Roll Deep Poems Major Jackson

roll deep poems major jackson: Roll Deep: Poems Major Jackson, 2015-08-03 A whimsical and "devastatingly effective" (Washington Post) collection that captures the spirit of travel and pays homage to heritage. In his fourth collection, a breakthrough volume, Major Jackson appropriates the vernacular notion of "rolling deep" to capture the spirit of aesthetic travel that defines these forceful new poems and brazenly announces his steady accretion of literary and artistic influences, both formal and experimental—his "crew." The confident and radiant poems in Roll Deep address a range of topics, most prominently human intimacy and war. And like his best work to date, these poems create new experiences with language owed to Jackson's willingness to once again seek a rhythmic sound that expresses the unique realities of the twenty-first century with humor and understanding. Whether set in Nairobi, Madrid, or Greece, the poems are sensuously evocative and unapologetically with-it, in their effort to build community across borders of language and style. From Urban Renewal, "The Dadaab Suite": I have come to Dadaab like an actor on a press release, unprepared for the drained faces of famine-fleeing refugees, my craft's glamour dimmed by hundreds of infant graves, children whose lolling heads' final drop landed on their mothers' backs like soft stones. What beauty can I spell in this swelter of dust?

roll deep poems major jackson: The Absurd Man: Poems Major Jackson, 2020-02-25 In this knock-out collection, Major Jackson savors the complexity between perception and reality, the body and desire, accountability and judgment. Inspired by Albert Camus's seminal Myth of Sisyphus, Major Jackson's fifth volume subtly configures the poet as "absurd hero" and plunges headfirst into a search for stable ground in an unstable world. We follow Jackson's restless, vulnerable speaker as he ponders creation in the face of meaninglessness, chronicles an increasingly technological world and the difficulty of social and political unity, probes a failed marriage, and grieves his lost mother with a stunning, lucid lyricism. The arc of a man emerges; he bravely confronts his past, including his betrayals and his mistakes, and questions who he is as a father, as a husband, as a son, and as a poet. With intense musicality and verve, *The Absurd Man* also faces outward, finding refuge in intellectual and sensuous passions. At once melancholic and jubilant, Jackson considers the journey of humanity, with all its foibles, as a sacred pattern of discovery reconciled by art and the imagination.

roll deep poems major jackson: Razzle Dazzle Major Jackson, 2023-09-05 "The whole world is in these poems." —David Kirby, The New York Times Book Review An exuberant collection of two decades of Major Jackson's passionately intelligent poetry. A preeminent voice in contemporary literature, Major Jackson offers steady miracles of vision and celebrations of language in rapturous, sophisticated poems. *Razzle Dazzle* traces the evolution of Jackson's transformative imagination and fierce music through five acclaimed volumes: his Cave Canem Poetry Prize-winning debut, *Leaving Saturn* (2002), which captures the spirit of resilience in the Philadelphia neighborhoods of the poet's youth; *Hoops* (2006), which finds transcendence in the solemn marvels of ordinary lives; *Holding Company* (2010), which shifts away from narrative to explore the seductive force of art, literature, and music; *Roll Deep* (2015), which addresses human intimacy, war, and the spirit of aesthetic travel; and his vulnerable, philosophical latest, *The Absurd Man* (2020). The volume opens with over three dozen new poems that erupt into full-throated song in the face of indignity and invite us into a passionate experience of the world. Taken together, these two decades of writing offer a sustained portrait of a poet "bound up in the ecstatic," whose buoyant lyricism confronts the social and political forces that would demean humanity. Equally attuned to sensuous connection, metaphysical inquiries, the natural world, and ever-changing urban landscapes, Jackson possesses a sensibility at once global and personal, driven by an enduring conviction in the possibilities of art and language to mark our lives with meaning. Whether addressing racial conflict and the ongoing struggle for human dignity in America, bearing witness to the plight of refugees, or grieving the contradictory nature of humankind, these dexterous poems proclaim the remarkable power of renewal, justice, and accountability.

roll deep poems major jackson: The Necessary Past Annette Debo, 2024-04-15 Uncovering how poetry refigures Black history to imagine a more just present and future "Poets are lyric historians," proclaimed Langston Hughes. Today, historical poetry offers a lyric history necessary to our current moment—poetry with the power to correct the past, realign the present, and create a more hopeful, or even hoped-for, future. *The Necessary Past: Revising History in Contemporary African American Poetry* focuses on six of today's most celebrated poets: Elizabeth Alexander, Natasha Trethewey, A. Van Jordan, Kevin Young, Frank X Walker, and Camille T. Dungy. Their works reimagine the interiority of Black historical figures like the so-called Venus Hottentot Sara Baartman and the would-be spelling champion MacNolia Cox, the African American Native Guard who fought in the Civil War and the unknown victims of domestic violence, Jack Johnson and Jean-Michel Basquiat, Medgar Evers and those freed and enslaved in the early nineteenth century. These poets

shift the power dynamic in revising our shared history, reconfiguring who speaks and whose stories are told, and writing a past that frees readers to change the present and envision a more just future.

roll deep poems major jackson: The Best American Poetry 2019 David Lehman, Major Jackson, 2019-09-10 The 2019 edition of The Best American Poetry—"one of the mainstays of the poetry publication world" (Academy of American Poets)—now guest edited by Major Jackson, award-winning poet and poetry editor of the Harvard Review. Since 1988, The Best American Poetry has been the leading anthology of contemporary American poetry. The Washington Post said of the 2017 edition, "The poems...have a wonderful cohesion and flow, as if each contributes to a larger narrative about life today...While readers may question some of the selections—an annual sport with this series—most will find much that resonates, including the insightful author notes at the back of the anthology." The state of the world has inspired many to write poetry, and to read it—to share all the rage, beauty, and every other thing under the sun in the way that only poetry can. Now the foremost anthology of contemporary American poetry returns, guest edited by Major Jackson, the poet and editor who, "makes poems that rumble and rock" (poet Dorianne Laux). This brilliant 2019 edition includes some of the year's most defining, striking, and innovative poems and poets.
