Mike Pence Tucker Carlson Interview: A Deep Dive into Political Discourse

mike pence tucker carlson interview grabbed headlines and stirred conversations across political circles and media platforms. When former Vice President Mike Pence sat down with Tucker Carlson, one of the most influential conservative commentators on Fox News, it was clear the interview would be loaded with significant insights and candid discussions. For anyone interested in U.S. politics, conservative media, or the evolving dynamics in the Republican Party, this interview served as a crucial moment to understand where key political figures stand on pressing issues.

Setting the Stage: Why the Mike Pence Tucker Carlson Interview Mattered

Interviews between prominent political figures and media personalities often shape public opinion and influence political discourse. The mike pence tucker carlson interview was particularly noteworthy because both men have distinct yet overlapping audiences and viewpoints. Mike Pence, having served as Vice President under Donald Trump, carries substantial political weight and influence within conservative circles. Tucker Carlson, known for his sharp critiques and ability to push conversations in provocative directions, provided a platform for Pence to address pressing political and social questions.

This interview was not just a simple Q&A. It was a strategic encounter that revealed much about the future of the Republican Party, internal divisions, and the political landscape post-Trump presidency.

Key Highlights from the Mike Pence Tucker Carlson Interview

On the State of the Republican Party

One of the main topics discussed was the direction of the Republican Party. Pence emphasized the importance of staying true to conservative values, such as limited government, free markets, and strong national defense. However, he also acknowledged the need for the party to evolve and address the concerns of a broader base of voters.

Tucker Carlson pushed Pence to clarify his stance on Trump's legacy and how the party should reconcile with the former president's polarizing presence. Pence's responses suggested a nuanced position—respecting Trump's influence but also advocating for moving forward with a vision that unites rather than divides.

Election Integrity and the 2020 Election

Given Pence's role in certifying the 2020 election results as Vice President, this topic was a focal point during the conversation. Tucker Carlson, who has often questioned election processes on his show, asked Pence about his decision to uphold the results despite pressure from some within the GOP to challenge them.

Pence defended his actions as a commitment to the Constitution and the peaceful transfer of power. He stressed the importance of respecting democratic institutions even when political passions run high. This segment of the interview was crucial in providing insight into the complexities Pence faced during a highly contentious period.

Foreign Policy and National Security

The Mike Pence Tucker Carlson interview also touched on America's role on the global stage. Pence reiterated his support for strong alliances and a robust national defense, while also warning against overreach in foreign interventions. Tucker Carlson's probing questions on issues like China, Russia, and the Middle East allowed Pence to articulate a vision of pragmatic yet principled foreign policy.

Social Issues and Cultural Debates

As expected, social issues came under scrutiny. Topics like religious freedom, the role of government in education, and cultural shifts were discussed candidly. Pence emphasized conservative values, particularly the protection of religious liberties and parental rights in education, themes that resonate strongly with his base.

Carlson's interview style, known for challenging guests, led to a dynamic exchange where Pence could clarify his positions on controversial topics without falling into overly scripted responses.

What the Mike Pence Tucker Carlson Interview Reveals About Media and Politics

The Power of Conservative Media Platforms

This interview underscored how conservative media figures like Tucker Carlson can shape political narratives and provide a platform for leaders to communicate directly with voters. The Mike Pence Tucker Carlson interview was a masterclass in using media to engage with core audiences, rally support, and clarify political stances.

Bridging Divides Within the Republican Party

Pence's appearance on Carlson's show demonstrated an attempt to bridge divides within the GOP — between establishment figures and the more populist, Trump-aligned factions. The dialogue offered a glimpse into ongoing efforts to find common ground amidst differing priorities and visions for the party's future.

Behind the Scenes: How the Interview Was Conducted

While viewers saw a polished and thoughtful conversation, the preparation behind the Mike Pence Tucker Carlson interview was meticulous. Both parties aimed to deliver a balanced yet impactful discussion. Carlson is known for his direct questioning style, which can sometimes put guests on the spot. Pence's measured responses showed his experience in navigating complex political terrain while maintaining a calm and authoritative presence.

This method of interviewing — combining tough questions with respectful dialogue — helped make the interview resonate with viewers who are hungry for substantive political discussion rather than soundbites.

Implications for Future Political Engagements

The Mike Pence Tucker Carlson interview set a precedent for how political figures might approach media appearances moving forward. It highlighted the importance of:

- Choosing media platforms that align with one's messaging goals.
- Being prepared to address challenging questions without resorting to evasions.
- Engaging with both supporters and critics through open dialogue.

For politicians aiming to maintain relevance in a fragmented media landscape, this interview offers lessons in strategy and communication.

What Viewers Took Away from the Interview

Many viewers appreciated the candidness and depth of the conversation. The Mike Pence Tucker Carlson interview wasn't just about political talking points; it was about understanding the mindset of a key political figure at a pivotal moment in American politics.

Some praised Pence for his constitutional commitment during the 2020 election certification, while others found value in his vision for a more unified GOP. Carlson's role as a moderator helped surface

these insights without diluting the complexity of the issues discussed.

Final Thoughts on the Mike Pence Tucker Carlson Interview

Interviews like the one between Mike Pence and Tucker Carlson are vital for democracy. They provide transparency, allow leaders to explain their positions, and help voters become more informed. The Mike Pence Tucker Carlson interview was a significant event that blended political analysis, media savvy, and honest conversation.

As political narratives continue to evolve, such interviews will remain essential for anyone trying to grasp the nuances of American politics and the forces shaping its future. Whether you agree or disagree with Pence or Carlson, the interview serves as a reminder of the importance of dialogue in a vibrant democracy.

Mike Pence Tucker Carlson Interview: A Detailed Review of the Exchange

mike pence tucker carlson interview has recently garnered significant attention across political and media circles, epitomizing the complex dynamics between former Vice President Mike Pence and prominent conservative commentator Tucker Carlson. The interview, aired on a leading cable news platform, delves into critical topics ranging from the 2020 election aftermath, Pence's political trajectory, to the broader ideological rifts within the Republican Party. This article offers an investigative and professional review of the interview, dissecting the key moments, underlying narratives, and the interplay of rhetoric that shaped this notable media event.

Contextualizing the Mike Pence Tucker Carlson Interview

Understanding the significance of the mike pence tucker carlson interview requires a grasp of the political landscape surrounding both figures. Mike Pence, former Vice President under the Trump administration, has maintained a somewhat complicated relationship with the former president and the conservative base, especially following his role during the certification of the 2020 election results. Tucker Carlson, as a highly influential conservative media personality, has cultivated a

platform that often challenges establishment Republicans, making his interview with Pence particularly noteworthy.

The interview took place amid ongoing debates within the Republican Party about its future direction, identity, and leadership. The timing reflects a strategic move by both parties: Pence seeking to clarify his stance and appeal to conservative voters, while Carlson aiming to probe and perhaps challenge Pence's positions to satisfy his audience's appetite for candid political discourse.

Key Themes and Topics in the Interview

Election Integrity and January 6

One of the most anticipated segments of the Mike Pence Tucker Carlson interview centered on the events surrounding January 6, 2021, and Pence's role in certifying the electoral votes. Carlson pressed Pence on his decisions and the pressure he faced during that tumultuous period. Pence maintained a firm stance on upholding constitutional duties, emphasizing the importance of the peaceful transfer of power, which contrasted with Carlson's more skeptical views on election integrity promoted in his prior commentaries.

This segment highlighted a notable tension: Pence's insistence on constitutionalism versus Carlson's appeal to a segment of his viewership that remains distrustful of the 2020 election results. The exchange revealed the ideological spectrum within conservative politics, between adherence to institutional norms and populist skepticism.

Pence's Political Future and Relationship with Trump

Another critical aspect of the interview was the discussion regarding Pence's potential 2024 presidential ambitions. Carlson queried Pence about his intentions and how he plans to position himself within a Republican Party still largely influenced by Donald Trump's political legacy. Pence was measured in his responses, neither fully embracing nor distancing himself from Trump, instead focusing on his own record and vision.

This part of the interview is significant for understanding internal GOP dynamics. Pence's nuanced approach contrasts with more overtly loyal or oppositional figures, suggesting a strategic balancing act as he seeks to maintain relevance without alienating key voter blocs.

Analyzing the Interview's Tone and Rhetoric

The tone throughout the Mike Pence Tucker Carlson interview was professional but charged with subtle undercurrents of challenge and defensiveness. Carlson's interviewing style, known for its directness and occasional confrontational edge, pushed Pence to clarify and sometimes defend his positions. Conversely, Pence's responses were measured, often steering the conversation back to policy and principle rather than personal attacks or partisan rhetoric.

This dynamic created a compelling dialogue that went beyond superficial soundbites, inviting viewers to critically assess the complexities of leadership, loyalty, and political courage. The interplay between interviewer and interviewee demonstrated how media platforms and political figures negotiate narratives in today's polarized environment.

Media Impact and Audience Reception

The Mike Pence Tucker Carlson interview quickly became a focal point for media analysis and public debate. Social media platforms saw extensive discussions, with supporters praising Pence's composure and critics questioning his past decisions. The interview's reach further illustrates the powerful role that televised conversations play in shaping public opinion and political discourse.

For Tucker Carlson, the interview added to his portfolio of high-profile political engagements, reinforcing his position as a key influencer within conservative media. For Pence, it served as a platform to reassert his voice amid ongoing political speculation and criticism.

Comparative Insights: Pence's Interview Style Versus Other Political Figures

When compared to interviews with other Republican leaders, Pence's approach during the interview with Carlson was notably restrained and policy-focused. Unlike more combative or evasive political interviews, Pence maintained clarity and consistency, avoiding inflammatory remarks while addressing contentious topics.

This style may be viewed as a strength in appealing to moderate conservatives and independents who prioritize decorum and substance. However, it also risks appearing less dynamic in a media environment that often rewards boldness and controversy.

Pros and Cons of the Mike Pence Tucker Carlson Interview

- **Pros:**

- Provided a rare, substantive dialogue between a former high-ranking official and a leading conservative commentator.
- Highlighted key political issues with direct questioning and clear responses.
- Offered insights into internal GOP tensions and individual political strategies.

- **Cons:**

- Some viewers perceived Pence's answers as overly cautious or evasive on key points.
- The interview's ideological divide limited common ground, potentially alienating parts of the audience.
- Did not fully address some of the more contentious allegations or criticisms surrounding January 6.

SEO-Optimized Takeaways

The Mike Pence Tucker Carlson interview stands out as a pivotal media event, rich with political implications and nuanced discourse. Keywords such as "Mike Pence 2024 plans," "Tucker Carlson January 6 interview," and "Pence Trump relationship" naturally emerge in conversations surrounding the interview. Content that explores the interview's impact on conservative politics, election integrity debates, and media influence will resonate well with audiences searching for thoughtful analysis of recent political developments.

Moreover, integrating terms like "Republican Party divisions," "Mike Pence constitutional role," and "Tucker Carlson political commentary" will enhance topical relevance and search visibility. This approach ensures the article serves both as an informative resource and a discoverable asset for readers interested in American politics and media analysis.

The Mike Pence Tucker Carlson interview ultimately reflects the evolving nature of political discourse in the United States, where media platforms and political figures continuously shape and reshape narratives that influence public perception and electoral dynamics.

mike pence tucker carlson interview: Mothers, Families or Children? Tomasz Inglot, Dorottya Szikra, Cristina Raț, 2022-10-11 *Mothers, Families, or Children?* is the first comparative-historical study of family policies in Poland, Hungary, and Romania from 1945 until the eve of the global pandemic in 2020. The book highlights the emergence, consolidation, and perseverance of three types of family policies based on "mother-orientation" in Poland, "family orientation" in Hungary, and "child-orientation" in Romania. It uses a new theoretical framework to identify core and contingent clusters of benefits and services in each country and trace their development across time and under different political regimes, before and after 1989. It also examines and compares policy continuity and change with special attention to institutions, ideas, and actors involved in decision making and reform. As family policies continue to evolve in the era of European Union membership and new governmental and societal actors emerge, this study reveals mechanisms that help preserve core family policy clusters while allowing reform in contingent ones

in each country.

mike pence tucker carlson interview: The Fall Michael Wolff, 2023-09-26 New York Times Bestseller "All happy families are alike; each unhappy family is unhappy in its own way." —Leo Tolstoy, *Anna Karenina* "Michael Wolff's books were my foundation and port of entry for working on *Succession*." —Jeremy Strong ("Kendall Roy") Meet the Murdochs and the disastrously dysfunctional family of Fox News. Until recently, they formed the most powerful media and political force in the land, for better or worse. Now their empire is cracking up and crashing down. For almost three decades, Fox News has not only made political careers (see: President Donald J. Trump) but also fundamentally altered the political landscape of the United States. It is a truism: as Fox goes, so goes the nation—into further divisiveness and awash in fake news, a gleefully polarizing company. But just as Fox has pushed America apart, now it too is coming apart. As is the family dynasty behind it. In his irresistible trilogy on the chaotic presidency of Donald Trump—*Fire and Fury*, *Siege*, and *Landslide*—the gadfly journalist Michael Wolff led readers deep into the twisted corridors of the White House. Now, drawing on years of unprecedented access to the Murdoch family and key players in the world of Fox, he plunges us behind the scenes of another empire of influence, and the result is astonishing and unforgettable. Here is Rupert Murdoch, the ninety-two-year-old Australian billionaire—a fading titan, concerned about his legacy but more concerned about profits. Here are his contentious progeny, jockeying to take over when the old man is gone. Here is star anchor Tucker Carlson, hiding out in his island homes, considering a run for the presidency while his bosses have other plans for him. Sean Hannity, the richest man in television, has his own plans: to put the former POTUS back in office, against the bosses' wishes. Meanwhile, Laura Ingraham is just trying to survive in the last man's man's world. Empires fall. Kingdoms come to an end. As lawsuits pummel the financial bedrock and reputation of the network, anchors scramble, and the battling Murdoch heirs make the Roys of TV's *Succession* seem downright *Brady Bunch*, Michael Wolff documents, in riveting and revelatory real time, the final days of Fox News.

mike pence tucker carlson interview: Rungs of Disclosure L. A. Marzulli, 2024-10-15 Is this the coming Great Deception? By the end of this book, you will reveal the truth about extraterrestrial presences on earth—that they are real, burgeoning, and not going away. You also will understand what the Biblical perspective on this phenomenon is and is not. They've been here for thousands of years, making their presence known in the shadows. They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife. Perhaps the most disconcerting part of this phenomenon boils down to this question: Has the government been aware of their presence all along and is covertly working with them toward some secret end? In *Rungs of Disclosure*, what once was fringe is now reality! While reading, you'll meet regular people—just like you—who have encountered something beyond their ability to explain. You'll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters. L. A. Marzulli explores these ongoing incidents to discover the answers to these questions: Who are they? What do they want? And why are they here? Can you handle the truth? Read this book—if you dare.

mike pence tucker carlson interview: Media and January 6th Khadijah Costley White, Daniel Kreiss, Shannon C. McGregor, Rebekah Tromble, 2024 The images cast across screens across the country on January 6, 2021, laid bare the fragility of American democracy as the steps and halls of the US Capitol were inundated by a violent band of insurrectionists. Fed by blatant lies, political anger, and racial animus, they sought to halt a procedure enshrined in the US Constitution and to overturn a freely and fairly run election. Meanwhile, efforts to obstruct, avoid, and misrepresent the subsequent investigation of the January 6th attack have continued apace. With a relative dearth of work that centers historical and contemporary racial, ethnic, and power dynamics in the context of media, our interdisciplinary field was caught flat-footed, unprepared to respond to those who actively seek to undermine American democracy. This edited volume is a first step toward remedying that situation. *Media and January 6th* brings together a diverse group of leading scholars to help us more clearly understand the relationship between media and the attempted coup. The volume

examines why and how January 6th came to be and the centrality of media to the event. It is organized around three key questions: How should we understand January 6, 2021? What should research look like after January 6, 2021? And how can we prevent another event like this?

mike pence tucker carlson interview: Conservatism in a Divided America George Hawley, 2022-11-01 George Hawley, who has written extensively on conservatism and right-wing ideologies in the United States, presents a telling portrait of conservatism's relationship with identity politics. The American conservative movement has consistently declared its opposition to all forms of identity politics, arguing that such a form of politics is at odds with individualism. In this persuasive study, George Hawley examines the nature of identity politics in the United States: how conservatives view and understand it, how they embrace their own versions of identity, and how liberal and conservative intellectuals and politicians navigate this equally dangerous and potentially explosive landscape. Hawley begins his analysis with a synopsis of the variety both of conservative critiques of identity politics and of conservative explanations for how it has come to define America's current political terrain. This historical account of differing conservative approaches to identitarian concerns from the post-war era until today—including race, gender, and immigration—foregrounds conservatism's lack of consistency in its critiques and ultimately its failure to provide convincing arguments against identity politics. Hawley explores the political right's own employment of identity politics, particularly in relation to partisan politics, and highlights how party identification in the United States has become a leading source of identity on both sides of the political spectrum. Hawley also discusses this generation's iteration of American white nationalism, the Alt-Right, from whose rise and fall conservatism may develop a more honest, realistic, and indeed relevant approach to identity politics.

mike pence tucker carlson interview: High Noon Don Watson, 2024-09-02 Is the United States disintegrating? Don Watson offers a report from the United States that catches the madness and theatre of an election like no other. This is a historically informed, mordant account of Donald Trump, Kamala Harris and a country approaching democratic high noon. From Los Angeles to New York, from Detroit to Kalamazoo, Watson observes America in all its diversity and conflict, reality and unreality. Above all, he sees the threat posed by Trump and his movement, with its blend of menace and glee, Great Replacement theory and electoral malpractice. Do Harris and the Democrats have what it takes? Can America mend its divisions? Do enough of its voters even want to? An essential essay about a crucial moment of choice. The fact that half the voters in a country that never stops calling itself the world's greatest democracy are cheering on a man with contempt for the law and unashamed autocratic ambitions may be explained by the man's charisma, or by his supporters' derangement. Take your pick. Maybe they all just want to have a good time. Don Watson, *High Noon* This essay contains correspondence relating to Quarterly Essay 94, *Highway to Hell*, from Lesley Hughes, Clive Hamilton, David Pocock, Polly Hemming, James Bowen, and Lesley Head

mike pence tucker carlson interview: Confidence Man Maggie Haberman, 2022-10-04 The #1 New York Times bestseller. "This is the book Trump fears most." —Axios "Will be a primary source about the most vexing president in American history for years to come." —Joe Klein, The New York Times "A uniquely illuminating portrait." —Sean Wilentz, The Washington Post "[A] monumental look at Donald Trump and his presidency." —David Shribman, Los Angeles Times From the Pulitzer-Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist, *Confidence Man* is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York City to his tortured post-presidency. Few journalists working today have covered Donald Trump more extensively than Maggie Haberman. And few understand him and his motivations better. Now, demonstrating her majestic command of this story, Haberman reveals in full the depth of her understanding of the 45th president himself, and of what the Trump phenomenon means. Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure. Capable of kindness but relying on casual cruelty as it suits his purposes.

Pugnacious. Insecure. Lonely. Vindictive. Menacing. Smarter than his critics contend and colder and more calculating than his allies believe. A man who embedded himself in popular culture, galvanizing support for a run for high office that he began preliminary spadework for 30 years ago, to ultimately become a president who pushed American democracy to the brink. The through-line of Trump's life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests. *Confidence Man* is also, inevitably, about the world that produced such a singular character, giving rise to his career and becoming his first stage. It is also about a series of relentlessly transactional relationships. The ones that shaped him most were with girlfriends and wives, with Roy Cohn, with George Steinbrenner, with Mike Tyson and Don King and Roger Stone, with city and state politicians like Robert Morgenthau and Rudy Giuliani, with business partners, with prosecutors, with the media, and with the employees who toiled inside what they commonly called amongst themselves the "Trump Disorganization." That world informed the one that Trump tried to recreate while in the White House. All of Trump's behavior as President had echoes in what came before. In this revelatory and newsmaking book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

mike pence tucker carlson interview: Rising Fascism in America Anthony DiMaggio, 2021-12-30 *Rising Fascism in America: It Can Happen Here* explores how rising fascism has infiltrated U.S. politics—and how the media and academia failed to spot its earlier rise. Anthony R. DiMaggio spotlights the development of rightwing polarization of the media, Trump's political ascendance, and the prominence of extremist activists, including in Congress. Fascism has long bubbled under the surface until the coup attempt of January 6th, 2021. This book offers tactics to combat fascism, exploring social movements such as Antifa and Black Lives Matter in mobilizing the public. When so little scholarship engages the question of fascism, Anthony R. DiMaggio combines the rigor of academic analysis with an accessible style that appeals to student and general readers.

mike pence tucker carlson interview: The World Almanac and Book of Facts 2024 Sarah Janssen, 2023-12-05 #1 New York Times Bestseller! Plus more new data to help understand the world, including

housing costs, public schools and test scores, streaming TV and movie ratings, and much more.

mike pence tucker carlson interview: How Autocrats Subvert Elections Richard L. Abel, 2025-06-27 Chronicling and analyzing resistance to the threat that autocracy poses to American liberal democracy, this book provides the definitive account of the response to the January 6, 2021, assault on the Capitol and Republican efforts to overturn the 2020 election and bias future elections in their favor. In December 2020, Donald Trump invited supporters to DC for what he promised would be a “wild” demonstration against Biden’s victory. On January 6, 2021, he directed the mob he had summoned to march on the Capitol, where it ransacked the building, caused five deaths and hundreds of injuries, and delayed but failed to prevent certification of the election. Although some Congressional Republicans briefly distanced themselves from Trump, the party quickly closed ranks around him. The business community, similarly, initially expressed criticism but soon resumed campaign contributions to Republicans. Democrats sought to impeach Trump (for the second time), but Republicans blocked conviction. Democrats created a House Select Committee, which exposed Trump’s complicity through dramatic televised hearings and a comprehensive report. Republicans responded by denying there had been a riot—one calling it a mere tourist visit—and sanctifying those arrested. Nevertheless, all but two of the nearly 1,400 charged were convicted. Judges appointed by both Democratic and Republican presidents harshly condemned the insurrectionists, imposing sentences that did not vary by the judge’s party preference. This book contextualizes these continuing threats to American democracy through an opening chapter exposing distressing parallels with the rise of Nazism in 1930s Germany. The penultimate chapter examines the ways in which Republicans persisted in seeking to overturn the 2020 election and distort subsequent elections by gerrymandering and creating obstructions to potential Democratic voters. All the chapters focus on the multiple forms of resistance—politics, social action, economic pressure, media exposure, and criminal prosecution—evaluating their relative efficacy and comparing them with modes of resistance analyzed in the author’s related volumes. This definitive account and analysis of Trump’s and his supporters’ attempts to subvert the 2020 election will appeal to scholars, students, and others with interests in politics, populism, and the rule of law, and more specifically, to those concerned with resisting the threat that autocracy poses to liberal democracy.

mike pence tucker carlson interview: The Right Matthew Continetti, 2022-04-19 A magisterial intellectual history of the last century of American conservatism When most people think of the history of modern conservatism, they think of Ronald Reagan. Yet this narrow view leaves many to question: How did Donald Trump win the presidency? And what is the future of the Republican Party? In *The Right*, Matthew Continetti gives a sweeping account of movement conservatism’s evolution, from the Progressive Era through the present. He tells the story of how conservatism began as networks of intellectuals, developing and institutionalizing a vision that grew over time, until they began to buckle under new pressures, resembling national populist movements. Drawing out the tensions between the desire for mainstream acceptance and the pull of extremism, Continetti argues that the more one studies conservatism’s past, the more one becomes convinced of its future. Deeply researched and brilliantly told, *The Right* is essential reading for anyone looking to understand American conservatism.

mike pence tucker carlson interview: Newsroom Confidential Margaret Sullivan, 2022-10-18 In this revealing memoir, celebrated journalist Margaret Sullivan takes readers behind the scenes of the nation’s most influential news outlets, chronicling her trailblazing career and the fight for trust in American journalism. Sullivan began her career at the Buffalo News, where she rose from summer intern to editor in chief. In *Newsroom Confidential* she recounts her years in the trenches battling sexism and throwing elbows in a highly competitive newsroom. In 2012, Sullivan made history as the first woman appointed public editor of The New York Times. In this unique role, she acted on behalf of readers to weigh the actions and reporting of the paper’s staff, parsing potential lapses in judgment, unethical practices, and thorny journalistic issues. Sullivan navigated the paper’s controversies, from Hillary Clinton’s emails to Elon Musk’s accusations of unfairness to the need for greater newsroom diversity. After serving the longest tenure of any Times public editor, Sullivan

mike pence tucker carlson interview: [ASHLI](#) Jack Cashill, 2024-05-21 Unlike the women who descended on Washington in 2017 to protest the inauguration of President Trump, the women of January 6 did not come as women. They came as Americans, as patriots, as defenders of the republic. They did not wear pink hats. They wore MAGA hats. Their issues were indistinguishable from those of the men in their lives—the rule of law, free and fair elections, and the preservation of constitutional rights. They brought no laundry list of special needs like, say, “reproductive rights,” because they understood that no one was challenging their right to reproduce. In fact, many had reproduced abundantly. There was not a single celebrity in their midst—no Ashley Judds, no Gloria Steinems, no Madonnas threatening to “blow up the White House.” These were Hillary’s “deplorables” in the flesh, a whole heaping basket of them, “irredeemable” to the last woman. On January 6, the very presence of these intrepid women at the Capitol so offended the natural order of things that many would be gassed and beaten. Two would never return home. If resistance to government oppression has a face, it is that of Air Force veteran Ashli Babbitt, a determined patriot and an enduring martyr. This is her story, and that of the other gallant women of January 6.
