 24:15, as for me and my house we will serve the Lord, has been the desire and declaration of ministry couples for centuries. Yet the heartache of many ministers and their spouses is the realization that even though they have ministered to many and have been instruments to strengthen people's spiritual lives, the spiritual well-being of their own immediate family is not always where they would like it to be. Many sadly observe members of their own family who no longer attend church, having turned away from the faith. For many ministers and spouses, both those presently in ministry and those starting out, there is a great desire to find keys to prevent their family members from falling away from the faith. The heart of every pastoral couple is to function in their ministry and at the same time see their family flourish. In the light of the dearth of research regarding the ministry/family journey, this book investigates how ministers and their spouses perceive that their involvement in ministry affects their family lives. It further reveals the components that contribute toward the spiritual well-being of their family, while fulfilling their unique ministry responsibilities.

balswick the family: *Family Therapies* Mark A. Yarhouse, James N. Sells, 2017-08-04 Mark A. Yarhouse and James N. Sells survey the major approaches to family therapy and treat significant psychotherapeutic issues within a Christian framework, offering timely wisdom for therapeutic practice. Fully updated and revised, this second edition is an indispensable resource for those in the mental health professions, including counselors, psychologists, family therapists, social workers, and pastors.

balswick the family: *Stories of Therapy, Stories of Faith* Lex McMillan, Sarah Penwarden, Siobhan Hunt, 2017-03-28 *Stories of Therapy, Stories of Faith* is a collection of stories from therapists who have amplified the theology already present in their work. In particular, these authors, a group of counseling practitioners and educators, bring forward a dialogue between their practices and a social Trinitarian theology that emphasizes the relational nature of God and humans. The resulting stories of practice give voice to the ethical hope that counseling practice is participation in the redemptive story of the Gospel. The authors write about their motivations for practice in initiatives as diverse as parenting, trauma work, opposing bullying in schools, reengaging orphaned African children with their heritage, providing hospitality for difference, and counselor education. *Stories of Therapy, Stories of Faith* will be of interest to counselors and counselor educators, particularly those drawn to developing their ethical and theological commitments within their therapeutic practices.

balswick the family: *The Christian Educator's Handbook on Family Life Education* Kenneth O. Gangel, James C. Wilhoit, 2001-02-01 As a start or an addition to your library, few books would make a better choice than *The Christian Educator's Handbook* series offered by Baker Books. Noted Christian education authorities such as Kenneth Gangel, James Wilhoit, Howard Hendricks, and Robert Choun have edited or written these books. Their scope ranges from adult to children's education and covers spiritual formation, teaching, and family life ministries.--Christian Education Counselor

balswick the family: *Discipleship for Every Stage of Life* Chris A. Kiesling, 2024-06-18 The field of life span development in psychology has much to offer those engaged in making disciples, and Chris Kiesling brings those insights to bear in this volume. He appropriates the most useful observations from this discipline in light of biblical teaching. Drawing on more than twenty-five years of experience teaching faith development topics in academic and local church settings, Kiesling assembles a toolkit that will help those in ministry think comprehensively about discipleship at every stage of life. Taking into account physical, cognitive, emotional, and social aspects of human development from infancy through older adulthood, Kiesling guides readers in making practical use of these insights in churches and educational settings. Pastors, ministry leaders, and educators will benefit from this treatment, which brings cutting-edge findings from the social sciences into dialogue with Scripture, theology, and practical ministry.

balswick the family: *Sweet Surrender* Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage. Many contemporary Western Christians mistake what their

culture prescribes regarding marriage with what the Bible portrays, and thereby take as biblical what is merely cultural. Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue, and a sweet surrender. Few recognize, much less question this confusion, even when its consequences are unhealthy. In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage, hold as optional what is not explicitly required by the Bible, and live out their marriages within the transcendent grace of God. Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian. Marriages benefit when they are released from cultural directives that are not biblical callings, even if they choose to retain them as cultural practices. This book is for Christians who are ready to rethink their assumptions about marriage.

balswick the family: Cultural Diversity and Families Bahira Sherif Trask, Raeann R Hamon, 2007-01-18 *Cultural Diversity and Families: Expanding Perspectives* breaks new ground by investigating how concepts of cultural diversity have shaped the study of families from theoretical and applied perspectives. Authors Bahira Sherif Trask and Raeann R. Hamon move the dialogue about culturally diverse families to a new level by topically discussing the issues affecting culturally diverse families rather than organizing the information by racial and or ethnic groups. Key Features: Investigates the impact of cultural diversity on the study of families: In order to transcend simplistic categorizations that have juxtaposed White families in opposition to families of color and vice versa, this book delineates the increasing cultural diversity of American families and examines the impact of these demographic changes for the social sciences. Emphasizes the full range of cultural aspects: The book consciously emphasizes cultural aspects, not just ethnicity, but also socioeconomic status, gender, religion, etc. over racial impacts on family life so as not to reinforce the myth that race is a biological truth. By sharing unique family experiences across groups, the book enhances understanding, directs future family research, and serves these families through responsive policy and practice. Offers more coverage of culturally diverse families than any other text: Divided into three parts, this comprehensive text first sets the stage of historical, current, and projected demographic trends pertaining to American families; explores issues facing culturally diverse families from a thematic perspective; and discusses of the impact of cultural diversity for family theory, research, service delivery, and public policy. Intended Audience: This is an excellent text for advanced undergraduate and graduate courses such as Families in a Multicultural Society, Ethnic Minority Families, and Cultural Diversity in American Families in the departments of Human Development & Family Studies, Sociology, and Family Social Work.
