Anthony Browne Hansel and Gretel: A Unique Retelling of a Classic Tale

anthony browne hansel and gretel is not just another version of the famous Brothers Grimm fairy tale; it's a beautifully crafted reinterpretation that brings a fresh perspective to the story we all know and love. Anthony Browne, renowned for his distinctive illustrative style and thoughtful storytelling, offers readers a new way to experience the adventures of Hansel and Gretel, infusing the narrative with rich visuals, emotional depth, and subtle modern themes. If you're curious about how this classic story has been reimagined and what makes Browne's version stand out, then you're in for an insightful journey.

Who Is Anthony Browne?

Before diving into the specifics of Anthony Browne's Hansel and Gretel, it's worth understanding the creative mind behind the book. Browne is a celebrated British author and illustrator known for his ability to blend surrealism with everyday life. His work often explores complex emotions and human relationships through striking imagery, making his picture books favorites among children and adults alike.

With numerous awards under his belt, including the prestigious Hans Christian Andersen Award, Anthony Browne has a reputation for transforming familiar stories into thought-provoking masterpieces. His approach to storytelling prioritizes both narrative and visual elements, inviting readers to explore multiple layers of meaning.

Anthony Browne's Hansel and Gretel: A Fresh Take

A Visual Feast of Symbolism and Detail

One of the most remarkable aspects of Anthony Browne's Hansel and Gretel is the way he uses his signature illustrative style to add depth to the story. Unlike traditional versions filled with bright colors and straightforward imagery, Browne's illustrations are rich with symbolism and hidden details that encourage readers to look closer.

By incorporating subtle visual metaphors, Browne enhances the emotional resonance of the tale. For example, the forest in his version is not just a backdrop but a living entity that reflects the children's growing fear and determination. His use of shadows, perspective, and color contrasts adds a haunting quality that elevates the story beyond a simple fairy tale.

Modern Themes Interwoven with Classic Elements

While the original Hansel and Gretel story revolves around survival and cleverness, Anthony Browne's retelling introduces themes that resonate with contemporary audiences. Issues such as family dynamics, abandonment, and resilience are explored with sensitivity, making the story both timeless and timely.

Browne's portrayal of the witch, for instance, is more nuanced than the traditional villainous caricature. Instead of a one-dimensional antagonist, she represents danger and temptation, challenging the children's courage and resourcefulness. This layered characterization invites readers to reflect on the nature of fear and trust.

Why Anthony Browne's Hansel and Gretel Stands Out in Children's Literature

Encouraging Critical Thinking Through Art and Story

One of the strengths of Anthony Browne's Hansel and Gretel lies in its ability to engage readers on multiple levels. The combination of evocative prose and intricate illustrations encourages children to think critically about the narrative and its underlying messages.

Teachers and parents often praise the book for sparking discussions about emotions, problem-solving, and moral choices. The subtle storytelling techniques invite young readers to infer meaning and make connections, rather than passively consuming the story. This educational value makes the book a valuable addition to any child's library.

Appealing to Both Children and Adults

While the story is accessible enough for children, Anthony Browne's Hansel and Gretel also appeals to adult readers who appreciate the artistry and depth. The layers of meaning embedded in the text and pictures offer new insights with each reading, making it a perfect book for family reading time or classroom use.

This dual appeal is a hallmark of Browne's work, bridging generations and encouraging shared literary experiences. It's not uncommon for parents to find themselves captivated by the illustrations and themes just as much as their children.

Exploring the Story: Key Differences and Highlights

The Role of the Children

In Browne's version, Hansel and Gretel are portrayed with more individuality and emotion. Their fears, hopes, and mutual support are depicted with a realism that adds depth to their characters. This focus on emotional authenticity helps readers connect more deeply with the protagonists.

The Witch's Cottage

The iconic gingerbread house is reimagined with Browne's signature surreal touches. It becomes a symbol of temptation and danger, with intricate details that reveal the witch's cunning nature. The house's design in the illustrations invites readers to explore every corner, uncovering clues about the story's progression.

The Ending

Without revealing too much, it's worth noting that Browne's Hansel and Gretel offers a slightly different resolution. While staying true to the spirit of the original tale, the ending emphasizes themes of empowerment and hope, reinforcing the children's growth through adversity.

Tips for Reading Anthony Browne's Hansel and Gretel with Children

Reading this version of Hansel and Gretel aloud can be a rewarding experience, especially when pairing the text with the illustrations. Here are some tips to enhance your reading sessions:

- **Take time with the pictures:** Encourage children to observe the illustrations closely and discuss what they see beyond the main characters.
- **Ask open-ended questions:** Use questions about emotions and motives to deepen understanding, such as "Why do you think Hansel looks worried here?" or "What might the dark forest represent?"
- **Relate themes to real life:** Discuss ideas like bravery, resourcefulness, and family support, helping children connect the story to their own experiences.
- **Explore symbolism:** Point out recurring motifs in the illustrations and ask children what they might mean.

Where to Find Anthony Browne's Hansel and Gretel

This beautifully illustrated book is widely available in bookstores and online. Libraries often carry it as well, making it easily accessible for those interested in exploring this unique retelling. Additionally, many editions come with high-quality prints that make the book a wonderful collectible for fans of children's literature and art.

Complementary Resources

To further enrich the experience, you might consider pairing the book with resources such as:

- Activity sheets focused on fairy tales and storytelling
- Discussions or lessons on the Brothers Grimm and the history of Hansel and Gretel
- Art projects inspired by Anthony Browne's illustration style

These can help deepen appreciation and make the reading experience more interactive.

Exploring Anthony Browne's Hansel and Gretel offers a chance to revisit a beloved story through a fresh lens. His masterful blend of narrative and art invites readers to uncover new meanings and appreciate the power of storytelling in all its forms. Whether you're a longtime fan of fairy tales or discovering Hansel and Gretel for the first time, Browne's version promises a memorable and enriching experience.

Frequently Asked Questions

Who is Anthony Browne in relation to 'Hansel and Gretel'?

Does Anthony Browne include any modern elements in his 'Hansel and Gretel' story?

Yes, Anthony Browne often incorporates modern and psychological elements in his retellings, providing a fresh perspective on the traditional tale.

What age group is Anthony Browne's 'Hansel and Gretel' best suited for?

Anthony Browne's 'Hansel and Gretel' is best suited for children aged 6 and up, as well as adults who appreciate illustrated fairy tales.

Additional Resources

Anthony Browne *Hansel and Gretel: A Visual and Narrative Reimagining of a Classic Tale*

anthony browne hansel and gretel represents a distinctive retelling of the timeless fairy tale, offering a fresh perspective through the lens of one of the most acclaimed contemporary illustrators. Anthony Browne, renowned for his imaginative and psychologically nuanced children's books, brings a unique artistic and narrative depth to the familiar story of Hansel and Gretel. This version stands out not only for its visual richness but also for the subtle thematic explorations that Browne integrates, making it a noteworthy contribution to the canon of classic fairy tale adaptations.

The Artistic Signature of Anthony Browne in Hansel and Gretel

Anthony Browne's interpretation of Hansel and Gretel is characterized by his signature style, which combines surreal, detailed illustrations with emotional complexity. His artwork is instantly recognizable for its use of vibrant colors, intricate textures, and symbolic imagery. In this retelling, Browne employs these elements to enhance the narrative's dark and mysterious tone, capturing the eerie atmosphere of the forest and the ominous presence of the witch's gingerbread house.

Unlike traditional versions that might rely heavily on straightforward storytelling, Browne's *Hansel and Gretel* invites readers to engage visually and intellectually. The illustrations often contain hidden meanings and subtle visual cues, encouraging repeated readings and deeper reflection. Browne's ability to convey mood and character psychology through his art enriches the reader's experience, making the story accessible to children while also appealing to adults familiar with the tale's darker undertones.

Narrative Nuances and Thematic Depth

While maintaining the core plot of Hansel and Gretel, Anthony Browne introduces nuanced shifts that influence the story's interpretation. His adaptation emphasizes themes of fear, survival, and resilience with a more introspective approach. The siblings' journey through the forest is depicted as a metaphor for confronting the unknown, and Browne's portrayal of the witch deviates from the purely evil caricature, adding layers of ambiguity.

This nuanced storytelling aligns with Browne's broader oeuvre, which often explores complex emotional states and family dynamics. The siblings' relationship is given more space to develop, highlighting their mutual dependence and courage. This focus on character psychology distinguishes Browne's version from more conventional renditions that prioritize plot over personal growth.

Comparative Insights: Anthony Browne's Hansel and Gretel versus Traditional Versions

Comparing Anthony Browne's Hansel and Gretel with classical versions, such as the Brothers Grimm's original, reveals significant differences in tone, emphasis, and presentation. The Grimm version is relatively straightforward, emphasizing moral lessons such as obedience and cleverness. Browne's retelling, however, leans towards a more artistic and psychological interpretation, reflecting modern sensibilities in children's literature.

- **Visual Complexity:** Traditional versions rarely feature elaborate illustrations, whereas Browne's edition is a visual feast, with every page meticulously illustrated to complement and deepen the story.
- **Thematic Focus:** While the Grimm tale centers on survival and retribution, Browne explores emotional resilience and the ambiguity of good versus evil.
- **Audience Engagement:** Browne's narrative encourages readers to interpret symbolism and psychological themes, making it suitable for a more mature audience alongside children.

These distinctions highlight how Anthony Browne's Hansel and Gretel can be appreciated both as a children's picture book and as a sophisticated work of art and storytelling.

Features That Set Anthony Browne's Version Apart

Several features make this adaptation stand out:

1. **Illustrative Detail:** Every illustration contains layers of meaning, from the expressions of the characters to the subtle backgrounds, inviting close examination.
2. **Use of Color and Texture:** Browne uses color to evoke mood—dark greens and browns for the forest's menace, warm hues for moments of safety—enhancing the emotional impact.
3. **Psychological Depth:** The siblings' emotions are portrayed with sensitivity, offering readers insight into fear, hope, and determination.
4. **Modern Sensibility:** Despite its classic roots, the story incorporates contemporary themes such as empowerment and emotional intelligence.

These features contribute to the book's appeal in educational settings, where it can be

used to discuss storytelling techniques, visual literacy, and emotional development.

Reception and Educational Value

Anthony Browne's *Hansel and Gretel* has been well received by critics and educators alike. Reviews often praise the book's ability to balance traditional storytelling with innovative artistry. Educators find it particularly useful for encouraging children to analyze narrative and visual elements simultaneously.

In classroom environments, this adaptation supports discussions about:

- The importance of perspective in storytelling
- How illustrations can enhance and change the meaning of text
- Exploring emotions and moral lessons through characters

Moreover, Browne's work aligns with current trends in children's literature that favor multi-layered stories capable of engaging diverse audiences.

Pros and Cons of Anthony Browne's Adaptation

While the book is widely praised, it is important to consider both the advantages and potential limitations:

- **Pros:**

- Rich, detailed illustrations that enhance the narrative
- Deeper psychological and thematic complexity
- Encourages critical thinking and interpretation
- Appeals to both children and adult readers

- **Cons:**

- May be too complex for very young children or those unfamiliar with the original story
- Some readers might prefer a more straightforward retelling

- Symbolism and subtlety could be missed without guided reading

These considerations underline the importance of context in choosing this version for specific audiences.

Anthony Browne's *Hansel and Gretel* ultimately serves as an exemplary model of how classic fairy tales can be revitalized through innovative artistry and thoughtful storytelling. This adaptation not only preserves the essential elements of the beloved story but also enriches it with modern artistic sensibilities and psychological insight, ensuring its continued relevance and appeal across generations.

anthony browne hansel and gretel: *Hansel and Gretel* Jacob Grimm, Wilhelm Grimm, 1988 A poor woodcutter's two children, lost in the woods, come upon a gingerbread house inhabited by a wicked witch. With illustrations showing characters with modern dress and possessions.

anthony browne hansel and gretel: Hansel Y Gretel Wilhelm Grimm, Jacob Ludwig Carl Grimm, 2004-04-27 Anthony Browne recrea Hansel y Gretel en un ambiente contemporáneo. Una sorprendente versión que apela a las fantasías y los sentimientos de manera inusitada. Los niños pasarán horas persiguiendo detalles. Su simbolismo mengua la división entre niños y adultos, y propicia un diálogo entre ellos, así como entre lo tradicional y lo contemporáneo. un excelente título Para dar impulso a la colección y comunicar su propuesta.

anthony browne hansel and gretel: How Picturebooks Work Maria Nikolajeva, Carole Scott, 2013-02-01 *How Picturebooks Work* is an innovative and engaging look at the interplay between text and image in picturebooks. The authors explore picturebooks as a specific medium or genre in literature and culture, one that prepares children for other media of communication, and they argue that picturebooks may be the most influential media of all in the socialization and representation of children. Spanning an international range of children's books, this book examines such favorites as *Curious George* and *Frog and Toad Are Friends*, along with the works of authors and illustrators including Maurice Sendak and Tove Jansson, among others. With 116 illustrations, *How Picturebooks Work* offers the student of children's literature a new methodology, new theories, and a new set of critical tools for examining the picturebook form.

anthony browne hansel and gretel: Why Fairy Tales Stick Jack Zipes, 2013-09-13 In his latest book, fairy tales expert Jack Zipes explores the question of why some fairy tales work and others don't, why the fairy tale is uniquely capable of getting under the skin of culture and staying there. Why, in other words, fairy tales stick. Long an advocate of the fairy tale as a serious genre with wide social and cultural ramifications, Jack Zipes here makes his strongest case for the idea of the fairy tale not just as a collection of stories for children but a profoundly important genre. *Why Fairy Tales Stick* contains two chapters on the history and theory of the genre, followed by case studies of famous tales (including *Cinderella*, *Snow White*, and *Bluebeard*), followed by a summary chapter on the problematic nature of traditional storytelling in the twenty-first century.

anthony browne hansel and gretel: Books in the Life of a Child Maurice Saxby, 1997-10-15 *Books in the Life of a Child* explores the value of books and reading in the stimulation of children's imagination and their fundamental importance in the development of language and true literacy. It

examines not only the vast range of children's books available but also how to introduce young people to the joys of reading in the home, the school and in the community. The book has been written as a resource for all adults, especially teachers, student teachers, librarians and parents, and those who care about the value of literature for children. It is a comprehensive and critical guide, with chapters on the history of children's literature and an analysis of its many forms and genres, from poetry, fairytale, myth, legend and fantasy, through realistic and historical fiction, to humour, pulp fiction and information books.

anthony browne hansel and gretel: *Teaching Through Texts* Holly Anderson, Morag Styles, 2002-02-07 Drawing on many popular and literary texts, the contributors to this book write with enthusiasm about opportunities for creative teaching and learning, and provide many examples of good practice both inside and outside the Literacy Hour

anthony browne hansel and gretel: *At Home In The Language Of The Soul* Josephine Evetts-Secker, 2021-03-31 Language has a primary importance in Jungian psychology and its practice. C. G. Jung saw every act of speech as a psychic event. Even the worker words in language, like prepositions or conjunctions, carry particular archetypal energies, working dynamically and daimonically in the conduct of transformational narrative and realizing both personal and collective purposes. This book aims to deepen our consciousness of psyche's speech as it occurs in our professional discourses, in the psychoanalytic encounter, in dreams, fairy tales, myths and poetry. Vividly exploring the grammar of psyche, we are urged to constantly kindle and rekindle our engagement with language.

anthony browne hansel and gretel: *Critical and Creative Perspectives on Fairy Tales* Vanessa Joosen, 2011 An intertextual approach to fairy-tale criticism and fairy-tale retellings -- Marcia K. Lieberman's *Some day my prince will come*--Bruno Bettelheim's *The uses of enchantment* -- Sandra M. Gilbert and Susan Gubar's *The madwoman in the attic*.

anthony browne hansel and gretel: *Grimm Legacies* Jack Zipes, 2014-11-23 In *Grimm Legacies*, esteemed literary scholar Jack Zipes explores the legacy of the Brothers Grimm in Europe and North America, from the nineteenth century to the present. Zipes reveals how the Grimms came to play a pivotal and unusual role in the evolution of Western folklore and in the history of the most significant cultural genre in the world—the fairy tale. Folklorists Jacob and Wilhelm Grimm sought to discover and preserve a rich abundance of stories emanating from an oral tradition, and encouraged friends, colleagues, and strangers to gather and share these tales. As a result, hundreds of thousands of wonderful folk and fairy tales poured into books throughout Europe and have kept coming. Zipes looks at the transformation of the Grimms' tales into children's literature, the Americanization of the tales, the Grimm aspects of contemporary tales, and the tales' utopian impulses. He shows that the Grimms were not the first scholars to turn their attention to folk tales, but were vital in expanding readership and setting the high standards for folk-tale collecting that continue through the current era. Zipes concludes with a look at contemporary adaptations of the tales and raises questions about authenticity, target audience, and consumerism. With erudition and verve, *Grimm Legacies* examines the lasting universal influence of two brothers and their collected tales on today's storytelling world.

anthony browne hansel and gretel: *Creativity and Learning in Secondary English* Andrew McCallum, 2012 This book borrows from a range of theories about creativity and about learning, while remaining largely practical in focus. It contains numerous examples for teachers of how to apply ideas about creativity in the classroom. In doing so, it attempts to maintain the subject's core identity while also keeping abreast of contemporary social, pedagogical and technological developments. The result is a refreshing challenge to some of the more mundane approaches to English teaching on offer in an age focussed excessively on standardisation and teaching to tests.

anthony browne hansel and gretel: *Literacy Learning in the Early Years* Caroline Barratt-Pugh, Mary Rohl, 2020-07-16 Children's early experiences of literacy have a major influence on how they continue to learn as they grow older. Children enter early childhood programs and school with a wealth of knowledge and understandings of literacy. It is critical that early childhood

professionals and teachers recognise and build on this learning. *Literacy Learning in the Early Years* offers a practical introduction to literacy issues for early childhood professionals and teachers working with children aged 0-8, in childcare, preschool and school contexts. The authors take a socio-cultural approach to literacy learning, emphasising the importance of understanding the various contexts in which young children are involved in literacy practices. They explore a range of literacy issues that early childhood professionals and teachers are facing in the 21st century. These issues include the role of play in literacy learning, how to use information communication technologies with young children and ways of introducing critical literacy. Literacy is understood broadly and readers are encouraged to explore a range of print and other media with children. With chapters from both Australian and UK authors *Literacy Learning in the Early Years* is an ideal professional reference and student text. a very useful introductory text to literacy development in early childhood. It is clearly written and accessible to the wide range of professionals working with young children as well as to teachers and parents. It will be a valuable text in training at initial and in-service levels on a wide range of courses. Lesley Abbott, Professor of Early Childhood Education, Manchester Metropolitan University this well written, comprehensive book combines many practical examples of learning to do literacy and suggestions for action, and all the while engages the reader with questions and starting points for reflection. Susan Hill, Associate professor, The Centre for Studies in Literacy, University of South Australia

anthony browne hanel and gretel: *Planning Creative Literacy Lessons* Andrew Lambirth, 2013-05-13 This book builds on the guidance given by the Primary Strategy for Literacy. By 'filling in the gaps' that the planning documentation leaves, the book provides teachers with the structures and ideas to plan creatively and effectively for their children whilst following and enhancing the recommendations of the strategy. It includes: clear and practical ways to plan units of work that embrace reading, writing, speaking and listening, in exciting and active ways examples of effective practice using children's work that highlight the effects of creative planning suggestions for texts and resources that can be included in half-termly and termly planning. Written by a team of leading educationalists and teacher educators in the primary literacy field, this edited collection is a must-have for primary teachers wishing to inject creativity into the planning of their literacy lessons.

anthony browne hanel and gretel: *Challenging and Controversial Picturebooks* Janet Evans, 2015-06-05 It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text; however, there are increasing numbers of picturebooks where the age of the implied reader is questionable. These are picturebooks whose controversial subject matter and unconventional, often unsettling style of illustration challenge the reader, pushing them to question and probe deeper to understand what the book is about. In addition to the book challenging the reader, the reader often challenges the book in an attempt to understand what is being said. These increasingly popular picturebooks work on many different levels; they are truly polysemic and worthy of in-depth analysis. They push the reader to ask questions and in many instances are intrinsically philosophical, often dealing with fundamental life issues. *Challenging and Controversial Picturebooks* examines these unconventional, non-conformist picturebooks, considering what they are, their audience and their purpose. It also considers: Children's and adults' thoughts on these kinds of picturebooks. How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought. What creates non-conformity and strangeness ... is it the illustrations and their style, the subject matter or a combination of both? Why certain countries create, promote and accept these picturebooks more than others. Why certain picturebooks are censored and what factors are in play when these decisions are made. The role of publishers in translating and publishing these picturebooks. Children's creative and critical responses to strange, unsettling and often disturbing visual texts. This inspiring and thought-provoking volume explores the work of a number of highly respected, international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge, Managing Director of Andersen Press, one of the few remaining independent children's book publishers in England. It is an indispensable reference for all interested in or working with

picturebooks, including researchers, students in higher and teacher education, English advisors/inspectors, literacy consultants and classroom teachers.

anthony browne hansel and gretel: Picturebooks: Representation and Narration Bettina Kümmerling-Meibauer, 2014-01-03 This volume discusses the aesthetic and cognitive challenges of modern picturebooks from different countries, such as Denmark, France, Germany, Norway, Spain, Sweden, United Kingdom, and USA. The overarching issue concerns the mutual relationship between representation and narration by means of the picturebooks' multimodal character. Moreover, this volume includes the main lines of debate and approaches to picturebooks by international leading researchers in the field. Topics covered are the impact of paratexts and intertextual allusions, the relationship between artists' books, crossover picturebooks, and picturebooks for adults, the narrative defiance of wordless picturebooks, the representation of emotions in images and text, and the depiction of hybrid characters in picturebooks. The enlargement of the picturebook corpus beyond an Anglo-American picturebook canon opens up new horizons and highlights the diverging styles and genre shifts in modern picturebooks. This tendency also demonstrates the influence of specific authors and illustrators on the appreciation of the picturebook genre, as in the case of Astrid Lindgren's picturebooks and the picturebooks created by renowned illustrators, such as Anthony Browne, Wolf Erlbruch, Stian Hole, and Bruno Munari. This book will be the definite contribution to contemporary picturebook research for many years to come.

anthony browne hansel and gretel: The Power of the Page Pat Pinsent, 2013-10-31 First Published in 1994. This series of books is aimed primarily at student and practising teachers. It covers key issues in current educational debate relating to age phases, school management, the curriculum and teaching methods. Each volume examines the topic critically, bringing out the practical implications for teachers and school organisation. The texts which are discussed in Part One of the present book, 'The Picture and the Story', are ones which can be enjoyed many times, by child and adult ~ because they have a wealth of different meanings, reinforcing and cutting across each other.

anthony browne hansel and gretel: Reading Contemporary Picturebooks David Lewis, 2012-11-12 Reading Contemporary Picturebooks takes a look at one of the most vibrant branches of children's literature - the modern picturebook. This exciting new book takes a sample of contemporary picturebooks and closely examines the features that make them distinctive and then suggests a way of characterising the 'interanimation' of words and pictures that is the essence of the form. The reasons for the picturebook's vitality and flexibility are also explored and the close bond between the picturebook and its readers is analyzed. Advances in our understanding of how visual images are organized are examined and the book concludes with an attempt to redescribe the picturebook in such a way that pictures, readers and text may be drawn together. Picturing Text will be of interest to students, teachers and researchers interested in reading, children's literature and media studies.

anthony browne hansel and gretel: Artists of the Page Sylvia Marantz, Kenneth Marantz, 2013-03-28 The creative process of those who make picture books come alive is explored in this collection of 30 interviews with children's book illustrators. The interviewees (Allan and Janet Ahlberg, Molly Bang, Nicola Bayley, Gavin Bishop, Quentin Blake, Anthony Browne, Ashley Bryan, John Burningham, Babette Cole, Peter Collington, Roy Gerrard, M.B. Goffstein, Diane Goode, Shirley Hughes, Pat Hutchins, Ann Jonas, Errol Lloyd, Deborah Niland, Graham Oakley, Jan Ormerod, Helen Oxenbury, Ken Robbins, Tony Ross, Amy Schwartz, Peter Sis, Ralph Steadman, Ed Young, and Paul Zelinsky) discuss their craft, methods, and philosophies.

anthony browne hansel and gretel: The Family in English Children's Literature Ann Alston, 2008-06-03 From the trials of families experiencing divorce, as in Anne Fine's *Madame Doubtfire*, to the childcare problems highlighted in Jacqueline Wilson's *Tracy Beaker*, it might seem that the traditional family and the ideals that accompany it have long vanished. However, in *The Family in English Children's Literature*, Ann Alston argues that this is far from the case. She suggests that despite the tales of family woe portrayed in children's literature, the desire for the

happy, contented nuclear family remains inherent within the ideological subtexts of children's literature. Using 1818 as a starting point, Alston investigates families in children's literature at their most intimate, focusing on how they share their spaces, their ideals of home, and even on what they eat for dinner. What emerges from Alston's study are not so much the contrasts that exist between periods, but rather the startling similarities of the ideology of family intrinsic to children's literature. The Family in English Children's Literature sheds light on who maintains control, who behaves, and how significant children's literature is in shaping our ideas about what makes a family good.

anthony browne hansel and gretel: The Routledge Companion to Picturebooks Bettina Kümmerling-Meibauer, 2017-12-06 Containing forty-eight chapters, The Routledge Companion to Picturebooks is the ultimate guide to picturebooks. It contains a detailed introduction, surveying the history and development of the field and emphasizing the international and cultural diversity of picturebooks. Divided into five key parts, this volume covers: Concepts and topics – from hybridity and ideology to metafiction and emotions; Genres – from baby books through to picturebooks for adults; Interfaces – their relations to other forms such as comics and visual media; Domains and theoretical approaches, including developmental psychology and cognitive studies; Adaptations. With ground-breaking contributions from leading and emerging scholars alike, this comprehensive volume is one of the first to focus solely on picturebook research. Its interdisciplinary approach makes it key for both scholars and students of literature, as well as education and media.

anthony browne hansel and gretel: Folk and Fairy Tales - Fourth Edition Martin Hallett, Barbara Karasek, 2008-10-28 This anthology of folk and fairy tales brings together 52 stories from a range of historical and geographic traditions. Sections group tales together by theme or juxtapose variations of individual tales, inviting comparison and analysis across cultures and genres. An accessible section of critical selections provides a foundation for readers to analyze, debate, and interpret the tales for themselves. An expanded introduction by the editors looks at the history of folk and fairy tales and distinguishes between the genres, while revised introductions to individual sections provide more detailed history of particular tellers and tales, paying increased attention to the background and cultural origin of each tale. A selection of illustrations from editions of classic tales from the 19th to the 21st centuries is also included. This new edition includes a larger selection of critical articles, more modern and cross-cultural variations on classic tales, and an expanded discussion of illustrations.
