

dog gone good k9 training

Dog Gone Good K9 Training: Unlocking Your Dog's Full Potential

dog gone good k9 training is more than just a catchy phrase—it's a philosophy and a method dedicated to nurturing well-behaved, confident, and happy dogs. Whether you're a first-time dog owner or a seasoned handler, finding the right training approach can transform your relationship with your furry friend. This article dives deep into what makes dog gone good k9 training stand out, why it's effective, and how it can help you raise a well-mannered canine companion.

What Is Dog Gone Good K9 Training?

Dog Gone Good K9 Training is a comprehensive dog training program focusing on positive reinforcement, clear communication, and practical obedience skills. Unlike traditional methods that rely heavily on correction or punishment, this approach emphasizes building a trusting bond between dog and owner. The goal is to create a partnership where your dog understands expectations, responds reliably, and thrives in everyday situations.

At its core, dog gone good k9 training integrates modern behavior science with hands-on techniques tailored to each dog's personality and learning style. This personalized training ensures that dogs not only learn commands but also develop good manners, social skills, and emotional resilience.

Positive Reinforcement: The Heart of the Training

One of the key pillars of dog gone good k9 training is positive reinforcement. This means rewarding your dog for good behavior rather than punishing unwanted actions. Rewards can include treats, praise, playtime, or affection. The idea is simple: dogs are more motivated to repeat behaviors that result in positive outcomes.

Using positive reinforcement helps prevent fear and anxiety, common side effects of harsh training methods. It encourages dogs to think independently and make good choices because they want to, not because they're scared. Over time, this builds a stronger, more willing partnership between you and your dog.

Benefits of Choosing Dog Gone Good K9 Training

When you enroll your dog in a dog gone good k9 training program, you're

investing in far more than just obedience. Here are some of the standout benefits that make this training approach worth considering:

1. Improved Communication

Training isn't just about teaching your dog commands; it's about understanding each other. Dog gone good k9 training focuses on clear signals and cues, helping dogs grasp what you want quickly. This results in fewer misunderstandings and a smoother day-to-day relationship.

2. Better Socialization

Many dog gone good k9 training programs include socialization as a core component. Dogs learn how to interact politely with other dogs and people, reducing fear and aggression. Good social skills also make outings to parks, vet visits, and family gatherings more enjoyable.

3. Increased Confidence and Mental Stimulation

Training challenges your dog's mind, which is just as important as physical exercise. A mentally stimulated dog is less likely to develop destructive behaviors out of boredom. Plus, mastering new commands boosts your dog's confidence, contributing to a calm and happy demeanor.

4. Customized to Your Dog's Needs

No two dogs are alike—what works for one might not work for another. Dog gone good k9 training programs often offer personalized plans, taking into account breed tendencies, age, temperament, and any behavioral issues. This ensures your dog receives the attention and techniques best suited to their unique personality.

Core Techniques Used in Dog Gone Good K9 Training

Understanding the tools and methods used in dog gone good k9 training can help you see why it's so effective. Here are some of the fundamental techniques trainers rely on:

Clicker Training

Clicker training uses a small device that makes a distinct “click” sound to mark the exact moment a dog performs a desired behavior. This sound is immediately followed by a reward, making it easy for the dog to connect the action with the positive reinforcement. Clicker training is precise and fast, which accelerates learning.

Leash Training and Loose Leash Walking

Walking politely on a leash is a game-changer for many dog owners. Dog gone good k9 training emphasizes loose leash walking techniques that reduce pulling and make walks more enjoyable for both dog and handler. These methods teach your dog to stay by your side and respond promptly to your movements.

Impulse Control Exercises

Impulse control is foundational for good behavior. Exercises like “stay,” “wait,” or “leave it” teach your dog patience and discipline. These commands help prevent problem behaviors like jumping on guests, grabbing forbidden items, or darting out the door.

Recall Training

One of the most important skills your dog can learn is a reliable recall—coming when called. Dog gone good k9 training uses fun, rewarding techniques to make recall a positive experience, which can be lifesaving in off-leash situations.

How to Get Started with Dog Gone Good K9 Training

Starting your dog’s training journey can feel overwhelming, but with the right approach, it’s both manageable and rewarding. Here are some tips to help you begin:

1. Assess Your Dog’s Current Behavior

Before diving into training, take note of your dog’s strengths and areas for improvement. Are they easily distracted? Do they pull on the leash?

Understanding these points helps you or your trainer create an effective plan.

2. Find a Certified Trainer or Program

Look for trainers who specialize in dog gone good k9 training or use positive reinforcement methods. Reading reviews, asking for referrals, and visiting training sessions can help you select a qualified professional.

3. Set Realistic Goals

Training is a gradual process. Set achievable milestones like mastering “sit” or improving leash walking before moving on to more complex commands. Celebrate progress to keep both you and your dog motivated.

4. Practice Consistently

Regular practice is key to success. Short, frequent training sessions fit more easily into daily life and keep your dog engaged without overwhelming them. Consistency also reinforces learning and builds routine.

5. Use High-Value Rewards

Find out what motivates your dog most—whether it’s treats, toys, or affection—and use those as rewards. High-value rewards increase your dog’s enthusiasm and focus during training.

Why Positive Dog Training Makes a Difference

Positive dog training, which is central to dog gone good k9 training, shifts the way we think about behavior modification. Instead of instilling fear or submission, it promotes cooperation and mutual respect. Dogs trained this way tend to be more confident, less anxious, and more eager to learn.

Science supports that dogs trained with positive methods develop stronger bonds with their owners and exhibit fewer behavioral problems over time. This approach also fosters a happy environment where training is fun rather than a chore.

Building a Lifelong Partnership

At its heart, dog gone good k9 training is about creating a lifelong partnership. Your dog isn't just a pet; they're a family member and a friend. Training helps you understand each other better and navigate the challenges of daily life side by side.

Whether it's a rambunctious puppy learning boundaries or an older dog picking up new skills, the journey is rewarding for both parties. With patience, consistency, and the right guidance, your dog can truly become "dog gone good."

Additional Tips for Success in Dog Gone Good K9 Training

To maximize the benefits of your training, keep the following in mind:

- **Stay Patient:** Dogs learn at their own pace. Frustration can hinder progress, so remain calm and encouraging.
- **Keep Sessions Short:** Aim for 5-10 minute training bursts several times a day to hold your dog's attention.
- **Use Everyday Opportunities:** Incorporate training into daily routines like mealtime, walks, and playtime.
- **Socialize Gradually:** Introduce your dog to new environments and people slowly to build confidence without overwhelming them.
- **Maintain Consistency:** Ensure all family members use the same commands and techniques to avoid confusing your dog.

Dog gone good k9 training is a journey filled with learning, growth, and mutual respect. By embracing positive methods and focusing on clear communication, you'll help your dog become a well-mannered, confident companion who's a joy to be around. Whether you're tackling basic obedience or refining advanced skills, the principles of dog gone good k9 training offer a solid foundation for success.

Frequently Asked Questions

What is Dog Gone Good K9 Training?

Dog Gone Good K9 Training is a professional dog training service that focuses on obedience, behavior modification, and specialized training techniques to enhance the bond between dogs and their owners.

Dog Gone Good K9 Training: A Professional Review and Analysis

dog gone good k9 training has emerged as a notable name in the realm of canine obedience and behavior modification. With a growing demand for effective dog training services, this program promises to deliver structured, positive reinforcement-based training for dogs of various breeds and temperaments. This article delves into the professional merits, training methodologies, and overall value proposition of Dog Gone Good K9 Training, aiming to provide prospective dog owners and enthusiasts with a clear, detailed understanding of what to expect.

Understanding Dog Gone Good K9 Training

Dog Gone Good K9 Training operates within a competitive market where numerous trainers offer a spectrum of services ranging from basic obedience to specialized behavioral correction. The company's approach centers on balanced training philosophies, integrating positive reinforcement with clear, consistent commands. This methodology aligns with contemporary best practices in canine education, emphasizing the psychological well-being of the dog alongside obedience.

Unlike some traditional training programs that rely heavily on correction or punitive measures, Dog Gone Good K9 Training emphasizes fostering a cooperative relationship between the dog and owner. This focus is critical in achieving long-term behavioral improvements rather than temporary compliance.

Training Programs and Services Offered

Dog Gone Good K9 Training caters to a variety of needs, including:

- **Basic Obedience Training** – Essential commands such as sit, stay, come, and heel are covered systematically.
- **Advanced Obedience** – For dogs that have mastered basics and require more complex commands and off-leash control.
- **Behavioral Modification** – Addressing issues such as aggression, anxiety, excessive barking, and leash reactivity.
- **Puppy Socialization** – Early-stage training focusing on social skills and foundational commands to prevent future behavioral issues.
- **Private and Group Classes** – Offering options for personalized attention or social learning environments.

The diversity of offerings ensures that Dog Gone Good K9 Training can accommodate dogs of different ages, sizes, and behavioral backgrounds, which is a significant advantage for owners seeking a one-stop training solution.

Training Techniques and Philosophy

One of the defining features of Dog Gone Good K9 Training is its adherence to a balanced approach that combines positive reinforcement with controlled corrections when necessary. This hybrid model is designed to respect the dog's emotional state while maintaining firm leadership through consistent commands.

Positive reinforcement techniques include:

- Food rewards
- Verbal praise
- Play-based incentives

Corrections, when applied, tend to be non-aversive and rely on redirection or time-outs rather than harsh punishment. This nuanced use of corrections is often highlighted in customer testimonials as a key factor in the program's effectiveness.

Trainer Qualifications and Expertise

An essential aspect of evaluating any dog training service involves assessing the experience and credentials of the trainers. Dog Gone Good K9 Training employs certified trainers with backgrounds in canine behavior, animal psychology, and practical obedience training. Many trainers hold certifications from recognized organizations such as the International Association of Canine Professionals (IACP) or the Certification Council for Professional Dog Trainers (CCPDT).

This professional expertise is reflected in the tailored training plans developed for each dog, taking into account breed-specific tendencies and individual personality traits. Such customization is crucial for addressing unique challenges and enhancing the overall success rate of the training.

Comparative Analysis: Dog Gone Good K9 Training Versus Industry Peers

In comparison to other dog training services available on the market, Dog Gone Good K9 Training positions itself as a mid- to high-tier provider. Pricing structures tend to be competitive, with packages that reflect the intensity and duration of training sessions. When set against industry leaders specializing in specific niches such as protection training or agility, Dog Gone Good K9 Training appears more focused on general obedience and behavioral improvement.

Some key differentiators include:

- **Holistic Approach:** Emphasis on both dog and owner education to facilitate better communication.
- **Flexibility:** Offers private and group classes, accommodating different learning preferences.
- **Transparency:** Clear explanations of training methods and expected outcomes.

Nevertheless, some competitors may offer more specialized services or state-of-the-art facilities, which can be a consideration for owners with specific training goals.

Customer Feedback and Success Rates

Analyzing customer reviews and testimonials provides insight into the practical effectiveness of Dog Gone Good K9 Training. A significant portion of clients report noticeable improvements in their dogs' obedience and behavior within a few weeks of consistent training. Owners praise the trainers' professionalism, patience, and ability to handle difficult cases involving aggressive or anxious dogs.

However, some feedback indicates that progress can vary depending on the dog's age, prior training history, and the owner's commitment to follow-up practice at home. This variability is typical in dog training but underscores the importance of owner involvement for optimal results.

Pros and Cons of Dog Gone Good K9 Training

Considering the available information, the following pros and cons can be

attributed to Dog Gone Good K9 Training:

- **Pros:**

- Experienced, certified trainers
- Balanced training methods prioritizing dog welfare
- Flexible class formats and personalized plans
- Positive customer testimonials and proven behavioral improvements

- **Cons:**

- May not specialize in advanced or niche training areas like police or service dog training
- Results depend heavily on owner participation and consistency
- Pricing may be higher than some budget alternatives

These factors should be weighed according to individual dog training goals and budget constraints.

Integration of Technology and Modern Training Tools

In the evolving landscape of dog training, the integration of technology such as remote training collars, video tutorials, and mobile app support is becoming increasingly common. Dog Gone Good K9 Training has shown openness to incorporating modern tools, particularly for enhancing owner engagement and reinforcing training between sessions.

While the core training remains hands-on and personalized, these digital supplements can improve consistency and provide owners with ongoing guidance, especially useful for busy individuals or those unable to attend frequent in-person classes.

Final Thoughts on Dog Gone Good K9 Training

Dog Gone Good K9 Training presents itself as a reputable and professional

option for dog owners seeking effective obedience and behavior modification services. Its commitment to balanced training techniques, skilled trainers, and customizable programs positions it well within the competitive dog training industry.

As with any training service, the ultimate success is contingent upon the dog's individual characteristics and the owner's dedication to practicing learned behaviors consistently. Prospective clients would benefit from an initial consultation to assess compatibility and clarify goals, ensuring that Dog Gone Good K9 Training aligns with their expectations and their dog's needs.

In the broader context of canine education, Dog Gone Good K9 Training exemplifies a thoughtful approach that respects canine psychology while striving for practical, sustainable results.

Dog Gone Good K9 Training

dog gone good k9 training: How To Right A Dog Gone Wrong Pamela Dennison, 2016-10-11 This Updated & Expanded Edition will help anyone with a dog that has aggressive tendencies, whether it is a young dog that shows aggression when you remove the food bowl, a dog-aggressive dog that you are afraid to walk in the park, or a dog that is aggressive towards family and friends. all the areas it covers, plus it includes helpful information on places to stay, neighborhood festivals, and other doggy-doings.

dog gone good k9 training: Field and Stream, 1926

dog gone good k9 training: K9 Obedience Training Susan Bulanda, 2019-05-15 The best positive obedience training program for your pets or working dog. Use proven techniques to: - Train your puppy with basic exercises to prepare for future obedience training. - Correct common problem behaviors, such as barking, bolting, and chewing. - Progress from basic to advanced exercises to ensure your dog is always learning. Obedience is the foundation of any reliable, well-trained dog. Without obedience, working dogs are ineffective in operations and pet dogs can be annoying and possibly a danger to themselves or others. In K9 Obedience Training, certified animal behavior consultant and veteran search and rescue (SAR) dog handler and trainer Susan Bulanda shares the secrets of building an effective obedience training program. SAR dogs need "thinking" obedience: they sometimes need to exercise intelligent disobedience in the field. You can use the same training program for any working or pet dog. For trainers who demand the best obedience training for future working dogs, Susan's techniques lay the groundwork for success. And pet owners who want to help their dog be easy to be around will find lots of training tips and exercises too, along with straightforward advice on proper handling, grooming, and teaching simple tricks.

dog gone good k9 training: Who's a Good Dog? Jessica Pierce, 2023-09-06 A New Scientist Best Book of 2023 A guide to cultivating a shared life of joy and respect with our dogs. Who's a Good Dog? is an invitation to nurture more thoughtful and balanced relationships with our canine companions. By deepening our curiosity about what our dogs are experiencing, and by working together with them in a spirit of collaboration, we can become more effective and compassionate caregivers. With sympathy for the challenges met by both dogs and their humans, bioethicist Jessica Pierce explores common practices of caring for dogs, including how we provide exercise, what we feed, how and why we socialize and train, and how we employ tools such as collars and leashes. She helps us both to identify potential sources of fear and anxiety in our dogs' lives and to expand practices that provide physical and emotional nourishment. Who's a Good Dog? also encourages us to think more critically about what we expect of our dogs and how these expectations can set everyone up for success or failure. Pierce offers resources to help us cultivate attentiveness and kindness, inspiring us to practice the art of noticing, of astonishment, of looking with fresh eyes at these beings we think we know so well. And more than this, she makes her findings relatable by examining facets of her relationship with Bella, the dog in her life. As Bella shows throughout, all dogs are good dogs, and we, as humans and dog guardians, could be doing a little bit better to get along with them and give them what they need.

dog gone good k9 training: All Dogs Great and Small Graeme Hall, 2021-02-18 The Sunday Times bestseller Have you ever wished you could get the dog in your life to behave better? With experience of training over 5,000 dogs of every breed, Graeme Hall has formulated the golden rules that every dog owner needs to know and he's here to share them with you. In chapters on getting a puppy, kids and dogs, separation anxiety and so much more, Graeme recounts his hard-won, often hilarious success stories and reveals a solution for every dog-related worry. His simple, tried and tested lesson will help you understand your dog and drive better behaviours. The Dogfather has seen it all and he's here to share his secrets.

dog gone good k9 training: Thoughtful Owners, Great Dogs James Akenhead, 2009 Want the best for your dog? Dr. Jim Akenhead talks to you like a Dutch uncle. He writes just the way he talks to the clients who come to his training center. He tells you what's going on in the world of dog training and how to get the best for you and your canine companion-all in an easy-to-read format. If you: - Wonder what's new in dog training, you'll know when you read this book. - Need to know how to determine what's best for your dog, you'll find it here. - Are looking for a trainer, this book will help you find one who will treat your dog the way you want. - Want a foundation for a great life with your canine companion, it's in this book. - Are thinking about doing the training yourself, you'll find a step-by-step process. - Need to know what rules you should set in your house, they're here. - Wish

your dog would respect you, you can learn how to make it happen. - Desire good communication with your dog, Jim tells you how. About the Author: For more than 45 years, Jim Akenhead has owned and trained a variety of dogs. He and his wife, Dr. Charlene Akenhead, have bred and trained Shepherds and Malamutes for 50 years. In 1995, Jim and his son Matt formed Signature K-9 Training and Behavior LLC in northeastern Ohio. Signature K-9 does about two-thirds of its work in private consultations. About half their work is with difficult dogs. In addition to the usual group classes, they also offer group classes for reactive and shy dogs. Jim has five earned degrees, including a Doctorate in Research and Education as well as a Masters Degree in Counseling. He is certified as a canine trainer and behavior consultant by four independent organizations. He is listed in seven Who's Who anthologies on leadership and has been recognized as a Distinguished Alumni by Bowling Green State University. In 2009, Jim presented at the conference of the International Association of Animal Behavior Consultants and for the Canine Behavior program at Kutztown University. He frequently presents his views on canine aggression. Jim is the author of four other books. He is a member of the International Association of Animal Behavior Consultants, where he serves on the board of directors and as Human Resource coordinator. Jim has been the director of an international trainer's organization with members in 50 states and 30 countries. He is also a professional member of the Association of Pet Dog Trainers, the Association of Canine Professionals, and the National K-9 Trainers Association.

dog gone good k9 training: *Colorado Mountain Dogs* M. John Fayhee, 2014-06-04 There is no luckier dog than one that is frolicking in the Colorado High Country. Whether skiing, snowshoeing, hiking, mountain biking, on the river, or on a lofty summit, dogs in the Colorado mountains are the happiest creatures on the planet. Colorado Mountain Dogs captures the joy and rapture of canines and their human companions as they frolic on trails, in camp and in creeks, from the San Juans to the Front Range, from Steamboat Springs along the Continental Divide to the Sawatch and Sangre de Cristos. Whether you are a visitor or a longtime resident, Colorado Mountain Dogs gives you a dogs-eye view of the backcountry, the ski slopes, and the resort towns of Americas most-altitudinous state. With more than 150 photographs and sidebars on how to photograph dogs, reasons why people have dogs, and the naming of dogs.

dog gone good k9 training: Training the Dog Trainer Brian Hunter, 2022-02-01 Training your dog is fun and easy and a great way to bond. You can be the envy of other dog owners who look at the two of you and comment on how obedient and well-behaved your dog is and how they wished their dog were trained like yours. There is a wide variety of videos and books available to guide you through all the specific behaviors you wish to train your dog to perform--but you are not ready to dive into training just yet. Training the Dog Trainer is the first book you must read. It prepares you with dog knowledge and puts you on a path to be successful when you actually start the training. If you don't understand dog psychology and how to communicate with your dog so he understands your intentions, progress in training will prove to be more difficult than it has to be. Calmness, leadership, and the right energy are vital keys for being successful. Secrets like these are found within this book and are required as your foundation before you ever give your first training command. Did you know that dogs learn quicker when you don't use your voice? Training the Dog Trainer will give you an inside look into what it takes to make your four-legged friend happy to follow the leader--you.

dog gone good k9 training: Fight Or Flight (A Dog Lover's Texas K-9 Crime Suspense Thriller): September Day & Shadow Series #4 Amy Shojai, 2018-07-31 When a violent flood sweeps Shadow away, he must save himself—and others—to find his way home. A THREAT FROM THE PAST seeks a deadly revenge. A MENACING SECRET terrorizes children. AND A LOST DOG braves fire...to find true love. The 4th installment of Shojai's dark, female-driven domestic thriller series... featuring pet-centric plots! FIGHT OR FLIGHT fills in the blanks of Shadow's missing week from SHOW AND TELL (#3). Lia Corazon channels her energy and emotions into the dogs she trains in her North Texas kennel. She especially enjoys Karma's enthusiasm, but the Rottweiler pup's owner makes her uneasy. There's something very...wrong about him. After a vicious storm destroys

her kennel, flooding washes a mysterious black German Shepherd into her life. Shadow's presence awakens hidden talents within Lia, talents she suspects come from the parents she's never known. She'll do anything to discover the truth about her Hawaiian roots. When a dog training exercise takes a deadly turn, Lia turns to Detective Jeff Combs for help and learns the killer targets Hawaiian girls just like her. She sends Karma to protect a young run-away, but the killer will burn anybody who crosses him. Police dogs are born to love, trained to serve, and called to protect. To fulfill her destiny, Karma must defeat instinct to save her family. Through the process, she'll discover what Shadow already knows: that home isn't a place—it's a person.

dog gone good k9 training: The Dog Trainer's Resource 2 Mychelle Blake, 2008-07 When the first volume of *The Dog Trainer's Resource* was published in 2007, it became a resounding success among professional dog trainers and behaviorists. It also introduced a new generation of dog trainers to the profession and started them on the road to success with information from experts in the field. This new volume, *The Dog Trainer's Resource 2*, contains more cutting edge information collected from dog training's most influential magazine, *The APDT Chronicle of the Dog*, published by the Association of Pet Dog Trainers. Subjects covered in this book range from puppy training and socialization to working with veterinarians and how to run the business end of the leash. A special emphasis in this volume is on behavior problems including how to diagnose problem behaviors, training, and management strategies. It includes detailed case studies that give the reader insights from experts. Both new and seasoned dog trainers will benefit from the 73 articles written by 43 authors.

dog gone good k9 training: Raving Of A Long Haired Dog Trainer...Volume 1 Mike Deathe, 2016-05-24 The articles or ravings in this book give the reader a glimpse inside just what I think about dog training. They are small snippets and articles on the way to understand how to speak Dog As A Second Language vs. the tired and old ideas of the dog listening and doing what I want because I am the human . . . I hope to inspire you with these articles and whet your appetite to learn even more about a science based, positive reinforcement way of Keeping it Simple Stupid, and if nothing else to at least having fun while training your dog . . .

dog gone good k9 training: House Beautiful , 1940

dog gone good k9 training: Bringing Light to Shadow Pamela Dennison, 2004 A fearful, human-aggressive dog. A trainer who wouldn't give up. Positive, no-force training methods. Will this be enough to save Shadow from death row? The gods that protect fools, optimists, and little children must have known what they were doing when they brought together this dog and this owner. Shadow was a handsome, fearful, aggressive, one-year-old, second-hand Border Collie. He lashed out at people without warning and avoided human touch. Pam Dennison was a professional dog trainer with 12 years experience and a half dozen successful dog adoptions behind her when she met Shadow. When Pam found Shadow at a Border Collie rescue site on the Internet she was just looking to round out her canine family. Like a match.com date she decided to meet Shadow just to see and because she couldn't think of any reason not to take him home, he became hers. He also became her problem! Follow their 18-month journey from the early, dark days of fear and frustration to the daylight of confide--Publisher's description.

dog gone good k9 training: Secrets of a Dog Trainer Victoria Schade, 2014-06-10 Fast and easy fixes for common dog problems As the owner of a puppy, professional dog trainer Victoria Schade is well aware how easily things can go awry. Frustration, confusion, and a basic lack of knowledge can make even a simple behavior problem blossom into something huge and??unwieldy. Now, in *Secrets of a Dog Trainer*, she gives pet parents a trainer's point of view, explaining why dog owners' instinctual reactions to their dogs' bad behaviors may not be the most successful. In an engaging, approachable way, she helps you understand trainer think — which stems from dog think. Explains why a quick fix—or not doing things the dog trainer way—can lead to bigger problems in the future Illustrates how a typical layperson's response can negatively impact the dog's behavior in the long term Presents the dog trainer solution for coping with common dog problems, explaining how, when executed properly, these solutions provide predictable, positive outcomes If you're a new

puppy parent, or a veteran owner with a dog exhibiting behavior issues, *Secrets of a Dog Trainer* gives you the tricks of the trade for raising a happy, well-mannered dog.

dog gone good k9 training: K9 Working Breeds Resi Gerritsen, Ruud Haak, 2007-01-01 In order to understand people better, we often look to their past. Resi Gerritsen and Ruud Haak show that the same is true for dog breeds. By taking a look back through the history of those breeds most active in K9 work, Gerritsen and Haak reveal why the traits of each breed emerged to make them world class K9 workers. Each chapter in this book examines the history, characteristics, training experience, and physical defects of the world's best working breeds. Only through understanding a breed's history can a K9 handler truly appreciate the different characteristics and capabilities of the dog they're working with. Knowing this information is invaluable in training a dog in order to develop his full potential. To this end, the authors include a chapter devoted to the difference in training the increasingly popular Malinois versus the previous top K9 worker, the German Shepherd.

dog gone good k9 training: Abby is my Dog Trainer John McAlpine, Prior to the summer of 2011, John had no particular interest in dogs or dog training. But after a dog responded to a friendly wave with a bite to his calf, John's curiosity was piqued. Why did the dog respond that way? Was there anything he could have done differently? Then, like kismet, came a wonderful opportunity for an education in dog behavior in the form of a beautiful, long-coat German shepherd named Abby. Through Abby came schooling in how dogs' minds work, what training techniques are effective, and (maybe more importantly) what doesn't work when training dogs. *Abby is my Dog Trainer* brings these lessons to you, drawing on John's time with Abby, his background in psychology and social work, and knowledge gained by reading over 100 books on dog training. Rather than focusing on specific training techniques, this book discusses: • Practical examples of training told in stories of John's time with Abby, as well as funny and touching tales any pet owner can relate to • An understanding of dog behavior, learning theory, and psychological theory underlying training techniques • The power of positive, non-punitive dog training • And more! Join John as he learns from Abby about the world of dog training, as well as an even more important lesson: how special the bond with a dog can be and how the right approach to training can strengthen that bond.

dog gone good k9 training: Piglet Melissa Shapiro, Mim Eichler Rivas, 2022-06-07 In the tradition of the 'Marley and Me' and 'Oogly: The Dog Only a Family Could Love', 'Piglet' is a charming, inspirational memoir about empathy, resilience, kindness, and an adorable deaf blind pink dog.
