Zondervan's Compact Bible Dictionary: A Handy Companion for Every Bible Reader

zondervan s compact bible dictionary is an invaluable resource designed to bring clarity and insight to anyone exploring the Bible. Whether you're a seasoned theologian, a casual reader, or someone new to Scripture, having a reliable dictionary that's easy to carry and quick to reference can transform your study experience. Zondervan, a well-respected name in Christian publishing, has crafted this compact edition to fit both the depth of biblical scholarship and the convenience modern readers need.

What Makes Zondervan's Compact Bible Dictionary Stand Out?

Zondervan's reputation for quality Bible study tools is well-known, and their compact Bible dictionary lives up to this legacy. Unlike bulky reference books, this dictionary condenses essential biblical terms, names, places, and concepts into a portable format without sacrificing accuracy or depth.

Concise yet Comprehensive Entries

One challenge with compact dictionaries is balancing brevity with substance. Zondervan achieves this by offering concise explanations that get straight to the point while providing enough background to enhance understanding. Each entry is carefully curated to include historical context, theological significance, and relevant Scripture references, making it easier for readers to cross-reference passages and deepen their study.

Accessible Language for All Readers

Not everyone approaching the Bible is familiar with theological terminology. Zondervan's compact Bible dictionary is written in clear, accessible language without oversimplifying complex ideas. This ensures that both beginners and more advanced readers find the content approachable and enriching.

How Does the Compact Format Enhance Bible Study?

One of the biggest advantages of Zondervan's compact Bible dictionary is its handy size. This feature makes it a perfect companion for daily devotions, group Bible studies, or even on-the-go learning.

Portability for On-the-Go Learning

The compact size means you can easily slip it into a backpack, purse, or even a large pocket. This portability encourages consistent study since you're never without a trustworthy reference. Whether you're at church, a coffee shop, or traveling, your dictionary is ready whenever questions arise.

Quick Reference Without Overwhelm

Because the dictionary focuses on key terms rather than exhaustive entries, it helps users find information quickly without feeling overwhelmed by too much detail. This is particularly helpful during sermons or study sessions where immediate understanding is beneficial.

Key Features of Zondervan's Compact Bible Dictionary

Understanding what's inside the dictionary can help potential users appreciate its value.

- **Over 4,000 entries:** Covering people, places, customs, and theological concepts found throughout the Bible.
- **Easy-to-navigate format:** Alphabetical listings with clear headings and subheadings.
- **Cross-references:** Links to related entries and Scripture passages enhance study connections.
- **Compact dimensions:** Typically around 4 x 6 inches, perfect for travel and daily use.
- **Durable binding and cover:** Designed to withstand frequent handling and transportation.

Who Should Consider Using Zondervan's Compact Bible Dictionary?

This dictionary is tailored to a broad audience, making it an inclusive tool for anyone interested in Scripture.

Students and Bible Scholars

For students enrolled in Bible courses or seminary, having a reliable dictionary that provides quick definitions is indispensable. It supports homework, sermon preparation, and research by offering foundational knowledge on biblical terms and background.

Pastors and Teachers

Pastors and Bible study leaders often need to clarify difficult terms on the fly. Zondervan's compact Bible dictionary allows for quick consultation, helping to explain topics clearly during sermons or discussion groups.

New Believers and Curious Readers

For those just beginning their spiritual journey or exploring Christianity, the Bible can sometimes feel intimidating. A compact dictionary breaks down barriers by making biblical language and concepts more understandable and less intimidating.

Tips for Getting the Most Out of Zondervan's Compact Bible Dictionary

To maximize the benefits of this tool, consider these practical approaches:

1. **Use it alongside your Bible:** Keep the dictionary within reach during your reading to look up unfamiliar words and names immediately.
2. **Make notes:** Jot down insights or questions that arise when reading dictionary entries to deepen your study.
3. **Compare entries:** When studying a particular topic, check multiple related entries to gain a fuller understanding.
4. **Pair with other study aids:** Use it alongside commentaries, concordances, and maps for a richer study experience.
5. **Review periodically:** Regularly revisit dictionary entries to reinforce your biblical vocabulary and concepts over time.

Comparison with Other Bible Dictionaries

In the vast world of Bible reference materials, Zondervan's compact dictionary holds a distinct place, but it's helpful to see how it stacks up against other popular options.

Vs. Full-Sized Bible Dictionaries

Full-sized dictionaries like the “Holman Illustrated Bible Dictionary” or “New International Bible Dictionary” offer extensive detail and illustrations but are often bulky and less convenient for everyday use. Zondervan’s compact version trades some depth for portability but remains highly reliable for quick study.

Vs. Other Compact Dictionaries

Compared to other compact versions, Zondervan’s dictionary stands out for its balanced approach to clarity and scholarly accuracy. Some smaller dictionaries may oversimplify, while others might be too technical. Zondervan strikes a user-friendly middle ground.

A Last Word on Incorporating Zondervan’s Compact Bible Dictionary into Your Study

Integrating Zondervan’s compact Bible dictionary into your daily Bible reading habits can significantly enhance your understanding and enjoyment of Scripture. Its thoughtful design, clear entries, and portability make it a go-to resource whenever you encounter challenging words or want to dig deeper into biblical history and culture. Whether you’re reading at home, participating in a study group, or preparing a message, this dictionary serves as a faithful companion, bridging the gap between ancient texts and modern readers.

Zondervan's Compact Bible Dictionary: A Practical Resource for Biblical Study

Zondervan s compact bible dictionary stands as a notable reference tool designed for students, pastors, and lay readers who seek a concise yet informative guide to biblical terms, names, places, and concepts. As one of the many offerings from Zondervan, a publisher renowned for its extensive catalog of Christian literature and study aids, this compact dictionary aims to strike a balance between accessibility and scholarly reliability. This review explores the features, usability, and overall value of Zondervan's Compact Bible Dictionary, examining how it fits into the broader landscape of biblical reference materials.

Overview of Zondervan's Compact Bible Dictionary

The Zondervan Compact Bible Dictionary is tailored for those who require quick access to biblical definitions without the bulk of a comprehensive multi-volume set. It typically contains several thousand entries, covering a wide range of biblical names, places, theological terms, and cultural references found throughout the Old and New Testaments. The dictionary is compact by design, often fitting comfortably on a bookshelf or in a backpack, making it convenient for study groups, sermon preparation, or personal Bible study sessions.

What distinguishes this dictionary from other similar publications is its focus on clarity and brevity, providing essential information without overwhelming the reader with excessive detail. This makes it particularly suitable for individuals new to biblical study or those who want a dependable quick-reference guide.

Content and Coverage

Zondervan's Compact Bible Dictionary includes a broad spectrum of entries, ranging from major biblical figures such as Moses and Paul to lesser-known persons like Abihail or Shealtiel. It also covers geographical locations, historical contexts, and cultural practices that influence biblical narratives. The dictionary integrates archaeological findings and linguistic insights where relevant, enhancing the reader's understanding of the ancient world.

In terms of theological content, the dictionary addresses key concepts such as covenant, redemption, and prophecy, offering concise explanations that reflect mainstream evangelical scholarship. The entries are cross-referenced, allowing readers to explore related topics easily.

Comparison with Other Bible Dictionaries

When compared to more comprehensive resources like the Holman Illustrated Bible Dictionary or the Anchor Yale Bible Dictionary, Zondervan's compact edition is understandably more limited in scope. It lacks the extensive bibliographies, in-depth articles, and detailed illustrations found in larger volumes. However, this is a trade-off for portability and ease of use.

On the other hand, its concise format often makes it more approachable for lay readers than some academic dictionaries, which can be dense and technical. For example:

- **Holman Illustrated Bible Dictionary:** Offers richly illustrated, detailed entries but is bulkier and more expensive.
- **Anchor Yale Bible Dictionary:** Highly scholarly with extensive bibliographies but less accessible to casual users.
- **Zondervan's Compact Bible Dictionary:** Prioritizes brevity and clarity, making it ideal for quick reference and beginner to intermediate users.

Usability and Design

The compact format of Zondervan's dictionary is supported by clear typography and a straightforward layout. Entries are alphabetically arranged and often include pronunciation guides, which can be particularly helpful given the variety of Hebrew, Greek, and Aramaic names. The dictionary also occasionally provides scriptural references, enabling users to locate the original

biblical passages where terms appear.

While it is not heavily illustrated, the dictionary sometimes includes simple maps or tables to elucidate complex information such as tribal genealogies or temple layouts. This minimalist design contributes to the dictionary's portability and ease of use but may leave users wanting more visual aids.

Pros and Cons of Zondervan's Compact Bible Dictionary

Advantages

- **Compact and Portable:** Its small size makes it easy to carry and store.
- **Accessible Language:** Entries are written in clear, understandable prose suitable for a wide audience.
- **Broad Coverage:** Includes a wide range of biblical terms, from people and places to theological concepts.
- **Reliable Publisher:** Zondervan's reputation ensures editorial quality and theological soundness.

Disadvantages

- **Limited Depth:** Entries are brief and may not satisfy users looking for comprehensive scholarly analysis.
- **Minimal Visual Content:** Few illustrations or maps compared to other Bible dictionaries.
- **Evangelical Perspective:** While generally balanced, the theological explanations reflect an evangelical viewpoint, which may not appeal to all readers.

The Role of Zondervan's Compact Bible Dictionary in Biblical Study

For many users, Zondervan's Compact Bible Dictionary serves as a first-line tool in biblical research. It is particularly useful during sermon preparation or Bible study classes where quick clarification of

unfamiliar terms can enhance understanding and facilitate discussion. Its accessibility encourages regular consultation, fostering greater engagement with the biblical text.

Moreover, its focus on essential information helps prevent novice readers from becoming overwhelmed by excessive detail, which can sometimes hinder comprehension in larger academic works. For pastors, teachers, or students who need a reliable reference without extensive academic jargon, this compact dictionary fills an important niche.

Integration with Other Study Tools

Zondervan's Compact Bible Dictionary can complement more extensive resources, such as Bible commentaries or theological encyclopedias. Many readers use it alongside digital Bible study apps, where it functions as a quick lookup tool. Its concise entries provide foundational knowledge that can be expanded upon through more detailed study materials.

For those using Zondervan's broader range of study Bibles or reference works, this dictionary aligns well in tone and theological perspective, providing a cohesive study experience within the Zondervan ecosystem.

Final Thoughts on Zondervan's Compact Bible Dictionary

Zondervan's Compact Bible Dictionary offers a practical, user-friendly reference for individuals seeking to deepen their biblical knowledge without delving into overwhelming detail. While it may not replace more comprehensive academic resources, its strength lies in its portability, clarity, and broad coverage. It is a valuable addition to the bookshelf of anyone engaged in regular Bible reading or teaching who desires a trustworthy and accessible tool for quick biblical reference.

zondervan s compact bible dictionary: English Author Dictionaries (the XVIth - the XXIst cc.)

Olga M. Karpova, 2011-01-18 This book is devoted to the description of typical trends in development, formation and the present state of English Author Lexicography, the roots of which go back to concordances to the Bible and glossaries of the complete works of Chaucer (xvi c.). Part I, "Linguistic Dictionaries to English Writers," presents lexicographic analysis of old and new concordances, indices, glossaries and lexicons of famous English writers with special reference to Chaucer, Milton, Shakespeare, and Dickens. It presents a modern scene of author glossaries for unfamiliar words, terms and other groups of writers' vocabulary (e.g. Shakespeare's insults and his erotic language). The reader is offered a detailed review of author concordances, glossaries and lexicons on the Internet, along with criticism of printed dictionaries. Part II, "Encyclopedic Reference Works to English Writers," deals with English author encyclopedic reference books, i.e. encyclopedias, guides and companions; dictionaries of characters and place names; quotations and proverbs, and Internet encyclopedic resources. The book also provides a comprehensive list of references on author lexicography and an Index of Dictionaries to the English Writers (xvi-xxi cc.), including 300 titles of linguistic and encyclopedic dictionaries, which is a reliable user guide in the world of English author lexicography.

zondervan s compact bible dictionary: For the Potential Christian Miranda L. Turner, 2021-01-22 In a world plagued by death, evil, and disease—there is good news. If your life is darkened by depression, grief, or fear—there is hope. Hope is found in a life surrendered to Jesus Christ. He comforts us in times of trouble and makes a way for us in times of need. He is a friend to the friendless and a mender of broken hearts. Jesus desires a love relationship with each of us. That's why there's a longing in us that yearns for something we can't put our finger on. That longing is for God. The creation needs fellowship with its Creator and vice versa. But many don't understand the basic aspects of the Christian life, and some don't believe they can live up to the expectations. This causes them to keep God at a distance and reject his gift of salvation. But not knowing the truth has eternal consequences. For the Potential Christian explains the basics of Christianity in simple, easy-to-understand language. Whether you're seeking God or you're a new believer, this book will start you on the path to an eternal, lifelong relationship with our Creator.

zondervan s compact bible dictionary: There Is A Doorway... Rick L. Johnson, 2022-10-19 There Is A Doorway is a book by Rick L. Johnson on the enlightenment that he has attained from the leading and direction of God's Holy Spirit from the number one source, the Bible. Like most, a lost soul in need of and searching to understand and to find salvation, the author has chronicled here his long quest for clarity and knowledge of God from His Word to us, the Holy Bible. How it had eluded him and how with persistence and God's goodness leading him that he overcame the challenges and hurdles to a fuller understanding, through the leadings and the teachings of our Lord and Savior Jesus Christ--this is that book!

zondervan s compact bible dictionary: God's Chosen G. Grace Small, 2013 God's Chosen: Understanding Spiritual Warfare is a book that inspires, encourages and teaches Christians to effectively manage warfare and live victoriously for Christ. It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the means God affords, namely His strength and mighty power. As Believers prepare to fight triumphantly against evil and wicked forces, we come to an understanding of the challenge, purpose and outcome of spiritual warfare. Putting on God's armor and standing firm in Him, amply equips us to fight offensively and defensively. Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God. Through conscious engagement in this fight we win against all odds. In 2005, during prayer, the Holy Spirit inspired me to write this book on spiritual warfare. I was going through a precarious time and as usual, I sought God in prayer and study of the Word. The Holy Spirit led me to Ephesians 6:10-18. As I studied and meditated, God moved me to begin writing on the subject of warfare. During research and study, I discovered there are not enough books addressing this phase of our journey. Therefore, I saw the need to press through varied attacks to produce this important work.

zondervan s compact bible dictionary: Jehovah the First Godfather Carlton Marion Morris Jr., 2001-02-21 Through ignorance, misunderstanding, custom and tradition the Jewish and Christian

religions have combined three distinct and individual entities into one being they call God. This is contrary to their holy scriptures. There are in fact three and individual entities in scripture who are known by this title. There is GOD, the universal creator, the Lord God the creator of man and then there is Jehovah, the God of the Jews. He is the one we are most concerned about. For he was the First Godfather. In the book entitled Jehovah the First Godfather, an agnostics view of God, the Bible and Religion, the appropriate scriptures are used to separate and explain the differences between these three entities and to explain the part they play in the creation of the universe, the creation of man and the religion of one group of nomads called the Israelites. For the lack of an understanding of the where, when, how, why and by whom the universe was created, we say that it is the handiwork of GOD. He, She or It designed, created and controls this creation through laws and forces we are just now beginning to understand. According to biblical scripture organic life, both animal and vegetable, were a part of that original design. Primitive organic life began before the stars and moon were put into motion. (Gen. 1:11-13.) After the formation of the stars, moons and planets, more advanced forms of organic life came into existence. The Bible identifies a few of those the more advanced forms of life. One of the species of life created as a part of that original design and may well have originated in the seas of another world was a race of beings, identified by Jehovah during his instruction of Moses, as the living creature. It was a form of life which evolved into an intelligent, creative thinking race of beings who became so advanced in their culture, civilization, science and technology that they began to travel the stars. In their travels they stepped down upon many planets. Some they tried to colonize. The earth was one of those planets. That colonization attempt failed. In their one of their later visits a few thousand years ago they came to this planet to mine for minerals. It was during this time that mankind was created. We were naked slaves created to mine for the minerals they desired, to wait on and serve them at their leisure. Our creation was not by some heavenly or divine power out of love and benevolence but out of commercial necessity. We were created by the medical and scientific process of cloning. The biblical description of the creation of Eve supports such an hypothesis. The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life, among them man himself. The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God, and by Melchizedek, king and high priest of Salem, as the Most High God. To be the most high god indicates that there must have been lesser beings also identified as gods. One of those lesser beings was Jehovah one of the subordinates of the Lord God. He is identified in scripture as YHWH, Yahweh, Ishi, Baali and Jehovah. Jehovah assumed the title of a god when he convinced Abraham to follow him. He did not become a god until he led the Hebrews into the Sinai wilderness. Gods need worshipers, temples, priests sacrificial offerings, gifts and a land to call one's own. Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness. This was his first step in establishing his dynasty. Once he had the congregation under his control he had taken the first step towards his ambition, he had worshipers. Next he ordained the tribe of Levi as the priests who would wait on and serve him.

zondervan's compact bible dictionary: The Crucifixion Agron Belica, 2009-09-09 In this book, Agron Belica offers a fresh interpretation of the momentous events on a hill beyond the walls of Jerusalem nearly two millennia ago: the Crucifixion. Belica asks disconcerting questions about the received version of gospel history and gives free rein to his inquisitive nature. Many of his ideas and speculations will strike the casual reader schooled in the ancient Biblical Traditions with which they conflict as unhistorical, impossible, and unbelievable. Yet, when questioning established premises, the impossible may often be shown to be possible, as Socrates was fond of doing. Mr. Belica does not claim to be proving anything, except that with some speculation and reinterpretation of the Biblical record and relevant Quranic texts, when coupled with a few remarks from Josephus, the whole traditional version of the Crucifixion can be seen in a different light. Belica throws new ideas and new possibilities at the reader, asking only that they be considered. Like a barrage of rockets shot into the moonless night sky, some flaring more brightly than the others, some of his

speculations are more plausible than others, but all are provocative and worth thinking about. His is the first innovative interpretation of the Crucifixion since Dr. Hugh Schonfield looked at it two generations ago. Beyond that, Belica has taken upon himself the task of redressing the imbalance between the gospel Jesus and the gospel John the Baptist and, in our opinion, has done so with justice on his side. The gospel writers diminished John in order to exalt Jesus and transform him into a superhuman, divine entity. While their motives are understandable, the researcher who seeks to explore unanswered questions and obscure competitors to the demigod they were creating, is understandably frustrated and can only mourn the lost evidence. This is particularly true for John the Baptist. In the New Testament, he is a minor figure, his purpose is to introduce and validate the mission of his kinsman Jesus as the Messiah. Belica asks why was John the Baptist so used by the gospelers and then dismissed to the limbo of silence, together with the Essenes who, though a considerable presence in the Palestine of the day, are not even mentioned by them? He was intrigued by that question and began to study the references to John, gradually conceiving unprovable, but provocative theories. His work became known to a mutual friend, the author of a number of valuable books and articles on various aspects of Islamica, Dr. Laleh Bakhtiar who also became interested in John the Baptist, and through her, I was introduced to him. At first, I was rather skeptical, but was persuaded to look into the historical injustice done to John. (He is much better served in the Quran than he is in the Bible.) Having trusted her instincts over the years in such things in my own literary projects, and with her continuous encouragement and suggestions, I set to work. The result of my own inquiry, the monograph *Rethinking John the Baptist*, is appended to the present volume. Meanwhile, Agron Belica continued his own research, examining new evidence while elaborating and working out his theories and speculations. The results of this work constitute the main portion of this volume that is dedicated to the rehabilitation of the reputation and stature of that much neglected prophet, John the Baptist, known in the Islamic world as Yahya. I was pleased to be chosen as his editor and annotator for this book.

Surely we each have a divine purpose. Often in times of prayer, I have asked God, "You have done so much for me. I see and hear you everywhere. What is it that you want me to do for you? Why am I on Earth? This book serves as a road map to those seeking such answers - seeking freedom. Embark on a journey of exploration. Are you destined to become one of God's spiritual warriors?"

zondervan s compact bible dictionary: *The Missing Link, Revealing Spiritual Genetics* Ph D Richard Gene Arno, Richard Gene Arno, 2008-04 This book teaches accountability for each individual's actions and helps the reader understand who God created him or her to be. Our primary goal for providing this book is to help you understand the mysteries of God's wonderful creation of the human race. It teaches how His wonderful plan, for us as individuals, works and how it can cause every person to be happy and fulfilled during this life. It will aid you in developing and maintaining relationships with others, especially with the Lord Jesus Christ.

zondervan s compact bible dictionary: *You Deceived Me* Olorunyomi W. Agbajor, 2012-11-12 The book speaks to readers of true Christian hope, the kind that can see the promise of life, even in the face of despair. It honestly states that marriage can grow to become a burden, but that God's Word offers comfort and encouragement. The book speaks of how the false impressions husbands and wives hold of one another become apparent as the gloss wears off of the new marriage, but the message of the book as a whole is about the growth that comes after both husband and wife recognize the mutual deception. Professor Agbajor lays out the main message of the book in the following words: No matter the state of your marriage and emotional disposition right now, as you are reading this book, I want you to know that your story has not yet arrived at its closing stage. There is still hope. Even though your life has become an elegiac verse of sorrows and deception, God's Word promises restoration. May the words of God as recorded in Joel embroicate your soul like a healing salve rubbed on a wound.

zondervan s compact bible dictionary: Coffeehouse Theology Ed Cyzewski, 2014-02-27

Theology should breathe life and unity among God's people, but today's culture creates a barrier of ignorance and misunderstanding in the study of God. Author Ed Cyzewski seeks to build a method for theology that is rooted in a relationship with God and thrives on dialogue.

zondervan s compact bible dictionary: Creatures in the Mist Gary R. Varner, 2007 Bringing together a medley of stories, myths, and folklore Gary Varner shares a fascination and respect for humankind's early and contemporary cultures and wonders at similarities across the board. Here, he focuses on Little People and giants, animals and were-creatures, and the odd, helpful or threatening ways imputed to our earthly companions including dogs and cats, bats and spiders, and the stories people have told each other about them since time immemorial. Gary Varner has performed a valuable service in these books. [Presenting] lore from about the world, a collector's hoard of traditions rich and strange, ... Varner shows there really are obvious and puzzling similarities between widely separated cultures. Gary Varner has pointed the way to some important cross-cultural readings in the ageless themes of stone and water. - Jeremy Harte, Curator of the Bourne Hall Museum, Surrey, England, in Northern Earth magazine, #103, 2005 Menhirs, Dolmen and Circles of Stone is an excellent guide to large-scale magical stones and stone magic. This book is a must for anyone interested in megalithic sites. Most highly recommended. -PanGaia Magazine, United States As with other books by the same author, this is a book based upon broad research into the subject, stretching across the world. What results is a fascinating weave of stories and images, descriptions of sites and associated tales, that leaves a sense of a thousand deities whispering in the air. Because it is so broad a sweep, the positive outcome is an overreaching perspective of the patterns and commonalities held between human communities - our ancestors - all around the world. The book is a sound overview and provocation to research more deeply ourselves, to find alternative visions, tales and interpretations, to find out more about the sacred currents, their depths and importance - both to our ancestors and to ourselves. The author's notations are comprehensive, allowing us easily to follow the clues. A valuable piece of work. -The Druid Network, England * Gary R. Varner is a lecturer and writer on folklore and early religions. He is author of several popular books comparing legends and beliefs around the world, including The Mythic Forest, the Green Man & the Spirit of Nature (Algora 2006); Menhirs, Dolmen and Circles of Stone: The Folklore and Magic of Sacred Stone (Algora 2005); and Sacred Wells: A Study in the History, Meaning, and Mythology of Holy Wells. zondervan s compact bible dictionary: America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper, 2023-04-23 God's timing is not our timing, but the bible is clear that judgment will come. America will be judged for its misdeeds one day. It is the author's hope that people will re-read the bible and encourage people to read this book to know that the author's goal is to first save souls and second save our country. Ideally, we need to be in a financial position to help others. To resolve problems in this country we must be honest and accept the truth to move forward. Most Americans including the author need all their income to pay bills and have means to enjoy themselves. The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous. Hopefully, anyone who became rich did not compromise their morality or abuse, misuse, or oppress others for their personal gain. If so, pray that they repent. Our country is in trouble as Compromised Christianity, Atheism, Agnosticism, and Satanic influence is on the rise while Bible Believing Christians are declining, getting older, and are dying off. It has been said that those who ignore history repeat history. Dr. Martin Luther King once stated that truth suppressed to earth shall rise again. The author is here to talk about the truth that is rising in our time now.

zondervan s compact bible dictionary: I Am That, I Am God R. J. Holloway MBA, 2018-07-18 The purpose of this book is to help the reader find that power that they possess within and to look within for that message from God. This book will open your eyes to the true and living I am, which is you. With some verses I used from the Bible, you will read and study scriptures differently. My purpose is for you to see yourself in the words. To see yourself as the Christ and to know when you begin to do this your life will change. Learning to overcome fear and doubt, understand that there is only one power that is good and fear is only an illusion.

zondervan s compact bible dictionary: More Than A Rabbi Dr. Al Garza, 2020-01-03 For the last 2000 years, there has been a debate about the identity and person named Yeshua-Jesus. This person lived in the 1st century in Jerusalem and died at the hands of the Jews and Gentiles. The Jews rejected his claims that he was the Jewish Messiah foretold by the prophets in their Hebrew Bible. After the destruction of the Jewish Temple and the exile of the Jews from their land at 70 A.D., the nations took hold of Yeshua-Jesus as their Christ, which in Greek means anointed one. The man who was born a Jew in the town of Bethlehem and who became known to many as the long-awaited Jewish Messiah, Son of God, has been lost. Jesus is more than a Rabbi.
