In a world that our deepest, darkest fears, and the boogie monsters that we swore were under our beds at night were real. Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself. What will happen and is love to overcome all boundaries and taboos of their world? My feet pounding against the ground. My heart racing to keep up, I ran, I ran as hard I could, I can't fail. I thought I can't fail her, she must live for Abigail, she must live for all who suffered at the hands of those monsters. His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl. FLEE!! His Bain screamed at him. They are right behind me. RUN!! He could sense his pursuit behind him, he could hear them thrashing through the forest screaming at and cursing as they chased him. He increased his speed. Yes, he thought chase me because every step you take is a step away from my angel Isabella, you will not have her. "Give up they screamed behind me there is nowhere to run you will burn for the crimes you committed against your race." He couldn't help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana, he laughed so hard he almost lost his footing, gathering his wits again, he screamed over his shoulder, "If loving another is a crime, then I would do it a thousand times more." *The Bleeding Heart* follows a young lady who progresses through life that is constantly challenging her in her mortality, her personality, and basically everything about her. It throws obstacles at her that normal people probably wouldn't get over and with her. It makes her personality and her overall character grow in to a story line hero, even though she doesn't really want to be a hero. *The Bleeding Heart* reminds us that we should never think we don't have a voice, and even though this life may make us seem as if we are on a rollercoaster going up and down and we can't seem to stop, we can't seem to make anything go right, we do have people who surround us who care enough about us to help.

with the Methodist Church in Mississippi. His life as a preacher is well documented , but little was known about his personal life. My Mother wrote a short story about her grandfather and she stated that his Mother was named Tena and his Father was named Indian Charlie. From this information I filled in the blanks and found a fascinating story that took me from Senegal West Africa, through the Middle Passage, through plantation life in Mississippi, through the life of Native Americans in Mississippi and the Black Seminoles in Florida and on to the life of a Black circuit riding preacher. With every word I wrote I realized that God's Grace and Mercy really did bring us through and made us strong people.
