Martha Stewart Political Affiliation: Exploring the Entrepreneur's Views and Influence

martha stewart political affiliation is a topic that has intrigued many fans and observers over the years. Known primarily for her empire in home and lifestyle, Martha Stewart's name is synonymous with cooking, decorating, and DIY expertise. However, beyond her public persona as a business mogul and television personality, people often wonder about her political leanings and how they might influence her work or public statements. This article delves into the nuances of Martha Stewart's political affiliation, examining her public comments, endorsements, and the subtle ways her politics might intersect with her career and philanthropy.

Understanding Martha Stewart's Public Political Stance

Martha Stewart has largely maintained a low profile when it comes to overt political declarations. Unlike many celebrities who openly champion political causes or candidates, Stewart's political commentary has been relatively restrained. This may be a strategic choice, given her broad and diverse audience. However, that doesn't mean she is devoid of political views or that her actions haven't reflected certain affiliations.

Early Indications of Political Leanings

In the earlier stages of her career, Martha Stewart did not publicly align herself clearly with any major political party. Her focus remained on building her brand and empire, which involved appealing to a wide demographic. Still, there are subtle indicators from interviews and public appearances that suggest she leans towards moderate or centrist ideologies, often emphasizing practical policies over partisan rhetoric.

Political Contributions and Support

One way to better understand Martha Stewart's political affiliation is by examining her financial contributions to political campaigns. Public records indicate that she has donated to both Republican and Democratic candidates over the years. This bipartisan approach aligns with her image as a businesswoman who values pragmatism and effective governance rather than strict party loyalty.

For example, Stewart has made donations to Republican candidates in the past, reflecting a tendency to support business-friendly policies. At the same time, she has also contributed to Democrats, particularly those who advocate for issues related to education, community development, and environmental stewardship—areas that resonate with her personal and professional interests.

Martha Stewart's Political Views in the Context of Her Brand

The intersection of Martha Stewart's political affiliation and her brand identity offers interesting insights. Her brand is built around themes like home improvement, cooking, gardening, and lifestyle enhancement—topics that may seem apolitical but are often influenced by broader social and economic policies.

Advocacy for Small Businesses and Entrepreneurship

Martha Stewart's support for entrepreneurship and small businesses is clear and consistent. She often discusses the importance of innovation, hard work, and economic opportunity, themes that align with political movements favoring deregulation and business growth. This stance connects her to political ideologies that champion free enterprise and market-driven solutions.

However, Stewart also recognizes the importance of social responsibility and sustainability in business practices. This balanced approach suggests she may lean towards moderate or centrist political views that advocate for a blend of economic growth and social welfare.

Environmental and Community Engagement

Another dimension of Martha Stewart's political affiliation can be seen in her environmental advocacy. She has promoted sustainable gardening practices and eco-friendly living, which dovetails with political concerns about environmental protection and climate change. While not overtly political, these efforts hint at a progressive inclination toward policies that prioritize environmental stewardship.

The Role of Media and Public Perception in Martha Stewart's Political Identity

Media portrayal plays a significant role in shaping public understanding of any celebrity's political affiliation. Martha Stewart's image has often been curated to emphasize her expertise in lifestyle and business rather than politics. This careful branding has helped her maintain a broad appeal across different political spectrums.

Maintaining Neutrality for Wider Appeal

It's worth noting that many successful entrepreneurs and media personalities choose to keep their political views private or neutral to avoid alienating segments of their audience. Martha Stewart's apparent neutrality allows her brand to transcend partisan divides, appealing to both conservative and liberal followers who share an interest in home and lifestyle content.

Occasional Political Commentary and Its Impact

While generally reserved, Stewart has occasionally expressed opinions on political matters during interviews or public events. These comments often focus on nonpartisan issues such as education, economic opportunity, or community improvement, reflecting her priorities rather than strict party allegiance. Such moments provide glimpses into her values without firmly placing her within a specific political camp.

How Martha Stewart's Political Views Influence Her Philanthropy

Beyond business and media, Martha Stewart is involved in various philanthropic efforts that further illustrate her political orientation. Her charitable work often centers on education, health, and community development—areas that typically attract bipartisan support but also reveal her personal commitments.

Focus on Education and Youth Empowerment

Stewart has supported initiatives that provide educational opportunities and skills training, particularly in the culinary and domestic arts. These efforts highlight a belief in empowerment through education, a value that resonates across political lines but often emphasizes community-based solutions over government intervention.

Support for Health and Wellness Programs

Her involvement in promoting health and wellness also reflects a broader political interest in improving quality of life through preventive care and healthy living. This focus complements her brand's emphasis on wholesome, balanced lifestyles and suggests an affinity for policies that encourage personal responsibility alongside accessible healthcare options.

What Can We Learn from Martha Stewart's Approach to Politics?

Martha Stewart's political affiliation, while not overtly declared, provides a fascinating case study in how public figures navigate complex social landscapes. Her tendency to avoid polarizing political statements demonstrates a strategic understanding of her audience and brand.

- **Balance and Pragmatism:** Stewart exemplifies a centrist approach that values practical solutions over ideological purity.

- **Business and Social Responsibility:** Her political leanings blend support for entrepreneurship with a commitment to sustainability and community welfare.
- **Discretion and Brand Protection:** Maintaining a neutral public stance allows her to sustain broad appeal and avoid unnecessary controversy.

For individuals interested in understanding how high-profile entrepreneurs handle political affiliation, Martha Stewart offers a model of nuanced engagement—one that prioritizes values and impact over party lines.

Exploring Martha Stewart's political affiliation ultimately reveals a personality that embraces complexity and avoids easy categorization. This approach not only protects her business interests but also reflects a thoughtful engagement with the issues that matter to her personally and professionally. Whether you're a fan of her cooking shows or intrigued by the intersection of politics and celebrity, there's no doubt that Martha Stewart's political identity continues to be both subtle and significant in shaping her legacy.

Frequently Asked Questions

Martha Stewart Political Affiliation: An In-Depth Exploration

martha stewart political affiliation has long intrigued both her fans and political observers alike. As a prominent figure in American culture, known primarily for her expertise in cooking, home décor, and lifestyle branding, Stewart's political leanings have often been the subject of speculation and analysis. Unlike many celebrities who openly declare their political allegiances, Stewart's political stance appears more nuanced, reflecting a blend of pragmatic decisions rather than overt ideological commitments. This article delves into the complexities of Martha Stewart's political affiliations, examining her public statements, voting records, and interactions with political figures to paint a comprehensive picture of where she stands in the political landscape.

Tracing Martha Stewart's Political Identity

Understanding Martha Stewart's political affiliation requires an examination beyond simple party labels. While she has not frequently made explicit declarations endorsing a particular political party, various indicators provide clues about her ideological leanings.

Stewart has historically been associated with the Republican Party, especially during the early 2000s. This affiliation aligns with her identity as a businesswoman and entrepreneur, where conservative economic policies that favor deregulation and lower taxes are often viewed as beneficial. However, unlike many high-profile Republicans, Stewart's public persona rarely delves into partisan politics,

which contributes to the ambiguity surrounding her political identity.

Public Statements and Political Endorsements

Throughout her career, Martha Stewart has maintained a relatively low profile in explicitly political matters. Nonetheless, there have been moments where her political preferences surfaced in public:

- **Support for Republican Candidates:** Stewart has made contributions to Republican campaigns and supported figures like former President Donald Trump. During the 2016 presidential election, she expressed admiration for Trump's business acumen, praising his approach to entrepreneurship and branding. However, she stopped short of endorsing his entire political agenda.
- **Pragmatism over Partisan Loyalty:** Stewart's engagements suggest a focus on practical outcomes rather than ideological purity. For instance, she has shown bipartisan tendencies, appreciating policies or initiatives from both sides of the aisle that benefit small businesses and the economy.

This pragmatic approach reflects Stewart's prioritization of business interests and community impact over strict party loyalty, a stance that resonates with many moderate American voters.

Voting Patterns and Public Records

While detailed public voting records are private, campaign finance disclosures provide insight into Stewart's political contributions:

- Her donations have predominantly supported Republican candidates and causes, reinforcing the perception of her conservative-leaning tendencies.
- Yet, there have been occasional contributions to Democratic candidates, indicating a willingness to cross party lines when aligned with her personal or business interests.

This pattern suggests that Stewart's political affiliation is not rigid but adaptable, shaped by issue-based considerations rather than a fixed partisan identity.

Factors Influencing Stewart's Political Leanings

Understanding the factors that influence Martha Stewart's political affiliation involves exploring her background, business interests, and personal values.

Entrepreneurial Background and Economic Policy

As a self-made entrepreneur who built a lifestyle empire from the ground up, Stewart's political leanings are inevitably influenced by economic policies that impact business owners.

- **Tax Policies:** The appeal of lower taxes and reduced regulation typically associated with Republican platforms aligns with Stewart's interests in maintaining profitability and operational flexibility.
- **Small Business Advocacy:** Stewart has often championed the importance of small businesses and domestic manufacturing, which sometimes transcends partisan divides but also aligns closely with conservative economic principles.

Her pragmatic embrace of policies that enhance business growth highlights the centrality of economic considerations in her political orientation.

Personal Values and Social Issues

Stewart's public persona emphasizes family, tradition, and community—values often linked with conservative social outlooks. However, she has not been vocal on contentious social issues such as abortion, gun control, or LGBTQ+ rights, which makes it difficult to definitively categorize her on the social conservative scale.

This absence of public commentary suggests either a deliberate choice to remain apolitical on divisive social topics or a moderate stance that doesn't neatly fit into polarized viewpoints.

Comparing Martha Stewart's Political Affiliation with Other Celebrity Entrepreneurs

Martha Stewart's political positioning can be contextualized by comparing it with other prominent business-oriented celebrities:

- **Oprah Winfrey:** Known for her liberal activism and vocal support for Democratic candidates, Winfrey represents a contrasting approach where celebrity influence merges with progressive politics.
- **Mark Cuban:** The billionaire investor often expresses centrist and sometimes populist views, supporting candidates across the political spectrum based on policy rather than party.
- **Steve Jobs (posthumously analyzed):** Jobs was known to be politically moderate, supporting environmental causes and innovation-friendly policies regardless of party.

In this spectrum, Stewart's political affiliation leans more conservative economically but remains socially moderate or neutral, a position shared by many entrepreneurial figures who prioritize business-friendly environments.

Pros and Cons of Stewart's Political Ambiguity

- **Pros:**

- Allows broad appeal across diverse audience demographics.
- Protects brand neutrality, avoiding alienation of customers with differing political views.
- Enables flexibility in supporting policies based on merit rather than ideology.

- **Cons:**

- Lack of clear political stance may frustrate supporters seeking alignment.
- Potentially limits influence in political advocacy circles.
- Creates ambiguity that invites speculation and misinterpretation.

The Impact of Stewart's Political Affiliation on Her Brand

Martha Stewart's political affiliation, or rather her muted political profile, plays a significant role in her brand management. As a lifestyle icon, her audience spans across political, geographic, and demographic lines, making neutrality a strategic asset.

Her ability to maintain a politically inclusive image allows her to focus on content that resonates universally—home improvement, cooking, entertaining, and wellness—without the distraction of partisan debates. This approach safeguards her business ventures, partnerships, and media presence from the volatility of political controversies.

Social Media and Modern Political Engagement

In today's hyper-politicized social media landscape, Stewart's relatively restrained political expression

stands out. Unlike many contemporaries who use platforms to champion causes, she tends to share content centered on lifestyle and entrepreneurship.

This choice may reflect an intentional strategy to avoid alienating followers or detracting from her core brand values. It also underscores a broader trend among business figures who prefer subtle influence over overt political activism.

Conclusion

While the question of Martha Stewart's political affiliation does not yield a straightforward answer, the evidence points to a pragmatic, economically conservative stance tempered by social moderation. Her selective political contributions, public statements, and brand management reflect a nuanced approach that prioritizes business interests and broad audience appeal over partisan identity.

In a polarized political climate, Stewart's measured engagement offers an example of how public figures can navigate political affiliations without compromising their professional and personal brands. By focusing on pragmatic policy support and maintaining social neutrality, Martha Stewart continues to command respect not only as a lifestyle authority but also as a politically savvy entrepreneur.

Martha Stewart Political Affiliation

martha stewart political affiliation: Martha Stewart's Legal Troubles Joan MacLeod Heminway, 2007 Heminway brings together essays written by legal scholars specializing in white collar crime, corporate law, and securities regulation concerning the varied legal claims made against Martha Stewart in connection with her sale of shares in ImClone Systems Incorporated in December 2001. The essays present interesting historical facts and analytical observations while raising important questions about the use of discretion in public enforcement proceedings (civil and criminal), the nature of independent directors under Delaware law, and the elements of two popular federal claims: obstruction of justice and securities fraud under Rule 10b-5. Law professors engaged with the doctrinal issues addressed in this volume are likely to find many points of interest in the various chapters... Altogether, it is good to have these law-focused articles on such a celebrated case bound together in a single volume. -- Law & Politics Book Review

martha stewart political affiliation: Here's the Deal Kellyanne Conway, 2024-10-29
INSTANT #1 NEW YORK TIMES BESTSELLER "Part personal chronicle and part political journey...a candid assessment of some of her colleagues in the White House and the media." —The Washington Post Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In Here's The Deal, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What

happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.

martha stewart political affiliation: Common Sense vs. the World Ronald J. Plachno, 2022-02-06 In this 21st century, we are engulfed by tidal waves and tsunamis of information. Television, Internet, Public Speakers, and other media can either bring us great knowledge that the world has never seen before this time in history, or just give us instead false messages. Business commercials want us to buy their products, and political commercials want our votes. Added to this, some of the media may disagree so much as to say opposite seeming things. Clearly, when some news sources say opposite things, logically they all cannot be right. In fact, it is slightly possible that perhaps none of them are simply correct. How to survive in this confusion and still seek wisdom? While some people will simply believe what they hear, from one source, or multiple sources, others of us want more. And we have something more powerful than the media tidal waves. We can choose to be open minded and to think for ourselves. Many people seem to doubt the power of the human mind, and even their own thinking abilities. However, I find human thinking power often much greater than many people might imagine. There is perhaps more truth, more logic power, more ethics and morality in our own thinking than is easily available in the media. Trust in yourself. While there are some logic examples in this book, they are not the point. You may begin your own thinking, or have better inside information, and reach a different conclusion, and that is more than okay. That gives us thinking people something to discuss respectfully. The important thing is how we each can Learn how to learn, and then perhaps become continuous students for our entire lives and seek wisdom. I find that people who achieve being open minded and think are often the brightest, the most fun to talk to, and also seldom are given to the disrespect and hate so prevalent in today's society. And best wishes - Ron Plachno

martha stewart political affiliation: The Cost of Congress Karen Kunz, Stavros Atsas, 2022-06-17 Congressional ratings have fallen to single digits; citizens believe that Congress fails to do the things its members are publicly paid to do. What does Congress do for our dollars, and how has that changed in the last 50 years? What was the cost to taxpayers for Bill Clinton's impeachment hearings? What about the Benghazi investigation and efforts to obtain the votes required to repeal Obamacare while failing to consider Zika virus funding bills? What is the true cost of earmarks? Why do Congress members continue to get paid during government shutdowns? Congress's increasing use of continuing resolutions and agencies' almost semiannual preparations for government shutdowns come at a significant cost. Combining extensive documentary research with interviews of current and former members and staffers, *The Cost of Congress* assesses not only how Congress spends tax dollars on its operations but also what Americans receive for those dollars. Kunz and Atsas assign dollar values, using federal data, to congressional practices and policies. They examine the costs of producing legislation, court challenges, and Supreme Court reversals. They also look at the costs of committee and special investigations, committee assignments, staffing and facilities, and such perks as the gym, meals, and franking. Readers-taxpayers from all walks of life will come away with a comprehensive view of the costs of operating Congress.

martha stewart political affiliation: A Different Kind of Tree Haven Mankin, 2014-01-17 This is a book about MY growth story, my changing story, from selfish sinner to a child of God. It is a spiritual growth journey, roots seeking nourishment from the surrounding ground of life will you grow straight or grow crooked? To what are you connected to gain nourishment? Will you produce good fruit? Everyone is on this journey. Find your way to the good life, a life of Living Water (John 4:10). This book is your pathway through life's obstacles, the deadness of dry soil and the burdens of life as we all search for meaning. Follow me you too can come to know Christ, who has already given you a precious gift you cannot buy nor work for nor deserve, if you will receive Jesus in your heart. Only the peace of God that passes all understanding can remove your obstacles; this is done by

changing your heart and your mind in Christ (Philippians 4:7). The more you fight against Jesus, reject God and worship at the altar of the stuff god, the more you desire and strive for what the world is selling. It is a dead ended killer. You will not have peace! You will have more obstacles in your path, your roots will be in rocky ground. Learn a different way to grow; turn to your only Savior - Jesus Christ and become A Different Kind of Tree Architect - Adult Bible Teacher - Christian Lay Leader Author Wood Craftsman Haven D. Mankin

martha stewart political affiliation: *The Good Enough Manager* Aaron Nurick, 2020-04-22 Nearly ten years after he wrote this humanistic exploration of The Good Enough Manager, or GEM, Aaron Nurick returns with an updated edition. What makes a GEM at the dawn of a new decade? The book's central questions remain: How do the best managers behave? What sets them apart from their peers? What impact do they have on their subordinates and co-workers? The GEM concept stems from the psychological theory of the good enough parent who provides an environment where an infant learns to develop an autonomous and genuine self. Just as there is no such thing as a perfect parent, managing people in organizations is an inherently human and fallible endeavor, mainly because managing occurs by and through human relationships. Through the words of over 1,000 study respondents, GEMs are shown to be mentors and teachers, relationship builders, and models of integrity for their workers. Each of these themes is explored, making connections to the right brain thinking of artists and other creative professionals, managing with emotional intelligence, and historical ideas about management and leadership as adaptive human processes. The central humanistic theme of the book, along with its practical implications, resonates more than ever in the current divisive and turbulent environment. The second edition incorporates up-to-date trends and themes, including the impact of increased globalization; increased tribalism, cultural and political polarization, and populism; the great expansion and proliferation of technology; and the emergence of the gig economy. Upper-level undergraduate and postgraduate students, as well as practicing managers, will be inspired to rethink their own approaches to management in business, government, and other organizations.

martha stewart political affiliation: *Top 101 Remarkable Women* Britannica Educational Publishing, 2014-01-01 Women have faced oppression and gender inequality throughout history. Yet despite overwhelming odds stacked against them, there have always been a brave few who challenged the status quo and wound up making great strides in a wide variety of fields. From ancient times to the present day, women have broken down barriers and emerged as influential and important political leaders, activists, scientists, writers, artists, athletes, performers, and more. This volume chronicles the lives of many ground-breaking individuals—Cleopatra, Marie Curie, Amelia Earhart, Helen Keller, Harriet Tubman, and Oprah Winfrey among them—as well as the challenges they faced as they sought to improve the human condition.

martha stewart political affiliation: *Trial Consulting* Amy J. Posey, Lawrence S. Wrightsman, 2005-07-07 In its roughly 25 years of existence, the trial consulting profession has grown dramatically in membership, recognition, and breadth of practice. What began as a small activist group of social scientists volunteering their expertise to assist in the defense of Vietnam War protestors has evolved into a diverse set of professionals from a range of educational and professional backgrounds. In spite of such enormous growth, the work of trial consultants has gone largely unexamined. Trial Consulting takes an in-depth look at the primary activities of trial consultants, including witness preparation, focus groups and mock trials, jury selection, change of venue surveys, and attorney presentation style. It also examines the profession's struggle to define itself, resisting certification and licensure requirements and settling instead for a set of practice standards. The authors draw upon empirical and other scholarly work in the social sciences, recommended best practices from trial lawyers, and the written and spoken recommendations and reflections of the trial consultants themselves. Addressing a broad spectrum of topics ranging from handwriting analysis to medical malpractice cases, they also suggest reforms for improving the profession and the efficacy of the trial consultant in the courtroom. The result is a critical analysis of what trial consulting truly adds to, and detracts from, the administration of justice. This book is an

indispensable guide for practicing and aspiring trial consultants as well as the judges, attorneys, and psychologists who work with them. Trial Consulting provides a thought-provoking statement on the state of the profession, and students and professionals alike will benefit from the challenges it offers.

martha stewart political affiliation: *The Future of Success* Robert B. Reich, 2001-04-17 If you think it's getting harder to both make a living and make a life, economist and former secretary of labor Robert Reich agrees with you. Americans may be earning more than ever before, but we're paying a steep price: we're working longer, seeing our families less, and our communities are fragmenting. With the clarity and insight that are his hallmarks, Reich delineates what success has come to mean in our time. He demonstrates that although we have more choices as consumers, and investors, the choices themselves are undermining the rest of our lives. It is getting harder for people to be confident of what they will be earning next year, or even next month. At the same time, our society is splitting into socially stratified enclaves--the wealthier walled off and gated, the poorer isolated and ignored. Although the trends he discusses are powerful, they are not irreversible, and Reich makes provocative suggestions for how we might create a more balanced society and more satisfying lives. Some of his ideas may surprise you; all should spark a healthy-and essential-national debate.

martha stewart political affiliation: *The Opt-Out Family* Erin Loechner, 2024-06-11 Discover a new and hopeful path forward as you consider your family's approach to social media, screen time, and technology. We've all heard the mind-boggling statistics about technology and social media use. The numbers don't lie; our obsession with smartphones and social media is slowly eroding the very essence of our homes and families. We see it. We feel it. We know it. So what do we do about it? Spoiler alert: Forget parental control apps, time limits, or reward charts. This revolutionary path takes us into the heart of the beast itself: the social media algorithm. Former social media influencer and trailblazer Erin Loechner has seen the perks and pitfalls of social media usage, and she knows how to hack the strategies of tech wizards and platform experts so you can borrow their billion-dollar playbook to engage your family in meaningful ways away from screens. The Opt-Out Family is packed with eye-opening research and startling insights, as well as practical encouragement and creative ideas to transform your family's relationship with today's ever-evolving technology. As a result, you will: Experience more quality time with your children that doesn't revolve around screens Create healthy habits as a family that will set your children up for success in the future Discover what your kids actually need from you, and learn how to delight and engage them better than a device can And, ultimately, establish true and lasting influence within your own four walls--and far beyond The Opt-Out Family unlocks a world where genuine connections flourish and technology takes a backseat. It's time to reclaim your home and build a tech-free family culture that's stronger than your Wi-Fi signal.

martha stewart political affiliation: *Party Music* Rickey Vincent, Boots Riley, 2013-10-01 Connecting the black music tradition with the black activist tradition, Party Music brings both into greater focus than ever before and reveals just how strongly the black power movement was felt on the streets of black America. Interviews reveal the never-before-heard story of the Black Panthers' R&B band the Lumpen and how five rank-and-file members performed popular music for revolutionaries. Beyond the mainstream civil rights movement that is typically discussed are the stories of the Black Panthers, the Black Arts Movement, the antiwar activism, and other radical movements that were central to the impulse that transformed black popular music—and created soul music.

martha stewart political affiliation: *Rise Up* Al Sharpton, 2020-09-29 NOW A NATIONAL BESTSELLER WITH A NEW PREFACE BY THE AUTHOR "This man is a gift from God to the world. This book is a gift from Al Sharpton to us. Let's appreciate them both."—Michael Eric Dyson Beginning with a foreword by Michael Eric Dyson, Rise Up is a rousing call to action for our nation, drawing on lessons learned from Reverend Al Sharpton's unique experience as a politician, television and radio host, and civil rights leader. Rise Up offers timeless lessons for anyone who's stood at the crossroads of their personal or political life, weighing their choices of how to proceed.

When the young Alfred Charles Sharpton told his mother he wanted to be a preacher, little did he know that his journey would also lead him to prominence as a politician, founder of the National Action Network, civil rights activist, and television and radio talk show host. His enduring ability and willingness to take on the political power structure makes him the preeminent voice for the modern era, a time unprecedented in its challenges. In *Rise Up*, Reverend Sharpton revisits the highlights of the Obama administration, the 2016 election and Trump's subsequent hold on the GOP, and draws on his decades-long experience with other key players in politics and activism, including Shirley Chisholm, Hillary Clinton, Dr. Martin Luther King Jr. and more. The time has come to take a hard look at our collective failures and shortcomings and reclaim our core values in order to build a clear and just path forward for America. Our nation today stands at a crossroads—and change can't wait. "Full of history, honesty, and valuable suggestions, *Rise Up* should be a staple in every home, school and library as an essential primer on civil and political rights in America."—Martin Luther King, III "If you want to learn how to use your voice to change a nation, you should study closely this man—and this book." —Van Jones "My Bed-Stuy (do or die) brother has been at the forefront of our battles again and again. From way back in da way back to this present revolution the world is in now, Rev. has been about Black Lives Matter from the jump, also at a time when it was not the most popular or hip thing to be about. I look forward, standing next to him, to see, to witness this new energy, this new day that is about to be in these United States of America."—Spike Lee Don't miss Rev. Sharpton's new book, *Righteous Troublemakers: Untold Stories of the Social Justice Movement in America*.

martha stewart political affiliation: The Gallup Poll Alec Gallup, Alec M. Gallup, Frank Newport, 2007 Pyramid Lake is one of the largest lakes in the Great Basin, the terminus of the Truckee River flowing from Lake Tahoe into northern Nevada. This desert oasis, with a surface area of nearly two hundred square miles, is a unique geological feature and was home to the Paiute for thousands of years before the arrival of explorer John C. Fremont in 1844. For the Paiute, it was a spiritual center that provided life-sustaining resources, such as the cui-ui, a fish unique to the lake and now endangered. For the ranchers and farmers who settled on tribal lands, the waters that flowed into it were necessary to raise cattle and crops. Mergen tells how these competing interests have interacted with the lake and with each other, from the Paiute War of 1860 to the present. The lake's very existence was threatened by dams and water diversion; it was saved by tribal claims, favorable court decisions, improved water laws, and the rise of environmentalism. At Pyramid Lake

is about more than Indians and water wars, however. It is the story of railroads on the reservation and the role of federal, state, and private groups interested in sportfishing. It is about scientists, artists, and tourists who were captivated by the lake's beauty. Finally, it is also a story of the lake as a place of spiritual renewal and celebration. Mergen grew up near its shores in the 1940s and returned frequently through the years. In this cultural history, he combines his personal remembrances with other source material, including novels, poetry, newspaper and magazine journalism, unpublished manuscripts, and private conversations, to paint a fascinating portrait of one of Nevada's natural wonders.

Start today. Read this book.

martha stewart political affiliation: *Tangled Webs* James B. Stewart, 2011-04-19 Bestselling author James B. Stewart's newsbreaking investigation of our era's most high-profile perjurers, revealing the alarming extent of this national epidemic. Our system of justice rests on a simple proposition: that witnesses will raise their hands and tell the truth. In *Tangled Webs*, James B. Stewart reveals in vivid detail the consequences of the perjury epidemic that has swept our country, undermining the very foundation of our courts. With many prosecutors, investigators, and participants speaking for the first time, *Tangled Webs* goes behind the scene of the trials of media and homemaking entrepreneur Martha Stewart; top White House political adviser Lewis Scooter Libby; home-run king Barry Bonds; and Wall Street money manager Bernard Madoff. The saga of Martha Stewart's conviction captured the nation, but until now no one has answered the most basic question: Why would Stewart risk prison, put her entire empire in jeopardy, and lie repeatedly to government investigators to save a few hundred thousand dollars in stock gains? Moreover, how exactly was the notoriously meticulous Stewart brought down? Drawing on the accounts of then-deputy attorney general James Comey and U.S. Attorney Patrick Fitzgerald, Stewart sheds new light on the Libby investigation, making clear how far into the White House the Valerie Plame CIA scandal extended, and why Libby took the fall. In San Francisco, Giants home-run king Barry Bonds faces trial due to his testimony before a grand jury investigating the use of illegal steroids in sports. Bonds was warned explicitly that the only crime he faced was perjury. Stewart unlocks the story behind the mounting evidence that he nonetheless lied under oath. Bernie Madoff's Ponzi scheme is infamous, but less well known is how he eluded detection for so long in the face of repeated investigations. Of the four he is the only one who has admitted to lying. The perjury outbreak is symptomatic of a broader breakdown of ethics in American life. It isn't just the judicial system that relies on an honor code: Academia, business, medicine, and government all depend on it. *Tangled Webs* explores the age-old tensions between greed and justice, self-interest and public interest, loyalty and duty. At a time when Americans seem hungry for moral leadership and clarity, *Tangled*

Webs reaffirms the importance of truth.

martha stewart political affiliation: The Concise New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2014-11-27 The Concise New Partridge Dictionary of Slang and Unconventional English presents all the slang terms from The New Partridge Dictionary of Slang and Unconventional English in a single volume. Containing over 60,000 entries, this concise new edition of the authoritative work details the slang and unconventional English of from around the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning. New to this second edition: a new preface noting slang trends of the last eight years over 1,000 new entries from the US, UK and Australia, reflecting important developments in language and culture new terms from the language of social networking from a range of digital communities including texting, blogs, Facebook, Twitter and online forums many entries now revised to include new dating and new glosses, ensuring maximum accuracy of content. The Concise New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning - it's rude, it's delightful, and it's a prize for anyone with a love of language.
