coreyography corey feldman: A Line in the Sand Corey Feldman, 2021-03-22 A Line in The Sand is an honest, balanced, and at times humorous glimpse into the thoughts, feelings, and experiences of an IDF combat soldier. It is not a chronicle of war but rather a chronicle of love. Corey's book describes the sacrifices that must be made in the subjugation of one's own desires in deference to something greater. It is one thing to draw a line in the sand; it is quite another to summon the commitment and willpower to stand guard over that line. At twenty-two years old, Corey Feldman left his sheltered, idyllic American life to move to Israel and voluntarily draft into the Israel Defense Forces as a lone soldier. Over the next eighteen months, he endured grueling training, shattering exhaustion, and excruciating physical and emotional pain preparing for life as a special operations combat soldier. Corey struggled to overcome the linguistic and cultural barriers required to integrate into the military and Israeli society. Simultaneously, he struggled to adjust to a lifestyle in which the unbridled freedom of his life as a university student was replaced by the regimented, unforgiving life of a soldier. Throughout his service in the IDF, Corey searches for the perseverance, resilience, and selflessness to become something more.
